

Galant. The limousine of small cars.

**GALANT GL
THE LIMOUSINE OF
SMALL CARS AND WHY
IT REALLY IS.**

Outside: You'll notice the new GL is wider, and it has sleek new stretched lines.

Similarly, the large wrap-around rear window and sharply raked windscreen not only add to the sleekness, but also to driver visibility.

And with curved side glass and panels the Galant gets a contemporary rounded shape.

Notice that the parking lights are incorporated in the new round headlights, which themselves are integrated in a newly designed grille.

As is the custom with all luxury cars, a vinyl roof is available in a choice of either Parchment or Black and of course this year Galant gives you an entirely new range of colours to select from.

Inside: One look tells you why it's called the limousine of small cars.

Reclining front bucket seats richly embossed, deep vinyl upholstery, full carpeting.

In the instrument cluster you'll find an electric clock.

Easy located heater/demister controls. And a push button radio. All backed by a woodgrain fascia.

In the Galant tradition, the new 3-spoke steering wheel is tilt adjustable. There is the choice of manual 4-speed floor shift or 3-speed T-Bar shift. And arm rests are standard on all four doors.

More inside: Another inside story, but this time under the bonnet.

You'll find the muscle of a 100 BHP (74.6 kw) 1600 cc. OHC Hemi Saturn engine. Your choice: Manual or Automatic.

**GALANT
ONE OF LIFE'S
LITTLE LUXURIES.**

Outside: Overall length has been increased, adding to the look of luxury, and increasing impact energy absorption. Improved dyna-wedge shape with curving door frames and windows have increased side wind stability. A vinyl roof is available with a choice of either Parchment or Black.

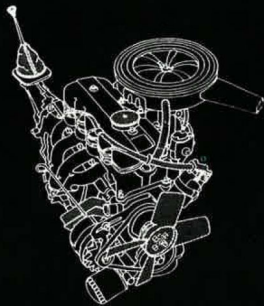

ENGINEERING.

Galant's 100 bhp, (74.6 kw,) 1600 cc. 4-cylinder Saturn engine features overhead camshaft; lightweight head; minimum-surface combustion chambers; 5-bearing crankshaft; water-heated intake manifold. It's the strongest, most economical little brute ever lowered into a small car.

Galant's all-weather flow-through ventilation system changes the cabin air every 10 minutes. Keeps the atmosphere (and the driver's head) clear, even on rainy days.

Powered by the 1600 Hemi Saturn Engine. Twice winner Southern Cross Rally.

SPECIFICATIONS

Engine: 4-cycle, 4-cylinder inline with overhead camshaft, lightweight cross-flow head; Crankshaft and camshaft mounted in 5 bearings; Hemispherical, minimum-surface combustion chamber.

Bore x stroke, 76.9 mm. x 86 mm.

Displacement: 1597 cc.

Compression ratio, 8.5:1, Maximum output, 100 BHP (74.6 kw) @ 6300 r.p.m. (S.A.E.), Maximum torque, 101.2 ft/lb 137.2 Nm @ 4000 r.p.m.

Fuel System: Downdraft, two-barrel carburettor with mechanical diaphragm pump. Fuel tank capacity, 11.2 gal. (51.0).

Lubrication System: Force fed by trochoid pump. Paper-element oil filter. Crankcase capacity, 6.2 pints (3.5l).

Cooling System: Pressurized radiator with centrifugal pump and fan. (Circulation controlled by thermostat.)

Water capacity: 1.36 gal. (6.2l).

Ignition System: Coil and distributor with mechanical and vacuum control.

Electrical System: 12-volt/35-amp. alternator; 12V 40 amp. hour battery.

Clutch: Single dry-plate mechanically operated diaphragm clutch.

Transmission: Manual; 4-speed, floor-mounted, synchromesh in all forward gears, 1st, 3.525:1; 2nd 2.193:1; 3rd 1.442:1; 4th 1.000:1; reverse, 3.867:1.

Automatic: 3-speed floor-mounted with manual over-ride. 1st, 2.393:1; 2nd, 1.450:1; 3rd, 1.000:1; reverse, 2.094:1.

Rear Axle: Semi floating axle. Hypoid bevel final drive. Gear ratio 3.889:1.

Suspension: Front: Independent, strut-type with double-acting shock absorbers. Anti-roll bar. Rear: Semi-Elliptic leaf springs with double-action shock absorbers. Anti-roll bar. Rear: Semi-elliptic leaf springs with double-acting telescopic shock absorbers.

Brakes: Hydraulic, front disc brakes. Leading trailing show 8" diam., rear drum brakes. Tandem master cylinder. Parking brake operates mechanically on rear wheels.

Steering: Recirculating ball type with variable gear ratio. Gear ratio, 15.58 to 18.18. Tilt steering wheel. Minimum turning circle, 30.2 feet (9.2 m.).

Wheels and Tyres: Press-steel disc wheels: 4.5 x 13; Tyres: 6.15 L 13 BSW.

Dimensions: Overall length, 165.4" (4200 mm.). Overall width, 63.0" (1600 mm.). Overall height, 54.9" (1395 mm.). Wheel-base, 95.3" (2420 mm.). Weight: 2045 lbs. (approx. 928 kg.).

WARRANTY

Chrysler Australia Ltd. offers a new warranty on these Galant models of 12 months/20,000 kms.

NATIONWIDE PARTS AND SERVICE

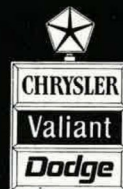

Finding service and spare parts for your Galant is a simple matter. It's as near as your nearest Chrysler dealer.

There are more than 340 of them across the nation — the biggest dealer network for any Japanese car in Australia. With factory trained technicians to take care of your car, and a complete stock of genuine Chrysler replacement parts and panels on hand.

So no matter where you go in your Galant, you can always be sure of finding friendly, capable service.

Just look for the Chrysler sign.

The policy of Chrysler Australia Limited is one of continual improvement in design and manufacture wherever possible to assure a still finer car. Hence specifications, equipment and prices are subject to change.

Inside: Surprisingly roomy. Rich vinyl seats with vertical dielectric welded pleat inserts. Extra padding and new contour has been added to head restraints. Carpet throughout.

It's the little things that make the luxuries, like: warning lights for oil pressure, brake failure, hand brake warning, and even to tell you when any one of the 4-doors are ajar. A push-button trip odometer. And courtesy light switches on all doors. Plus much more.

GREAT FEATURES OF THE GALANT GL AND GALANT.

1. Multi-use lever for fingertip operation of indicators, twin-jet electric windscreen washers, 2-speed wipers and dip switch.

2. Electric clock with a sweep second hand. Standard on GL.

3. Black instrument panel (on Galant) with circular dials, heater controls and adjustable face level air vent.

4. Exterior rear view mirror.

5. Push-button glove box and handy quick-reach parcel shelf.

6. Front disc brakes.

7. Ignition/steering column lock.

8. 3-speed heater/demister controls.

9. Woodgrain instrument panel (on Galant GL) contains heater controls, face level air vent, three dials in instrument cluster and radio.

10. Adjustable tilt three-spoke padded steering wheel.

11. Lockable fuel filler cover.

12. Reversing tail and brake lights and indicator light.

13. Full-synchro 4-speed floor shift.

14. Trim rings and optional whitewall tyres.

15. 3-speed automatic "T-Bar shifter".

What else? Plenty! Concealed trunk lid radio antenna/Courtesy light/2-speed wipers/Automatic choke.
