

 $\frac{\text{THE}}{\text{POWER OF FUN}\dots}$

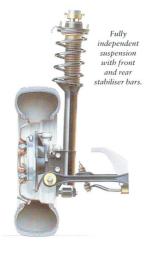

comes from Capri Barchetta's responsive 1.6 litre DOHC EFI engine. It delivers 77kW of power at 5750rpm. With four valves per cylinder, the power is delivered with smooth efficiency, which helps to account for Capri Barchetta's excellent fuel economy.

The engine is teamed with a positive 5-speed manual transmission. For many a sports car purist only a manual transmission will do. However, Capri Barchetta offers the option of a technologically advanced four-

speed electronic transmission that's completely in keeping with the car's sporty nature.

Optional four-speed electronic transmission.

THIS CAR REALLY ENJOYS THE ROAD.

Barchetta's got exactly what it takes to deliver true sporty handling. And the great thing is, you don't have to pay a fortune for it.

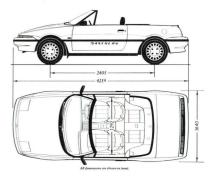

A fully independent suspension with front and rear stabiliser bars on manual models. It provides great stability with predictable handling characteristics.

In the safety department, you have nothing less than the dependable stopping capability of big four wheel power disc brakes.

So, for all the fun of convertible motoring at its affordable best,

and all the security of the Ford 24 month/50,000 km Express New Vehicle Warranty, see your Ford dealer soon.

All optional equipment referred to in this brochure is available at extra cost unless otherwise stated.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. GOOD MORNING, FREEDOM.

Getting there is half the fun, at least so the saying goes. Capri Barchetta takes the fun of driving even further. How about all the way. Barchetta even has a price that makes convertible motoring quite attainable.

Take a bright summer's day, a ribbon of bitumen and add Capri Barchetta. Suddenly, life's a breeze.

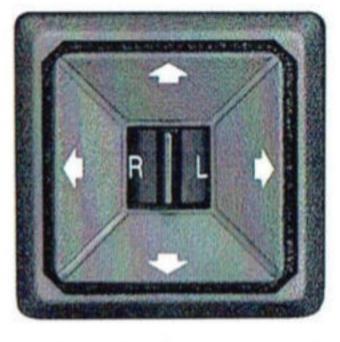

On sun-filled days and balmy summer nights the mere thought of driving with a roof over your head becomes quite boring. Even the pleasures of a sunroof don't live up to the wide open joy of convertible driving, Capri Barchetta-style. And, yes, we do mean style.

Barchetta style has been developed around two body colours. Stark White and Capricorn Blue, perfectly co-ordinated with the distinctive blue soft top and tasteful cloth seat trim.

In Capri Barchetta you have a car that's fun to drive, comprehensively equipped and fashionably styled. It's also very reasonably

Electrically operated remote control exterior mirrors.

and washers.

Capri Barchetta offers the ease and convenience of electrically operated power windows.

priced. In fact, we expect you'll be pleasantly surprised when you discover how easy it is to enter the world of convertible motoring.

Capri Barchetta is equipped with contoured sports seats that are body-shaped for control and comfort. The driver's seat also

Short throw gear lever with shaped knob for sporty gear changes.

has height control and lumbar adjustment. From this position you

array of instruments and controls including tacho and numerous gauges. Also close at hand is the Clarion stereo AM/FM 4-speaker radio and cassette player.

In the back, there's room for two extra passengers to share all the fun. Or, when you require extra load space, you can fold down the rear seat backrest.

Enjoy the stereo sound of Capri Barchetta's Clarion 4-speaker AM/FM radio and cassette player.

Standard Equipment:

Ford Capri Barchetta
