Accessories styled specially for Valiant

MUD FLAPS

Are valuable items in any weather. They provide protection to the paintwork and underbody from stones and gravel and the corrosive effects of mud and grime.

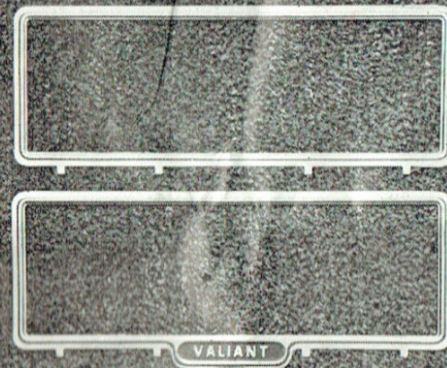

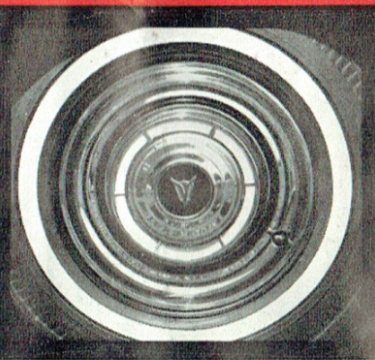

TRUNK LID ORNAMENT

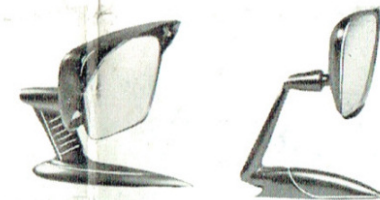

A personal styling for sedans. Standard on Regal & V8 models.

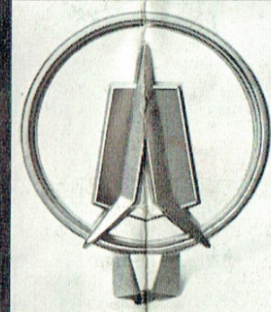

WHEEL COVERS AND TRIM RINGS. Add a deluxe note to your Valiant. These sparkling stainless steel covers and trim rings are long lasting and will not chip or rust. Two cover types to choose from. Regal and V8 models have trim rings as standard.

NUMBER PLATE FRAMES. For the personal finishing touch. Made from anodised aluminium, one frame incorporates the Valiant name in red on a black background.

EXTERIOR REAR VIEW MIRRORS. Sleekly styled mirrors finished in sparkling chrome with a large glass area for greater rear vision. They add an extra margin of safety to motoring. Various types available.

ENGINE HOOD ORNAMENT. (chrome, red and blue). Yet another inexpensive way to add extra style. (Standard on Regal and V8).

REAR FENDER SKIRTS. A custom styled accessory that adds individuality and smoothness of line to the rear side styling of all Valiant models.

Accessories that bring added safety to you and yours..

SEAT BELTS. Chrysler approved seat belts are available as lap type, combined lap/sash types and in a full colour range to blend with the interior trim.

SEAT BELT RETRACTORS: automatically wind up the webbing when the belts are not in use.

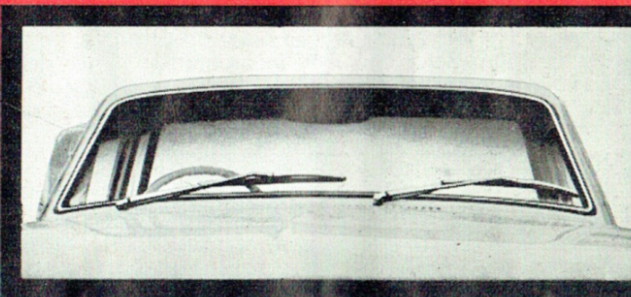

POWER BRAKES. Minimises fatigue. A light touch of the brake pedal is multiplied into powerful braking effort.

FRONT SUNSHADES

Driving is much easier on the eyes when a sunshade is fitted. Chrysler sunshades are designed to blend with the roof contour of your Valiant, Blade, mesh & anodised aluminium mesh types available.

Black or white vinyl covered shades are also available to suit V8 sedans.

TINTED WINDSCREEN GLASS.

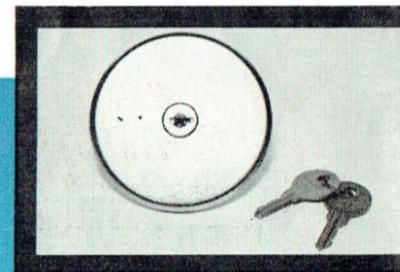

Comfortable glare-free driving at all times of the day. The graduated tint of the glass eliminates sun glare without reducing light.

DAY-'NITE INTERIOR REAR VIEW MIRROR.

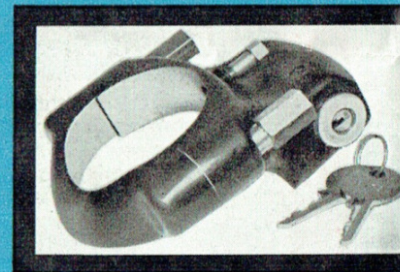

Standard on Regal & V8.

and for protection..

PETROL TANK LOCKING CAP.

Low cost protection against fuel theft. This fully chromed cap blends with the body line.

GEAR LOCK.
