THE V8 FALCON UTE IS BACK

The 5.0 litre V8 engine at the heart of two exciting Falcon utes.

Its reverberation touched a primitive nerve. Big, powerful, undomesticated.

Now it's back. The V8 Falcon ute. In two stylish guises. Falcon S

with the 165kW Ford five litre V8. And Falcon XR8 Ute, with a high output 185kW version of the same engine. Plus alloy wheels, LSD and other performance and styling enhancements to match. On Ford's highway of continuous improvement

you'll find five tough utes.

Drive one today.

Falcon S interior features sure-gripping leather-rimmed steering wheel, sports seats, quality audio system and optional cruise control.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of their products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchaser.
