

Colorado

Whatever it takes

The all-new Holden Colorado is here, and it's ready to take anything life throws at it. With a bold new look inside and out, a powerful Duramax Turbo Diesel engine and class-leading 3.5 tonne towing capacity* – this is the one you can depend on. As comfortable taking on the worksite as taking on the weekend, the all-new Holden Colorado has got your back.

* Across the 2.8L engine range

Colorado

Built for power and performance, you'll find there's no quit in the all-new Colorado. It gets the job done – simple as that. And when it's time to play, its smooth ride and stylish interior makes getting there easy.

Colorado LTZ 4x4 Crew Cab Pickup in Royal Grey with Genuine Holden accessory tow bar

Job Done

Colorado

3.5 Tonne Towing

That's seriously tough towing, available across the 2.8 Litre range. Whether it's a bobcat or dream boat you're towing, you'll know that whatever the load, the Colorado's got what it takes.

DURAMAX DIESEL

2.8 Litre Duramax

Choose Colorado's all-new 2.8 Litre Duramax Turbo Diesel, team it with an optional 6-speed auto and you've got 470Nm* of torque. That's the low-down pulling power you need when the going gets tough.

Developed for Colorado, the all-new 2.8 Litre Duramax Turbo Diesel delivers up to 40% more torque and 10% more power than its predecessor.

* Maximum figures as per ECE regulations

Hitch it up and let class-leading 3.5 tonne towing capacity* go to work. Take more to the job and more on the weekend. This powerful vehicle leaves nothing behind. It's all in a day's work for the all-new Colorado.

Colorado LTZ 4x4 Crew Cab Pickup in Sizzle with Genuine Holden accessory tow bar

Pulling Power

* Across the 2.8L engine range

Colorado

Bluetooth®

You need to stay connected. We hear you. Bluetooth® connectivity comes standard across the Colorado range.

USB with iPod®

Your tunes for your space. With Colorado you just plug in your iPod®, compatible MP3 player or USB flash drive. An MP3 compatible in-dash CD is also standard in every model.

Colorado LTZ 4x4 Crew Cab Interior

Inner Strength

Inside, the all-new Colorado takes care of you as much as it takes care of business. With the information you need and the entertainment you want all within easy reach. Plus there's room to spare, plenty of comfort and loads of style.

Peace of mind

You, your mates, your family – that's the most important cargo of all. It's why the all-new Colorado is engineered to help you avoid trouble and surround you with strength. To give you that level of safety and design you can count on when you need it most.

Maximum 5-star safety on all Crew Cab models

The all-new Colorado Crew Cab range comes with a maximum 5-star safety rating from the Australasian New Car Assessment Program (ANCAP).

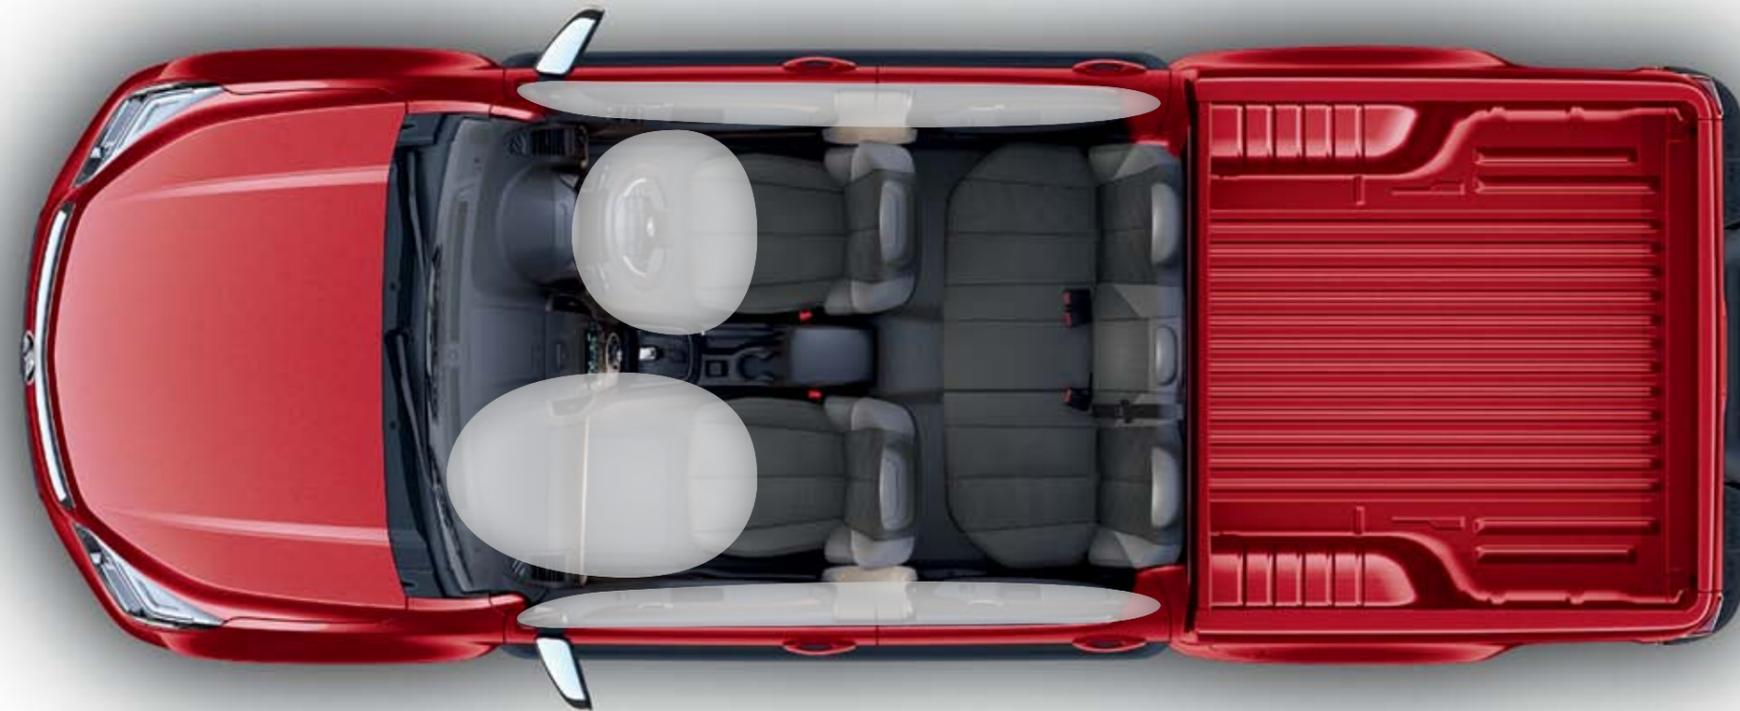

Rugged body

Colorado is built tough from within. Its body and frame are constructed from high strength steel and incorporates full-length frame rails. A safety cell gives maximum protection in a frontal or side collision – and maximum peace of mind for you and your passengers.

ESC

From snow on the Alps to a rogue 'roo on the Nullarbor... Aussie roads can throw anything at you. So it's good to know that Electronic Stability Control (ESC) is engineered into every model. Just another way the Colorado has got your back.

Airbags

It's comforting to know that the Colorado is equipped with front airbags for the driver and front passenger, as well as full length curtain airbags.

Colorado
DX

The Colorado DX doesn't knock off until you do. Built for work, it hangs tough with your choice of 2.5 Litre (4X2 only) or 2.8 Litre (4X4 only) Duramax Turbo Diesel power teamed with a 5-speed manual transmission. And with the 2.8 Litre engine, the DX makes light work of towing up to 3.5 tonnes for any job.

Tough plus

Colorado DX proves that a workhorse doesn't have to compromise on comfort and features. Bluetooth® and iPod® connectivity are standard. Plus, there's air conditioning and electric windows to keep you cool and comfortable.

DX

DX equipment and features

- 2.5 Litre Duramax Turbo Diesel (4X2)
- 2.8 Litre Duramax Turbo Diesel (4X4)
- 5-speed manual transmission
- Engine sump guard
- High ride height
- 16" steel wheels
- Front airbags for driver and front passenger
- Full length curtain airbags
- Electronic Stability Control (ESC)
- Front split bench seat
- Vinyl floor
- Air conditioning
- Power windows
- Bluetooth® connectivity
- 4-speaker CD audio system with MP3 player compatibility
- USB input with iPod® connectivity
- 12V power outlet
- Alarm
- Flip keys (2)

Colorado
LX

Haul all the gear you need to work – or welcome friends and family when it's time for a getaway. When you need a one-tonner that's tough all over – but with more than a touch of comfort and style – this is your truck.

Take it easy

Rugged on the job but ready for the weekend. Life is easy inside the Colorado LX, with plenty of stretch-out room and a level of equipment and comfort you might not expect.

Add the optional 6-speed automatic transmission with active select, and you know wherever you choose to go it's going to be even more of a breeze.

LX

LX delivers all DX standard features plus:

- 2.8L Duramax Turbo Diesel
- Optional 6-speed automatic transmission with Active Select
- Cruise control
- Multifunction steering wheel controls
- Leather wrap steering wheel
- Body coloured exterior mirrors with side turn signal
- Power adjustable exterior mirrors
- Front bucket seats
- Carpet floor
- 4-way adjustable driver seat (Single Cab)
- 6-way adjustable driver seat (Space and Crew Cab)
- 6 speakers (Space and Crew Cab)

Colorado
LT

Like the Colorado, you work hard to get the job done. So why wouldn't you want something with extra attitude. A can-do truck that shows your true strength of character. That's the Colorado LT for you.

More to show

This is far from a knockabout truck. Inside, the leather wrap multi-function steering wheel, front bucket seats, cruise control and 6-speaker sound system set the tone.

Outside, the sporty 16" alloy wheels and front fog lamps show your Colorado LT is an uncompromising choice. One that goes way beyond just getting the job done.

LT

LT delivers all DX standard features plus:

- 2.8L Duramax Turbo Diesel
- Optional 6-speed automatic transmission with Active Select
- Cruise control
- Multifunction steering wheel controls
- Leather wrap steering wheel
- Body coloured exterior mirrors with side turn signal
- Power adjustable exterior mirrors
- Front bucket seats
- Carpet floor
- 4-way adjustable driver seat (Single Cab)
- 6-way adjustable driver seat (Space and Crew Cab)
- 6 speakers (Space and Crew Cab)
- 16" alloy wheels (4)
- Front fog lamps

Colorado
LTZ

Combine Colorado toughness and towing capability with an equally attention grabbing design and fit-out – that's how we built the ultimate sports/luxury pickup. Power and reliability – style and flair. It's the dream machine you can take to work – the Colorado LTZ.

Extra impressive

You might want to keep it all for yourself – but Colorado LTZ is perfect for mates and family too. And you've got that added satisfaction knowing that this one is at the top of its game for equipment and features.

LTZ

LTZ delivers all LT standard features plus:

- 17" alloy wheels (4)
- 17" alloy spare wheel
- Projector headlamps
- Front fog lamps with chrome surround
- Chrome exterior mirrors with side turn signal
- Power adjustable and power folding exterior mirrors
- Chrome exterior and interior door handles
- Chrome rear bumper and tailgate handle
- LED tail lights
- Soft tonneau
- Alloy sports bar
- Side steps
- Electronic climate control
- Optional leather appointed seat trim (4x4 Crew Cab)
- Leather wrap gear knob (Manual)
- Chrome gear selector (Automatic option)
- 6-way electric adjustable drivers seat
- 8 speakers (Crew Cab)

Trim patterns are not to scale. Indicative only. Customers are encouraged to contact their Holden Dealer for current colour availability.

Capacity calculator

How to calculate your safe driving load

You should read the following carefully, as the concepts explained could significantly influence the Colorado model you choose.

Safe operation of a light commercial vehicle demands careful attention to two vital aspects of loading: balance and safe operating limits. A vehicle that is overloaded or carries unbalanced loads, will experience reduced life due to the excess demands placed on its frame, transmission, axles, hubs and tyres.

Cab chassis recommended body lengths

When fitting a custom built body, Holden recommends maximum allowable lengths* that will support the application of the Holden tow bar and ensure the rear axle capacity is not exceeded. Excess overhang must also be avoided as it can affect vehicle balance and road holding, as well as departure angles.

When fitting a body or tray to a Colorado Cab chassis model, your Holden Sales Consultant can advise whether the fitment proposed is compliant with vehicle and transport regulations in your state.

Generally speaking, your Holden Colorado must be correctly specified for its intended application. Inappropriate modifications to the standard vehicle specification may result in overloading which can affect:

- vehicle performance and safety
- your New Vehicle Warranty to the extent that Holden considers it impacts upon the specifications and quality of your vehicle

Always discuss your intentions with your Holden Sales Consultant.

Front and rear axle loads

Front and rear axle load limits ensure your Colorado's axles have sufficient strength to carry the total weight of the vehicle's body and mechanicals – along with cargo, accessories, tow ball load and passengers – and still retain a considerable capacity safety margin to cope with weight transfer as the vehicle brakes, accelerates, rolls in corners and goes over bumps.

The maximum allowable front axle load is 1385kg.

The maximum allowable rear axle load is 1850kg.

Gross Vehicle Mass (GVM)

Gross Vehicle Mass or 'GVM' is the maximum laden mass of the vehicle.

It is based on design factors that include:

- strength of the vehicle frame
- suspension
- tyre rating
- axle capacities

The maximum GVM for all Colorado models is 3,100kg (which cannot be exceeded).

Towing and Gross Combined Mass (GCM)

The GCM is a maximum total mass for vehicle, payload and braked trailer combined. The maximum towing capacity may require the vehicle load to be reduced to ensure the GCM limit for the vehicle is not exceeded.

- The maximum GCM for the 2.5L Duramax Turbo Diesel is 5,500kg (which cannot be exceeded)
- The maximum GCM for the 2.8L Duramax Turbo Diesel is 6,000kg (which cannot be exceeded)

Kerb Mass

Kerb Mass is the weight of the vehicle with standard equipment when it is unoccupied, unladen and has its fuel tank and all other fluid reservoirs filled to their nominated capacity.

Optional accessories and cargo carrying devices – for example, the tray body for Colorado Cab chassis models – are excluded from the Kerb Mass calculation.

Kerb Mass figures for the various Colorado models, engine and drive variants are provided in the technical specifications section of this brochure.

Payload

Payload is the total mass the finished vehicle is permitted to carry, and is calculated by subtracting the vehicle's Kerb Mass from the Gross Vehicle Mass. Payload includes the mass of the driver, any passengers, options or accessories, including the tray or customised body as well as the cargo.

Vehicle Loading Calculator – Not Towing

HoldenWise

More choices. More benefits. More reasons to drive a Holden.

For more than 60 years, Holden has been giving Australians the confidence of knowing they're behind the wheel of a quality vehicle, backed by a nationwide network of dealers. With HoldenWise, we're now giving you even more reasons to feel good about driving home in a Holden. You can pick and choose from the solutions you want, giving you complete peace of mind long after you've left the showroom.

For more information visit www.holden.com.au/holdenwise

Customer Care

With more than 240 dealerships Australia-wide, a Holden Dealer is never far away. Our Holden Customer Assistance Centre is also available to answer any questions over the phone.

Call 1800 033 349 (8am – 7pm Mon-Fri, 9am – 1pm on Sat (EST)).

Capped Price Servicing

With Capped Price Servicing, you'll know exactly what your standard service costs will be in advance. You'll pay no more than a low capped price for the first four standard scheduled log book services* for the first three years or 60,000 km, whichever comes first.

New Vehicle Warranty

Every new Holden comes with a New Vehicle Warranty, covering your Holden for 3 years (from date of first registration) or 100,000 kilometres, whichever comes first. Refer to the enclosed 'Holden Voluntary Warranty' flyer for full terms, conditions and exclusions.

Holden Leasing

Holden Leasing looks after fleet management and vehicle leasing for commercial, SME and public sector businesses. We source the right vehicles at a competitive price and arrange finance, delivery, maintenance and repairs.

Genuine Service

Holden has one of Australia's largest service networks. Servicing your Holden at an authorised Holden Service Centre gives you complete confidence, knowing that only Holden Dealership Technicians have access to regular Holden factory training and equipment.

Holden Insurance

Holden Insurance arranges a number of competitively priced insurance products, providing tailor-made protection. With a unique mix of standard features and policy options, you can customise your policy to find the right level of protection.

For more information, call the Holden Insurance hotline on 1300 784 026.

Genuine Parts

Holden Genuine Parts are designed and built to our exacting standards, ensuring your Holden continues to perform to its full potential. Holden Genuine Parts are made to meet our rigorous specifications and every single one is covered by a manufacturer warranty. Refer to the enclosed 'Holden Voluntary Warranty' flyer for full terms, conditions and exclusions.

Holden Rental

If you want an extra vehicle, Holden Rental can keep you on the road. There are no minimum or maximum rental periods. And with no limit on the kilometres you can drive. All Holden Rental vehicles we offer are less than six months old and have low kilometres.

Genuine Accessories

Add an individual touch to your Holden with our extensive range of Genuine Holden Accessories. Each one is tested by Holden or GM Engineers in accordance with Holden's own demanding standards and Australian Design Rules (ADRs)*.

Service Express

Holden's Service Express is a fast, convenient way to have your car serviced. No more leaving your car at a dealership all day – you can get it done in around an hour.

Roadside Assistance

Every new Holden comes with Holden Roadside Assistance. It's one of Australia's most comprehensive assistance packages, with more than 3,000 Roadside Assistance patrols nationwide. Or, for even more benefits, membership can be upgraded to Holden Ultra Roadside Assistance.

Pitstop Tyre Service

Pitstop Tyre Service is a competitive, convenient way to maintain the safety of your vehicle. Trained Holden Technicians will inspect or replace your tyres using state-of-the-art precision equipment and check other components like brakes, giving you complete confidence.

Extended Warranty

The Holden Extended Factory Warranty covers all parts and workmanship originally covered by the New Vehicle Warranty, which is not already covered under the statutory Australian consumer laws. Holden Extended Factory Warranty is issued, fully supported & endorsed by Holden and its Dealer network. Refer to holden.com.au or contact your Holden Dealer for details.

Genuine Holden Accessories

There's an exciting range of Genuine Holden Accessories available to personalise your vehicle. Please ask for the all-new Colorado Accessories poster (AD13141) for more information.

* This figure is the maximum load your vehicle is permitted to carry without exceeding its GVM/GCM rating. The load must be appropriately distributed and the maximum allowable front and rear axle load limits must not be exceeded.
[^] Speak to your Holden Dealer for more information on recommended body lengths.
[^] Two different tow bar masses shown; one for pick up box and one for cab chassis models.

* Where ADRs apply for the product
[^] Subject to the Capped Price Servicing terms and conditions, this will be a maximum capped amount for each service, up to four standard scheduled services (as specified in the Service Warranty Booklet).
