

1985 Holden Calais – World Class Luxury.

1985 Holden Calais.

General Motors-Holden's is proud to present a significant part of Australia's Driving Future.

Here is a luxury sedan with an even greater combination of power, performance, comfort, equipment, economy and technology than you've ever seen before in a top-of-the-line Holden.

This is a car which has made true world class excellence an everyday and affordable reality.

Presenting a new outlook on excellence - Holden Calais.

The Australian ram-charge boosted, electronically fuel injected, personal high performance limousine unlike any other luxury car.

The 1985 Holden Calais has much more than just comfort, quietness, smoothness and power.

Now you can have an excellent ride with precise handling, power steering with feel and accuracy, real luxury plus interior space filled with comfort and convenience features.

Holden Calais is the finest expression of world class Australian technology.

Throughout this pace-setting vehicle you will find an outstanding level of equipment, from its fully electronic instrumentation with an integral 8-function trip computer to its low-profile steel-belted radials on distinctive alloy wheels.

Holden Calais offers a new kind of

dynamic performance with efficiency from an electronic fuel injection engine which produces a massive 27% more power with 15% more torque*.

In fact more power per litre of capacity than any other Australian production six cylinder engine.

Australia's only V8 engine is optional. Automatic transmission is standard.

Inside Holden Calais lies a world of innovation.

At a touch, high fidelity stereo music will surround you from a world class, 4-speaker 20 Watt radio-cassette system loaded with advanced features.

An electronic touch-control dash allows easy, instant operation of a variety of equipment, including rear

window demister and power aerial.

Holden Calais has an electronic cruise control that automatically maintains the driver's pre-set touring speed until the brake pedal is pressed.

This helps reduce long-distance driver fatigue and can substantially improve fuel economy when touring.

Year-round comfort is assured by a new, spiral-compressor powered air-conditioning system that's 40% more efficient*.

Upholstery is new plush velour cloth and optional leather is available.

Carpet is cut-pile throughout the cabin.

The driver's bucket seat is height adjustable and has a 3-position lumbar support.

Nothing has been overlooked.

The 1985 Holden Calais, comprehensive equipment list includes electric exterior mirror adjustment, power windows, power central door locking, remote electric boot release, personal reading lamps and 4-wheel disc brakes.

Finger touch electric adjustment exterior mirrors.

Power operated central door locking.

Wherever you look, from its sophisticated electronic fuel injection power source to its aerodynamic lines and unparalleled interior appointments, the 1985 Holden Calais is very much world class at a level of excellence never before attained in an Australian car.

Outstanding luxury, astonishing performance, impressive value – that's the 1985 Holden Calais.

*Results of GM-H laboratory tests compared to VH Commodore.

See your local Holden Dealer for further details.

GM-H 12/20 warranty.

Every Holden Calais is covered by the GM-H New Vehicle Warranty which covers your vehicle for the first 12 months or 20,000 kilometres, whichever occurs first. A word about this catalogue. We have tried to make this catalogue as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this catalogue is available at extra cost. And the right is reserved to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask him to bring you up to date. No GM-H Dealer or other person is authorised or permitted to give or make any statement assertion or undertaking in relation to the quality performance characteristics descriptions or fitness for any purpose of any GM-H product which is at variance with any written statement assertion or undertaking on any of these subjects given or made by General Motors-Holden's Limited or General Motors-Holden's Sales Pty. Ltd. in its published sales literature, and neither company accepts any liability for any such unauthorised action. General Motors-Holden's Limited and General Motors-Holden's Sales Pty. Ltd. have franchised dealers in many parts of Australia for the sale of service parts and the provision of service to owners of GM-H's products. Every endeavour is made to ensure that such dealers carry adequate stocks of service parts, but neither General Motors-Holden's Limited nor General Motors-Holden's Sales Pty. Ltd. makes any promise, other than that contained in the New Vehicle Warranty given by General Motors-Holden's Sales Pty. Ltd. that such parts or service facilities will be available at any specific location or at any particular time. Copyright. General Motors-Holden's Sales Pty. Limited. AD 10100. Issued April, 1985.
