

# Ford Falcon GL, Fairmont and Fairmont Ghia Wagons

**Ford Australia-We're moving with you.**

## Ford Falcon GL Wagon Standard Equipment Highlights:

- 3.3 litre Alloy Head II crossflow 6-cylinder engine
- Electronic spark control (E.S.T.)
- Electronic ignition
- 4-speed manual floor shift transmission
- Power assisted steering
- Four wheel disc brakes
- AM/FM radio/stereo cassette player (2 speakers)
- Steel wheels 14" x 6" JJ
- Full wheel covers
- P195/75SR14 steel belt radial ply tyres
- Tinted band laminated windscreen
- Quartz halogen 'z beam' headlamps
- Integral driving lights
- Colour keyed front bumper and radiator grille
- Wide bodyside protection mouldings
- Bodyside pinstripe
- Foldaway right-hand and left-hand exterior rear-view mirrors, each with interior manual remote control
- Binnacle mounted switches
- Hazard flashers
- 'Soft-feel' 4-spoke steering wheel
- Digital clock
- Lights on warning lamp
- 2-speed windscreen wipers
- Intermittent wipe setting for windscreen wipers
- 4-speed heater/demister
- Prismatic day/night interior rear-view mirror
- Cloth seat facings
- Tripmeter
- Reclining front bucket seats
- Carpeted passenger and luggage compartment floor
- Interior courtesy light operated by all doors
- Luggage compartment courtesy light
- Heated rear window
- Rear window wash/wipe system
- Rear door locks with child-proof setting
- One piece lift-gate with gas struts
- Front and outboard rear inertia reel seat belts
- Tinted side and rear glass
- Ignition lock illumination
- Lockable glove box with light
- Padded front seat head restraints
- Moulded door trims
- Coat hooks

## Ford Fairmont Wagon Standard Equipment Highlights:

**As for Falcon GL Wagon but  
with these different, upgraded or  
additional features.**

- 4.1 litre Alloy Head II crossflow 6 cylinder engine
- 3-speed T-bar automatic transmission
- Rake adjustable steering column

- AM/FM radio/stereo cassette player (4 speakers) with many features including touch tuning, digital frequency readout, station search, tape music search, Dolby noise reduction
- Chrome finish roof rack
- Diagonal 'Tweed'/'Velvet' Knit seat facings
- Adjustable lumbar support and seat cushion tilt for the driver
- Driver's footrest
- Front and rear door map pockets
- Map pockets on rear of front seats
- Ventilation outlets to rear passenger compartment
- Front centre console with armrest and storage bin
- Flush carpet on passenger compartment floor
- Outboard passenger grab handles
- Styled full wheel covers
- Dual tone horn
- Passenger vanity mirror mounted to the sunvisor
- Two Tone bodyside pinstripe
- Tilt adjustable front head restraints

## Ford Fairmont Ghia Wagon Standard Equipment Highlights:

**As for Fairmont Wagon but  
with these different, upgraded or  
additional features.**

- 4.1 litre EFI 6 cylinder engine
- Limited slip differential
- Alloy road wheels
- P205/65HR15 steel belt radial ply tyres
- Cruise control
- Body colour foldaway remote control power-operated left and right hand side exterior rear view mirrors
- Power operated door locks and windows
- Power operated antenna
- Motorised oscillating ventilation outlets
- Integrated air conditioning
- Heavy duty cooling pack
- Dome lamp with twin spots
- Illuminated entry system
- Fog lamps
- Front footwell lamp
- Pod mounted push button switches
- Comprehensive electronic instrumentation with high visibility vacuum fluorescent type displays
- Velour seat coverings and door trims

FORD FALCON

# Specifications

## FORD FALCON GL FAIRMONT, AND FAIRMONT GHIA WAGONS

Engine	3.1 litre	4.1 litre	4.1 litre EFI
Power DIN Kw	88 @ 4000	97.5 @ 3900	121 @ 4000
Torque DIN Nm	235 @ 2200	257 @ 2000	329 @ 3000
Cylinder head material:	Aluminium alloy with sintered iron valve seat inserts	Aluminium alloy with sintered iron valve seat inserts	Aluminium alloy with sintered iron valve seat inserts
Cylinders	6 in line	6 in line	6 in line
Main Bearings	7	7	7
Fan	Temperature sensitive viscous clutch (TSVC)	Temperature sensitive viscous clutch (TSVC)	Temperature sensitive viscous clutch (TSVC)
Bore	83.5mm	83.5mm	83.5mm
Stroke	79.4mm	99.3mm	99.3mm
Capacity	3673cc	4098cc	4098cc
Valve Gear	Overhead valves with hydraulic tappets	Overhead valves with hydraulic tappets	Overhead valves with hydraulic tappets
Camshaft Drive	Chain Drive	Chain Drive	Chain Drive
Compression Ratio	8.6:1	8.7:1	8.7:1

Suspension	3.1 litre	4.1 litre	4.1 litre EFI
Front	Independent short/long arm Wishbone rate coil springs Twin tube telescopic shock absorbers mounted co-axially within the coil springs 42mm diameter stabiliser bar	Rear •Rigid axle •Hotchkiss suspension •leaf springs (standard) 5-leaf springs (Heavy Duty Suspension) •Twin tube telescopic shock absorbers	Digital computer control based on volumetric air flow and engine speed with additional fuel flow modifiers from throttle position sensor, engine knock sensor, engine coolant sensor and air temperature sensor.

Fuel System	3.3 and 4.1 litre	4.1 litre EFI
Wagon	Weber model 'ADM' dual venturi, sequential (progressive) throttle, fixed jet downdraft carburettor with electrically operated choke. Mechanical fuel pump.	Digital computer control based on volumetric air flow and engine speed with additional fuel flow modifiers from throttle position sensor, engine knock sensor, engine coolant sensor and air temperature sensor.

Dimensions	Metric	Imperial
Overall length	5034mm	198' 2"
Overall Width	1864mm	72.5"
Overall Height	1357mm	55.0"
Wheelbase	2659mm	116.5"
Track - Front	1549mm	61.0"
Track - Rear	1544mm	60.0"
Usable fuel tank capacity	72 litres	15.8 gal
Turning Circle - curb to curb	11.8m	38.7 ft
Wagon load capacity		
- to rear seat	1.4m3	49.4 b3
- to front seat	2.4m3	84.7 b3
Wagon load length		
- with front seat	1996mm	78.5"
Wagon load compartment	1477mm	58.1"
Wagon load compartment height at centre	778mm	30.6"

Selected Fuel Consumption Data	3.1 litre	3.3 litre	4.1 litre	4.1 litre EFI
This data is based on AS2877 Tests conducted by Ford.				
	3.1 litre 4-speed manual Falcon GL Wagon	3.3 litre 4-speed manual Falcon GL Wagon	4.1 litre 3-speed automatic Fairmont Wagon	4.1 litre EFI 3-speed automatic Fairmont Ghia Wagon
CITY	12.0	12.0	13.5	14.0
L/100km	(23.5)	(23.5)	(20.9)	(20.2)
mpg				
HIGHWAY	8.0	8.3	10.0	10.5
L/100km	(31.4)	(33.2)	(28.2)	(26.9)
mpg				

These figures are provided to assist you in comparing the fuel consumption of Falcon with other vehicles. The actual fuel consumption you achieve will depend, however, on many factors including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use.

**About this specification sheet.** This sheet is designed to provide you with selected specification data for the Ford Products which have been described in a general way in the relevant brochure. Because of changes in conditions and circumstances Ford reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchaser.  
Because of variations which occur in manufactured products all capacities, measurements, dimensions and weights quoted in the relevant brochure and this specification sheet should be taken as approximate only.  
Always consult an Authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.

1785 SYDNEY ROAD, CAMPBELLFIELD, VICTORIA, 3061.

- Footnotes**
- The Centrolife front seat with seating for 3 people is mandatory on Falcon GL Wagon when column shift transmission is specified. The Centrolife seat does not have a lumbar support adjustment or a seat cushion angle adjustment and the centre console is deleted and the ashtray and cigar lighter are relocated to the centre dash.
  - P215/65HR14 steel belt radial ply tyres are mandatory at extra cost with the 4.1 litre EFI engine.
  - On vehicles equipped with a floor mounted transmission an upgraded console with ducting to the rear compartment is also available. Air conditioning is specified as an accessory and not fitted during production does not include upgraded console as part of the air conditioning accessory package.
  - Centrolife is only available with a column shift transmission and is not available if the S-Pack is specified. When Centrolife is specified the centre console is deleted and the ashtray and cigar lighter are relocated to the centre dash.
  - The S-Pack option is only available with floor shift transmission and includes:
    - Fog lamps
    - 16x3 steel wheels with chrome trim rings
    - P215/65 HR14 steel belted radial tyres
    - Sports instrumentation, consisting of analogue display tachometer and speedometer and a pair of dual function electronic vacuum fluorescent mirror gauges. The bar graph tyre monitor gauges provide water temperature and fuel level, or, at the touch of a button, the display will indicate battery voltage and oil pressure. If a critical situation develops, the display will automatically revert to that function.
    - Cloth seat facings
    - Steering column rake adjustment
    - Adjustable lumbar support and seat tilt for the driver
    - Driver's footrest
    - Protective paint/stripes treatment - with "S" badge on front fender.
  - The Heavy Duty Suspension option consists of heavy duty springs, increased ride height (on sedans) and heavy duty shock absorbers.
  - The Towing Pack is a factory-fitted option and provides a towing capacity of 1200 kgs for 4.1 litre engine or 810 kgs for 3.3 litre vehicles, when used in conjunction with a suitable caravan or trailer braking system and towing equipment. This pack consists of:
    - Tow bar
    - Downrod
    - Wiring harness with 7 pin electrical connector
    - Transmission oil cooler (automatic transmissions only)
 Note: The caravan or trailer braking system and any other items (such as the tow ball, load levelling devices and safety chains) required for the attachment to a trailer, caravan or other item to the vehicle are not supplied as part of the Pack, and must be purchased at extra cost or be supplied by the purchaser of the vehicle.  
The Towing Pack is designed to be incorporated in the vehicle during the assembly of the vehicle. The actual towing capability and performance of a vehicle will depend upon many factors including the suitability of the caravan, trailer etc. the condition of the vehicle and the load, the vehicle specifications (including engine capacity, transmission type, axle ratio, tyre type and size), weather conditions, road gradient, terrain and other prevailing conditions.  
A towing accessory is also available for fitment from your Authorised Ford Dealer. A Ford-approved transmission oil cooler must be fitted in conjunction with any towing accessory fitted to automatic vehicles and used to tow a gross weight of more than 500 kg. Consult your Authorised Ford Dealer for the latest information with respect to the specifications and the availability of this accessory towing pack.
  - This pack is available on all vehicles and comprises:
    - Increased capacity radiator (unless already fitted as part of the EFI engine option in conjunction with the Air Conditioning option)
    - Radiator shroud (unless already fitted as part of the Air Conditioning option or the EFI Engine option)
    - Standard on Ghia.
  - Not all colours are available in metallic paint or prestige paint. Consult the Ford colour selector or your Authorised Ford Dealer to determine which colours are available in metallic paint or prestige paint.
