

Barina RS

THINK  HOLDEN

IT'S FUN TURBOCHARGED

RS = PERFORMANCE = EXCITEMENT = FUN

THE BEST OF THE BEST

Say hello to the newest Barina model. Amped up from the inside out, Barina RS is begging you to hit the road and never look back. The turbocharged engine is amplified by a lowered and stiffened suspension with performance-tuned dampers and a unique sports exhaust. This is the Barina, but not as you know it.

Think Holden MyLink, connecting you to all the things you love – your phone, your music and your friends. It takes the cool factor to another level, with built-in apps and 7" touch-screen are just the start.

Get your adrenaline going as you slide into heated, leather-appointed front bucket sports seats. A feeling matched by grabbing hold of the leather-wrapped sports steering wheel with racing-inspired flat-bottom design. Then there's an interior that's upgraded with unique centre stack trim and contrasting red stitching throughout.

Enhanced from the ground up, Barina RS is designed for power; driven for fun.
