

THE 8 COUPÉ

An unmistakable character. An aesthetic statement that overrides any resistance with class. After a moment with perfection, compromises no longer have a place in life.

A unique spatial experience: luxurious ambience. That's how luxurious it can feel to drive a real sports car.

A personality between ambition and emotion, between presence and extravagance – the heart recognizes from the very first moment what words can only describe.

THE 8 COUPÉ.

840i Coupé M Technic
