

Colorado

THINK  HOLDEN

# GET SERIOUS

THIS IS THE ONE. A TRUCK THAT DELIVERS AN UNBEATEN 3.5 TONNE TOWING CAPACITY AND AN EQUALLY POWERFUL 500NM OF TORQUE\* - ABSOLUTE POWER AND PERFORMANCE. THAT'S LOADED WITH CLASS-LEADING TECHNOLOGY TO EQUIP YOU WITH ALL THE INFORMATION AND ENTERTAINMENT YOU COULD EVER NEED. IT'S JUST AS COMFORTABLE GOING BUSH AS GETTING THE JOB DONE. IF YOU WANT A TRUCK THAT GIVES YOU EVERYTHING - THINK COLORADO.

\* Across the automatic range

Colorado LTZ 4x4 Space Cab Pickup in Orange Rock

# PULLING POWER

**WITH UNBEATEN 3.5 TONNE TOWING CAPACITY\* AND 500NM OF TORQUE\*, THE COLORADO MAKES LIGHT WORK OF WHATEVER YOU CAN THROW AT IT. TOUGH AS THEY COME, IT LEAVES NOTHING BEHIND, LETTING YOU TAKE MORE TO THE WORKSITE AND MORE ON THE WEEKEND.**

## MASSIVE 500NM OF TORQUE\*

When we say this is one powerful truck, we mean it. Think 500Nm\* of torque and 147kw of power when teamed with the 6-speed auto. Figures that leave others in the dust.

It works as hard as you do – simple as that. Enough grunt to take on any challenge. And when the going gets really tough, the Colorado's got your back every time with features such as Trailer Sway Control (TSC), Hill Start Assist (HSA) and Descent Control System (DSC)^.

## UNBEATEN 3.5 TONNE TOWING

That's seriously tough towing. Unbeaten in its class. Just what you need when hauling the most extreme loads, from pulling a bobcat to taking that hard-earned dream boat down the coast.

Rigorously tested to stand up when it counts, the Colorado has got what it takes to get the job done. Whatever the conditions.

# SWITCHED ON

THE COLORADO IS BUILT TO MAKE YOUR LIFE BETTER; EASIER. JUST AS IT SHOULD BE. LIKE HOLDEN'S MYLINK<sup>^</sup>, KEEPING YOU ON TRACK WITH SAT NAV COMPATIBILITY<sup>+</sup> AND KEEPING YOU TUNED IN TO YOUR FAVOURITE MUSIC, NEWS AND ENTERTAINMENT. OR TECHNOLOGY THAT'S LOOKING OUT FOR YOU SUCH AS THE REAR VIEW CAMERA AND REAR PARK ASSIST\*.

## HOLDEN MYLINK<sup>^</sup>

You'll stay connected all the way with MyLink, from accessing apps, to Bluetooth<sup>®</sup> audio streaming. MyLink will also keep you on track with the latest sat nav compatible technology displayed on the intuitive 7" touch-screen.

## REAR VIEW CAMERA & REAR PARK ASSIST\*

Take a load off your mind with features such as the Rear View Camera and Rear Park Assist (RPA).

When you select reverse gear, the Rear View Camera gives you a clear picture of what's behind you, viewed on the large colour touch-screen.

With Rear Park Assist (RPA), rear parking sensors help you get in and out of tight spots; an audible warning alerting you when you're getting close to an object.

## BRINGGO™ SAT NAV<sup>##^</sup>

Never lose sight of where you're headed with BringGo™. This built-in navigation app gives you access to 3D maps, turn-by-turn directions, points of interest, emergency contacts and more. All brought up on the MyLink 7" colour touch-screen.

~ Certain devices may not be compatible with the vehicle's MyLink system. See [holden.com.au](http://holden.com.au) for more details  
\* Rear view camera and Rear Park Assist (RPA) are available on selected models  
+ BringGo Navigation app must be purchased separately

# INNER STRENGTH

**INSIDE, THE COLORADO TAKES CARE OF YOU AS MUCH AS IT TAKES CARE OF BUSINESS. WHAT HITS YOU IS THE LEVEL OF TECHNOLOGY AND ENTERTAINMENT THAT LETS YOU SIT BACK AND ENJOY THE DRIVE.**

It begins with the cockpit design and flowing instrument panel that puts everything you need within easy reach, such as MyLink, climate control and a USB port to connect your iPod or USB flash drive. And on all models except DX, a leather wrap steering wheel gives you extra grip and comfort, as well as integrated audio and cruise control so your hands don't have to leave the wheel.

Wherever you're going, you'll do it in total comfort with premium cloth or leather appointed seat trim (optional on LTZ 4x4 crew cabs) and loads of headroom and shoulder room for you and your passengers. Not to mention a huge range of seating configurations and convenient storage options to make every trip as easy as they come.

# FULLY CONNECTED

The road ahead just got even better with the extensive entertainment features of MyLink\*. Use your smartphone to connect into built-in apps such as Pandora® Internet Radio, Stitcher™ Smart Radio and TuneIn™ Radio, giving you access to your favourite music, news, entertainment and podcasts. Watch movies or view images while the vehicle is stationary. And in Siri® Eyes Free† mode accessed via your compatible iOS device, ask Siri® to take care of things like making calls, sending texts and playing tracks. It's all possible with MyLink.

For more information visit [www.holden.com.au/colorado/mylink](http://www.holden.com.au/colorado/mylink)

## Features

- Bluetooth® audio streaming\*
- Smartphone app integration\*
- Satellite navigation compatibility^#
- USB and iPod® connectivity
- Watch movies
- View photo slideshows
- Access your contact list without touching your phone\*
- Access device playlists, music files and more

**Siri® Eyes Free†**  
If you've got a compatible iOS device you can access the Siri® Eyes Free† feature. In this mode you can ask Siri® to call people, select and play music, hear and compose text messages, read notifications and add reminders. It's just like having a personal assistant onboard.

**Pandora® Internet Radio\*#**  
With Pandora® you can create your own personal stations based on your favourite songs, artists or music types. Pandora® even suggests new artists and songs based on your preferences.

**Stitcher™ SmartRadio\*#**  
Streaming your favourite podcasts, radio shows and news couldn't be easier. Through the Stitcher™ SmartRadio™ app on your compatible smartphone you can create personalised on-demand stations, access preferred playlists and more than 5000 radio shows.

**BringGo™ Navigation\*^#**  
Simply buy the BringGo™ app from your Apple iTunes or Google Play store and you'll be in the know wherever you're headed. The full navigation system let's you access 3D maps, turn-by-turn directions and emergency contacts. The 'Where am I locator?' allows you to find points of interest around you, such as cafes or restaurants.

**Bluetooth® connectivity\***  
Using the touch-screen, audio files can be wirelessly streamed for playback from your paired mobile phone or Bluetooth® device. You can pair up to five phones, store up to 1000 contacts and access missed or recent call history. Calls can also be made by navigating contact listings on MyLink's touch-screen interface or by using steering wheel controls.

**TuneIn™ Radio\*#**  
TuneIn™ lets you listen to the world's radio from wherever you are. Whether you love music, sports, news or comedy, TuneIn™ gives you over 70,000 live radio stations and two million on-demand programs, like podcasts, concerts and interviews.

mylink

# SAFE SIDE

YOU, YOUR MATES, YOUR FAMILY – THAT'S THE MOST CRITICAL CARGO OF ALL. IT'S WHY THE COLORADO IS ENGINEERED TO HELP YOU AVOID TROUBLE AND SURROUND YOU WITH STRENGTH. TO GIVE YOU THAT LEVEL OF SAFETY AND DESIGN YOU CAN COUNT ON WHEN YOU NEED IT MOST.

## STEEL CONSTRUCTION & SAFETY CELL

Colorado is built tough from within. It's body and frame are constructed from high strength steel and incorporates full-length frame rails. A safety cell gives maximum protection in a frontal or side collision – and maximum peace of mind for you and your passengers.

## 5-STAR ANCAP SAFETY RATING\*

The Colorado Crew Cab range comes with a maximum 5-star safety rating from the Australasian New Car Assessment Program (ANCAP). As safe as it gets.

## SUPERIOR AIRBAG PROTECTION

When it comes to airbags, the Colorado has you covered. Front airbags are provided for the driver and front passenger, as well as advanced Side Impact Airbags (SIAB)^ that activate in certain side crash impacts for additional protection to the chest area. Curtain airbags also run along the length of the vehicle.

^ Excludes DX  
\* Excludes chassis models  
+ LTZ only

## DESCENT CONTROL SYSTEM (DCS)^

Descent Control System (DCS) allows for a smooth and controlled hill descent in rough terrain. DCS controls the speed of the vehicle without the need for brake input from the driver.

## HILL START ASSIST (HSA)

Taking on a steep incline or decline is made easier with HSA. It engages automatically when a gradient is detected; then acts to hold the Colorado stationary after the brake is released to give you time to apply the throttle.

## ELECTRONIC STABILITY CONTROL (ESC)

From snow on the Alps to a rogue 'roo on the Nullarbor... Aussie roads can throw anything at you. So it's good to know that ESC is engineered into every model. Just another way the Colorado has got your back.

## TRAILER SWAY CONTROL (TSC)

Whether pulling a trailer or caravan, this cutting edge feature activates the brakes and reduces engine torque if it detects any towing instability; again, making your life safer behind the wheel.

## REAR PARK ASSIST (RPA)\*

Great at keeping you out of trouble, the rear parking sensors help you get in and out of tight spots; an audible warning alerting you when you're getting close to an object.

## REAR VIEW CAMERA†

It's always good to know what's behind you, especially when reversing into a parking space or out of a driveway. So, when you shift into reverse, the Rear View Camera instantly comes to life on the large colour touch-screen.

# DX

**THE COLORADO DX DOESN'T KNOCK OFF UNTIL YOU DO. BUILT FOR WORK, IT COMES WITH THE NEW DURAMAX 2 DIESEL ENGINE, TEAMED WITH A 6-SPEED MANUAL TRANSMISSION. THE DX MAKES LIGHT WORK OF TOWING WITH 3.5 TONNES FOR ANY JOB.**

## **TOUGH PLUS**

Colorado DX proves that a workhorse doesn't have to compromise on features. Bluetooth® and iPod® connectivity are standard, as well as safety advances like Trailer Sway Control (TSC). Plus, there's air conditioning and electric windows to keep you cool and comfortable.

## **DX EQUIPMENT AND FEATURES**

- 2.8L Duramax 2 Diesel engine
