## FOG LIGHTS

---

It was a dark and stormy night – but you scoff and drive on, thanks to the enhanced visibility provided by the high-performance halogen bulbs of the fog light kit.

- › Seamless integration into lower front grille
- › Designed to complement the xB's exterior lines
- › Corrosion- and shock-resistant

## REAR BUMPER PROTECTOR

---

The rear bumper takes a lot of abuse. You can't always protect it from the driver behind you, but you can help keep the top surface scuff-free with the rear bumper protector.

- › Designed and cut for an exact fit to the xB's rear bumper
- › Durable black UV-resistant PVC construction with skid-resistant surface featuring a Scion logo

## REAR WIND DEFLECTOR

---

Add a dash of style and sass to your xB's rear profile with this wind deflector, which is composed of high-quality, lightweight materials that are built to last.

- › Scion factory paint color precisely matched to your xB
- › Wind deflector meets all factory specifications and testing for durability and weather resistance

EXTERIOR

## MUDGUARDS

---

Help keep the lower side panels of your xB pristine with protection provided by mudguards.

- › Precise fit to match vehicle body panels
- › Meets required factory ground clearance entry and departure angles

## 16-IN. ALLOY WHEELS

Personality plus for your xB, thanks to these flared 16-in. 5-spoke wheels<sup>1</sup> that are brightened with a silver finish.

- › Ride handling and strength tests help ensure that performance meets Scion's high standards
- › Compatible with Direct Type Tire Pressure Monitoring System that monitors tire pressure and alerts driver of critically low pressure; help optimize safety and performance

## ALLOY WHEEL LOCKS

Your wheels look good. Ward off would-be thieves with these triple-nickel chrome plated wheel locks.

- › Special key tool and collar guide enable simple, five-minute installation
- › Triple nickel chrome plating helps ensure superior corrosion protection and enduring shine

## 17-IN. ALLOY WHEELS

---

Transform the stance of your xB with these 17-in. alloy wheels<sup>1</sup>, featuring a dark metallic silver finish and split-spoke design.

- › Ride handling and strength tests help ensure performance meets Scion's high standards
- › Compatible with Direct Type Tire Pressure Monitoring System that monitors tire pressure and alerts driver of critically low pressure; helps optimize safety and performance

## PAINT PROTECTION FILM

Like a clear suit of armor, Genuine Scion Paint Protection Film<sup>2</sup> helps guard against road debris that can chip and scratch the finish.

- › Manufactured from durable, nearly invisible urethane material that provides protection and resists discoloration
- › Features multiple layers for strength and durability
- › Paint protection film is available in kits for the hood and fenders and for the front bumper (each sold separately), areas that have the highest potential for contact with stones and other debris

## WINDOW TRIM APPLIQUÉ

Details matter, and the aficionados will notice. Composed of real carbon fiber, the applique is designed specifically to fit the B-pillar of your xB precisely.

- › Features an embedded xB badge logo
- › Urethane topcoat helps prevent peeling or yellowing
- › Easy peel-and-stick, long-lasting application

## CARGO LINER

Throw whatever you need to in the cargo area, but keep it looking good. The cargo liner<sup>3</sup>, designed specifically for the xB, helps protect the cargo area from scuffs, spills, stains and grime.

- › Hook and loop straps help secure the cargo liner to the seatback and a special fold-out flap helps protect the bumper during loading and unloading.
- › Made of durable scuff- and stain-resistant black embossed vinyl with polyester backing
- › Easy to install and remove
- › Easy to clean; can be hosed off and hung to air-dry
- › Features slip-resistant underside and VELCRO®-brand strips to help prevent the liner from sliding while vehicle is in motion

## CARGO COVER

Keep prying eyes off the goods. The cargo cover enhances privacy while protecting the contents of your cargo area from damaging UV rays.

- › Custom-designed to create a covered, secure cargo area
- › Covers items in cargo area, offering valuable protection against sun damage, fading and theft
- › Made of durable, UV- and stain-resistant woven polyester

## CARPET CARGO MAT

Despite your most earnest efforts, the xB's interior will be subject to wear and tear. Let the carpet cargo mat<sup>2</sup> take the heat instead, while keeping the car's carpet like new.

- › Made of high-grade, plush nylon carpeting with an attractive border
- › Diamond-patterned backing helps keep the mat in position
- › Features molded Scion logo
- › Removable and easy to clean

## CARGO TRAY

Damage from spillage? Everyday grit? Minimize the impact with the tough, flexible and lightweight cargo tray<sup>3</sup>, designed exclusively to fit the cargo area of the xB.

- › Molded from a tough, flexible polymer blend that's easy to clean
- › Skid-resistant surface helps keep cargo from sliding around
- › Perimeter lip helps contain spills, debris and liquids
- › Designed to fit the vehicle's cargo floor
- › Features molded Scion logo

## CARGO NET – ENVELOPE

Life may be chaotic, but your cargo area needn't be. Secure, organize and keep its contents upright and in place with the envelope-style cargo net<sup>3</sup>.

- › Includes zipper pocket for smaller items
- › Custom fit to the xB's cargo area
- › Easy to install; attaches to hooks and tabs in cargo area

## CARGO NET - C-PILLAR

Take advantage of your xB's built-in cubbies with a cargo net designed specifically to keep your things in place.

- › Durable elastic mesh netting and backing attach securely
- › Provides additional storage for small items

## CARGO TOTE

Keep your groceries upright and stop them from rolling around in the back with this convenient, soft-sided cargo tote.

- › Features carrying handles and rigid removable dividers
- › Folds flat when not in use and pops up when needed
- › Tough outer fabric is durable and water resistant

## CARPET FLOOR MATS

Your carpet will look as good as when you first bought your xB with carpet floor mats,<sup>4</sup> styled to perfectly fit your footwell and enhanced with an embroidered xB logo.

- › Made of high-grade, plush nylon carpeting with an attractive border
- › Nibbed backing and quarter-turn fasteners (on the driver's side) help keep the mats in position
- › Simple to install and remove, easy to clean

## ASHTRAY CUP

Ashes belong nowhere else but inside an ashtray. Don't smoke?  
Works great for loose change, candy and other small items.

- › Easily removable ashtray features a UV-protected cup and hinged lid; fits snugly inside vehicle cupholder
- › Easy to empty and clean

## STEERING WHEEL

The steering wheel is the primary contact point between you and the xB. Enhance the experience with this three-spoke steering wheel, wrapped in perforated leather and brightened by silver side accents.

- › Retains steering-wheel-mounted audio controls and existing air bag/air bag cover

## AUTO-DIMMING REARVIEW MIRROR

Don't let the high beams behind you ruin the drive. The auto-dimming mirror lessens the impact, while it simultaneously bathes your center console area in the soft glow from an overhead light.

- › Automatic progressive dimming can be turned on or off as needed
- › Helps reduce eye-strain and driver fatigue
- › Features an amber-colored LED console light on the underside of the mirror to illuminate the gearshift area

## SCION SECURITY SYSTEM

Covetousness. Head this deadly sin off with the Scion security system<sup>5</sup>, which provides multi-point protection for your peace of mind.

- › Designed to integrate with the vehicle's existing factory security/keyless entry system—no need for an additional remote
  - › Panic alarm remotely triggers vehicle's alarm when activated from key fob
  - › Warn-away alarm triggers an alarm if an object striking on a window is detected
  - › Break-in alarm is activated if forced entry of a side door (or the cargo hatch) is attempted, or if glass is broken

### OTHER FEATURES

- › Passive arming—system automatically rearms the vehicle if owner does not open a door and forgets to manually rearm alarm
- › Rolling code technology changes the remote code, helping prevent code theft
- › Door ajar warning helps remind driver to lock vehicle
- › Remote arming and disarming
- › Starter disabled when system is activated
- › Includes glass breakage sensor (GBS) – highly sensitive microphone detects the specific sound frequency of striking on glass or glass breakage

## TRD LOWERING SPRINGS

A small change can make a difference, especially when it comes to a vehicle's center of gravity. Installing TRD lowering springs helps lower your xB by 1-inch in the front and 1.5-inches in the rear, resulting in quicker turn-in, enhanced steering response and cornering ability.

- › Durable red powder-coated finish provides superior corrosion resistance
- › Features TRD-developed proprietary spring rates (linear in front, progressive in rear)
- › Designed to work with either stock struts and shock absorbers or TRD performance shocks
- › Engineered to maintain vehicle dynamics and enhance performance
- › Rigorously tested for durability and suspension balance through the slalom, on the skid pad and around a high-speed road course

## TRD PERFORMANCE SHOCKS

Help reduce body lean. Increase road feel. Release the potential of your xB with the aggressively tuned TRD performance shocks that enhance cornering performance.

- › High-strength shocks and struts use more aggressive valving help to reduce body lean
- › Sport-tuned specifically for the xB for superior fit

## TRD FRONT STRUT TIE BRACE

The TRD front strut tie brace increases chassis rigidity for greater handling precision.

- › Manufactured from lightweight, high-strength TIG-welded extruded aluminum
- › TRD-engineered and tested for optimal strength and efficiency
- › Powder-coated in a TRD red finish for maximum protection and durability, with a bold TRD logo on a brushed aluminum plate
- › Maintains proper clearances under the hood

## TRD REAR SWAY BAR

Race-tested and designed to aid your xB when it comes to cornering, the TRD rear sway bar helps provide a flatter, firmer cornering stance.

- › Helps provide control while preserving handling of the original steering and suspension system
- › Limits body lean without adding harshness to the ride
- › Finished with durable, gloss red powder coat, which resists corrosion while augmenting appearance and durability
- › Simple, bolt-on installation, with no vehicle modifications required
- › Kit includes synthetic chassis grease, along with all hardware including end links, bushings and brackets

## TRD HIGH-PERFORMANCE BRAKE KIT

Drive like you mean it. Even more importantly, stop with authority. The increased stopping power from the TRD High Performance Brake Kit decreases stopping distance, even during heavy duty braking.

- › E-coated non-friction surface maximizes corrosion resistance and ensures durability under harsh conditions
- › Four-piston opposed fixed calipers optimized for stiffness within a two-piece bolted body and bolt-in bridge for consistent performance
- › Caliper piston sizing is optimized specifically for the xB to maintain or improve braking torque distribution between front and rear axles and achieve shorter braking distances
- › Dust boots on caliper pistons protect moving parts from corrosion and road debris
- › Provides consistent performance in repeated or heavy duty braking by helping eliminate brake fade and controlling pad wear caused by high temperatures
- › Patented AeroRotor internal cooling vane configuration induces greater airflow to cool rotors and provides consistent performance in repeated or heavy-duty braking
- › Rotors' cross-drilled friction surface improves initial "bite" in wet or rainy conditions and assists in removal of consumed pad material or debris, providing an optimized friction interface for consistent performance
- › Performance ceramic compound brake pads provide optimal balance of temperature capability, friction level, pedal feel, dust and noise for performance driving
- › DOT-compliant stainless steel braided brake lines with Teflon® inner liner help reduce expansion under pressure for optimum pedal feel
- › For front axle only

## TRD PERFORMANCE BRAKE PADS

Whether your xB slaloms down steep curves or shines at the autocross, TRD performance brake pads are designed to take the heat and enhance braking performance.

- › Direct replacement for stock pads
- › Made from an aramid/ceramic-strengthened compound, delivering an optimal combination of cold and hot friction
- › Pre-scorched to aid in initial break-in
- › Offers excellent price-to-performance ratio in a high-performance street pad
- › For street and autocross use; not intended for open track sessions

## TRD QUICKSHIFTER

Motoring enthusiasts know the visceral pleasure of a short throw shifter. The TRD quickshifter repositions pivot points to shorten your throw by up to 30-35% and provides a more precise, positive shifting action.

- › Manufactured from 7075 series aluminum with a protective hard-anodized red finish
- › High strength to weight ratio
- › Design of quickshifter optimizes linkage and location to shorten shift throw
- › Simple remove and replace installation with no drilling or special tools required

## TRD AIR FILTER

Breathe easier. This high-performance air filter helps protect and maintain the life of your engine with its superb filtration and enhanced air flow.

- › Unique oiled four-ply cotton gauze in polyurethane body
- › Enclosed in durable epoxy coated mesh and an elastomeric seal for a precise, leak-free fit
- › Allows the maximum amount of air into the engine with the minimal amount of resistance
- › Washable and reusable—regular cleaning ensures free airflow and top performance
- › Designed to last the lifetime of the vehicle
- › Pre-oiled and ready to install, offers exact drop-in replacement for stock air filter

## TRD PERFORMANCE AIR INTAKE

Like a living thing, an engine needs to breathe. Increase the quality of air and quantifiably increase engine performance with the TRD performance air intake<sup>6</sup>.

- › System takes cool air from behind and below the headlight area (rather than hot air from the engine compartment) to supply engine with cooler, denser air to increase horsepower and improve cooling
- › Designed to work with the factory emissions system
- › Features reusable TRD high-flow air filter with custom-calibrated filter service gauge that provides visual indication when filter needs servicing
- › Dyno-tested to deliver an increase in both horsepower and torque for superior acceleration and greater pulling power
- › Emissions legal in all 50 states

## TRD SPORT MUFFLER

Hear deeper, more resonant engine exhaust tones. See the wide-diameter slant-cut exhaust tip and rolled edge with the TRD logo etched into the highly polished finish. Stimulate your senses when driving your xB with the TRD-engineered sport muffler.

- › Axle-back muffler featuring stainless steel pipes and large polished exhaust tip
- › Polished muffler body built entirely of double-walled 304 stainless steel
- › Meets all legal noise requirements
- › Uses OEM connector flanges and gaskets and reuses factory hardware and hangers for easy, professional no-drill, no-cut installation
- › Emissions legal in all 50 states

## TRD 19-IN. 5-SPOKE WHEELS

Nothing changes the stance of your xB like an aggressive set of rims. Bolt on these TRD 19-in. 5-spoke wheels<sup>1</sup>, then stand back and watch the transformation.

- › Wheels feature 5-spoke design that pops with a machined aluminum-finished outer lip and a Billet-knurled aluminum snap-in TRD center cap
- › Extensive ride, handling and strength tests help ensure wheels meet TRD's high quality standards
- › TRD wheel installation kit must be ordered separately
- › Available in matte black and gloss graphite gray

## TRD OIL FILTER

Keep your oil pure as long as possible and help enhance the life of your engine with the TRD Oil Filter that pulls out impurities through a 100% synthetic fiber filtration medium.

- › Zinc-plated steel end caps help increase structural integrity
- › Red silicone gaskets help provide excellent seal characteristics at high temperatures
- › Kit includes two replacement high-temperature Viton housing gaskets and drain adapter

## TRD OIL CAP

The heritage of the legendary Toyota Racing Development team is on display every time you pop open your hood with this highly polished, forged billet aluminum cap emblazoned with the TRD logo.

- › High-luster coating ensures long-term appearance
- › Threaded screw-in mounting
- › Direct replacement for stock oil cap
- › Maintains high factory quality standards for performance and strength

# TRD CLUTCHES

Performance enthusiasts know that the key to shifting quickly and accurately is a good clutch. This TRD high-performance clutch increases clamping force approximately 25%, while increasing pedal pressure by just 10%.

- › Direct bolt-in replacement for factory clutch
- › Ensures positive engagement with smooth operation, higher torque capacity and faster shifting
- › Delivers quicker engagement during aggressive acceleration

PERFORMANCE

## BESPOKE® AUDIO

Know where you're going, then maximize your enjoyment of the drive. BeSpoke Audio<sup>8</sup> puts GPS navigation<sup>9</sup> and such a vast array of entertainment and information options at your fingertips, you may even choose to take the long way there.

- › 36 presets provide access to a universe of online content: Internet radio, podcasts, audio books, news, magazines, and more
- › Voice-activated GPS navigation with touch screen
- › Features aha\* Internet services, available on iTunes<sup>10</sup> and Google Play<sup>11</sup> (check Scion.com/BeSpoke for phone compatibility) Features aha\* Internet services, available on iTunes and Google Play (check Scion.com/BeSpoke for phone compatibility)
- › "Nearby" location- based services feature helps find local restaurants, coffee shops, hotels, parks, weather and fuel prices. Points of interest are determined by vehicle current location
- › Social media like Facebook, Twitter, Yelp!<sup>®</sup> and TripAdvisor

1. The Scion Tire Pressure Monitor alerts the driver when the pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitoring system. See your Owner's Manual for details.
2. The Scion Genuine Accessory Warranty will only apply when the installation is performed by a trained Scion-approved installer. Please see dealer for details.
3. Cargo & load capacity limited by weight and distribution.
4. To avoid potential interference with pedal operation, do not install a floor mat on top of an existing floor mat, and each mat must be secured with either quarter-turn fasteners or retention hooks (clips). This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle.
5. Available only for vehicles with factory remote keyless entry.
6. The TRD performance air intake is to be sold as a dealer installed or over-the-counter option.
7. 19-in. performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 15,000 miles, depending upon tires selected and driving conditions.
8. Always drive safely and obey traffic laws. Apps/services vary by phone carrier & are subject to change. Data charges may apply. Apps mentioned & identified by™ or ® are trademarks or registered trademarks of their respective companies. See Scion.com for details.
9. Always drive safely, obey traffic laws & focus on the road while driving. Availability and accuracy of the information provided by the Navigation system is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. Navigation updates are available at an additional cost from your local Scion dealer. See your Navigation System Owner's Manual or Scion dealer for details.
10. iPhone® not included. iPhone and iTunes are registered trademarks of Apple Inc.
