ACCESSORIES

Acclimatize

Capture a feeling of comfort. A spirit of driving enjoyment through all seasons of the year.

AIR CONDITIONING

Drive cool and refreshed with Ford Selectaire air conditioning—the integrated air conditioner designed for your Falcon or Fairmont. Selectaire air conditioning has been developed to Ford engineering standards and has undergone rigorous testing to ensure excellent performance under a wide range of operating and weather conditions.

For high ambient temperature applications, a heavy-duty blower fan kit is available (includes heavy duty cooling fan).

SHEEPSKIN SEAT COVERS

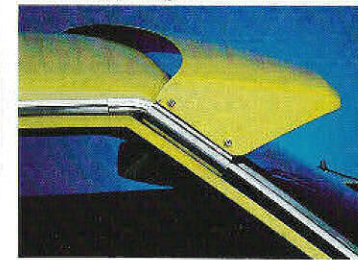

They're cool in summer and warm in winter. You'll like sitting on them and looking at them. Available for driver and front seat passenger in colours to harmonise with the interior.

WEATHERSHIELD

Protection from wind and rain. Allows you to drive in comfort with the window down. Available for driver and front passenger windows.

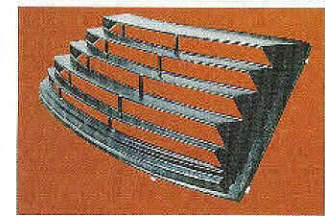

REAR WINDOW VENETIAN SHADE

Provides a cooler ride for your rear seat passengers. Deflects the sun's rays but does not obstruct rear vision. Venetian shades are also available for the side and rear windows of Falcon Wagon and the rear window of Falcon Utility.

SUNVISOR

Help protect eyes from overhead glare. Aerofoil style double skin construction reduces wind noise and flutter while streamlining air flow around sunvisor.

REAR WINDOW LOUVRE

Helps keep interior cabin temperatures down and shields rear seat passengers from direct sunlight. Adds a sportier look to your Falcon or Fairmont. Also available for Falcon Utility.

Customize

Feel free to express your own individuality. Customize your Falcon or Fairmont to suit your own spirit of freedom.

SPORTS INSTRUMENT CLUSTERS

For the driver who wants to know more about what his engine's doing. Comprehensive instrumentation includes battery voltmeter, oil pressure gauge, speedometer, fuel level, water temperature gauge and tachometer.

HEADLAMP GUARDS

Help protect your valuable quartz halogen headlamps from flying stones with these distinctive wrap-around, clip-on plastic covers. They're tough too.

BONNET PROTECTOR

Clear acrylic protection against flying stones, insects and tar spatter. Aerodynamically designed to complement body contours. Easy to fit and remove.

MUDFLAPS

Effective in deflecting water, mud, stones and tar spatters thrown up by wheels. Recommended for front and rear wheel arches.

DUST DEFLECTOR

Helps to reduce dust build-up on the rear window of your Falcon Wagon.

INSECT SCREEN

By keeping flying insects out of your radiator core it assists cooling. Mounted behind grille.

DRIVER'S FOOT REST

For resting the left foot during long trips. A convenient and comfortable driving aid.

FOG LAMPS

Powerful, long, low beam for penetrating mist and fog.

GAS SHOCK ABSORBERS

Help to control the vehicle's suspension under arduous driving conditions.

CRUISE CONTROL

Tailored fitment for easy operation. Helps to reduce driver fatigue on long trips. And by assisting driver to maintain constant speed, helps to improve fuel economy. Engages at the push of a button. Disengages when brake pedal is activated.

TOURING COMPUTER

A worthwhile addition to Fairmont Ghia equipped with the E.F.I. engine. The computer's twelve functions include: Fuel consumption rate and trip average. Distance to "empty" and fuel used on trip. Clock with calendar and time alarm. Speed alarm and trip speed average. Total distance and trip/stage distance. Total elapsed time and trip/stage time.

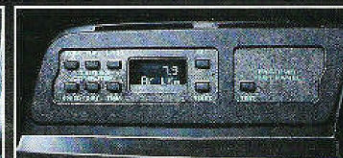

ELECTRIC LEFT HAND REAR VIEW MIRROR
Improves the driver's rearward vision. A convenient aid for driving in traffic.

REAR SPOILER

Adds a sporting touch and assists air flow.

SPORTS ROAD WHEELS

Add a sporting touch.

Utilize

Trailing. Skiing. Boating. Camping. Use these Ford accessories and know the meaning of freedom.

ROOF RACK FOR SEDANS AND WAGONS

Great for carrying those extra loads. Sturdy stainless steel construction with adjustable tie down points. Transverse load rails can be adjusted to help reduce roof-rack wind noise. Load capacity 73 kilograms.

SKI BAR

Robust, lightweight construction. Attractive matt black finish. Skis securely retained with rubber straps. Load capacity 25 kilograms.

CLASS I TOWBAR

Tested and recommended by Ford for your towing requirements. Class I provides for a towing load of up to 1200 kg (1000 kg for 3.3 litre sedan). Towbar assembly includes painted gooseneck, chrome finish also available.

TRAILER WIRING

A range of quality connectors for trailer or caravan brake lamps and turn indicators. Round or flat 7 pin plug and socket, trailer adaptor and universal wiring harness.

TRANSMISSION OIL COOLER

Essential under all towing conditions for vehicles with automatic transmissions.

AIR ADJUSTABLE SHOCK ABSORBERS

Compensate for the load you're towing. It's easy to adjust the pressure at a filling station.

REAR SPRING HELPER KIT

Provide extra stability and improved handling for your Falcon Wagon, Ute or Van when towing heavy loads.

HIGH LEVEL BRAKELAMPS

Give advance warning to following vehicles unable to see the normal brake lamps. Two red lamps behind the rear window illuminate when braking. An excellent idea when towing a trailer in heavy traffic.

CAR ALARM

The alarm operates on all doors, bonnet and boot/tailgate by simultaneously activating hazard flashers and a specially fitted siren for approximately one minute. A pulsating dash light warns would-be intruders that the alarm is fitted. Turning the ignition key to the accessory or ignition 'on' position cancels the alarm.

Safetywize

Let Ford quality accessories help look after the well-being of your family, while car care products do the same for your Falcon or Fairmont.

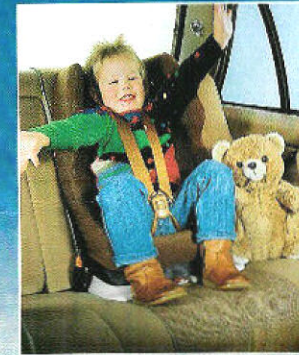

CAR CARE PRODUCTS

This quality range of products will help you to maintain your car's appearance—inside, outside and under the bonnet too!

BASSINET RESTRAINT

Safety and freedom from movement for the newest arrival. Fits carry cots, bassinets and pramettes.

SUMP GUARD

For extra protection during rough road and outback motoring.

CHILD SAFETY SEAT

Suitable for children aged 6 months to 4 years. One piece moulded body shell, cushion padding, adjustable harness. Approved to Australian Standard 1754.

MOTORIST SAFETY KIT

The kit contains safety triangle, F.V.C. reflective vest, and a range of dressings, scissors, plus a thermal blanket—all contained in a handy plastic carrying pack.

Harmonize

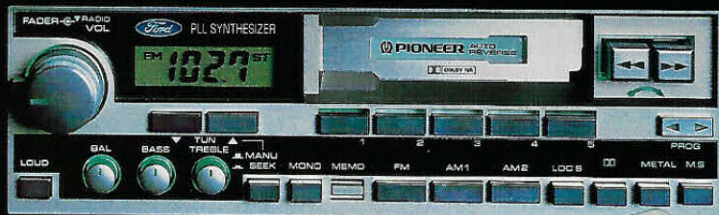

Revel in the freedom
of musical enjoyment.

AM/FM ELECTRONIC RADIO WITH STEREO CASSETTE PLAYER

Superb sound packed with the latest features.

Radio: Electronic touch tuning. Automatic search tuning with signal strength selectivity switch. Digital broadcast frequency readout. Facility to pre-set 5 FM and 10 AM stations. Loudness control. Inbuilt balance and fader controls. Separate bass and treble controls.

Cassette tape player: Auto reverse. Music search function. Fast forward and rewind. Noise control and metal tape selector.

REAR SPEAKERS

Fit them to complement standard front speakers and capture the all-round sound potential of your radio cassette player. These premium quality, 20 watt, 10cm speakers by Pioneer feature high compliance, dual cone design.

MOTORISED AERIAL

Reduce the risk of vandalism or other aerial damage - with the turn of a switch the radio aerial can be raised or lowered.
