INTRODUCING THE NEW  
LIMITED EDITION FAIRLANE  
GHIA SPORTSMAN.

The Sportsman is back and it's better than ever before.

All the comfort and luxury you've come to expect from Fairlane are there. And, yes, so is the prestige that automatically attaches to a vehicle of this stature.

The Sportsman is very much the luxury car for those who like to travel in the fast lane.

The performance comes from a specially developed, high performance 4 litre 6-cylinder engine.

The engine is matched to smooth-shifting 4-speed automatic transmission that includes power and economy settings.

Sportsman's perform-

ance is reflected in the overall styling theme.

Bold body colour bumpers and body-side protection mouldings add to the vehicle's aerodynamic appearance.

The effect is enhanced by sweeping body stripes and striking "snowflake" alloy wheels fitted with P205-R15 Michelin tyres.

Special engine badges and Sportsman decals distinguish this Fairlane from all others.

Inside, Arlberg velour trim inserts complement the sporting feel of the vehicle. And all the Fairlane Ghia luxuries abound, including: cruise control, automatic climate control (incorporating CFC-free air conditioning), and 260 watt Alpine AM/FM stereo radio/cassette player.

Fairlane Ghia Sportsman's luxury features are far too numerous to list here.

Your Ford Dealer, however, will be pleased to describe them in detail when you call in to inspect the most sporting Fairlane Ghia of all.
