

# Ford Capri.

Have you driven a Ford... lately? 

**The affordable dream.**

THE DREAM IS REAL.

Ford Capri is a dream car. It's almost everything you dream a convertible car could be; attractive, stylish, comfortable, very sporty and economical. Capri is unique. It's surprising a car with so much style is so affordable.

Just sitting behind the wheel conjures up images of taking moonlight drives along

SO WHICH CAPRI

DO YOU DREAM ABOUT?

Capri or Capri Turbo? Both look sensational. Both are equipped with the kind of features today's driver demands. And both are very affordable.

Which is the right Capri for you?

wide open, deserted roads.

Trips to the country, the beach, the snow or wherever your dreams take you.

What's more it's practical. Capri is an ideal two seater with the advantage of room in the back for two more. The interior is comfortable and surprisingly spacious. And a boot large enough to be really useful. As for head room, well, the sky's the limit.

Fuel Injected model provides the kind of performance the sporting driver demands.

It comes with 5-speed manual transmission and updated hydraulic clutch for more precise gear changing. For a little extra, on the standard Capri only, you can enjoy the optional new 4-speed electronic automatic transmission, which provides sporty performance and great fuel economy.

**TURBO 16V**

Then there's Capri Turbo.

It's a high spirited car with lines that promise excitement and engineering that delivers performance.

Under the bonnet lurks a powerful 1.6 litre electronic fuel injected, double overhead

It's a combination of great Italian design and Japanese technology with lots of good Australian know-how.

It's an Australian car with universal appeal. A car that has received rave reviews from the tough overseas critics.

So with everybody else in such a hurry to drive Capri, what are you waiting for?

cam, 16 valve, intercooled turbo charged engine.

With a close ratio 5-speed manual transmission that's as smooth under the hand as Capri is on the road, it's built for life in the fast lane. Capri Turbo also has a distinctive rear spoiler for improved appearance and aerodynamics.

A DREAM COME TRUE

Capri is an Australian built convertible with a truly international heritage.

Ford Capri, It's more than just a great

buy; it's a dream come true.

SWEET DREAMS

ARE MADE OF THIS.

Capri has the kind of standard features convertible enthusiasts dream about.

Such as an AM/FM stereo cassette player featuring Dolby, music search, auto store, 4 speakers and a theft-deterrent system.

*Full Carpet, full instrumentation, turbo model includes turbo boost gauge.*

For convenience there are power windows and mirrors, power assisted steering, a tilt adjustable steering column, a digital clock and much more.

The improved design of the comprehensive sports instrumentation delivers quick, precise information at a glance.

*Large practical box (big enough for golf clubs).*

*Power windows are standard on both models.*

The black convertible soft top is standard. And one person can put it up or down with ease. A fully detachable hard top is now also available,

at extra cost, in the same body colour as your vehicle. It creates a distinctive look for
