

# FORD CAPRI XR2

HAVE YOU DRIVEN A FORD...LATELY?

THE MEANING  
OF LIFE.

Ford Capri XR2 is the car for those who have discovered that the meaning of life is to have fun.

And there are few pleasures in life greater than owning a classic sporty convertible.

On a winding road with the sun streaming down and the wind in your hair, you'll find yourself doing more smiles an hour than you ever have before.

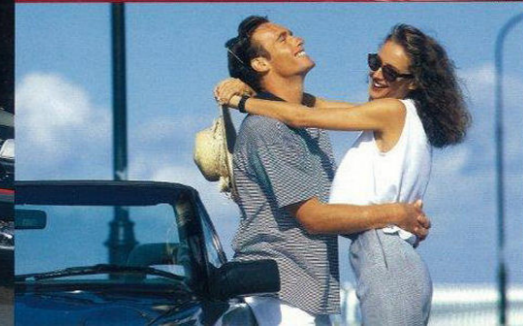

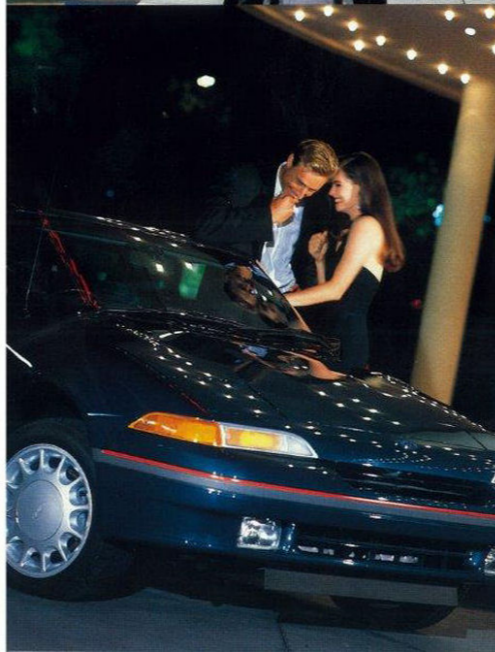

Capri XR2 is a car you can't help but enjoy.

A POLISHED  
PERFORMER.

Capri XR2 is 1.6 litres of double overhead camshaft, 16 valve, electronic fuel injected freedom - with a sense of style to match its performance.

Its sleek lines were born in an Italian design studio, while its technology comes straight from Japan. And, because our driving conditions can sometimes get a little rough, Capri XR2 is built with Australian toughness.

So the good times will last for a long, long time.

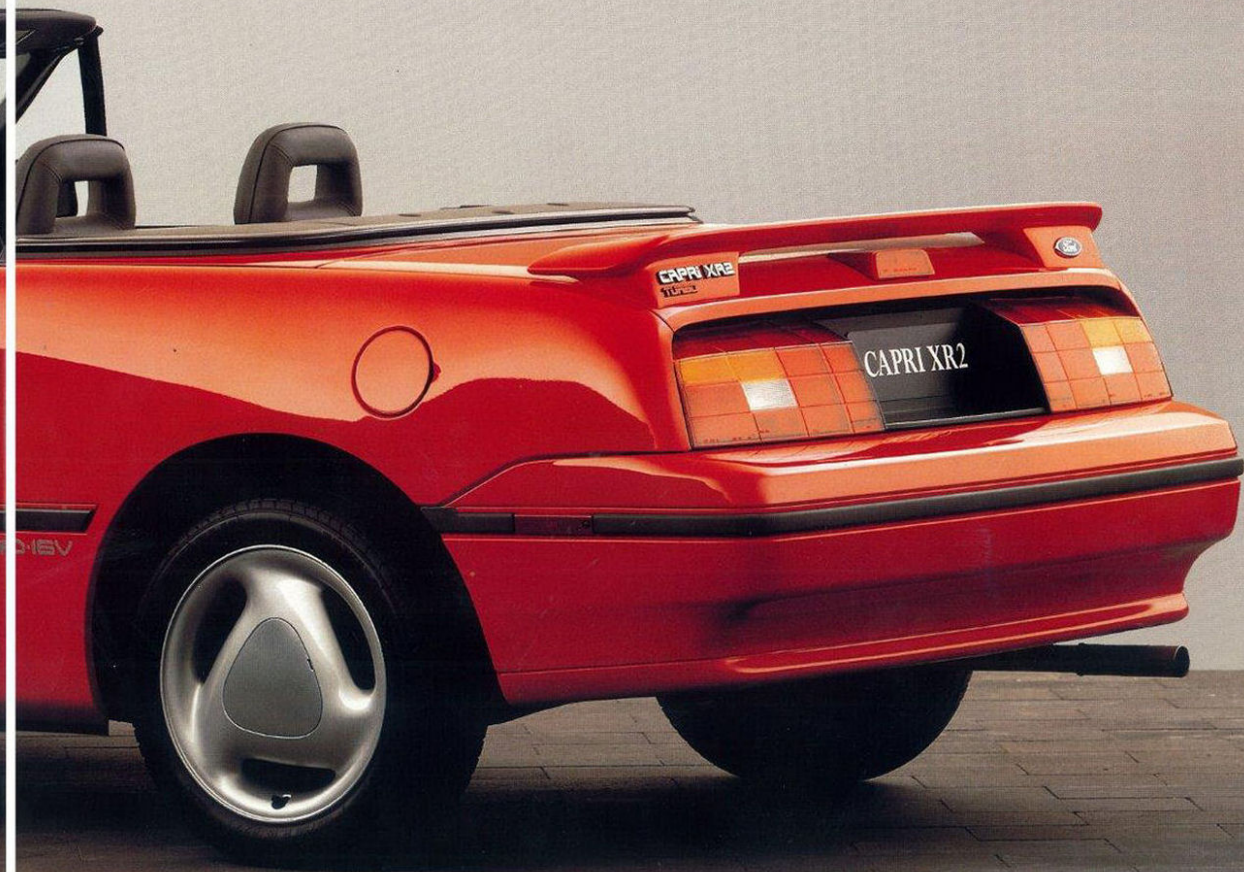

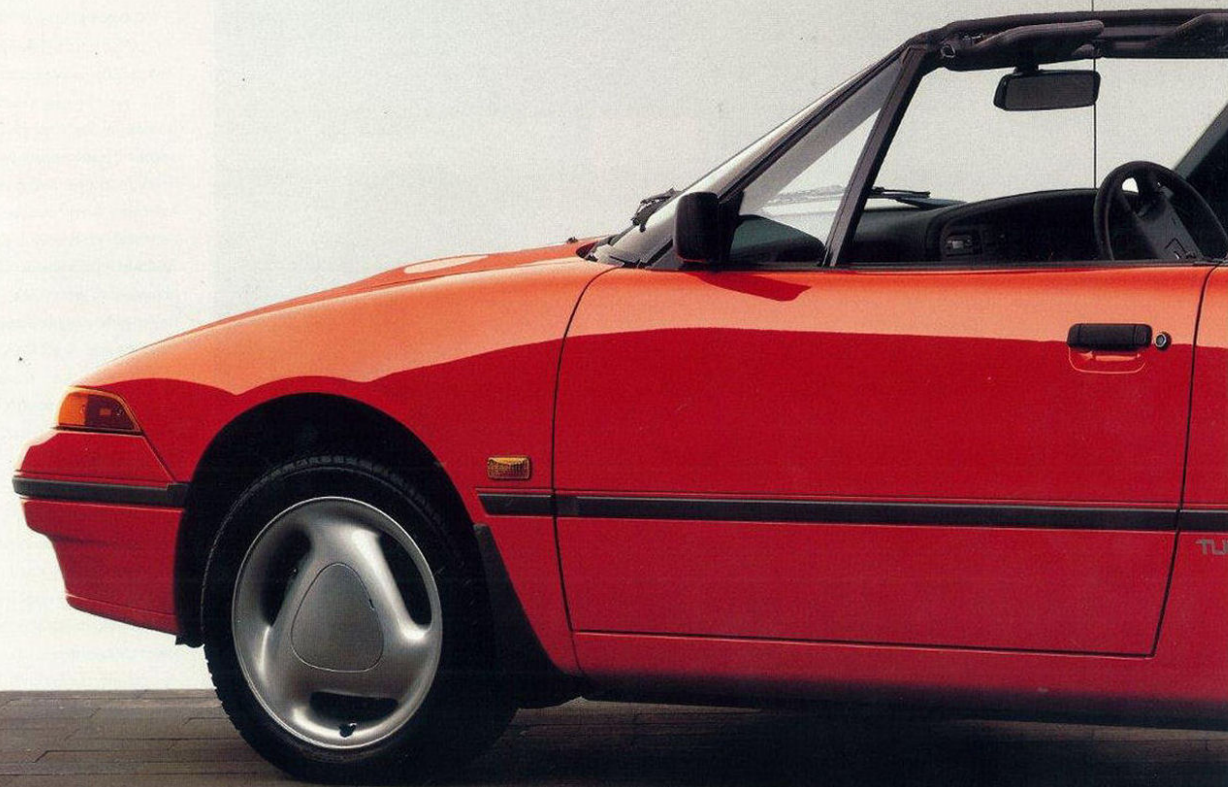

PRACTICAL  
CONSIDERATIONS.

Of course, life on the road isn't all fun and games. So Capri XR2 has a strong practical side to its nature. For example, it provides excellent fuel economy, is easy to drive in traffic and park in town, has room for two rear seat passengers and plenty of luggage space. And when you consider Capri XR2's affordable price, it's practically impossible not to consider one.

CAPRI XR2 TURBO.  
WILD AT HEART.

When you want to turn the fundial up to full, you want Capri XR2 Turbo. It'll take you from standstill to high excitement in no time at all thanks to a 1.6 litre double overhead camshaft, 16 valve, intercooled turbo engine. Which is one way of saying Capri XR2 Turbo has got what it takes to make it under the bonnet.

Capri XR2 Turbo has other differences from its naturally aspirated brother. Such as, a distinctive turbo badging, a close ratio five speed manual transmission, and leather trim.

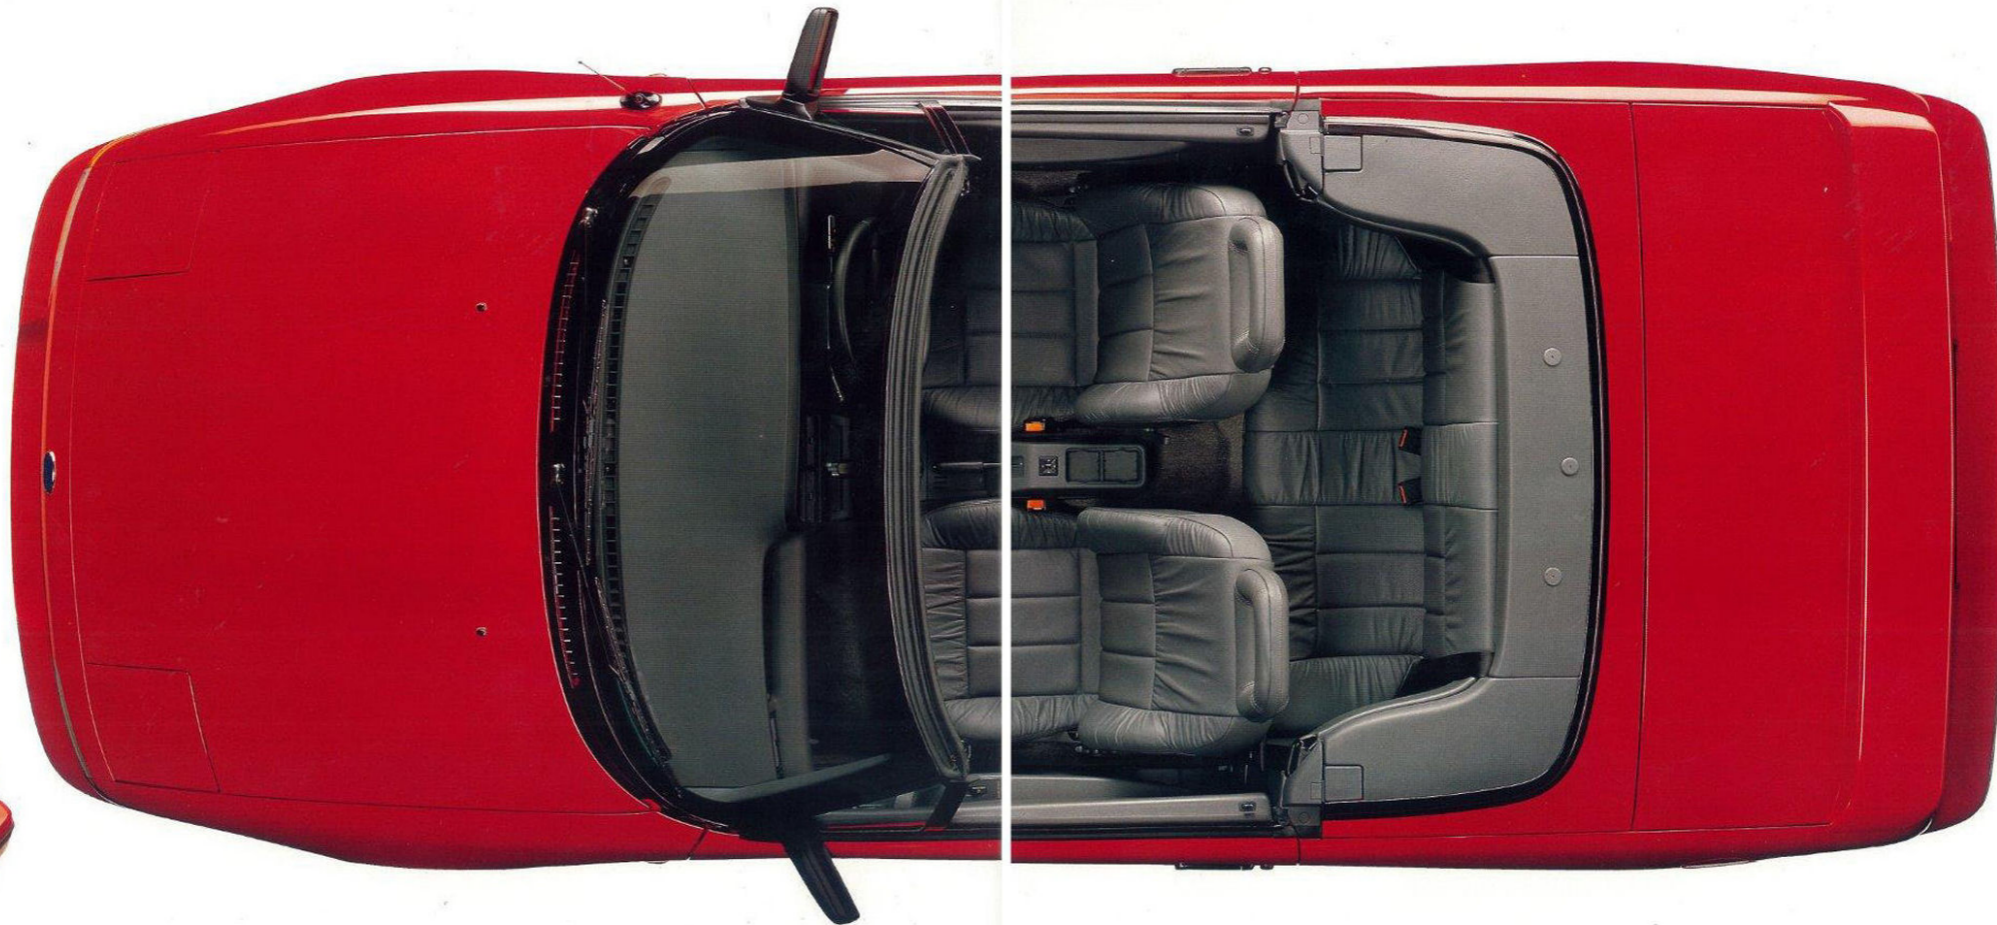

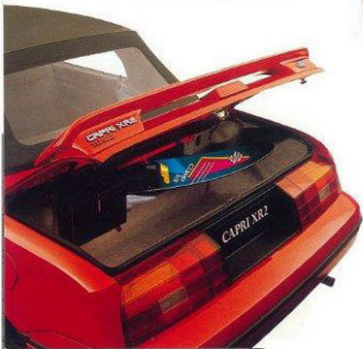

PUT YOURSELF IN  
THE HOT SEAT.

Snuggle into the driver's seat of Capri XR2 and feel the way the seat's contours hug you firmly in position. Enjoy the way the interior fabric feels as good as it looks.

Adjust the seat height and lumbar support as well as rake and reach for perfect positioning. Look behind you and see there's ample room for two rear seat passengers to join in the fun.

Further back there's a boot that holds 153 litres of luggage, which is more than enough for the longest holiday adventure. And if you want to pack something extra long or awkward in the boot like skis, just fold down the lockable rear seat backrest for extra cargo area.

HELLO SUNSHINE.

Capri XR2 has a standard black, or no-cost optional white, soft-top. It goes up and down in a matter of moments and it's a breeze for one person to operate. So you can say 'hello sunshine' and go topless, or put a roof over your head, depending on the weather.

For the time of the year when you want maximum protection from the elements, a fully detachable hard-top is available as an option. It has the same body colour as your Capri and turns your convertible into a coupe.

In summer, Capri offers two ways to beat the heat: with a soft-top that allows you to open as wide as the sky; or by keeping the roof in place and turning on the optional air conditioning.

Cool and comfortable standard all-cloth interior trim.

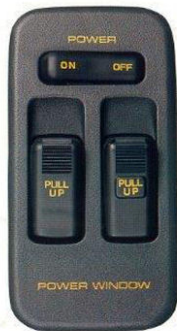

**Electric mirrors.**  
See where you've been  
with electric remote  
control external mirrors.

**Stereo system.**  
Four speaker, AM/FM  
CD-capable, stereo radio  
cassette player.

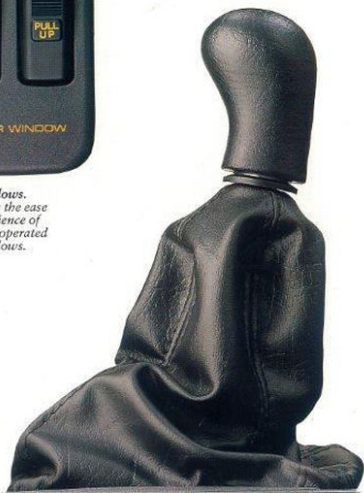

**Control stalk.**  
Headlamp controls,  
dip switch, headlamp  
flash and indicators  
are all mounted on  
the one control stalk.

**Power windows.**  
Capri offers the ease  
and convenience of  
electrically-operated  
power windows.

**Gear selector.**  
A short-throw gear  
lever and shaped  
knob make changing  
gears a sporting  
delight.

**Digital clock.**  
Clear and easy  
to read display  
tells you the  
time of  
your life.

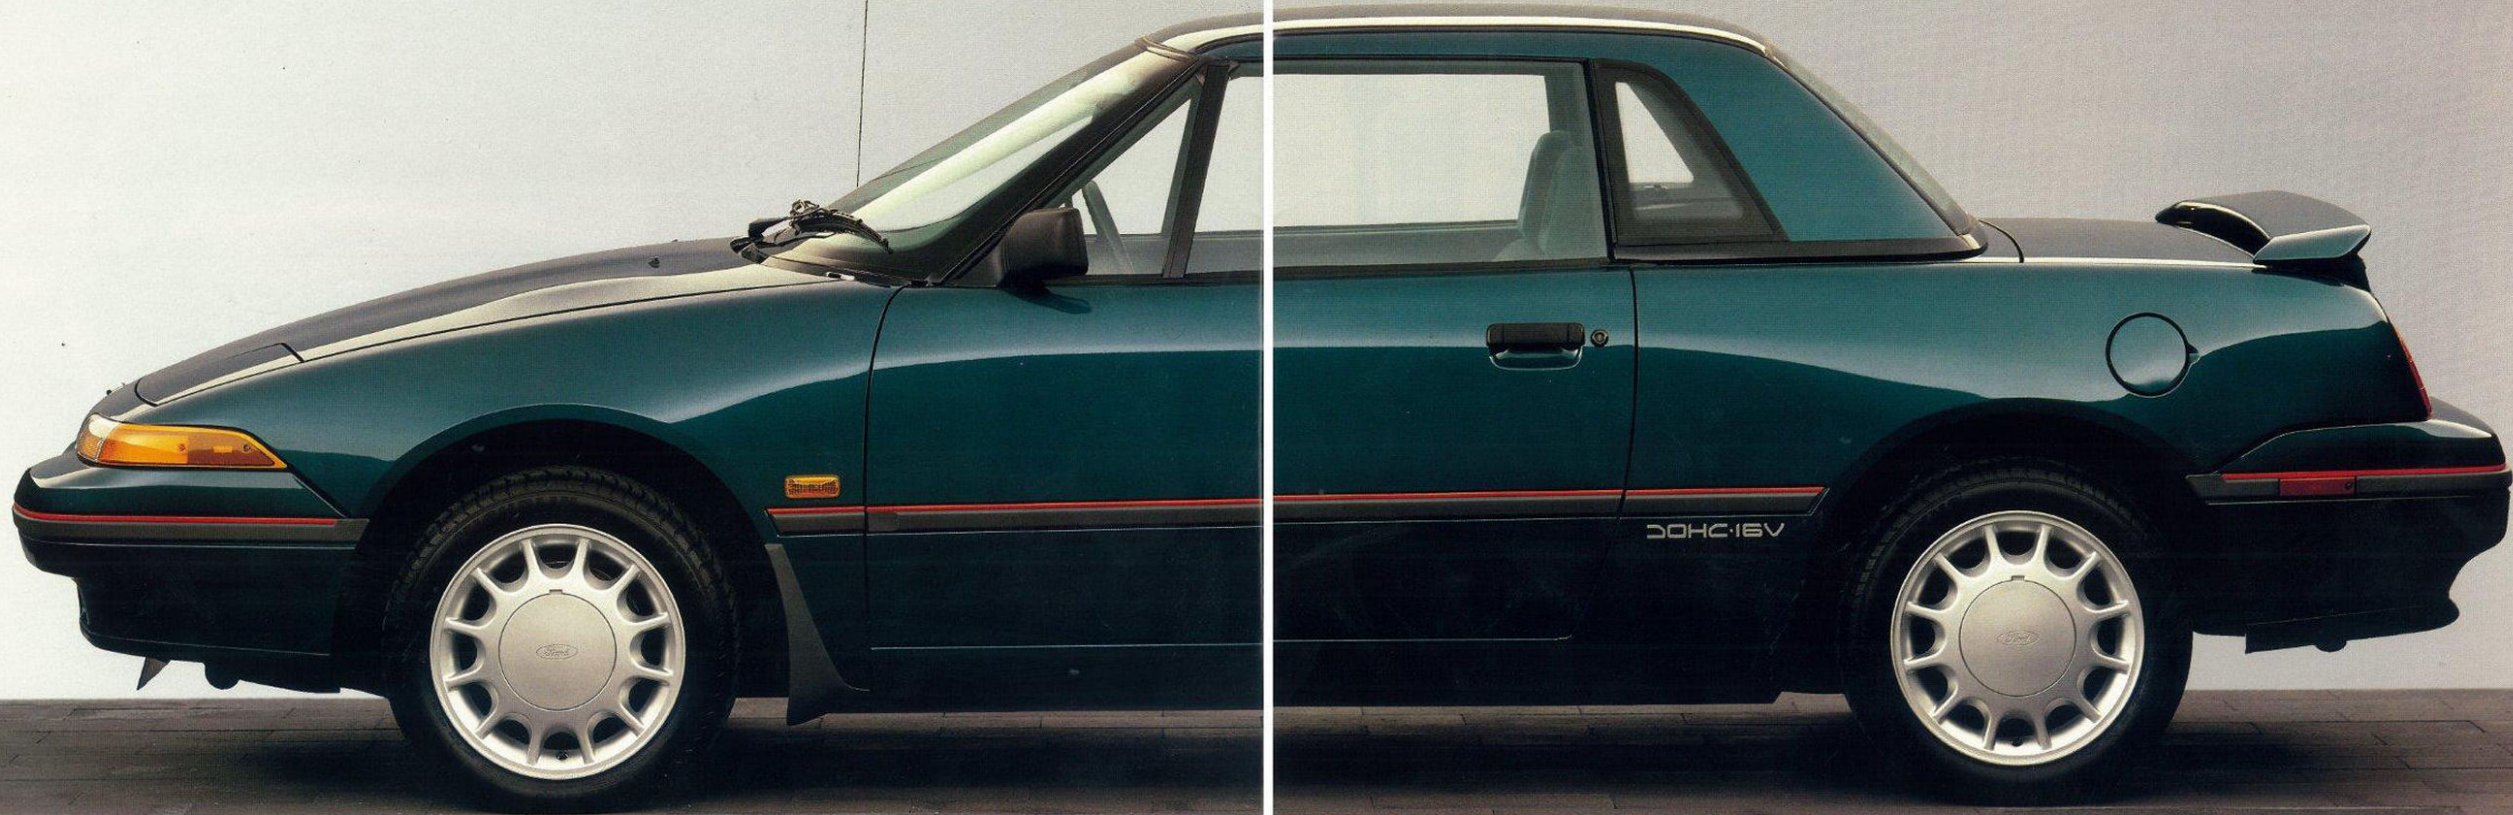

#### BEFORE YOUR VERY EYES.

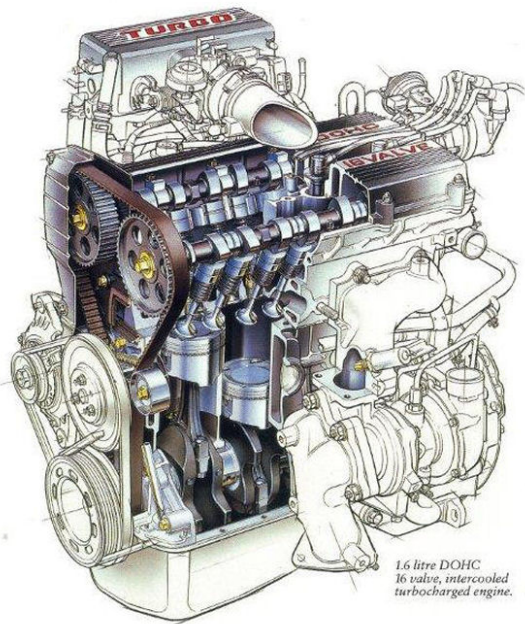

For comfort and control, Capri XR2's steering is power-assisted with a tilt-adjustable column. The sports steering wheel is wrapped in leather, so you can keep a good grip on things. All the controls are at your fingertips, including the standard power windows and power-operated mirrors. And to light up the road on long night drives, driving lights are fitted as standard.

Comprehensive sports instrumentation is fitted as standard. Speedometer, tachometer, odometer, tripmeter, oil pressure and fuel gauges and, on turbo models, a turbo boost gauge keep you reliably informed of what your car is doing.

To keep you entertained, Capri XR2 has a sophisticated Alpine radio/cassette stereo system with advanced features such as Dolby, music search, auto store, four dynamic speakers and security coded anti-theft protection. But for music at the max, you'll want to fit Capri's optional CD player. Its sensational sound brings new meaning to taking the car out for a blast.

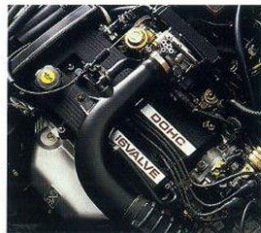

1.6 litre DOHC  
16 valve, intercooled  
turbocharged engine.

#### HAVING A POWER OF FUN.

Turning styling promise into sporty performance is a job for Capri XR2's lusty 1.6 litre DOHC EFI engine. It's capable of producing 77kW of power at 5,750rpm.

So whether you want to go for a run round the block or make a quick interstate trip, Capri has the power to get you there in a hurry.

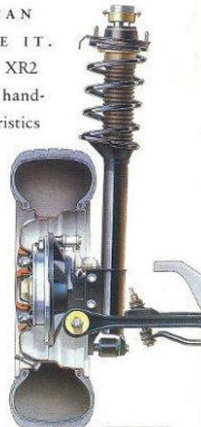

Powerful 1.6 litre 16 valve EFI, DOHC engine.

Then for drivers who want power without compromise there's the awesome performance of Capri XR2 Turbo.

It has a 1.6 litre DOHC EFI engine with 16 valves for efficient gas flow and an intercooled turbo charger that turns on the power tap full bore. It's designed to produce an inspiring 100kW at 6,000rpm.

#### YOU CAN HANDLE IT.

Capri XR2 has sporty handling characteristics that build driver confidence yet also have comfort and safety built in. The sports-tuned suspension is fully independent, with front and rear stabiliser bars on manual models.

For stability and road holding with a sense of style, steel radial tyres fitted to 15" alloy wheels.

And for a sense of safety in your stopping power there are disc brakes in all four wheels.

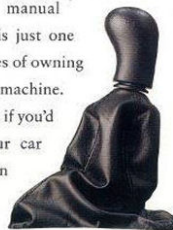

Powerful  
4 wheel  
disc brakes.

#### IN THE RIGHT GEAR.

Slipping up and down through Capri XR2's smooth yet positive five speed manual transmission is just one of the pleasures of owning such a sporty machine.

However, if you'd rather let your car make its own selections, Capri has an optional four speed electronic automatic transmission that makes life easy but doesn't detract from Capri's sporting nature.

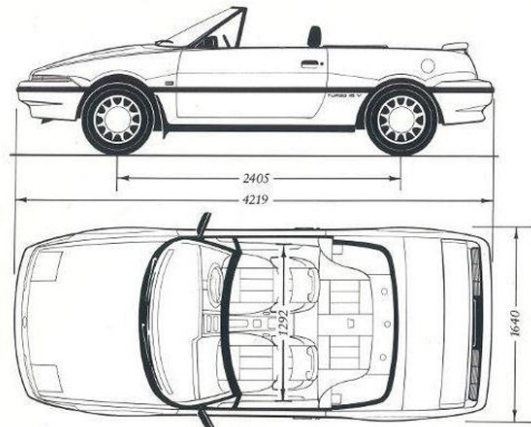

#### WHAT DOES IT ALL MEAN?

The technically-minded will appreciate that Capri XR2 is as sophisticated as it is sensational. But if you're just into having a good time when you drive, that's fine - because that's what Capri is all about.

So if you've already discovered that the meaning of life is fun, you already know how much you'll enjoy Capri XR2. And if you haven't, there's no time better than right now to find out.

Who knows, Capri XR2 could give your life a whole new meaning.

All dimensions are shown in (mm).

**OPTIONS  
AND ACCESSORIES.**

Capri XR2 is a car built for individuals. And to make yours even more original, you can choose from a variety of Ford-approved options and accessories to increase both the value and enjoyment of your Capri. All Ford Capri options and accessories are fully covered by your new car warranty.

*Other accessories available include central locking kit, locking petrol cap, Capri decals in red or silver, body kits with or without spoiler and a range of quality car care products.*

**FORDCARE.  
OUR COMMITMENT  
TO CUSTOMER  
SATISFACTION.**

Fordcare is a whole range of programs, products and services designed to make Ford owners the most satisfied motor vehicle owners in Australia.

Fordcare starts when you enter a Ford dealer's showroom. It's there when you take delivery of your new Ford and it continues for the life of the vehicle.

That means first class service for you at all times, and nothing less than the best for your Ford from our extensive network of authorized Ford dealers.

As motor vehicles become more sophisticated and technically advanced, specialized care and maintenance becomes more vital.

Fordcare provides technical equipment and expertise to keep your Ford operating in peak condition.

The well-being of your Ford is supported by three additional warranties:

**THE FORD  
14 MONTH/150,000 KM  
EXPRESS NEW  
VEHICLE WARRANTY.**

Covers your Ford against defects in materials or workmanship for the

first 14 months or 150,000 km - whichever occurs first.

When fitted at time of vehicle purchase, Ford Approved Accessories are also covered by the Ford 24 month/30,000 km Express New Vehicle Warranty.

**FIVE YEAR  
PERFORATION  
CORROSION WARRANTY.**

Covers the original vehicle's body against perforation corrosion for the first five years of its life.

**LIFETIME SERVICE  
WARRANTY.**

Covers the majority of part replacements, including labour carried out by your Ford dealer after the expiration of the initial 24 month/30,000 km Express New Vehicle Warranty. It means you will only ever pay once for such repairs under normal driving conditions.

**LIFELONG PANEL  
WARRANTY.**

Covers replacement outer body panels against perforation corrosion for the life of the vehicle.

Further information on these warranties may be obtained from your Ford dealer.

**FORD CUSTOMER  
ASSISTANCE CENTRE.**

We're always happy to hear from you and you will find our Customer Assistance Representatives responsive to your needs.

Our Representatives can assist with Fordcare servicing information and with any general enquiry about your vehicle that falls far special information beyond the scope of your Authorized Dealer.

Customer Assistance Centre -  
Phone 008 333 336 (TOLL FREE), in  
Melbourne phone 389 7033.

**PLEASE NOTE.**

All optional equipment referred to in this brochure is available at extra cost unless otherwise stated.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Removal of changes in specifications and accessories from the right column in all specifications lists, if any lines, in its alterations, and without notice, modification or change the features, design, materials, colour and other specifications and the prices of its products, and to inform consumers in time, properly indicate any such products from the market without incurring any liability to any prospective purchaser or purchaser. The latest specifications sheet should be referred to for information on the available Ford vehicles and use of optional equipment. Always consult an Authorized Ford Dealer for the latest information with regard to features, specifications, prices, optional equipment and availability before deciding to place an order.
