IT'S BIG . . . IT'S BEAUTIFUL . . . IT'S BUICK!

Buick's power is Buick's glory and in the new Fireball straight-eight engine are many improvements war-found and war-tested. No car has been more brilliantly improved in all its parts than this superb post-war Buick. It has an inspired style which reaches a peak of roomy, luxurious comfort. This is a car that fulfils your every dream and, whether this is your first or latest of many Buicks, you will have the same thrill of ownership every time you touch the wheel. Let us demonstrate the superlative qualities of the world's most eagerly awaited post-war car.
