» Senator Signature shown in Nitrate

Senator Signature shown with optional sunroof and 6-piston brake package (above and cover).

A person is silhouetted against a bright, golden sunset sky. They stand on a grassy hillside, looking out over a vast, hazy landscape of rolling hills and valleys. The sun is low on the horizon, creating a strong glow and long shadows. The overall mood is serene and contemplative.

**WE BELIEVE THE CAR YOU DRIVE**

**TELLS  
THE WORLD  
EXACTLY  
WHERE  
YOU  
STAND.**

**WE  
BELIEVE  
IN  
ROCK**

IAN MOSS » MUSICIAN

Senator Signature shown with optional 6-piston brake package.

» The Senator Signature is a powerful statement piece in every sense, with a commanding 6.2 litre LS3 Generation 4 alloy V8 generating a newly-increased 325kW of power and 550Nm of torque. Fascia mounted Shockwave inspired exhaust outlets and 20" SV Performance Forged wheels in Dark Stainless set things in style, while linear controlled Premium suspension with Magnetic Ride Control (MRC) makes the Senator Signature ride just as smooth as it looks.

**BUT ALWAYS ROLLING IN LUXURY.**

**MOSSY'S** a performer who's been at the top of his game for over 30 years. As the lead guitarist for Cold Chisel, he knows a thing or two about living large, living fast and everything in between. If he's not out on the road touring as a successful solo artist, or with one of Australia's favourite rock bands, he's out on the road in an HSV.

**WE BELIEVE IN TIME-HONOURED PERFORMERS,**

SENATOR  
*Signature*

» Performance seats in Onyx leather trim with 8-way electric adjustment on the driver's and front passenger seats let you cruise in absolute comfort, while front and rear park assist with reverse camera helps take the pressure out of parking. Enhanced Driver Interface (EDI), rear seat overhead DVD player, Satellite Navigation and Side Blind Zone Alert mean the Senator Signature's as smart on the inside as it looks on the outside. Rain sensing wipers and puddle lamps help you drive safely in all conditions, while special anniversary treatments will ignite your passion for 25 years worth of hand crafted HSV quality every time you key the ignition.

GRANGE

Grange shown in Phantom

325

25  
YEARS  
OF LIVING  
LARGE  
AND  
LIVING  
FAST.

When it comes to the Grange, think big, then think bigger. With its imposing 325kW 6.2 litre LS3 Generation 4 alloy V8 engine generating 550Nm of torque, Hi-Flow Intermediate with Bi-Modal mufflers, Luxury seats in Onyx leather trim, BOSE Premium Audio System and 20" SV Performance Forged wheels in Dark Stainless, it's as polished as it is powerful. Linear controlled Premium suspension with MRC ensures optimum handling and comfort, while Tri-Zone electronic climate control and a DVD player with dual LCD screens for rear passengers will help you get the show on the road in style.
