The Power safe  
**Valiant  
Regal**

***THE CAR OF YOUR LIFE FOR THE TIME OF YOUR LIFE!***

Valiant Regal is the car for people who want extra luxury and distinction in their motoring, but who still have a very keen eye for value. Valiant Regal's added distinction comes with individual, distinctive ornamentation, white-wall tyres, deluxe wheel trims and luxury interior. Three speed Torqueflite is standard. Normal power unit is the new 160 HP Hi-performance Slant Six; The 145 HP Slant Six and the 195 HP V8 with front disc brakes also available.

# Highlights of Valiant Regal

**REGAL IS ADDED DISTINCTION AND LUXURY:** Wall-to-wall carpeting, with carpeted kick pads and door sill step plates; Luxury sponge vinyl upholstery; Folding centre armrests front and rear compartments; New, quiet operating heater/demister; Prismatic "night-and-day" interior rear view mirror; Courtesy switches all doors; Trunk compartment light. All these in addition to Valiant's normal array of features which includes power operated windscreen washer, armrests all doors with ashtrays in rear seat armrests, etc., etc.

**"POWER-SAFE" DRIVING:** For Valiant Regal, you can choose from three "safety-matched" engines; 145 HP, Hi-performance 160 HP Slant Sixes or 195 HP V8 with front disc brakes. Disc brakes also available for the Slant Sixes. Power steering available with all engines. When powered with the 160 HP or V8 engines, Regal is shod with 100 mph nylon cord tyres on double-sided Safety-rim wheels. Other features that let you drive with added safety and confidence are:— Safety designed interior; Torsion bar front suspension; Front track increased by 1.5" to 57.4"; Dual braking system.

**DISTINCTIVE NEW LOOK OF LEADERSHIP:** A 2" increase in wheelbase (now 108") and 5.5" in overall length (now 193.7") not only makes Valiant look even more impressive, but also adds to the rear seat leg room. Gently curving side glass adds to seating width inside but keeps a sleek look outside. A more vertical windscreen gives easier entry to the front compartment. The big new concave rear window and bigger side windows increase all round visibility.

**SO MUCH MORE THAT'S NEW:** Fuel filler redesigned to give even more clear floorspace in the 26½ cu. ft. boot. Recessed-face, safety instrument panel with full width crash pad and non-glare top and face; Non-glare wiper arms and blades; Remote control hood lock; Power operated windscreen washers controlled from instrument panel; Seat belts standard; Remote, flush-fitting safety door handles incorporated in door armrests; Safety-padded sun visors; Ashtrays in rear door armrests; Exterior rear view mirror standard; Pendant type accelerator pedal; Suspension refined to give an even smoother, softer ride.

**REGAL SAFARI** (illustrated bottom right): Has the same mechanical features and options as the sedan. Special station wagon features are:— New, "fold-away" tailgate handle; Rear air deflectors; Carpeted rear compartment floor.

The policy of Chrysler Australia is one of continual improvement in design and manufacture wherever possible to assure a still finer car. Hence, specifications, equipment and prices are subject to change without notice.
