

CAPRICE

HOLDEN
LET'S GO THERE

WE IMAGINED **A NEW STANDARD** **FOR LUXURY**

Caprice V-Series in Prussian Steel
* Driver remains responsible for vehicle control
Lane Departure Warning is activated at speeds above 56km/h

This is one of those moments. When you set a new benchmark. It's not driven by your ego. It simply comes from a desire to be the best at what you do. And that's to design a new V8 luxury car for Australia and the world. That sets the standard. That looks beyond. That redefines its class. From the ability to predict situations on the road before they occur and take decisive action – to pioneering innovations to enhance your driving experience. Welcome to the Holden Caprice V-Series.

6.2 litre LS3 V8

With a new 6.2L LS3 V8 engine, sublime power allows the driver to be completely immersed in the journey while effortlessly cruising in the pinnacle of sports luxury. Remote Vehicle Start gets you on your way quicker, allowing you to fire up the engine, including the air conditioning and heating before entering the car.

Colour Head-Up Display

Advanced technology originally developed for the military is used in the Caprice V-Series, displaying important information on the windscreen – allowing you to view it without taking your eyes off the road.

Forward Collision Alert

As another avoidance measure, a digital camera mounted on the windscreen uses state-of-the-art image processing to observe vehicles ahead, then uses the Head-Up Display and an audible alert to warn you if a collision is imminent.

Automatic Park Assist

The Automatic Park Assist uses ultrasonic sensors for hands-free parking*. This intelligent feature ingeniously assesses the parking space, determines the best approach angles, and then guides the Caprice V-Series effortlessly into the space – all included as standard.

Lane Departure Warning#

The windscreen camera detects lane markings and will flash an icon and audible alert if you're straying outside of your lane.

SEAMLESS CONNECTIVITY

Caprice V-Series with Jet Black / Light Titanium interior

Say hello to Holden MyLink infotainment, putting you totally in sync with the world you're driving through.

We've taken seamless connectivity to the forefront, from accessing your apps to streaming internet radio. And it's all available with minimal effort, whether you're selecting media by voice control, the intuitive touch-screen, or the steering wheel.

It's all about making your life better and easier. Personalising your driving experience.

Take your world on board:

- MyLink infotainment system[^]
- 8" colour touch screen
- Built-in app technology
- Bluetooth[®] audio streaming[^]
- iPod[®] connectivity
- Enhanced voice control
- Siri[®] Eyes Free[™]
- Hands-free calling
- Satellite Navigation with live traffic updates
- Pandora[®] Internet Radio^{^+^}
- Stitcher[™] SmartRadio^{^+^}
- Access phone contacts, calendars, reminders, playlists and more

[^] Certain devices may not be compatible with vehicle's MyLink System. See holden.com.au/myholdenconnect for more details.
[~] Requires compatible iOS device. See apple.com/au for more details

TECHNOLOGY **THAT PROTECTS**

With an unprecedented level of active safety technology and crash protection, Caprice V-Series is looking out for you in every possible way.

Caprice V-Series in Nitrate Silver

A car with a sixth sense

Avoidance systems such as Forward Collision Alert, Lane Departure Warning, Blind Spot Alert and Reverse Traffic Alert help to expand your all-round vision and draw attention to potential road hazards.

Advanced network of chassis control systems

The advanced network of chassis control systems can help you out of tricky situations, including Electronic Stability Control (ESC), Trailer Sway Control, Anti-lock Braking System (ABS), Traction Control, Electronic Brakeforce Distribution and Electronic Brake Assist.

Crash-optimised body

The Caprice's crash-optimised body uses a range of advanced materials including ultra high-strength Boron steel, creating a stronger yet lighter structure.

5-star ANCAP rating

With these and other safety features incorporated throughout, it's not surprising that the Caprice V-Series achieves a 5-star ANCAP rating for front, side and rear impact; and whiplash protection.

Six-airbag system

Caprice V-Series models come standard with a six airbag system. Side impact protection is further enhanced with the addition of thorax/pelvis airbags as part of the six-airbag system, enabling a wider area of the body to be covered.

ISOFIX child seat system

Inside Caprice V-Series, children are protected like never before with advances such as the simple-to-use ISOFIX child seat anchorage system. Available in all three back seat positions, ISOFIX creates a rock solid connection between the child seat and vehicle body and offers a high level of side impact crash protection.

IMAGINE THE POSSIBILITIES

Caprice V-Series in Prussian Steel with chrome mirror caps and HF-20 forged alloy wheels in Midnight Dark Grey

Genuine Holden Accessories give you the extra flexibility to further personalise your new Caprice to fit your world.

From the towbar to the 20" wheel and tyre upgrades, every Genuine Holden Accessory is fit for a car that rivals the best in the world. It's in Holden's DNA to make everything that way.

Adding a little bit of extra personalisation to your new Caprice comes with lots of additional advantages.

Seamless Integration

Genuine Holden Accessories are designed and manufactured in conjunction with the vehicle, which means that their materials, finishes and colours will all match seamlessly with your new Caprice.

Uncompromising Quality

Each and every item in the Genuine Holden Accessories range is rigorously tested by Holden Engineers in the lab and the field, in accordance with Holden's own demanding standards to meet or exceed Australian Design Rules (ADRs).

Australia-wide Support

Only Genuine Holden Accessories are sold and supported by the Holden Dealer Network nationwide. No matter where you are, or where you're headed, you'll never be far from help or advice should you need it.

Caprice accessories

COLOURS AND TRIM

The Caprice V-Series' blend of enticing exterior colours and crafted interior fabrics creates a premium large car ambience in a class of its own.

	Exterior	Interior
	Heron White Some Like It Hot Red Phantom Black Regal Peacock Green Nitrate Silver Prussian Steel Grey Empire Bronze	
CAPRICE V-SERIES	● ● ● ● ● ● ●	Jet Black / Light Titanium interior with Jet Black leather appointed seats

PHANTOM BLACK

A true black metallic with a shimmering silver sparkle within the highlight. Drop out turns to a powerful solid jet black.

REGAL PEACOCK GREEN

An evocative dark and deep green metallic. Capturing a strong burst of rich and intense green in the highlight. The shadow transforms into a dark midnight green black with a solid appearance.

EMPIRE BRONZE

A luxury mid tone metallic bronze. In shadow this hue captures as warm yellow tone bronze with a darker and muted drop-out. The highlight reveals a shimmering golden glow mica effect that evokes opulence.

SOME LIKE IT HOT RED

A metallic red with a warm searing highlight. Colour evokes a sultry intense luscious red with the drop-out moving towards a darker richer red tone for drama.

PRUSSIAN STEEL GREY

A neutral medium grey metallic with a semi coarse silver highlight and a dark smokey drop out.

NITRATE SILVER

A light silver metallic with a highlight transforming to a lighter silver with a bright sparkle. In shadow Nitrate Silver turns into a slightly darker shade of silver.

HERON WHITE

A crisp and robust solid white.
