

**Barina Spark**

Holden. **Go better.**

## notice something?

How could you not? A shift from the boring sameness of other small cars, the all-new Holden Barina Spark stands out for all the right reasons – sporty stance, edgy looks inside and out, class-leading standard safety features, and included luxuries that many small cars offer only as added extras.

## 5 doors. seriously.

Clever styling gives Barina Spark the sleek, sporty shape of a three door, and the convenient space and practicality of a five door. But while its integrated rear door handles may be hidden from view, the rest of the car's exterior design is most definitely not. For both Barina Spark CD and CDX models, it's full-on sports styling all the way, including a sports body kit, alloy wheels, rear spoiler, alloy exhaust tip and front fog lamps – all standard.

## details, details.

Standard features? The Barina Spark comes with a carload. That means must-haves like a 4-speaker CD/MP3 sound system that lets you DJ your favourite beats via steering wheel controls, as well as offering a USB MP3 player input and an auxiliary input for your iPod®. It means luxuries like front windows that go up or down at the touch of a button, heated side mirrors that don't fog up in winter, and rear seats that fold down for your shopping, fold up for your friends, or split the difference 60:40. It means bonuses like a trip computer that tells you how many kms are left in the tank or even how hot it is outside. And it means practical extra touches, like strategically placed holders that cater to your taste in coffee, bottled drinks and sunnies, plus other smart storage ideas including a hidden under seat tray in the CDX model for your valuables such as an iPod® or sat nav.

**very  
you.**

Expecting a bland interior? Try another brochure. The Barina Spark interior is about being different... standing out from the crowd. That means colour, quality, design with an edge in form and function. Like the car's unique motorcycle-inspired instrument cluster, which looks fabulous and tells you everything at a glance. Same goes for the crisp ice blue LED illuminated centre console with its easy read displays and intuitive controls. Like the idea of colour coordinated seat and door trim? You get that as well. The Barina Spark even gives you a choice of seat material, with cloth trim on the CD model, and the unique Sportec trim on the CDX.

## safety

Safety matters. It may be as fun to drive as it looks, but the Barina Spark is all business when it comes to safety. In fact, it offers a level of standard safety features which no other car in its class can beat. Features like Electronic Stability Control (ESC) and Anti-lock Braking System (ABS), designed to help prevent a collision from occurring. And features like six airbags, a passenger safety cell, seatbelt pretensioners and a collapsible pedal release system, to help protect you from injury if you are in a collision.

**This is how ESC helps you avoid accidents** Imagine you have to avoid an unexpected obstacle in the road. You end up with two wheels on the gravel verge and need to brake suddenly...

TCS reduces torque to reduce slip.

ESC brakes the left rear wheel momentarily to reduce understeer.

ESC brakes the right front wheel momentarily to reduce oversteer.

### Electronic Stability Control (ESC)

If the vehicle is about to skid, ESC will apply brake pressure to individual wheels as appropriate, and trim engine power if required. This dramatically increases turning and cornering safety, particularly in evasive action situations where it helps stop the vehicle skidding out of the control.

### Front airbags

For maximum protection in certain frontal collisions, the vehicle will deploy front airbags for the driver and front passenger.

### Collapsible pedal release system

To help prevent driver leg injury in a severe frontal impact, the vehicle's brake pedal will collapse.

### Seatbelt pretensioners

A sufficiently forceful impact will trigger pyrotechnic charges that force the front seatbelts to tighten, holding front occupants firmly in their seats.

### Brake Assist (BA)

BA is designed to sense how fast you press the brake. If it detects an emergency stopping situation, it will maximise braking pressure to optimise braking performance.

### Side curtain airbags

Side curtain airbags provide head and upper body protection for front seat occupants and left and right rear passengers.

### Anti-lock Braking System (ABS)

ABS prevents wheel 'lock up' during forceful braking. This helps keep your car steerable and directionally stable, and reduces stopping distances on most surfaces.

### Side impact airbags

Side impact airbags provide chest and thorax protection for the driver and front passenger.

### Electronic Brakeforce Distribution (EBD)

EBD regulates the braking force applied to each wheel. This ensures optimal balance between front and rear brakes, which helps minimise stopping distances.

### Crumple zones and passenger safety cell

In the event of a collision, occupants are protected by both energy management crumple zones – which are designed to crush efficiently and maintain the vehicle integrity – and the passenger safety cell providing a rigid structure, made from nearly 60% high strength steel.

### Traction Control System (TCS)

Designed to maximise the vehicle's stability on wet and icy roads, TCS detects if either front wheel has insufficient grip, and adjusts drive force and brake force accordingly.

## Barina Spark CD

The all-new Barina Spark CD redefines the small car with a compelling list of included must-haves, class-leading standard safety features and a bold, sports style unlike anything else on the road. Easy to own, fun to drive, its breakthrough fusion of fashion, function and five-door practicality makes other cars in its class blush.

CD in Cocktail Green

\* Red interior trim standard with Chilli Red and Carbon Flash Black exterior colours.  
Silver interior trim standard with all other colour options.

Nitrate Silver and Light Titanium cloth seats

USB audio input

Steering wheel audio controls

Motorcycle inspired instrument cluster with Trip Computer

### Standard features include:

- 1.2L DOHC 4-cylinder petrol engine
- 5-speed manual transmission
- Electronic Stability Control (ESC) incorporating:
  - Anti-lock Braking System (ABS)
  - Brake Assist (BA)
  - Electronic Brakeforce Distribution (EBD)
  - Traction Control System (TCS)
- 6 airbags including:
  - Front airbags for driver and front passenger
  - Side impact airbags for driver and front passenger
  - Full length side curtain airbags
- 14" alloy wheels (4)
- Front body coloured door handles
- Hidden rear door handles
- Body coloured heated power adjustable exterior mirrors
- Front fog lamps
- Rear roof spoiler
- Front power windows
- 4-way adjustable driver and front passenger seats
- Vanity mirror on driver and front passenger sunvisors with cover
- Air conditioning
- Steering wheel mounted audio controls

- 4-speaker AM/FM audio system, with CD player, iPod® AUX input and USB input for MP3 players
- Motorcycle inspired instrument cluster featuring:
  - Speedometer and a digital tachometer
  - Trip computer functions including: distance to empty and outside temperature
- Centre console incorporating dual front and rear cup holders and bin compartment
- Front door pockets with integrated bottle storage
- Sunglass holder
- Remote keyless entry operates doors and rear tailgate
- Cloth trim available in Light Titanium or Rose

# Genuine Holden Accessories

From stylish exterior must haves to interior enhancements, the great range of Genuine Holden Accessories includes everything you need to create a vehicle as individual as you are.

Using Genuine Holden Accessories to add that personal touch also means a whole range of extra advantages for you and your vehicle...

## Integration

Genuine Holden Accessories are designed and manufactured in conjunction with the vehicle, which means materials, finishes and colours all match seamlessly.

## Quality

Each and every item in the Genuine Holden Accessories range is comprehensively tested by Holden Engineers in accordance with Holden's own demanding standards and Australian Design Rules (ADRs).

## Warranty

You automatically receive a three-year/ 100,000km\* warranty on every Genuine Holden Accessory fitted by your Holden Dealer prior to taking delivery of your new vehicle.

## Convenience

Only Genuine Holden Accessories are sold and supported by the Australia-wide Holden Dealer Network. No matter where you are, or where you're headed, you'll never be far from help or advice should you need it.

Put simply, nothing will go better with your new Holden than Genuine Holden Accessories. So start thinking now.

**Genuine Holden Accessories Warranty** Every new Genuine Holden Accessory fitted at the time of purchase of a new Holden vehicle comes under the New Vehicle Warranty, and is covered for 3 years from the date of first registration or 100,000 kilometres, whichever comes first. Subsequent purchases of Genuine Holden Accessories are covered for 2 years from the date of purchase or 50,000 kilometres, whichever comes first. Refer to the owner's handbook or see your Holden Dealer for full terms, conditions and exclusions.

15" 'Provoke' alloy wheels

CD in Olympic White

15" 'Provoke' alloy wheels

CDX in Luscious Kiss Pink

## Exterior

- 01 15" 'Provoke' alloy wheels**  
Bold and eye-catching, these 10-spoke machine-faced alloy wheels add an even sportier edge to Spark's dynamic exterior.
- 02 Headlamp protectors**
- 03 Weathershields – slimline size**  
For driver and all passenger windows.
- 04 Mudflaps (rear only)**  
Reduce the risk of damaging your paint work from dirt, stones and other objects kicked up by the wheels.
- 05 Bonnet protector**  
Protect your vehicle's superb paint finish from stone chips and scratches.
- 06 Chrome mirror caps**  
These chrome plated mirror caps provide a stylish individual appearance to further enhance the look of your vehicle.
- 07 Decal kits**  
Choice of 2 designs:  
Splash – Available in Black or White.  
Tribal – Available in Black or White.
- 08 Locking wheel nuts**  
Provides additional security and can be removed only with the lock nut key supplied as part of the kit.

## Interior

- 01 Seat covers (front only)**  
Spark branded seat inserts protect seats and are compatible with side impact airbags. Choice of silver or red Spark logo.
- 02 Bluetooth® phone kit for compatible mobile phones\***
- 03 Boot lip protector**  
Whilst loading and unloading from the boot, this protector folds over to protect the paint from scratches and scraping.
- 04 Floor mats (front and rear)**  
Spark branded.
- 05 Licence plate frames**  
Slimline or standard size to suit all Australian number plates.
- 06 Cargo organiser**
- 07 Anti-zap jumper leads**  
A must have for all drivers, in the event of a flat battery.
- 08 Safety triangle kit**  
Set of 3.

\* Certain mobile phones may not be compatible with the Bluetooth® phone kit. Please see a Holden Dealer to determine your phone's compatibility.

## customer care

Easy purchase options	<b>Insurance</b>	Holden Insurance offers a range of competitively priced insurance products, providing tailor-made protection, at the level of cover you need. For more information, call the Holden Insurance hotline on 1300 784 026. <sup>1</sup>
	<b>Holden Leasing</b>	Businesses of all sizes are now accessing vehicle leasing options with Holden Leasing. We operate nationally through the Holden Dealer Network and our dedicated service and support team. Our people are responsive professionals who understand your business and what it means to deliver total fleet management solutions. To find out how Holden Leasing can help you, call us on 1800 022 077.
Ownership benefits	<b>Holden Service</b>	With one of the largest Service Networks in the country, Holden Dealers can supply an enviable level of customer care. Only Holden Dealership technicians have access to regular Holden factory training and equipment.
	<b>Holden New Vehicle Warranty</b>	Every new Holden comes with a New Vehicle Warranty, covering your Holden for 3 years <sup>2</sup> or 100,000 kilometres, whichever comes first. This factory backed warranty covers items including the engine, transmission, interior and exterior components. Refer to your Owner's handbook or see your Holden Dealer for full terms, conditions and exclusions.
	<b>Holden Extended Factory Warranty</b>	Holden also offers Holden Extended Factory Warranty. Holden Extended Factory Warranty is a complete extension of your New Vehicle Warranty, giving you peace of mind because your car is factory backed for up to 3 additional years. The very same items covered under the New Vehicle Warranty will continue to be covered without exclusion. The Holden Extended Factory Warranty can be purchased through your local Holden Dealer at the same time as your Holden vehicle purchase. See your Holden Dealer or call 1300 632 407 for full terms and conditions.
	<b>24 Hour Roadside Assistance</b>	Provided for the first year of your new Holden's life <sup>3</sup> . Holden Roadside Assistance is one of Australia's most comprehensive assistance packages with over 3,000 Roadside Assistance patrols nationwide <sup>3</sup> . There to help with even the smallest service, the toll-free Roadside Assistance hotline is always open, 1800 817 100.

<sup>1</sup> Subject to approval  
<sup>2</sup> From date of first registration  
<sup>3</sup> In remote or sparsely populated areas you may experience delay in obtaining Roadside Assistance. Refer to the Customer Care brochure in your glovebox for full terms and conditions of this service
