FOG LIGHTS

It was a dark and stormy night—but you scoff and drive on, comforted in the knowledge that the fog light kit contains high-performance halogen bulbs to help you see the edges of the road in extreme fog, heavy rain or snow.

- › Seamlessly integrates into the lower front bumper fascia
- › Designed to complement the exterior lines of the FR-S
- › High-performance DOT-approved halogen bulbs
- › Corrosion- and shock-resistant

REAR LIP SPOILER

Drive it how it's supposed to be driven, and most people will only see the back of your FR-S. Give it a visual exclamation point with the color-keyed rear spoiler.

- > Spoiler meets all factory specifications and testing for secure retention to vehicle and corrosion resistance
- > Manufactured from high-quality, lightweight materials
- > Paint precisely matched to the vehicle color palette

MUDGUARDS

Mudguards help keep the lower side panels of your machine looking good while protecting against chipping.

- › Precise fit to match the vehicle body panels and structure
- › Meets factory ground clearance entry and departure angles

ALLOY WHEEL LOCKS

Keep your wheels and tires right where they belong. These durable wheel locks look great as they help protect against theft.

- > Triple nickel chrome plating helps ensure superior corrosion protection and enduring shine
- > Special key tool and collar guide enable simple, five-minute installation
- > Resistant to lock-removal tools; operated by a single unique key

REAR BUMPER APPLIQUÉ

The rear bumper takes a lot of abuse. You can't always protect it from the driver behind you, but you can help keep the top surface scuff-free with the logoed rear bumper appliqué.

- > Designed and cut for an exact fit to the vehicle's rear bumper
- > Durable, high-grade colorless urethane film with UV protection

PAINT PROTECTION FILM

Like a clear suit of armor, Genuine Scion paint protection film¹ helps guard your vehicle from road debris that can chip and scratch the finish. Manufactured from durable, nearly invisible urethane film layers, which contain UV protectants to help resist yellowing, the film is designed for specific sections of the hood and front fenders.

- Paint protection film is available in kits for the hood/fenders, and for the front bumper (each sold separately)
- Urethane material provides protection and resists discoloration
- Features multiple layers for strength and durability

CENTER ARMREST

Give your FR-S an additional measure of comfort and style with the center armrest. The ergonomically designed, center-mounted armrest matches the vehicle's interior and slides out of the way when necessary.

- > Track system allows armrest to slide from forward to rear, giving easy access to the cup holder
- > Matching finish with red contrasting stitching complements FR-S interior trimming
- > Provides comfortable arm support

ASHTRAY CUP

Ashes belong nowhere else but inside an ashtray. Keep 'em contained. Don't Smoke? Works great for loose change, candy and other small items.

- Easily removable ashtray features a UV-protected cup and hinged lid; fits snugly inside vehicle cupholder
- Easy to empty and clean

ALL-WEATHER FLOOR MATS

Trek through the elements and enjoy the view without worrying about dirt on your carpet with these lightweight, all-weather floor mats².

- › Nibbed backing and quarter-turn fasteners (for the driver and passenger sides) help hold mats in place
- › Made from an easy-to-clean, durable, and recyclable thermoplastic elastomer
- › Mats feature ribbed channels and an embossed vehicle logo

CARGO TOTE

Keep your loose cargo in place through hairpins and sweepers with the organization provided by the cargo tote.

- > Soft-sided tote folds flat when not in use and pops up when needed
- > Features carrying handles and removable divider panels
- > Tough outer fabric is durable and water resistant

CARPET TRUNK MAT

Inevitably, the interior of your FR-S will be subject to wear and tear. Let the carpet trunk mat take the brunt of it instead and help keep the car's carpet pristine.

- > Rubber-backed construction helps prevent the mat from sliding
- > High-grade, plush nylon carpet
- > Removable and easy to clean

TRD ALLOY WHEEL

Never underestimate the transformation an aggressive set of TRD Alloy Wheels³ can give to the stance of your FR-S.

- > 18-in. x 7-in. front and 18-in. x 7.5-in. rear staggered fit; (both with 35-mm. offset, a 5-on-100-mm. bolt circle [P.C.D.] and a 54-mm. center bore) cast alloy wheels designed specifically for the vehicle
- > Incorporates the proper weight, offset and brake clearance to ensure proper fit, finish and reliability
- > Wheels feature TRD logo center cap

TRD LOWERING SPRINGS

The lower the center of gravity, the greater the steadiness. By reducing the center of gravity of your FR-S by about one inch, you'll get quicker turn-in, enhanced cornering and steering response on a variety of road surfaces.

- > Features TRD-developed proprietary spring rates (linear in front, progressive in rear)
- > Lowers vehicle's center of gravity by approximately 1-in. (1 1/8-in.)
- > Red powder-coat finish provides superior corrosion resistance
- > Designed to work with stock struts and shock absorbers

TRD SWAY BAR KIT

Burnish the legendary handling abilities of your FR-S with the TRD Sway Bar Kit that helps strengthen the structure, while providing enhanced steadiness during cornering with a flatter stance. Helps reduce body lean and front wheel slip.

- > Finished with durable, gloss-red powder coat, which resists corrosion while enhancing appearance and durability
- > Constructed of high-quality spring steel with a lightweight tubular design
- > No added weight or harshness
- > Simple, bolt-on installation with no vehicle modifications required

KIT INCLUDES:

- > 20.6mm 4130 solid front sway bar with polyurethane bushings
- > 15.8mm 4130 solid rear sway bar with polyurethane bushings
- > Rear sub-frame reinforcement brackets

TRD PERFORMANCE DUAL EXHAUST

Let your FR-S stimulate every one of your senses. Achieve a deeper and more resonant exhaust note with the TRD Performance Dual Exhaust.

- > Race-tested, satin finished muffler body with double-walled, wide-diameter, slant-cut exhaust tips with rolled edges.
- > Stainless steel pipes
- > Uses OEM connector flanges and gaskets and re-uses factory hardware and hangers for easy, professional no-drill, no-cut installation
- > Maintains high factory quality standards for performance and strength
- > Emissions-legal in all 50 states

TRD PERFORMANCE AIR INTAKE

Like a living thing, an engine needs to breathe. Increase the quality of air that flows to your powerplant and quantifiably increase its performance with the TRD Performance Air Intake⁴.

- > Features reusable TRD high-flow air filter
- > Dyno-tested to deliver an increase in both horsepower and torque for improved acceleration
- > Designed to work with the factory ECU and emissions system
- > Tested according to TRD's stringent performance standards
- > Emissions legal in all 50 states

TRD PERFORMANCE AIR FILTER

You multitask; make sure your parts do too. This TRD air filter is designed to protect and help maintain the life of your engine, and possibly even enhance performance with increased airflow.

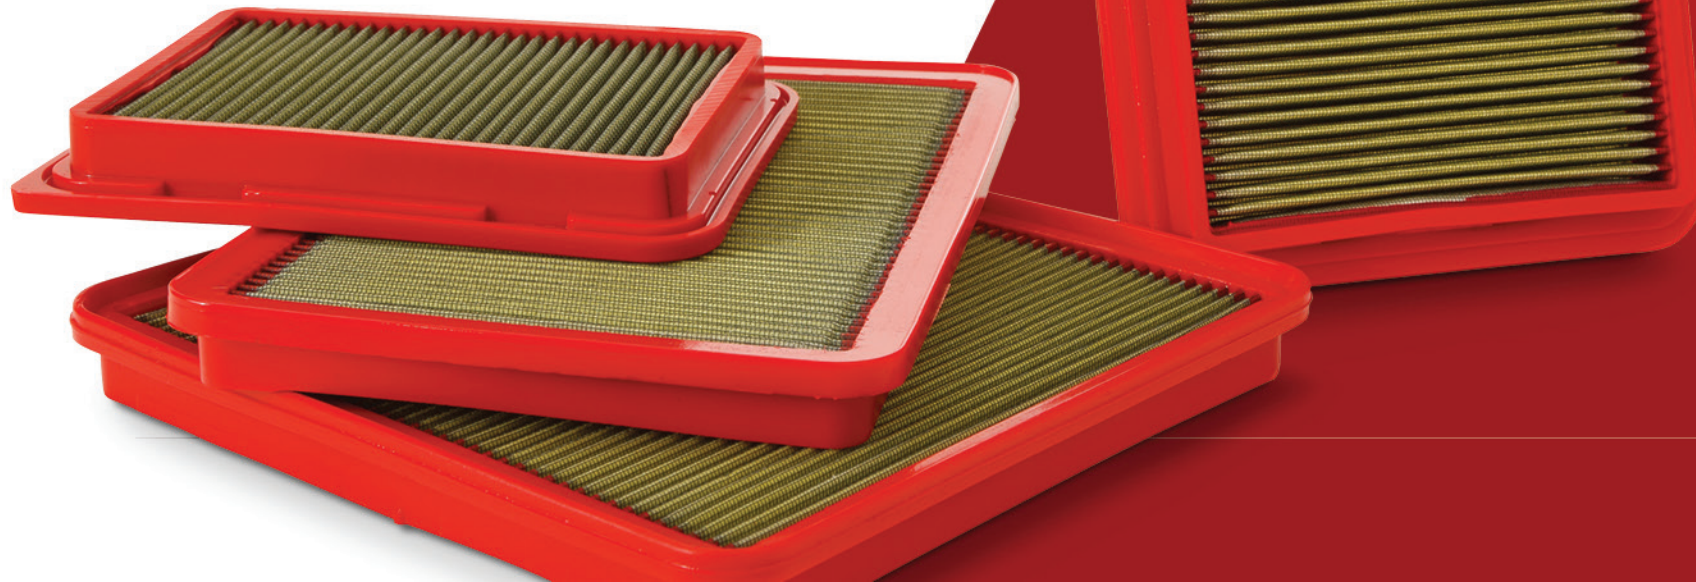

- > Unique oiled four-ply cotton gauze in polyurethane body
- > Enclosed in durable epoxy coated mesh and an elastomeric seal for a precise, leak-free fit
- > Allows the maximum amount of air into the engine with the minimal amount of resistance
- > Washable and reusable—regular cleaning ensures optimal airflow and top performance
- > Designed to last the lifetime of the vehicle
- > Pre-oiled and ready to install, offers exact drop-in replacement for stock air filter

TRD BRAKE PADS

Drive like you mean it and stop with authority. Enhanced braking power from TRD brake pads help reduce fade and increase confidence.

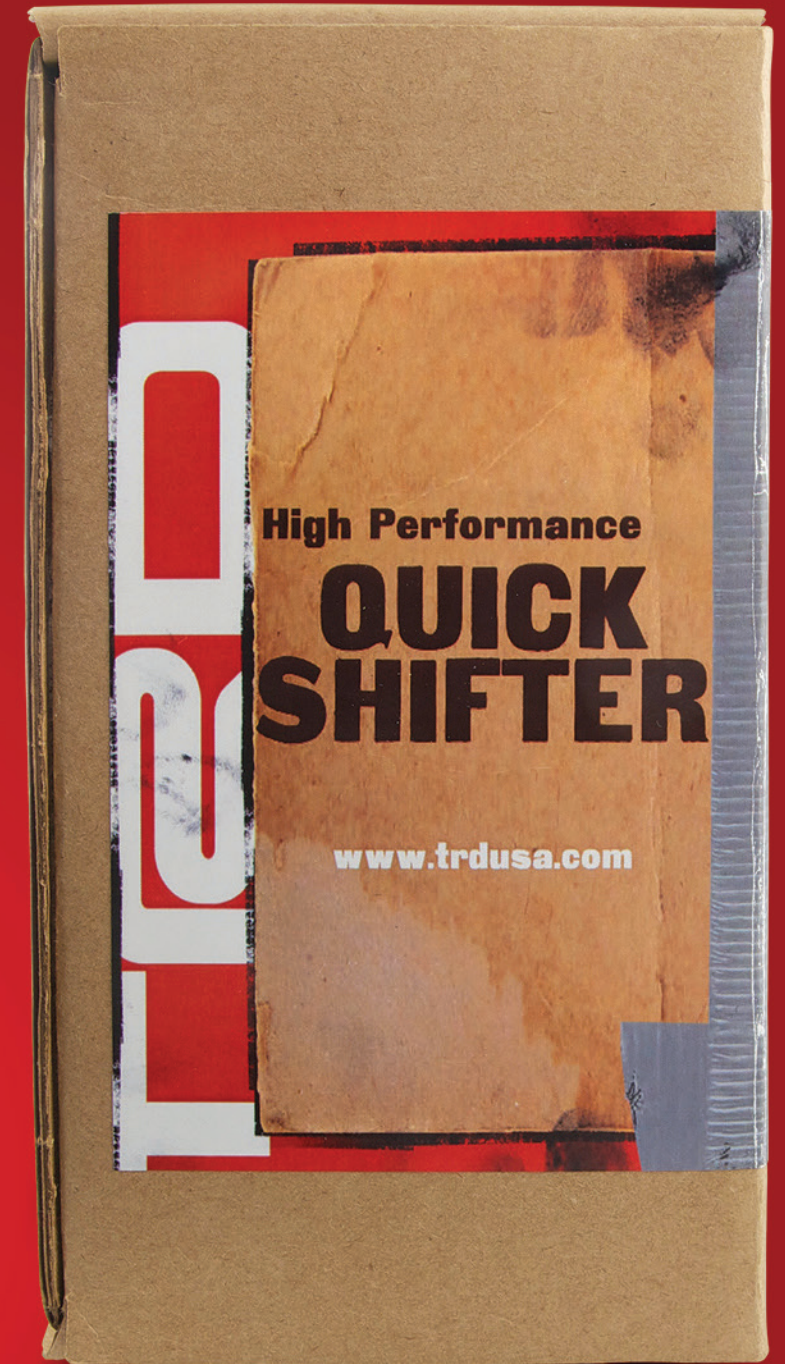

- > Direct replacement for stock pads
- > Made from an aramid/ceramic-strengthened compound, delivering an optimum combination of cold and hot friction
- > Pre-scorched to aid in initial break-in
- > Offers excellent price-to-performance ratio in a high-performance street pad
- > Anti-squeal shims pre-installed
- > For street and autocross use; not intended for open track sessions

TRD QUICKSHIFTER

Heel-toe, blip the engine, shift down, keep the revs up. Enthusiasts know how to keep acceleration smooth, and the TRD Quickshifter gives you the edge by shortening your throw by up to 25% while providing a more precise, positive shifting action.

- > Machined from stainless steel material with a natural finish
- > Two-piece rubber boot protects the underbody parts from the elements
- > Design of quickshifter optimizes linkage and location to shorten shift throw
- > Simple remove and replace installation with no drilling or special tools required; hardware and instructions included

BESPOKE AUDIO WITH NAVIGATION

Your search is over. With the BeSpoke Audio⁵ with Navigation⁶, you'll get the assurance of dynamic maps with route overlay and turn-by-turn directions to your destination with geo-located points of interest. Scion helps keep you connected so that you can be informed.

- BeSpoke[®] Audio with Navigation features Aha[™], available from Harman on iTunes^{®7} and Google Play^{®8}

* WHEN USING AHA, DEPENDING ON THE DETAILS OF YOUR SMARTPHONE CONTRACT, DATA USAGE FEES MAY APPLY. CONFIRM DATA USAGE FEES BEFORE USING THIS SERVICE.

1. The Scion Genuine Accessory Warranty will only apply when the installation is performed by a trained Scion-approved installer. Please see dealer for details.
2. To avoid potential interference with pedal operation, do not install a floor mat on top of an existing floor mat, and each mat must be secured with either quarter-turn fasteners or retention hooks (clips). This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle.
3. 18-in. performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 15,000 miles, depending upon tires selected and driving conditions. The Scion Tire Pressure Monitor alerts the driver when the pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitoring system. See your Owner's Manual for details.
4. The TRD performance air intake is to be sold as a dealer installed or over-the-counter option, after the retail sale of the vehicle. The performance air intake may not be sold to the customer at the same time as the new vehicle and may not be financed together with the new vehicle.
5. Always drive safely and obey traffic laws. Apps/services vary by phone carrier & are subject to change. Data charges may apply. Apps mentioned & identified by ™ or ® are trademarks or registered trademarks of their respective companies. See Scion.com for details.
6. Always drive safely, obey traffic laws & focus on the road while driving. Availability and accuracy of the information provided by the Navigation system is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. Navigation updates are available at an additional cost from your local Scion dealer. See your Navigation System Owner's Manual or Scion dealer for details.
