

Barina

HOLDEN

sophisticated style

The sporty, yet sophisticated stance of the Holden Barina is an exciting expression of European styling. Available in CD & CDX models in Hatch or Sedan, it's fresh and modern from every angle. The Holden Barina showcases slick alloy wheels, eye-catching exposed headlights and on the Hatch, uniquely designed hidden rear door handles. With meticulous attention to detail and an array of exceptional design features, the Holden Barina appeals to those who aspire for more.

Barina CD Hatch in Nitrate Silver

BARINA

inviting space

The Holden Barina welcomes you with an invitingly spacious interior. Every aspect has been designed to enhance your comfort, whether you're a driver or passenger. Long journeys are a pleasure with roomy seats that embrace you. Intelligently designed storage spaces ensure all your belongings are within easy reach. And rear split folding seats provide flexibility to adapt to your needs. Throughout the Holden Barina, you'll discover space, comfort and convenience to suit your lifestyle.

Barina CD Sedan in Boracay Blue

Performance

Sporty

The Holden Barina's athletic performance always makes driving a thrill. Its advanced 1.6 litre 4-cylinder engine, paired with a 5-speed manual transmission, means ample power is available, any time, for effortless acceleration. Even if you choose the superbly smooth 6-speed automatic, Active Select puts you in charge of the gear changes with the push of a button – perfect for times when you want complete control. And when it comes to handling, the Holden Barina is intuitive and agile. It all makes for a truly spirited drive.

Barina CDX Hatch in Carbon Flash Black

interior style

The Barina sets new standards for style and comfort. Unmistakably modern, it takes design cues from exciting new sources, with cockpit style seats and a motorcycle-inspired instrument cluster with ice blue illumination featured throughout the cabin. There's also a reassuring feeling of quality about the finish that goes beyond expectations. From the chrome and metallic-silver detailing to the integrated centre stack, attention has been paid to every detail.

The CDX gives you even greater levels of comfort, with heated front Sportec seats, rear parking sensors, 7" colour touch-screen and the new Holden MyLink infotainment system.

The Barina is designed with one idea in mind: your total enjoyment.

The dazzling array of technology that comes standard in the feature-packed Holden Barina is nothing short of astounding.

Bluetooth® phone and audio streaming*, USB input with iPod® connectivity, cruise control and 6-speaker stereo system are all standard.

What's more, steering wheel mounted controls put all of these advanced functions conveniently at your fingertips.

New innovations in technology like headlights with 'follow me home' functionality are complimented by new innovations in design, like the motorcycle-inspired instrument cluster, to make the Holden Barina completely modern, and every one of these features come as standard.

* Certain mobile phones may not be compatible with the vehicle's Bluetooth® system. See www.holden.com.au for more details

Headlights with 'follow me home' functionality
'Follow me home' functionality allows headlights to remain on for a set time after leaving the parked vehicle

Motorcycle-inspired instrument cluster
The motorcycle-inspired instrument cluster displays pertinent driver information including an analogue tachometer, LCD digital speedometer, odometer and fuel gauge

Bluetooth®
The Barina's Bluetooth® system* offers hands-free mobile phone functionality, making using your mobile phone more convenient and safer

Multimedia audio
The Barina is equipped with a USB input, which allows you to connect your iPod®, compatible MP3 players and USB flash drives which can be controlled via steering wheel audio controls. As well as Bluetooth® connectivity* which gives you the ability to wirelessly stream music from a Bluetooth® enabled smartphone

Steering wheel mounted controls
Operate the audio system, cruise control and Bluetooth® without taking your hands off the wheel. Functionality includes engaging and cancelling cruise control, changing radio stations, music tracks, adjusting the volume plus the ability to answer and end phone calls

Cruise control
Allows the speed of the Barina to be set and maintained with functions including increase/decrease speed, on/off set, resume and cancel

MyLink
The CDX model introduces the new infotainment system Holden MyLink. With a 7" colour touch-screen, it allows you to stay connected to the things you love - your friends, your music & your phone - all at the touch of a finger

technology

Life. Simply connected.

Life doesn't stop while you're in your car, so why should you? With Holden MyLink, available in the Barina CDX, you'll stay connected to everything most important to you and more while you're out and about. Technology for your comfort, convenience and safety is all at your fingertips through the 7" colour touch-screen. Speak to friends and family safely while driving. Enjoy your favourite music or news programs. And that's just the beginning. So what is Holden MyLink? It's your life simply connected.

For more information visit www.holden.com.au/barina/mylink

Features

- Bluetooth® audio streaming*
- Smartphone app integration
- USB and iPod® connectivity
- Watch movies
- View photo slideshows
- Access your contact list without touching your phone*
- Access device playlists, music files and more

Siri Eyes Free†

If you've got an iPhone 4S or 5 you can access the Siri Eyes Free feature. In this mode you can ask Siri to call people, select and play music, hear and compose text messages, read notifications and add reminders. It's just like having a personal assistant onboard.

Pandora® Internet Radio*#

With Pandora® you can create your own personal stations based on your favourite songs, artists or music types. All you need is the app on your compatible smartphone then tap away on the touch-screen to select and bookmark. Pandora® even suggests new artists and songs to you based on your preferences. There's always something new for you to discover in your Barina.

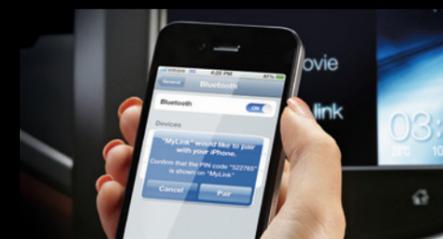

Stitcher™ SmartRadio#

Streaming favourite podcasts, radio shows and news to your vehicle couldn't be easier. Through the Stitcher™ SmartRadio app on your compatible smartphone you can create personalised on-demand stations, access preferred playlists and more than 5,000 radio shows.

BringGo™ Navigation*^

Simply buy the BringGo™ app from your Apple iTunes or Google Play store and you'll be in the know wherever you go. The full navigation system let's you access Google local search*, 3-D maps, turn-by-turn directions and emergency contacts. The 'Where am I locator?' is also supported by local points of interest descriptions including cafes and restaurants along the way.

Bluetooth®*

This enables you to make and receive calls while driving. It also lets you access your contact list and play back your call history including missed calls.

TuneIn Radio**

TuneIn keeps you on trend by connecting you to the world's radio. Simply pair your smartphone to MyLink and you've got over 70,000 local and international AM, FM, HD and internet radio stations at your fingertips.

mylink

* Certain mobile phones may not be compatible with the vehicle's Bluetooth® system. See www.holden.com.au for more details

Data plan rates apply

† Requires compatible iPhone® running iOS6

^ BringGo Navigation app must be purchased separately

The Holden Barina proves a smaller car doesn't have to be small on safety.

An array of active and passive safety systems as well as structural reinforcements have earned it the highest possible 5-Star ANCAP safety rating.

Intelligent features like Electronic Stability Control (ESC) and Traction Control System (TCS) work together with leading brake technologies, including Electronic Brakeforce Distribution (EBD) and Brake Assist (BA), to help you avoid an accident.

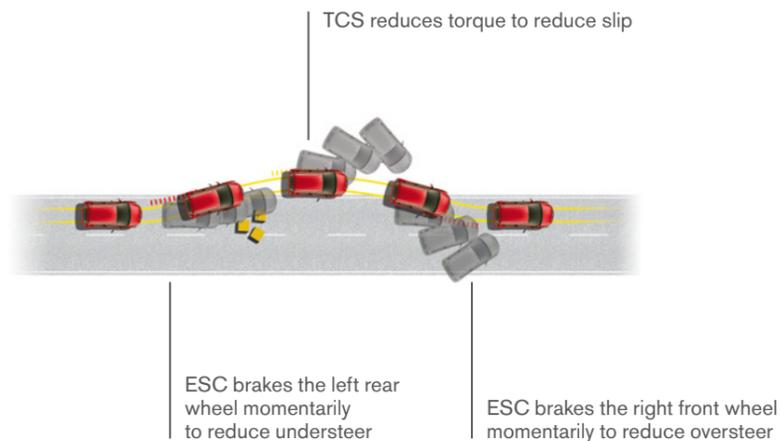

Should a collision occur, active safety systems immediately come into play. Six airbags – front, side impact and side curtain – protect occupants front and rear. At the same time energy management crumple zones work to take out the force of the impact, safeguarding occupants by helping maintain the integrity of the passenger compartment.

With the Barina you can be sure we've made no compromise on safety. So, when it comes to choosing your next car, there's no need for you to compromise either.

Safety for everyone

How ESC helps you avoid accidents

Imagine you have to avoid an unexpected obstacle on the road. You end up with two wheels on the gravel verge and need to brake suddenly...

Brake Assist (BA)
BA is designed to sense how fast you press the brake. If it detects an emergency stopping situation, it will maximise braking pressure to optimise braking performance

Traction Control System (TCS)
Designed to maximise the vehicle's stability on wet and icy roads, TCS detects if either front wheel has insufficient grip, and adjusts drive force and brake force accordingly

Side impact airbags
Side impact airbags provide chest and thorax protection for the driver and front passenger

Collapsible pedal release system
To help prevent driver leg injury in a severe frontal impact, the vehicle's clutch and brake pedal will collapse

Front airbags
For maximum protection in certain frontal collisions, the vehicle will deploy front airbags for the driver and front passenger

Side curtain airbags
Side curtain airbags provide head and upper body protection for front seat occupants and left and right rear passengers

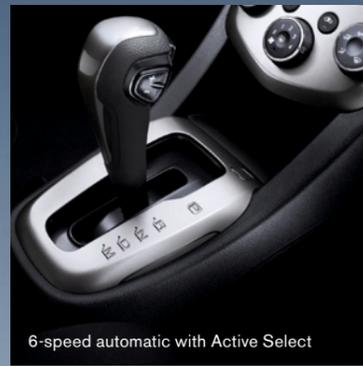

Seatbelt pretensioners
A sufficiently forceful impact will trigger pyrotechnic charges that force the front seatbelts to tighten, holding front occupants firmly in their seat

Anti-lock Braking System (ABS)
ABS prevents wheel 'lock up' during forceful braking. This helps keep your car steerable and directionally stable, and reduces stopping distances on most surfaces

Electronic Stability Control (ESC)
ESC is a technically advanced chassis system that provides outstanding safety and vehicle control benefits. Working with ABS, ESC can apply individual brakes selectively to control oversteer or understeer as necessary to help the driver maintain control during extreme driving manoeuvres

Electronic Brakeforce Distribution (EBD)
EBD regulates the braking force applied to each wheel. This ensures optimal balance between front and rear brakes, which helps minimise stopping distances

6-speed automatic with Active Select

The 6-speed automatic transmission comes with Active Select, which allows you to manually switch gears for a more 'hands on' driving experience

Dual glovebox

The lower glovebox offers convenient storage and security, while the unique upper glovebox houses the Barina's USB and AUX inputs, so you can safely plug in and store your iPod®, MP3 player or USB flash drive with ease

Cupholders

The Barina offers the convenience of three cupholders with two in the front centre console and one in the rear of the centre console

Standard features include:

- 1.6 litre DOHC 4-cylinder petrol engine with 5-speed manual or optional 6-speed automatic transmission with Active Select
- Electronic Stability Control (ESC), incorporating:
 - Anti-lock Braking System (ABS)
 - Brake Assist (BA)
 - Electronic Brakeforce Distribution (EBD)
 - Traction Control System (TCS)
- Six airbags:
 - Driver and front passenger front airbags
 - Driver and front passenger side airbags
 - Side curtain airbags
- 15" alloy wheels (4)
- Body coloured door handles (Sedan)
- Front body coloured door handles and hidden rear door handles (Hatch)
- Body coloured rear spoiler (Hatch)
- 'Exposed' halogen headlights with 'follow me home' functionality
- Instrument dimmer switch
- Auto headlamps
- Cruise control
- Bluetooth® connectivity*, with phone and audio streaming
- Multifunction 3-spoke steering wheel with controls for Bluetooth®, cruise control and audio system
- Dual glovebox – upper glovebox with bi-level shelving, AUX and USB inputs
- Driver and front passenger vanity mirrors with cover
- Front and rear power windows
- Cupholders – two in front centre console and one in rear of centre console
- 6-way adjustable driver seat
- Front passenger seat back pocket
- 60/40 split folding rear seats
- Air conditioning
- Outside temperature displayed in radio
- 6-speaker audio system with MP3 compatible in-dash CD player
- USB input with iPod® connectivity
- Motorcycle-inspired instrument cluster incorporating:
 - Digital speedometer
 - Analogue tachometer
- Remote keyless entry operates doors, boot and fuel filler door
- Flip key (1)
- Available in both Hatch and Sedan

* Certain mobile phones may not be compatible with the vehicle's Bluetooth® system. See www.holden.com.au for more details

Barina CD Hatch in Satin Steel

Barina CD Sedan in Nitrate Silver

CDX

Rear parking sensors

The CDX eases into and out of tight parking spaces, thanks to its rear parking sensors. Audible warnings indicate the proximity of potential obstacles.

17" Alloy wheels

A sporty look needs a serious set of wheels and these 5-spoke 17" alloys certainly look the part.

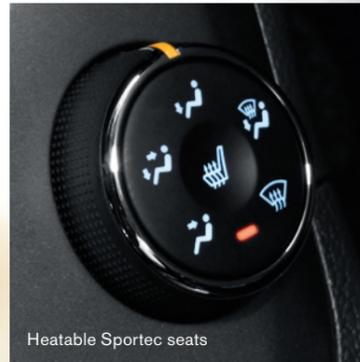

CDX includes all CD standard features plus:

- 17" alloy wheels (4)
- Front fog lamps
- Rear parking sensors
- Leather steering wheel & shifter
- Sportec seat trim
- Heatable front seats
- Exterior chrome highlights
- Holden MyLink infotainment system
- 7" colour touch-screen
- Trip computer
- Storage under front passenger seat
- Sunglass holder
- Body coloured door handles with chrome strip
- Available in both Hatch and Sedan

MyLink

Holden MyLink offers new levels of convenience and flexibility by bringing smartphone capabilities into your vehicle.

Heatable Sportec seats

If you hate the cold, you will warm to the idea of electronically heated front seats.

HoldenWise

More choices. More benefits. More reasons to drive a Holden.

For more than 60 years, Holden has been giving Australians the confidence of knowing they're behind the wheel of a quality vehicle, backed by a nationwide network of dealers. With HoldenWise, we're now giving you even more reasons to feel good about driving home in a Holden. You can pick and choose from the solutions you want, giving you complete peace of mind long after you've left the showroom.

For more information visit www.holden.com.au/holdenwise

Customer Care

With more than 240 dealerships Australia-wide, a Holden Dealer is never far away. Our Holden Customer Assistance Centre is also available to answer any questions over the phone.

Call 1800 033 349 8am – 7pm Mon-Fri, 9am – 1pm on Sat (EST).

Capped Price Servicing

With Capped Price Servicing, you'll know exactly what your standard service costs will be in advance. You'll pay no more than a low capped price for the first four standard scheduled log book services[^] for the first three years or 60,000 km, whichever comes first.

New Vehicle Warranty

Every new Holden comes with a New Vehicle Warranty, covering your Holden for 3 years (from date of first registration) or 100,000 kilometres, whichever comes first. Refer to the enclosed 'Holden Voluntary Warranty' flyer for full terms, conditions and exclusions.

Holden Leasing

Holden Leasing looks after fleet management and vehicle leasing for commercial, SME and public sector businesses. We source the right vehicles at a competitive price and arrange finance, delivery, maintenance and repairs.

Genuine Service

Holden has one of Australia's largest service networks. Servicing your Holden at an authorised Holden Service Centre gives you complete confidence, knowing that only Holden Dealership Technicians have access to regular Holden factory training and equipment.

Holden Insurance

Holden Insurance arranges a number of competitively priced insurance products, providing tailor-made protection. With a unique mix of standard features and policy options, you can customise your policy to find the right level of protection.

For more information, call the Holden Insurance hotline on 1300 784 026.

Genuine Parts

Holden Genuine Parts are designed and built to our exacting standards, ensuring your Holden continues to perform to its full potential. Holden Genuine Parts are made to meet our rigorous specifications and every single one is covered by a manufacturer warranty.

Holden Rental

If you want an extra vehicle, Holden Rental can keep you on the road. There are no minimum or maximum rental periods. And with no limit on the kilometres you can drive. All Holden Rental vehicles we offer are less than six months old and have low kilometres.

Genuine Accessories

Add an individual touch to your Holden with our extensive range of Genuine Holden Accessories. Each one is tested by Holden or GM Engineers in accordance with Holden's own demanding standards and Australian Design Rules (ADRs)*. Refer to the enclosed 'Holden Voluntary Warranty' flyer for full terms, conditions and exclusions.

Service Express

Holden's Service Express is a fast, convenient way to have your car serviced. No more leaving your car at a dealership all day – you can get it done in around an hour.

Roadside Assistance

Every new Holden comes with Holden Roadside Assistance. It's one of Australia's most comprehensive assistance packages, with more than 3,000 Roadside Assistance patrols nationwide. Or, for even more benefits, membership can be upgraded to Holden Ultra Roadside Assistance.

Pitstop Tyre Service

Pitstop Tyre Service is a competitive, convenient way to maintain the safety of your vehicle. Trained Holden Technicians will inspect or replace your tyres using state-of-the-art precision equipment and check other components like brakes, giving you complete confidence.

Extended Warranty

The Holden Extended Factory Warranty covers all parts and workmanship originally covered by the New Vehicle Warranty, which is not already covered under the statutory Australian consumer laws. Holden Extended Factory Warranty is issued, fully supported & endorsed by Holden and its Dealer network. Refer to holden.com.au or contact your Holden Dealer for details.

* Where ADRs apply for the product

[^] Subject to the Capped Price Servicing terms and conditions, this will be a maximum capped amount for each service, up to four standard scheduled services (as specified in the Service Warranty Booklet)
