

IF YOU NEED IT IN THE OUTBACK,
IT'S ON THE OUTBACK.

HAVE YOU DRIVEN A FORD... LATELY?

THE NEW FALCON LONGREACH OUTBACK UTE.

With no more than a quick glance at the Outback, you might think it's simply another Longreach ute.

Look again though and you'll start to notice things. Greater ground clearance, bigger wheels and tyres. And most obviously, of course, the standard, factory fitted bullbar.

But to end up with the new Outback, we did start with the two wheel drive, Falcon Longreach GLi.

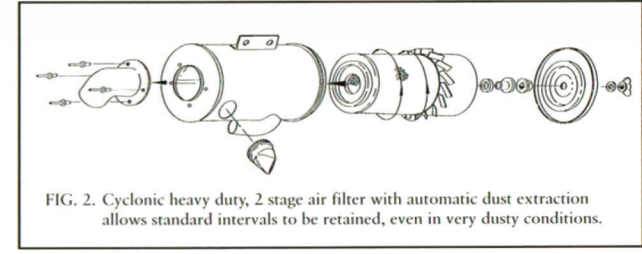

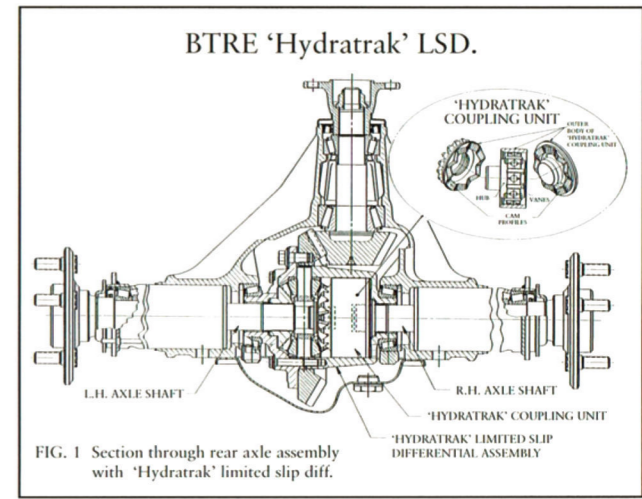

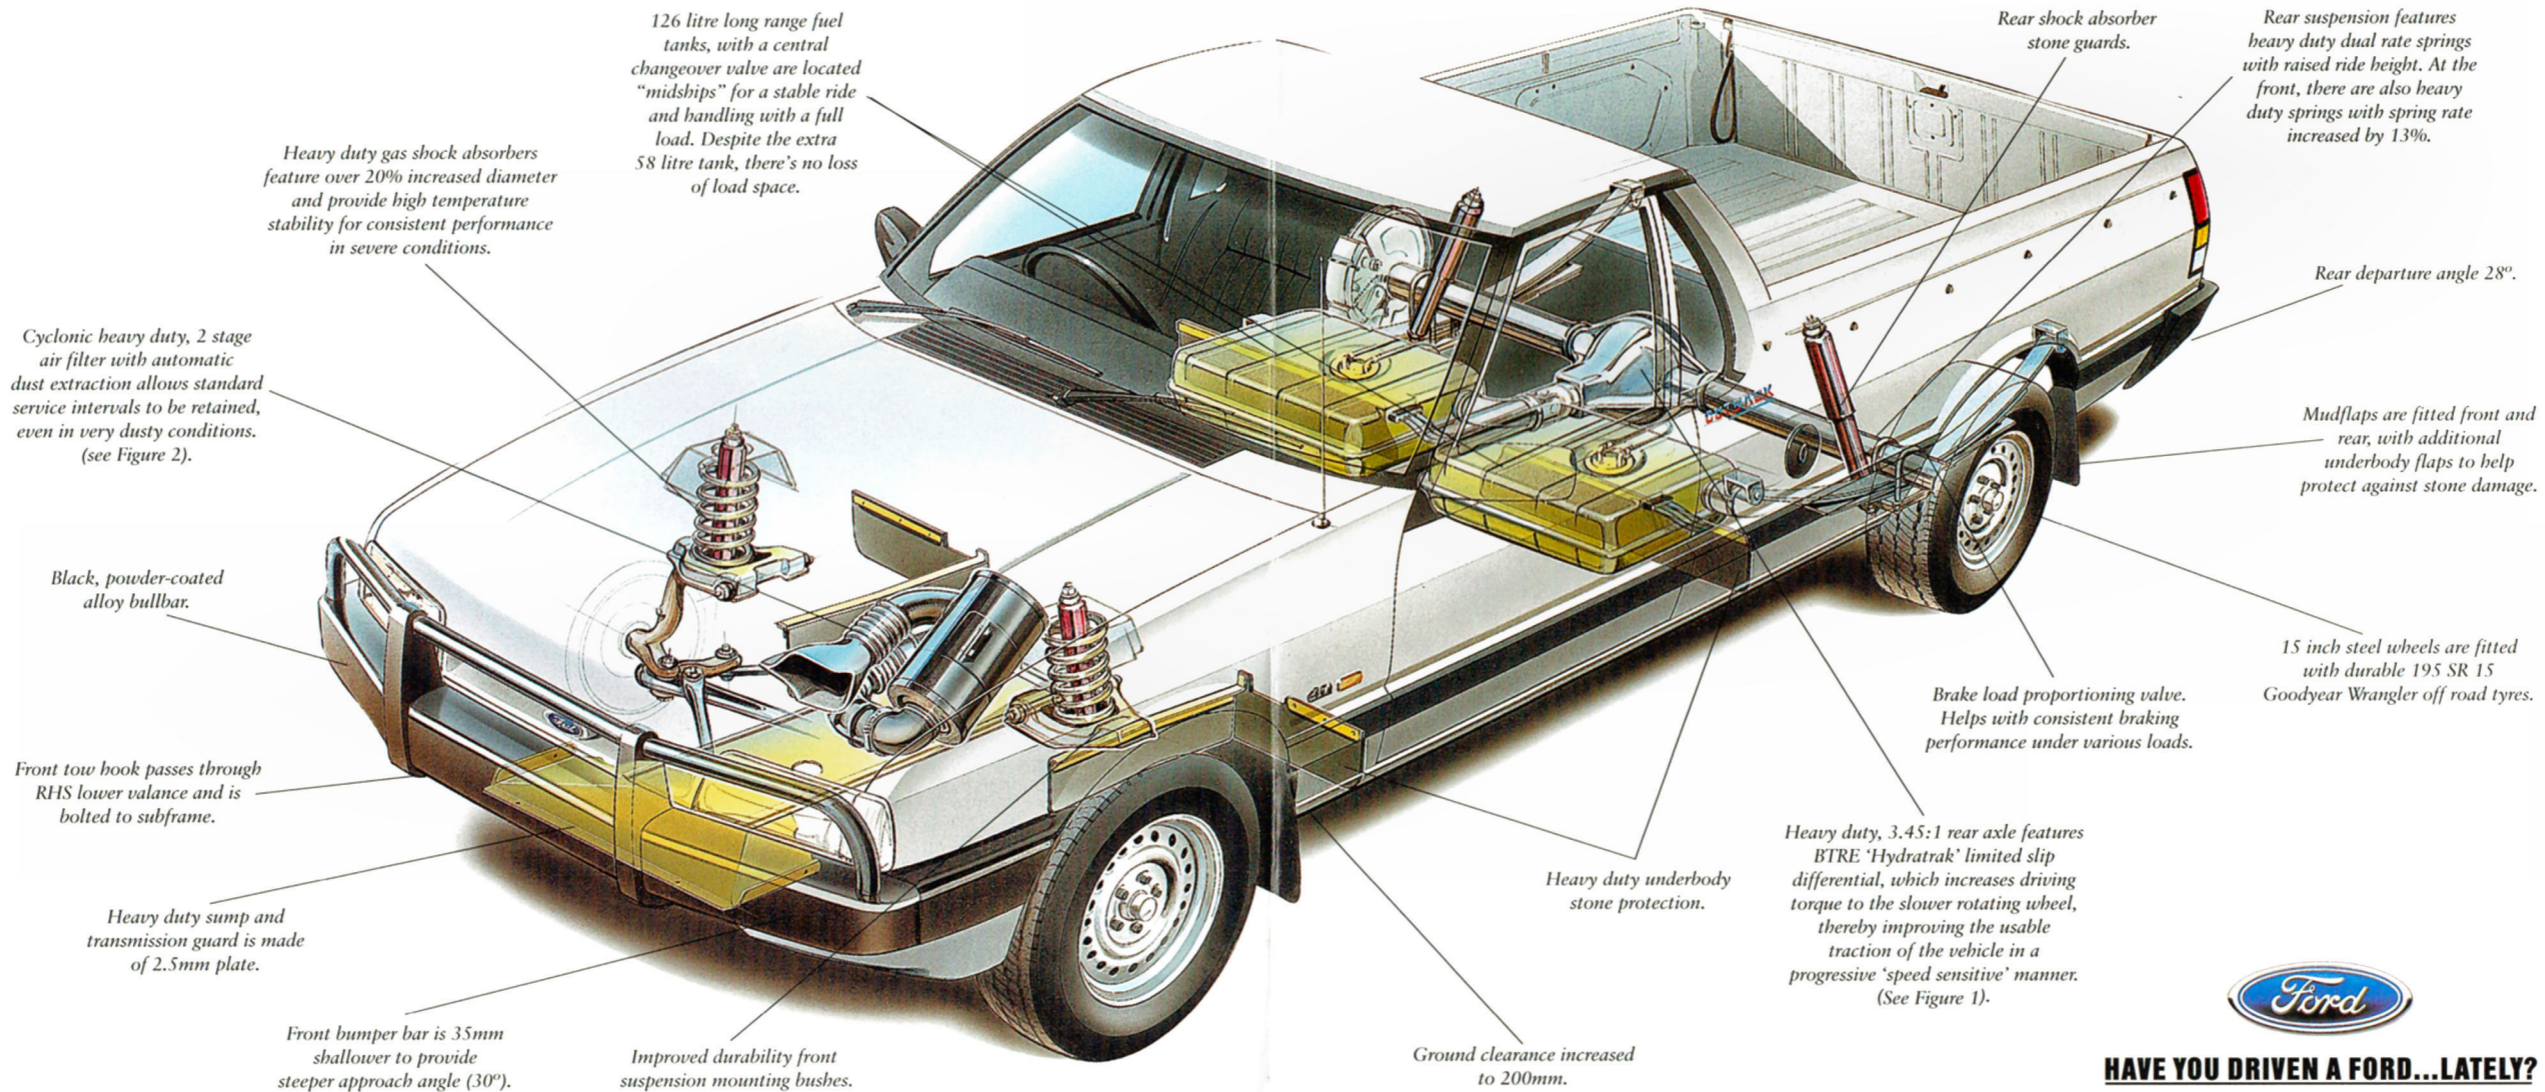

Which, given its reputation for reliability and toughness, was an excellent place to start.

In conjunction with Tickford Vehicle Engineering (who developed the XR6 ute), we made a list of all the things we thought you couldn't do without, if you spent a fair amount of time driving in rough country. Then, Tickford put them all on the Longreach and we called it the Outback.

It has a higher ground clearance than the GLi, more traction, greater durability and a longer fuel range; all attributes that are good to have in the outback.

Even so, we're not claiming the Outback makes 4WD utes redundant. If you spend most of your time driving off road and rarely use established tracks or roads, the Outback is probably not for you.

But if you spend most of your time on gravel or bitumen roads and need to get off the beaten track now and then, we think you'll find the Outback copes with the outback very well.

SPECIFICATIONS.

MECHANICAL

- 4.0 litre OHC engine with multipoint electronic fuel injection.
- Electronic engine control (EECIV) system.
- 5-speed manual floor shift transmission.
- Optional 4-speed electronic automatic transmission.
- Power assisted recirculating ball steering (2.6 turns lock to lock).
- Short and long arm front suspension.
- Hotchkiss rear suspension.
- Front stabiliser bar.
- Power assisted four wheel disc brakes (260 mm ventilated front, 257 mm rear).
- Cylinders: 6 in line overhead camshaft.
- Capacity: 3984cc. Compression ratio: 8.77:1.
- Bore: 92.26mm. Stroke: 99.3mm.
- Max. power: 200hp (148kw)/4500rpm.
- Max. torque: 348Nm/3750rpm.
- Aluminium alloy cylinder head with sintered iron valve seat inserts.
- Fan: Temperature sensitive viscous clutch.
- Cooling: High capacity radiator.

EXTERIOR

- Wide section grey bodyside protection mouldings.
- Tonneau cover with twin stays.
- Rectangular halogen headlamps with integrated long range driving lamps.
- Black foldaway right and left exterior rear view mirrors, each with manual interior remote control.
- Two speed front windscreen wipers with intermittent setting.

- Dual jet windscreen washers.
- Tinted band laminated windscreen.
- Tinted windows (side and rear).
- Drop down tailgate with levelling cable.
- Lock down radio aerial.

INTERIOR

- *Smartlock* electronic immobilisation.
- High security locking system featuring "tibbe" locks on doors and ignition and strengthened steering column lock housing.
- "Soft feel" steering wheel.
- Adjustable rake steering column (manual trans).
- Prismatic day/night interior rear view mirror.
- Door map pockets.
- Digital clock in radio.
- Tivoli cloth trim with saville cloth insert.
- Bucket seats (floor transmission).
- Bench seat (column auto).
- Driver and passenger seat fore/aft and rake adjustment.
- Driver's seat lumbar support adjustment (bucket seats).
- Reclining driver and passenger seats.
- Adjustable instrument panel illumination.
- Illuminated and lockable glovebox.
- Four speed fan boosted ventilation with footwell ducts.
- Optional integrated air conditioning.
- Electronic tuning am/fm stereo radio/cassette with two speakers, auto reverse, auto scan, memory storage and security code feature.
- Warning lights: high beam, low oil pressure, lights on, alternator, brake failure, park brake on.

- Gauges: speedometer, odometer, tripmeter, fuel gauge and water temperature gauge.
- Moulded headlining.
- Contoured rear shelf.

SAFETY

- Side intrusion beams in the doors.
- Extra reinforcement in the rear roof pillar.
- Seat belt lockers with 'poppable' stitching restrict occupants' forward motion in an emergency.
- Integrated crumple zone.
- Rigid frame provides excellent body stiffness.
- Front seat back construction is designed to exceed ADR requirements by 200%.

DIMENSIONS

- Overall length: 4920mm
- Overall width: 1860mm
- Overall height (unladen): 1470mm
- Wheelbase: 2957mm
- Track (front): 1552mm
- Track (rear): 1525mm
- Ground clearance: 200mm

GEAR RATIOS

	Manual	Automatic
1st Gear	3.25	2.39
2nd Gear	1.99	1.45
3rd Gear	1.29	1.00
4th Gear	1.00	0.68
5th Gear	0.72	-
Reverse	3.15	2.09
Final drive	3.45:1	3.45:1

LOAD AREA

Max. load length (tailgate down)	2696mm
Max. load length (tailgate closed)	2134mm
Load height (unladen)	705mm
Wheelarch spacing	1159mm

LOAD CAPACITY

	Ute Manual	Ute Automatic
Kerb	1480kg	1510kg
GVM	2300kg	2300kg
Load capacity	820kg	790kg

TOWING

(subject to applicable legislation)

Factory fitted Class I towing pack	1600kg
Class II towbar*	2300kg

Gross Combined Mass (total vehicle and trailer) 4190kg.

*A Ford approved 2300kg capacity class II towbar is available from your Authorised Ford dealer for vehicles fitted with an automatic transmission.

Ford Winner Australian Quality Award 1995.
