SPACE TO EXPRESS YOURSELF. ROOM FOR SPONTANEITY.

The first-ever BMW Active Tourer makes your everyday life more exciting: when intelligent flexibility and driving dynamics make a long trip comfortable, the whole journey will follow. The BMW Active Tourer allows you to make room for happiness, inside and out.

BRING IT ON, LUGGAGE!

There are plenty of reasons why travelling in the first-ever BMW Active Tourer can feel like a real treat. Its spaciousness. The elevated seating position of the driver. The ample head and leg room in the rear. And last but not least, the fact that even piles of luggage are no problem as the rear seat backrests can simply be folded down flat.

BEAUTY ON THE INSIDE. INDEED.

The roomy interior of the first-ever BMW Active Tourer is equipped with top-quality materials and interior trims in subtle colours combined with large windows. And the cockpit is absolutely driver oriented. The instrument panel is floating independently and adds a modern, aesthetic touch to the whole interior.
