CHOICE

*Cygnnet*

Launch Edition // white

Cygnnet is the bespoke luxury commuter car from Aston Martin, with all the refinement, craftsmanship and meticulous attention to detail you expect from Aston Martin. The smell, the touch, the feel - those special tactile qualities that only the hand finishing of finest materials can bring - because Aston Martin can do things with materials that others cannot.

The Aston Martin Cygnnet Launch Edition is an exclusive car for the privileged few, in just two colours that are the ultimate representation of pure luxury: black and white
