

VALIANT

pacercer

SPECIFICATIONS

DIMENSIONS

Wheelbase 108"; overall length 192.32"; front track 58.4"; rear track, 56.6"; overall height (3 passengers), 54.5".

ENGINE

Pacer 225 cubic inch 6-cylinder in line O.H.V., 30° inclined; bore 3.40"; stroke, 4.125". Compression ratio 9.2:1. 2-barrel downdraught carburettor.

TRANSMISSION

All synchro 3-speed manual with floor shift lever. Ratios 1st: 2.95:1; 2nd: 1.69:1; 3rd: 1.00:1; Reverse: 3.80:1.

REAR AXLE

Hypoid, semi-floating, ratio 3.23:1. Sure-Grip differential available with rear axle ratios 3.5:1 or 2.92:1 as factory fitted option.

BRAKES

Dual master cylinders with separate front and rear brake circuits. Duo-Servo finned drum. Swept drum area 254.5 sq. ins. Shoe clearance automatically adjusted during reverse stops. Front disc brakes optional.

SUSPENSION

Independent front suspension with chromium alloy steel torsion bars and sway bar. Four-leaf longitudinal rear springs with telescopic shock absorbers.

WHEELS & TYRES

Pressed steel 5.5" wide double-sided safety rims. 6.95 x 14" x 4 ply red-line sports tyres standard.

FUEL TANK

Capacity 15 gallons.

INSTRUMENTATION

Speedometer.
Odometer.
Tachometer.
Fuel gauge.
Ammeter.
Water temperature gauge.
Oil pressure warning light.
Braking system warning light.
Handbrake warning light.
Indicator warning lights.
High beam warning light.
Variable instrument panel light.

WEIGHT

2970 lbs. unladen but with petrol and water.

EQUIPMENT

Safety:
Front lap and sash seat belts.
Energy absorbing steering column.
Padded steering wheel hub.
Dual master cylinder braking system.
Power operated windscreen washers.
2-speed windscreen wipers.
Non-glare windscreen wiper arms and blades.
Safety padded sunvisors.
Swing-away interior rear-view mirror.
Full width upper and lower instrument panel padding.
Recessed instrument panel.
Exterior rear-view mirror.
Safety flush-fitting door handles.

"Up top, up front" park and turn signal lights.
Side view tail and turn signal lights.
Double-sided safety rim wheels.
Dual horns.
Safety zone windscreen.
Panoramic rear window.
New 75-50 watt "big beam" headlights.
Anti-burst door locks.

Our new Pacer may be a little more sporty than you're accustomed to.

We made it for people who like to cut down a cog for corners, up a cog for straights, and down to first gear at the slightest excuse.

In other words for the skilled driver who likes to use his skills.

We give you the biggest and most powerful 6 cylinder engine made in Australia (225 cu.in.).

We give you a snappy manual floor shift that can really move through the gears, and a dash mounted tach so you can watch your revs and know when to shift.

We've lowered the body. And added a heavy duty sway bar up front and fat high speed tyres all round on 5.5" rims.

The Pacer, as you can imagine, hugs the road like your life depends on it.

Of course, to be really at home in a car you need the comforts of home.

We go one better.

We give you reclining contoured aircraft-type bucket seats with built-in headrests.

Very comfortable.

Our bold colours, side flashes, red line tyres and sports wheel trims complete the picture.

Valiant Pacer.

5-seater sports.
