

Cruze

A BORN PERFORMER

Who says you can't have it all? With efficient sports-like performance, stunning euro styling and standout safety technology, Holden Cruze redefines the small car.

It's all here.

With more than a dash of European sporty flair – seen across the Sedan, Hatch and Sportwagon range. A luxuriously appointed interior complete with MyLink infotainment with built-in apps. And the exhilaration of a high performance engine including the potent 1.6 litre iTi turbo.

Little wonder the Cruze has set the benchmark for small car flexibility and agility with large car attitude and technology.

And now with the introduction of the special edition Z-Series*, there's even more to get excited about with the Holden Cruze.

* Z-Series models include Cruze Z-Series and SRi Z-Series
Cruze SRi Z-Series Sedan in Red Hot

DESIGNED FOR THE LIFESTYLE YOU CHOOSE

Whatever lifestyle you choose, you'll get more out of it in a Holden Cruze.

The Cruze Sedan, Hatch and Sportwagon all create new standards in performance, style and innovation.

All three body styles embrace one uncompromising attitude.

A passion to offer small car flexibility and agility with sophisticated large car technology.

The model range comes with generous load space, excellent fuel economy, MyLink infotainment system, Bluetooth® audio streaming, cruise control and iPod® integration with steering wheel controls as standard.

Advanced features such as Electronic Stability Control (ESC) and 6 airbags ensure the Cruze also achieves the highest possible ANCAP 5-Star safety rating. A rear view camera display on the MyLink infotainment system's 7" colour touch-screen is also standard on CDX Sportwagon and Z-Series models*.

You can up the driving dynamics even further – with the SRi and the top-of-the-range SRi Z-Series sports models available in Sedan and Hatch. The potent new 1.6 litre iTi turbo petrol engine standard on both models takes care of that.

* Z-Series models include Cruze Z-Series and SRi Z-Series
Cruze CDX Sportwagon in Satin Steel Grey, Cruze SRi Z-Series Sedan in Karma, Cruze SRi Z-Series Hatch in Nitrate

THE SMALL CAR THAT'S BIG ON COMFORT AND STYLE

Inside the Cruze you're surrounded with high levels of technology and luxury.

You can hear it in the clarity of the MyLink infotainment system and the seamless Bluetooth® audio streaming. Then feel it in the refined contours of the sports seats with high quality materials that flow through to the door and dash inserts. You'll also see it in the ice blue instrumentation, the theatre lighting and the 7" full colour touch-screen – now standard across the range.

The Z-Series models* give you even greater levels of comfort and control, with leather appointed seats (front heated), chrome interior highlights, electronic climate control, keyless entry with push-button start, rear parking sensors, rear view camera, sill plates and Z-Series floor mats. The SRi Z-Series also adds satellite navigation and alloy pedals as standard.

Embracing big car thinking, the Cruze intelligently integrates all these appointments to offer you a spacious 5 seat driving environment. There's enough head, shoulder and legroom for everyone. The 60/40 split-fold back seat adds even more flexibility to the already sizeable boot.

If you're serious about comfort and also want to get easy access to the best entertainment technology, get into the Holden Cruze.

Life. Simply connected.

Life doesn't stop while you're in your car, so why should you? With Holden MyLink standard across the range, you'll stay connected to everything most important to you and more while you're out and about. Technology for your comfort, convenience and safety is all at your fingertips through the 7" colour touch-screen. Speak to friends and family safely while driving. Enjoy your favourite music or news programs. And that's just the beginning. So what is Holden MyLink? It's your life simply connected.

For more information visit www.holden.com.au/mylink

FEATURES

- 7" colour touch-screen
- Built-in app technology
- Enhanced voice control
- Siri® Eyes Free mode†
- Text to Speech
- Bluetooth® audio streaming*
- AUX and iPod® connectivity
- Hands-free calling
- Access phone contacts, calendars, reminders, playlists and more

Bluetooth®*

Bluetooth® connectivity allows you to make and receive phone calls hands-free while driving. You can also access your contact list and call history all with the touch of a button on the MyLink screen.

Bluetooth® audio streaming wirelessly streams music from your paired device to the MyLink system, creating control of your personal music through the touch-screen.

Enhanced Voice Control

Use voice control for hands-free operation of your MyLink infotainment system. With a voice command you can make calls, operate built-in apps, pair a Bluetooth® device, create and hear text messages, tune a radio station, play music from your iPod® or USB device, control the navigation system+ and much more. Staying connected has never been easier.

Text to Speech

Life doesn't stop when you're driving. With Text to Speech you can stay in touch and up to date safely. The MyLink system will read aloud text messages as you receive them, or if your vehicle is stationary there is the option for the message to be displayed on screen. The system even allows you to reply to messages with preprogrammed responses-, or call the person who has sent the text.

Pandora® Internet Radio**

With Pandora® you can create your own personal stations based on your favourite songs, artists or music types. All you need is the app on your compatible smartphone then tap away on the touch-screen to select preprogrammed stations. Pandora® even suggests new artists and songs to you based on your preferences. There's always something new for you to discover in your Cruze.

Stitcher™ SmartRadio**

Streaming your favourite podcasts, radio shows, entertainment and news to your vehicle couldn't be easier. Through the Stitcher™ SmartRadio app on your compatible smartphone you can create personalised on-demand stations, access preferred playlists and more than 15,000 radio shows and podcasts.

Siri® Eyes Free†

If you've got a Siri® compatible device you can access the Siri® Eyes Free feature. In this mode you can ask Siri® to call people, select and play music, read aloud and compose text messages, read notifications, check your calendar and add reminders. It's just like having a personal assistant onboard.

† Requires compatible iOS device. See apple.com/au for more details

- This feature is not compatible with Apple devices

+ Standard on SRI Z-Series only

PERFORMANCE

THE SMALL CAR WITH MORE

More powertrain options are available with a choice of four engines: the 1.6 litre iTi turbo petrol, the 1.4 litre iTi turbo petrol, 1.8 litre ECOTEC petrol and 2.0 litre turbo diesel.

The Holden Cruze delivers 4-cylinder fuel economy with outstanding performance, ride and handling.

1.6 LITRE ITI TURBO PETROL ENGINE

Standard on the SRi and SRi Z-Series, the 1.6 litre iTi turbo petrol engine delivers more responsive performance and surprising efficiency like never before. It is truly exciting to drive with 132kW of power and 230Nm of torque. Choose the manual transmission for a combined highway and city fuel economy of 7.4L/100km[^]. Go with the automatic transmission enhanced by Sport mode for more responsive acceleration and a combined cycle of 7.9L/100km[^].

1.4 LITRE ITI TURBO PETROL ENGINE

The advanced DOHC 16-valve 4-cylinder iTi turbo petrol engine takes efficient driving another step forward. The intelligent turbo induction (iT) system uses an exhaust manifold integrated turbo charger to provide superior performance with an enviable fuel economy of 6.8L/100km[^]. This combination of high tech efficiency and performance is optional on the Equipe Sedan and Hatch.

1.8 LITRE ECOTEC PETROL ENGINE

The 1.8 litre DOHC 16-valve 4-cylinder ECOTEC petrol engine is standard on Equipe, Sportwagon (CD & CDX) and Z-Series Sedan. This advanced, petrol engine produces spirited performance from low revs to high.

2.0 LITRE TURBO DIESEL ENGINE

Choose the super smooth 2.0 litre DOHC 16-valve 4-cylinder common rail turbo diesel, optional on Equipe, Sportwagon (CD & CDX) and Z-Series Sedan. The diesel engine uses a high-performance fuel injection system and electronically controlled turbo charger with intercooler, to deliver power to spare with the fuel economy and CO₂ emissions you expect from a state-of-the-art diesel.

SPORT MODE[#]

When you select Sport mode and start negotiating demanding twists and turns, the transmission's computer commands downshifts to ensure the right gear is readily available. The lower gears enhance braking and help maintain your control through the turn, before accelerating out of it. Monitoring high-throttle driving and hard braking, the transmission will stay in lower gears to assist in acceleration and prepare for the next corner. When more moderate driving conditions are detected it will upshift through the gears to the normal setting. It is just another way that Cruze creates more exciting driving.

SPORTS SUSPENSION[#]

Finally a high performance finely-tuned sports suspension that very few small cars can genuinely claim. Incorporating sport tyres and a more responsive chassis tune, this locally-tuned suspension delivers outstanding agility and grip when cornering.

Cruze SRi Z-Series Hatch in Perfect Blue

[^] Maximum figures as per ECE regulations
[#] Available on SRi and SRi Z-Series only

SAFETY

HOLDEN CRUZE IS SERIOUS ABOUT SAFETY

So serious, in fact, it has a 5-Star ANCAP safety rating standard across the range. Cruze achieves this highest possible rating with a comprehensive range of state-of-the-art active and passive safety systems.

To help you avoid an accident, there is everything from Electronic Stability Control (ESC) and 4-wheel disc brakes with Anti-lock Braking System (ABS), through to Traction Control, Brake Assist and Electronic Brakeforce Distribution.

Should a collision occur, the active safety systems in the Cruze instantly activate the necessary occupant protection systems, including up to six airbags – front driver and passenger, dual front side and full length side curtain airbags for front and rear passengers.

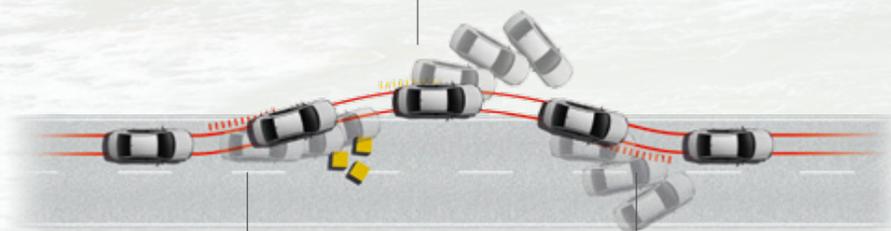

Front and rear crumple zones further maximise your safety, as does the vehicle's high strength steel unibody construction: a passenger safety cell welded onto full-length frame rails to form a single protective unit.

Serious protection, every time you drive. That's what you can expect from the Holden Cruze.

HOW ESC HELPS YOU AVOID ACCIDENTS

Imagine you have to avoid an unexpected obstacle in the road. You end up with two wheels on the gravel verge and need to brake suddenly...

TCS reduces torque to reduce slip.

ESC brakes the left rear wheel momentarily to avoid understeer.

ESC brakes the right front wheel momentarily and reduces engine power to correct oversteer.

ELECTRONIC STABILITY CONTROL

If the vehicle is about to skid, ESC will apply brake pressure to individual wheels as appropriate, and trim engine power if required. This dramatically increases turning and cornering safety, particularly in evasive action situations where it helps stop the vehicle skidding out of control.

TRACTION CONTROL SYSTEM

Designed to maximise the vehicle's stability on wet and icy roads, TCS detects if either front wheel has insufficient grip, and adjusts drive force and brake force accordingly.

ANTI-LOCK BRAKING SYSTEM

ABS prevents wheel 'lock up' during forceful braking. This helps keep your car steerable and directionally stable, and reduces stopping distances on most surfaces.

FRONT AIRBAGS

For maximum protection in certain frontal collisions, the vehicle will deploy front airbags for the driver and front passenger.

COLLAPSIBLE PEDAL RELEASE SYSTEM

To help prevent driver leg injury in a severe frontal impact, the vehicle's brake pedal will collapse.

SEATBELT PRETENSIONERS

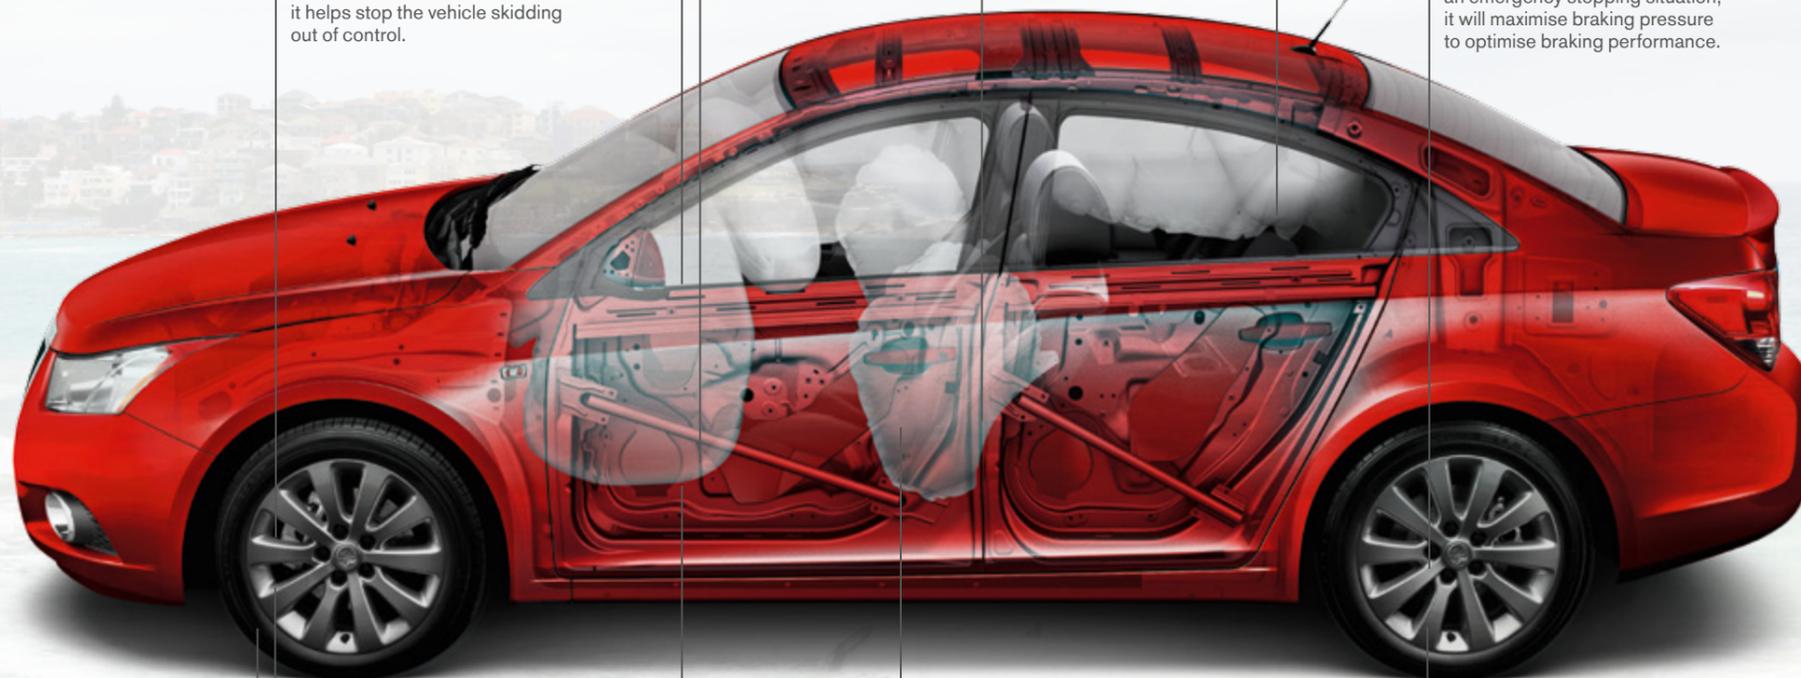

A sufficiently forceful impact will trigger pyrotechnic charges that force the front seatbelts to tighten, holding front occupants firmly in their seat.

SIDE CURTAIN AIRBAGS

Side curtain airbags provide head and upper body protection for front seat occupants and left and right rear passengers.

BRAKE ASSIST

BA is designed to sense how fast you press the brake. If it detects an emergency stopping situation, it will maximise braking pressure to optimise braking performance.

SIDE IMPACT AIRBAGS

Side impact airbags provide chest and thorax protection for the driver and front passenger.

CRUMPLE ZONES AND PASSENGER SAFETY CELL

In the event of a collision, occupants are protected by both energy management crumple zones – which are designed to crush efficiently and maintain the vehicle integrity – and the passenger safety cell providing a rigid structure, made from nearly 60% high strength steel.

ELECTRONIC BRAKEFORCE DISTRIBUTION

EBD regulates the braking force applied to each wheel. This ensures optimal balance between front and rear brakes, which helps minimise stopping distances.

CRUZE EQUIPE

The Cruze Equipe Sedan and Hatch are style and substance in perfect balance. With smart technology, a 6-speaker audio system with USB input and iPod® compatibility, Bluetooth®, auto headlights, Electronic Stability Control, six airbags and a 5-Star ANCAP safety rating, the Cruze uses technology to provide a superior small car drive.

STANDARD FEATURES INCLUDE:

- 1.8L DOHC 16-valve 4-cylinder ECOTEC petrol engine with 5-speed manual transmission or optional 6-speed automatic transmission with Active Select
- Optional 2.0L DOHC 16-valve 4-cylinder common rail turbo diesel engine*
- Optional 1.4L DOHC 16-valve 4-cylinder iTi petrol engine*
- Electronic Stability Control (ESC) incorporating:
 - Anti-lock Braking System (ABS)
 - Brake Assist (BA)
 - Electronic Brakeforce Distribution (EBD)
 - Traction Control System (TCS)
- 6 airbags
- Holden MyLink System# featuring:
 - Smartphone app integration
 - 7" colour touch-screen
 - Enhanced voice control
 - Siri® Eyes Free mode+
 - Text to Speech
- Bluetooth®
- USB input with iPod® compatibility#
- Cruise control
- Trip computer which displays average fuel consumption, average speed, distance to empty and more
- Illuminated steering wheel controls for Bluetooth®, cruise control and audio system
- 17" 5-spoke alloy wheels (4)
- Heated exterior mirrors
- 6-way adjustable driver and front passenger seats
- Automatic headlight mode – switches headlights on at twilight or low light
- Remote keyless entry operates doors, boot and fuel filler door
- Flip keys (2)
- Rear parking sensors
- Fog lamps^

REAR PARKING SENSORS

The Equipe^ eases into and out of tight parking spaces, thanks to rear parking sensors. Audible warnings indicate the proximity of potential obstacles.

BLUETOOTH®#

The Bluetooth® system offers hands-free mobile phone functionality, and can be controlled via steering wheel controls, making using your mobile phone more convenient and safe.

MYLINK INFOTAINMENT SYSTEM

Holden MyLink# with a 7" colour touch-screen allows you to stay connected to the things you love – your friends, your music & your phone – all at the touch of a fingertip. Safely control the system using voice control to ensure your hands remain on the wheel.

AUTO HEADLIGHTS WITH 'FOLLOW ME HOME' LIGHTING

The auto headlights will automatically switch on at dusk or lowlight. 'Follow me home' lighting allows the driver to program the front headlights to remain on for up to three minutes after exit and locking of the vehicle.

+ Requires compatible iOS device. See apple.com/au for more details
 * 6-speed automatic transmission only
 ^ Cruze Equipe available in Sedan and Hatch only

Certain devices may not be compatible with the vehicle's MyLink system. See holden.com.au for more details

CRUZE Z-SERIES

The Cruze Z-Series takes luxury even further with refinements like heatable leather appointed front seats and electronic climate control. This is a vehicle full of the sophisticated touches and unexpected delights that create the benchmark in small car style, comfort and refinement.

Z-SERIES SEDAN INCLUDES ALL EQUIPE STANDARD FEATURES PLUS:

- 1.8L DOHC 16-valve 4-cylinder ECOTEC petrol engine with 5-speed manual transmission or optional 6-speed automatic transmission with Active Select
- Optional 2.0L DOHC 16-valve 4-cylinder common rail turbo diesel engine with 6-speed automatic transmission with Active Select
- 17" 10-spoke alloy wheels (4)
- Exterior chrome highlights
- Leather wrap steering wheel and gear shifter
- Leather appointed seats
- Heatable front seats with three level heating adjustment
- Lip spoiler
- Sill plates
- Z-Series floor mats
- Z-Series badges
- Sunglass holder
- Digital speedometer (displayed on the trip computer)
- Electronic climate control
- Body coloured door handles with chrome strip inserts
- Passive Entry and Start with Sensor Key Technology
- Rear view camera

Z-SERIES BADGING

Distinctive Z-Series badging gives this stunning small car the finish it deserves.

LIP SPOILER

The sporty flair of the Z-Series is epitomised with the smooth lines of the rear lip spoiler on the Sedan.

SILL PLATES

A further sign that this is one serious small car is the signature Z-Series sill plates.

LEATHER APPOINTED SEATS

Premium leather appointed seats add an extra touch of luxury to the high-tech interior, complete with double stitching and stylish highlights.

CRUZE SRI

A compelling mix of eye-catching looks and sporty performance. Riding high on tyres developed for Australian conditions, the Cruze SRi has the underlying confidence of an optimised sports suspension. Stopping power comes in the form of bigger brakes.

SRI INCLUDES ALL EQUIPE STANDARD FEATURES PLUS:

- 1.6L DOHC 16-valve 4-cylinder iTi turbo petrol engine with 6-speed manual transmission or optional 6 speed automatic transmission with Sport mode
- Sports suspension
- Sports body kit including:
 - Unique front and rear sport fascias
 - Rear spoiler (Sedan only)
 - Sports side skirts
- 17" alloy wheels (4)
- Sonic Blue cloth trim on certain exterior colours*
- Leather wrap steering wheel and gear shifter
- Sportec bolsters
- Chrome exhaust tip

SPORTS SUSPENSION

Combining enhanced suspension performance with the new 1.6L iTi turbo engine creates an enjoyable performance package.

REAR SPOILER

Keeping true to the sporty style of the SRi, the sporty yet understated rear lip spoiler (on Sedan) further highlights the SRi's bold proportions.

SONIC BLUE CLOTH TRIM*

For those after that bit of extra excitement and want the interior of their car to be as eye-catching as the exterior, this Sonic Blue seat trim and matching door and dash trims have been designed to complement selected exterior colours.

FRONT FOG LAMPS

Specifically shaped to shine a wide, bar-shaped beam low onto the road. These lamps reduce the glare back from fog or falling snow, helping you see where the road stops and the danger starts.

CRUZE SRi Z-SERIES

The top of the range SRi Z-Series puts it all in one perfectly engineered, perfectly proportioned, perfectly appointed package. The perfect mix of sports styling and luxury appointments.

SRi Z-SERIES INCLUDES ALL SRi STANDARD FEATURES PLUS:

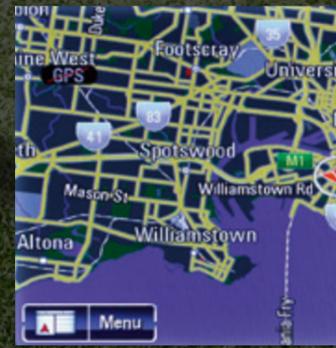

- Leather appointed seats
- Heatable front seats with three level heating adjustment
- Passive Entry and Start with Sensor Key technology
- Body coloured door handles with chrome strip inserts
- Electronic climate control
- 18" alloy wheels (4)
- Rear view camera
- Satellite navigation system
- Rear spoiler
- Alloy pedal covers
- Sill plates
- Z-Series floor mats
- Z-Series badges

ALLOY PEDALS
Dial up the adrenaline and thrill of the drive with the sports car touch of alloy pedals.

18" ALLOY WHEELS
A sporty look needs a serious set of wheels and these performance inspired 18" alloys certainly look the part.

SATELLITE NAVIGATION
Never worry about getting lost again with a satellite navigation system built into your new SRi Z-Series. Control the system with voice commands to ensure your hands always remain on the wheel.

REAR SPOILER*
The sporty SRi Z-Series Hatch packs plenty of attitude and aerodynamics with its rear spoiler.

* Image shown is the Hatch spoiler

CRUZE SPORTWAGON CD AND CDX

The Cruze Sportwagon is the epitome of a small car packed with big car thinking. With sporty styling and high-tech features, the generous load space makes light work of a city shopping trip or long weekend away. The CDX model offers unexpected refinements for a small wagon including keyless entry and push-button start, leather appointed seats (front heated), rear view camera, chrome highlights and 17" alloy wheels.

CD INCLUDES ALL EQUIPE STANDARD FEATURES PLUS:

- 16" alloy wheels (4)
- 1.8L DOHC 16-valve 4-cylinder ECOTEC petrol engine with 6-speed automatic transmission with Active Select™
- Optional 2.0L DOHC 16-valve 4-cylinder common rail turbo diesel engine with 6-speed automatic transmission with Active Select™

CDX INCLUDES ALL CD STANDARD FEATURES PLUS:

- 17" alloy wheels (4)
- Exterior chrome highlights
- Leather wrap steering wheel and gear shifter
- Leather appointed seats
- Heatable front seats with three level heating adjustment
- Sunglass holder
- Digital speedometer (displayed on the trip computer)
- Electronic climate control
- Body coloured door handles with chrome strip inserts
- Passive Entry and Start with Sensor Key Technology
- Rear view camera

REAR VIEW CAMERA

The rear view camera can be programmed to automatically activate when you are in reverse. The camera enhances your view and improves safety for pedestrians and occupants alike.

HEATABLE LEATHER APPOINTED SEATS

If you hate the cold, you will warm to the idea of electronically heated front leather appointed seats. With a choice of three individual temperature settings for driver and front passenger, plus recline, slide and height adjustment, they offer truly personalised comfort.

BODY COLOURED DOOR HANDLES WITH CHROME STRIP INSERTS

The design goes right down to the details, with chrome strip inserts on the door handles.

LEATHER WRAP STEERING WHEEL

More than just a stylish enhancement, the use of high quality cross-seam stitched leather enhances steering wheel grip while driving.

Capped Price Servicing

GET PEACE OF MIND, *not* SURPRISES

Imagine knowing exactly what your standard service costs will be before you even drop off your car. That's the peace of mind you get with Holden's Capped Price Servicing.

Every new eligible Holden comes with Capped Price Servicing for the first three years or 60,000 km, whichever comes first.[^]

4x CAPPED PRICE SERVICES

FOR THE FIRST 3 YEARS OR 60,000KMS, WHICH EVER COMES FIRST.

No surprises, no uncertainty, no worries. Just what you'd expect from Holden.

Regularly servicing your Holden at a Holden Dealership has a number of long-lasting benefits.

- ✓ When it comes to selling your vehicle, it can add value and buyer confidence.
- ✓ Only Holden Dealership Technicians have access to regular Holden factory training and equipment.
- ✓ We only use Holden Approved Parts, which are covered by the manufacturer's warranty.

| VEHICLE | PRICE PER SCHEDULED SERVICE (INC. GST) |
|-------------------|--|
| Barina Spark | \$185 |
| Barina | \$185 |
| Cruze Petrol | \$185 |
| Cruze Diesel | \$335 |
| Malibu Petrol | \$185 |
| Malibu Diesel | \$335 |
| Commodore | \$185 |
| Commodore LPG | \$265 |
| Sportwagon | \$185 |
| Sportwagon LPG | \$265 |
| Caprice | \$185 |
| Caprice LPG | \$265 |
| Ute | \$185 |
| Ute LPG | \$265 |
| Colorado Diesel | \$295 |
| Colorado 7 Diesel | \$295 |
| Captiva | \$245 |
| Captiva Diesel | \$375 |
| Trax | \$185 |
| Volt | \$185 |

More CHOICES, More BENEFITS. More REASONS TO DRIVE A HOLDEN.

Customer Care

With more than 280 service centres Australia-wide, a Holden Dealer is never far away. Our Holden Customer Care Centre is also available to answer any questions over the phone.

Call 1800 033 349 8am – 7pm Mon – Fri, 9am – 1pm on Sat (AEST).

New Vehicle Warranty

Every new Holden comes with a New Vehicle Warranty, covering your Holden for 3 years (from date of first registration) or 100,000km, whichever comes first. Full terms and conditions can be found within the enclosed Holden Warranty flyer.

Genuine Service

Servicing your Holden at an authorised Holden Service Centre gives you complete confidence, knowing that only Holden Dealership Technicians have access to regular Holden factory training and equipment.

Holden Insurance

Holden Insurance arranges a number of competitively priced insurance products, providing a tailor-made, customised policy just for you.

For more information, call the Holden Insurance hotline on 1300 784 026.

Genuine Parts

Holden Genuine Parts are designed and built to our exacting standards, ensuring your Holden continues to perform as it should. In addition, all Holden Genuine parts are covered by a generous 2 year / 50,000 km warranty.

Genuine Accessories

Add an individual touch to your Holden with our extensive range of Genuine Holden Accessories. Each one is tested by Holden or GM Engineers in accordance with Holden's own demanding standards and Australian Design Rules (ADRs)*.

Roadside Assistance

Every new Holden comes with 1 year Holden Roadside Assistance. It's one of Australia's most comprehensive assistance packages, with more than 3,000 Roadside Assistance patrols nationwide.

Extended Warranty

The Holden Extended Factory Warranty is issued and fully supported by Holden and its Dealer network, covering all parts and workmanship originally covered by the New Vehicle Warranty in addition to what is covered by the Australian Consumer Law.

* Where ADRs apply for the product

[^] Subject to the Capped Price Servicing terms and conditions. Prices stated are max capped amount for each service, up to four standard scheduled services (as specified in the Service Warranty Booklet) for the first three years or 60,000km, whichever comes first. Capped price services can be claimed within 3,000kms / 90 days of scheduled service date, whichever comes first.

A word about this brochure. We have tried to make this brochure as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this brochure may have been changed and/or is available at extra cost. Further, GM Holden Ltd ABN 84 006 893 232 (Holden), reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by Holden in its published sales literature, and Holden does not accept any liability for any such unauthorised action. Holden has authorised Dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but Holden doesn't make any promise other than that contained in the New Vehicle Warranty given by Holden that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from Holden on request. Copyright Holden. April 2014.
