

THE M2

A true driver's machine, the BMW M2 Competition Coupe combines the 2 Series' legacy of responsive handling with the legendary performance of M. The M2 Competition Coupe's 6-piston front and 4-piston rear M Sport brakes elevate control and performance from the lightweight 19" M Forged Y-Spoke wheels.

A position of power. Stay firmly planted in the sharpest corners with the lightweight, performance-ready standard M Sport Seats. These seats take aesthetics up a notch with Black Dakota Leather with contrast stitching and prominent M badges.

Expressive engine power. This champion 3.0-liter M TwinPower Turbo inline 6-cylinder delivers 411 horsepower, redlines at 7,600 rpm, and adds an extra punch of power with two turbochargers. The result is a screaming symphony of metal in motion that crescendos from 0-60 mph in only 4.2 seconds (M-DCT).

THE M2.
