

Captiva 7

THINK  HOLDEN

CAPTIVA 7

Family life can get pretty hectic; juggling school runs, the demands of work and home, and making time for weekend getaways. You're forever chasing your tail.

So how do you fit it all in? It's easy with the Captiva 7.

With its seven seat versatility matched with a surprisingly compact exterior, the Captiva 7 is ready to go at a moment's notice.

And once you're on your way, you'll get there in comfort and style thanks to its refined handling, spacious interior and exceptional fitout.

Available in Two Wheel Drive and Active All Wheel Drive, including petrol and diesel options, Captiva's outstanding efficiency ensures there's plenty left in the tank to take on the day.

Captiva 7 LTZ in Snowflake Pearl

FAMILY PRIDE

YOU NEVER KNOW WHAT
THE DAY'S GOING TO BRING.

You never know what the day's going to bring. Whether that's taking the little tigers to Saturday sport, or heading out for some last minute retail therapy.

Designed for maximum versatility, the Captiva 7 has plenty of room for everyone and everything.

With three rows of easily adjustable seating, this incredibly spacious SUV is as comfortable accommodating seven people as it is a cabin full of gear.

And with loads of clever storage spaces throughout, the Captiva 7 lets you pack as much as you want to into your day.

PACK MORE
INTO YOUR DAY

FITTING MORE INTO
LIFE IS ONE THING.

Making the journey as effortless
as possible is another.

That's where the Captiva 7 really stands
out, with its compact exterior and sedan-
like maneuverability redefining what you
would expect from a family-sized SUV.

Combined with features such as Rear
Park Assist and a high ride height, getting
from A to B or in and out of tight spots
has never been easier.

Or more fun and relaxed.

COMPACT DESIGN
FOR EVERY TRIP

WITH ABUNDANT SPACE AND A STANDARD EQUIPMENT LIST TO MATCH, THE STYLISH CAPTIVA 7 CABIN IS SURE TO PLEASE EVERY MEMBER OF YOUR FAMILY.

There's an MP3 compatible CD player, USB with iPod® connectivity, Bluetooth®* for hands-free calling or music streaming, leather wrap steering wheel, cruise control and Rear Park Assist.

You'll also find Passive Entry and Start to make life even easier.

The LT model ups the luxury factor even further with electronic climate control, Multifunction Driver Information Display and Sportec seat bolsters.

Leading the pack is the ultra-impressive LTZ, adding leather appointed heated front seats, Rear View Camera, Front Park Assist, Satellite Navigation and a 7-inch multifunction touch-screen.

* Certain devices may not be compatible with the vehicle's Bluetooth® system. Visit holden.com.au for more details

**A HOST OF
FEATURES**

PERFORMANCE

The Captiva 7 offers a choice of three state-of-the-art engines from Holden's range of advanced fuel-saving technologies – all teamed with a 6-speed automatic transmission.

Whether it's the extra power of the 3.0 litre SIDI Direct Injection V6 you opt for, the fuel-efficiency of the 2.4 litre petrol engine or the extra torque of the 2.2 litre turbo diesel, you can expect the pleasure of uncompromising Holden performance, without the pain of large fuel bills or frequent trips to the bowser.

3.0 litre SIDI Direct Injection V6

A breakthrough in V6 engine design, Holden's Spark Ignition Direct Injection (SIDI) technology in the LT and LTZ models produces greater power and smoother power delivery over a broader rev range, with increased fuel economy and lower CO₂ emissions.

Able to haul a 2,000kg tow load (braked trailer), the 3.0 litre SIDI Direct Injection will reward you with effortless performance under all driving conditions.

Maximum power: 190kW @ 6900rpm*
Maximum torque: 288Nm @ 5800rpm*

Key SIDI engine features include:

- More precisely controlled fuel delivery
- Increased cylinder compression ratio
- Aluminium engine block and cylinder heads
- Quad cam phasing with variable timing on both inlet and outlet valves
- Optimised exhaust manifolds with close coupled catalytic converters

2.4 litre petrol engine

A high output, 4-cylinder engine with variable valve timing, this dual overhead cam powerplant for the two wheel drive LS model is smooth, reliable and provides linear delivery of torque, with near-peak levels over a broad range of revs. Fast to respond, slow to 'empty', its spirited performance makes driving a joy, while its exceptional economy makes the Captiva LS one of the most fuel-efficient petrol 7-seaters in its class.

Maximum power: 123kW @ 5600rpm*
Maximum torque: 230Nm @ 4600rpm*

Key engine features include:

- Advanced digital sensors enable more efficient engine operation
- Rigid engine structure ensures quieter operation and improved engine durability
- Optimised piston skirts help reduce operational noise
- Aluminium construction improves the engine's power-to-weight ratio, optimising efficiency and reduced tail pipe emissions

2.2 litre turbo diesel

The Captiva 7's 4-cylinder turbo diesel engine is equipped with high-pressure common rail fuel injection, it delivers thrilling performance-smoothly and quietly.

Maximum power: 135kW @ 3800rpm*
Maximum torque: 400Nm @ 2000rpm*

Key engine features include:

- The advanced, electronically controlled turbocharger with intercooler improves driveability and fuel economy
- A DOHC cylinder head and chain-timed camshaft drive enhance durability
- The high efficiency exhaust gas recirculation cooler improves engine robustness and results in reduced tail pipe emissions

6-speed automatic transmission with Active Shift Control and Active Select

Designed with optimised gear ratios to maximise acceleration, optimise fuel economy at cruising speeds and minimise engine noise, this sophisticated 6-speed automatic transmission shifts with impressive speed and almost imperceptible smoothness.

Standard with all three engine options, it features Active Shift Control, which monitors the way you drive and adapts shift changes accordingly, and Active Select, which lets you switch to manual gear shifting for a more 'hands on' driving experience.

Economy Drive mode

ECO Drive mode is designed to improve the vehicle's fuel economy. When selected, the transmission will up-shift sooner and downshift later, the torque converter will lock up sooner and stay on longer, and the accelerator pedal will be less sensitive.

Active All Wheel Drive#

The Active All Wheel Drive System automatically divides engine torque between the front and rear wheels, depending upon driving conditions.

Normally, the vehicle is driven from the front wheels only, resulting in greatly improved fuel economy compared with traditional four wheel drive systems. However, the moment the vehicle's sensors detect a situation where four wheel drive would be preferable, up to 50% of engine torque is directed to the rear wheels.

As a result, the vehicle's full power is transferred to the road, even in tight corners, during hill starts or on slippery surfaces, such as wet or icy roads.

The Captiva's Active All Wheel Drive is also fully integrated with the vehicle's Electronic Stability Control (ESC) and Anti-lock Braking System (ABS), and can be deployed automatically to counteract vehicle instability in a range of situations.

Self-levelling suspension

The Captiva 7's advanced self-levelling suspension system detects the amount of cargo being carried in the vehicle and automatically adjusts itself to maintain optimum ride, control and aerodynamics. Fully loaded, or with only yourself on board, you can look forward to the same high standard of comfort and performance.

STORAGE

Your every need accommodated

Courtesy of flush fold second and third row split seating, the Captiva 7 transforms from spacious 7-seat people mover to capacious cargo carrier at the flick of a wrist. Everyday trip essentials are also kept at the ready by a cabin load of clever storage spaces, including centre console and second row armrest compartments, front and rear cup holders, and front and rear door pockets.

50/50 split fold third row seats

Need to carry extra cargo? Fold down one or both third row seats as needed and the Captiva 7's cargo area instantly grows from 85 litres up to 465 litres.

60/40 split fold second row seats

More cargo than passengers? Fold down both second and third row seats and you now have a massive 930 litre space at your disposal.

Flat cargo space

Flat folding third and second row seats means a flat cargo space. So regardless of the seating configuration, you can easily move items into place.

Folding front passenger seat

Need to bring home something big? Something really big? Fold down the front passenger seat as well, and your Captiva 7 will safely carry objects up to 2.7 metres in length.

Three 12 volt power outlets

Conveniently located 12 volt power outlets in the front, second row and cargo area ensure everyone's electronic devices can be kept fully charged.

Wide tailgate opening

The Captiva 7's high loading height and wide tailgate opening make it easy to access the vehicle's cargo area, and less stressful on your lower back.

Flexible storage options

SAFETY

Every time you get behind the wheel, everywhere you drive, the advanced safety technology of the Captiva 7 will be watching over you and your family.

To help prevent an accident, the vehicle's active safety systems feature everything from Electronic Stability Control (ESC) and Anti-lock Braking System (ABS), to Traction Control System (TCS), Electronic Brake Assist (EBA) and Electronic Brakeforce Distribution (EBD).

To that already long list you can also add Active Rollover Protection, which constantly monitors body roll and automatically initiates braking counter measures if required; Hill Start Assist, which prevents unintentional roll away; and a Descent Control System for hassle free driving down steep gradients.

Should a collision occur, the Captiva 7's passive safety systems instantly determine the severity and direction of impact, then activates the required occupant protection features, including seatbelt pretensioners and six airbags – front airbags for the driver and front passenger, side impact airbags for the driver and front passenger, and side curtain airbags.

Front and rear crumple zones further maximise your family's safety in a collision, as do the multiple chassis load paths that help channel away impact energy. The vehicle is further complemented by a rigid safety cell which consists of high strength steel. Reinforced B pillars and door anti-intrusion beams provide added protection to the occupants involved in side impacts.

With safety features you will hopefully never need, there are also many others that will be of benefit every day. Like the vehicle's high driving position, which gives you a commanding view of the road; the push button convenience of an Electric Park Brake instead of the traditional lever style; and the added comfort of height adjustable front seatbelts and front and rear headrests.

Hill Start Assist

Hill Start Assist prevents the Captiva 7 unintentionally rolling backwards or forwards down a slope. Engaging automatically on gradients, it keeps the vehicle stationary after the brake is released, giving you time to use the accelerator to pull away.

Descent Control System

Activated with the touch of a button, the Captiva 7's Descent Control System uses engine control and automatic braking to limit downhill speed. It enables smooth, controlled hill descents and allows the driver to concentrate primarily on steering.

Active Rollover Protection

Should it detect excessive body roll during cornering or a lane change, Active Rollover Protection applies braking to each wheel as required, with extra brakeforce directed to those wheels with most grip. The vehicle's speed reduces, and with it, the amount of roll.

Rear View Camera

Great precautionary safety. Select Reverse gear and the view behind your vehicle automatically appears on the 7" multifunction colour touch-screen. Standard on the LTZ model.

Curtain airbags

Curtain airbags provide head and upper body protection for front seat occupants and left and right second row passengers in certain side-on collisions

Driver and front passenger side impact airbags

Side impact airbags, mounted in the outboard wing of both front seats, help to protect against chest injury

Driver and front passenger airbags
For maximum protection in certain frontal collisions, Captiva 7 will deploy front airbags for the driver and passenger

How ESC helps you avoid accidents

Imagine you have to avoid an unexpected obstacle in the road. You end up with two wheels on the gravel verge and need to brake suddenly...

TCS reduces torque to the left rear wheel to reduce slip

ESC brakes the left rear wheel momentarily to avoid understeer

ESC brakes the right front wheel momentarily and reduces engine power to correct oversteer

LS

The SUV, just the way you want it, available in either a turbo diesel or an economical 4-cylinder petrol engine, the boldly styled Captiva 7 LS comes with all the safety and technology 'must haves', plus premium luxury inclusions like a 6-speed automatic transmission, Electric Park Brake, Rear Park Assist, Bluetooth® with audio streaming and a USB input with iPod® connectivity.

Standard features include:

- 2.4 litre 4-cylinder petrol engine
- Optional 2.2 litre 4-cylinder common rail turbo diesel engine
- 6-speed automatic transmission with Active Select
- Electronic Stability Control
- Six airbags
- Auxiliary input
- CD audio player with MP3 compatibility
- USB input with iPod® connectivity
- Bluetooth® connectivity, including audio streaming
- Leather wrap steering wheel with audio controls
- Electric sunroof (no cost option)
- Cloth seat trim
- Power windows, front and rear
- 17" alloy wheels (4)
- Chrome exhaust tips
- Rear Park Assist
- Electric Park Brake
- ECO Drive (fuel economy mode)
- Hill Start Assist
- Level ride rear suspension
- Passive Entry and Start with sensor key
- 5-star ANCAP rating

* Certain devices may not be compatible with the vehicle's Bluetooth® system. Visit holden.com.au for more details

With the option of turbo diesel or SIDI Direct Injection V6 under the bonnet, the Captiva 7 LT offers a huge step up with Active All Wheel Drive performance, and even more luxury features, including 18-inch alloy wheels (4), Sportec seat bolsters, front fog lamps and roof rails.

Standard features include:

- 3.0 litre V6 SIDI Direct Injection petrol engine
- Optional 2.2 litre 4-cylinder common rail turbo diesel engine
- 6-speed automatic transmission with Active Select
- Electronic Stability Control
- Six airbags
- Active All Wheel Drive
- Auxiliary input
- CD audio player with MP3 compatibility
- USB input with iPod® connectivity
- Bluetooth®* connectivity, including audio streaming
- Leather wrap steering wheel with audio and air-conditioning controls
- Multifunction Driver Information Display, including electronic compass and outside temperature display
- Electric sunroof (no cost option)
- Cloth seat trim with Sportec bolsters
- Dual zone electronic climate control
- 18" alloy wheels (4)
- Front fog lamps
- Rear Park Assist
- Roof rails (charcoal)
- Electric Park Brake
- Hill Start Assist
- Sidesteps
- Passive Entry and Start with sensor key

LTZ

In the range-topping Captiva 7 LTZ, you'll be surrounded by a wish list of sophisticated luxuries and state-of-the-art technology, including 19-inch alloy wheels (4), satin silver roof rails, heated front leather seats, Satellite Navigation, Rear View Camera, and a 7-inch multifunction touch-screen display.

Standard features include:

- 3.0 litre V6 SIDI Direct Injection petrol engine
- Optional 2.2 litre 4-cylinder common rail turbo diesel engine
- 6-speed automatic transmission with Active Select
- Electronic Stability Control
- Six airbags
- Active All Wheel Drive
- Touch-screen 7" multifunction colour display
- Integrated Satellite Navigation
- Rear View Camera
- Front and Rear Park Assist
- Auxiliary input jack
- CD audio player with MP3 compatibility
- USB input with iPod® connectivity
- Bluetooth® connectivity, including audio streaming
- Leather wrap steering wheel with audio and air-conditioning controls
- Electric sunroof (no cost option)
- Heated front seats
- Leather appointed seat trim
- Electric 8-way adjustment of driver's seat
- 19" alloy wheels (4)
- Roof rails (satin silver)
- Electric Park Brake
- Hill Start Assist
- Sidesteps
- Passive Entry and Start with sensor key

HoldenWise

More choices. More benefits. More reasons to drive a Holden.

For more than 60 years, Holden has been giving Australians the confidence of knowing they're behind the wheel of a quality vehicle, backed by a nationwide network of dealers. With HoldenWise, we're now giving you even more reasons to feel good about driving home in a Holden. You can pick and choose from the solutions you want, giving you complete peace of mind long after you've left the showroom.

For more information visit www.holden.com.au/holdenwise

	Customer Care	With more than 240 dealerships Australia-wide, a Holden Dealer is never far away. Our Holden Customer Assistance Centre is also available to answer any questions over the phone. Call 1800 033 349 8am – 7pm Mon-Fri, 9am – 1pm on Sat (EST).
	New Vehicle Warranty	Every new Holden comes with a generous New Vehicle Warranty. Refer to your Owner's Handbook, the Holden website or see your Holden Dealer for full terms, conditions and exclusions.
	Genuine Service	Holden has one of Australia's largest service networks. Servicing your Holden at an authorised Holden Service Centre gives you complete confidence, knowing that only Holden Dealership Technicians have access to regular Holden factory training and equipment.
	Genuine Parts	Holden Genuine Parts are designed and built to our exacting standards, ensuring your Holden continues to perform to its full potential. Holden Genuine Parts are made to meet our rigorous specifications and every single one is covered by a manufacturer warranty.
	Genuine Accessories	Add an individual touch to your Holden with our extensive range of Genuine Holden Accessories. Each one is tested by Holden or GM Engineers in accordance with Holden's own demanding standards and Australian Design Rules (ADRs)*.
	Roadside Assistance	Every new Holden comes with Holden Roadside Assistance. It's one of Australia's most comprehensive assistance packages, with more than 3,000 Roadside Assistance patrols nationwide. Or, for even more benefits, membership can be upgraded to Holden Ultra Roadside Assistance.
	Extended Warranty	The Holden Extended Factory Warranty covers all parts and workmanship originally covered by the New Vehicle Warranty, which is not already covered under the statutory Australian consumer laws. Holden Extended Factory Warranty is issued, fully supported & endorsed by Holden and its Dealer network.
	Capped Price Servicing	With Capped Price Servicing, you'll know exactly what your standard service costs will be in advance. You're guaranteed to pay a maximum low price for the first four standard scheduled log book services* for the first three years or 60,000km, whichever comes first.
	Holden Leasing	Holden Leasing looks after fleet management and vehicle leasing for commercial, SME and public sector businesses. We source the right vehicles at a competitive price and arrange finance, delivery, maintenance and repairs.
	Holden Insurance	Holden Insurance arranges a number of competitively priced insurance products, providing tailor-made protection. With a unique mix of standard features and policy options, you can customise your policy to find the right level of protection. For more information, call the Holden Insurance hotline on 1300 784 026.
	Holden Rental	If you want an extra vehicle, Holden Rental can keep you on the road. There are no minimum or maximum rental periods. And with no limit on the kilometres you can drive. All Holden Rental vehicles we offer are less than six months old and have low kilometres.
	Service Express	Holden's Service Express is a fast, convenient way to have your car serviced. No more leaving your car at a dealership all day – you can get it done in around an hour.
	Pitstop Tyre Service	Pitstop Tyre Service is a competitive, convenient way to maintain the safety of your vehicle. Trained Holden Technicians will inspect or replace your tyres using state-of-the-art precision equipment and check other components like brakes, giving you complete confidence.

* Where ADRs apply for the product

^ Subject to the Capped Price Servicing terms and conditions, this will be a maximum capped amount for each service, up to four standard scheduled services (as specified in the Service Warranty Booklet).

TECHNICAL SPECIFICATIONS

	123kW [#] , 2.4 litre 4-cylinder petrol engine	135kW [#] , 2.2 litre 4-cylinder common rail turbo diesel engine	190kW [#] , 3.0 litre SIDI Direct Injection V6 engine
Engine	2.4 litre Double Overhead Cam 4-cylinder multi-point fuel injection with four valves per cylinder	2.2 litre Double Overhead Cam 4-cylinder with four valves per cylinder. Maximum power (ECE, kW) [#]	123 @ 5600rpm	135 @ 3800rpm	190 @ 6900rpm
Maximum torque (ECE, Nm) [#]	230 @ 4600rpm	400 @ 2000rpm	288 @ 5800rpm
Recommended fuel	91 RON (ULP), 95 RON (PULP or higher may result in improved engine performance and efficiency)	Diesel	91 RON (ULP), 95 RON (PULP or higher may result in improved engine performance and efficiency)
Fuel tank (L)	65		
Active All Wheel Drive (AWD)*	The All Wheel Drive system is 'Active Torque on Demand'. An electronically controlled electro-hydraulic differential ensures the best possible torque distribution between the front and rear axes. As driving conditions dictate, the rear axle is employed via an electronically controlled electro-magnetic coupling to give increased traction. The torque split ratio between front and rear wheels is variable in real time depending on the driving conditions		
Brakes (mm)	Four wheel disc. Ventilated discs – front and rear		
	Front diameter	296	
	Rear diameter	303	
Anti-lock Braking System (ABS)	4-channel, 4 sensor		
Traction Control System (TCS)	When sensors detect imminent wheel spin, engine torque is reduced. If one wheel starts to spin, braking is applied to transfer torque to the wheel(s) with better traction		
Brake Assist (BA)	Provides additional braking assistance by allowing the driver to reach the ABS threshold sooner and therefore help to reduce stopping distances		
Electronic Stability Control (ESC)	Assists the driver in emergency situations by providing correction to the intended vehicle path, which may help the driver avoid obstacles and reduce slides. This is accomplished via individual brake application and engine torque management control		
Descent Control System (DCS)	Utilises the active braking capability of the ESC to maintain a controlled speed when travelling down hill		
Active Rollover Protection (ARP)	ARP is designed to reduce the risk of rollover when lane changing and cornering; working in conjunction with the ESC system		
Hill Start Assist (HSA)	HSA prevents the car from rolling away when trying to pull away on an upward or downward gradient. The system engages automatically when a gradient is detected; it then acts to hold the car stationary after the brake is released giving the driver time to apply the throttle		
Suspension	Front: MacPherson strut, gas pressurised dampers, stabiliser bar. Rear: Independent four-link, gas pressurised dampers, stabiliser bar		
Steering	Rack and pinion power steering

A word about this brochure. We have tried to make this brochure as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this brochure may have been changed and/or is available at extra cost. Further, GM Holden Ltd ABN 84 006 893 232 (Holden), reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by Holden in its published sales literature, and Holden does not accept any liability for any such unauthorised action. Holden has authorised Dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but Holden doesn't make any promise other than that contained in the New Vehicle Warranty given by Holden that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from Holden on request. Copyright Holden. March 2014.
