

COLORADO

HOLDEN

Colorado LTZ 4x4 Crew Cab Pickup in Sizzle with Genuine Holden accessory tow bar

PULLING **POWER**

This is the one. A truck that delivers an unbeaten 3.5 tonne towing capacity and an equally powerful 500Nm of torque* – absolute power and performance.

Tough as they come, it leaves nothing behind, letting you take more to the worksite and more on the weekend.

holden.co.nz/cars/colorado

Massive 500Nm of Torque*

When we say this is one powerful truck, we mean it. Think 500Nm* of torque and 147kW of power when teamed with the 6-speed auto. Figures that leave others in the dust.

It works as hard as you do – simple as that. Enough grunt to take on any challenge. And when the going gets really tough, the Colorado's got your back every time with features such as Trailer Sway Control, Hill Start Assist and Descent Control System.^^

Unbeaten 3.5 Tonne Towing

That's seriously tough towing. Unbeaten in its class. Just what you need when hauling the most extreme loads, from pulling a bobcat to taking that hard-earned dream boat down the coast.

Rigorously tested to stand up when it counts, the Colorado has got what it takes to get the job done. Whatever the conditions.

* Across the automatic range ^ Excludes DX

Colorado Z71 Interior

INNER STRENGTH

Inside, the Colorado takes care of you as much as it takes care of business.

What hits you is the level of technology and entertainment that lets you sit back and enjoy the drive.

holden.co.nz/mylink

Feature packed to keep you fully connected:

- MyLink infotainment system**
- 7" colour touchscreen*
- Built-in app technology**
- Bluetooth® audio streaming^
- iPod® and auxiliary connectivity
- Siri® Eyes Free**
- Hands-free calling
- BringGo™ satellite navigation^+*
- Pandora® Internet Radio^+
- Stitcher™ SmartRadio^+
- Rear View Camera*

mylink

* Available on selected models only ^ Certain devices may not be compatible with your Colorado's MyLink system. See holden.co.nz/myholdenconnect for more details
** BringGo™ app purchased separately - Requires compatible iOS device. See apple.com/nz for more details + Data plan rates apply

Colorado Z71 4x4 in Orange Rock with Genuine Holden accessory tow bar

THE STRONG PERFORMER

You, your mates, your family – that's the most critical cargo of all.

It's why the Colorado is engineered to help you avoid trouble and surround you with strength. To give you that level of safety and design you can count on when you need it most.

holden.co.nz/colorado/safety

Steel construction & Safety cell

Colorado is built tough from within. It's body and frame are constructed from high strength steel and incorporates full-length frame rails. A safety cell gives maximum protection in a frontal or side collision – and maximum peace of mind for you and your passengers.

Trailer Sway Control

Whether pulling a trailer or caravan, this cutting edge feature activates the brakes and reduces engine torque if it detects any towing instability; again, making your life safer behind the wheel.

5-Star ANCAP safety rating*

The Colorado Crew Cab range comes with a maximum 5-star safety rating from the Australasian New Car Assessment Program (ANCAP). As safe as it gets.

Rear View Camera & Rear Park Assist^

Take a load off your mind with features such as the Rear View Camera and Rear Park Assist. When you select reverse gear, the Rear View Camera gives you a clear picture of what's behind you, viewed on the large colour screen.

* Rear View Camera and Rear Park Assist are available on selected models * Crew cab models only

DX

Colorado DX 4x4 Single Cab in Nitrate with Genuine Holden accessory steel tray. Not available in New Zealand.

Colorado DX 4x4 Single Cab in Summit White with Genuine Holden accessory steel tray. Not available in New Zealand.

16" steel wheels

LS

Colorado LS 4x2 Crew Cab Pickup in Satin Steel Grey

Colorado DX 4x4 Single Cab in Black Sapphire with Genuine Holden accessory steel tray. Not available in New Zealand.

The Colorado DX doesn't knock off until you do. Built for work, it comes with a Duramax 2 Diesel engine, teamed with a 6-speed manual transmission. The DX makes light work of towing with 3.5 tonnes for any job.

Tough plus

Colorado DX proves that a workhorse doesn't have to compromise on features. Bluetooth® and iPod® connectivity are standard, as well as safety advances like Trailer Sway Control. Plus, there's air conditioning and electric windows to keep you cool and comfortable.

DX equipment and features:

- 2.8L Duramax 2 Diesel engine
- 6-speed manual transmission
- Bluetooth® connectivity
- USB input with iPod® connectivity
- Engine sump guard
- Oil life monitoring
- High ride height
- 16" steel wheels
- Front airbags for driver and passenger
- Full length curtain airbags
- Electronic Stability Control (ESC)
- Trailer Sway Control
- Hill Start Assist
- Front split bench seat
- Vinyl floor
- Air conditioning
- Power windows
- 4-speaker CD audio system with MP3 player connectivity
- 12V power outlet
- Flip keys (2)

Haul all the gear you need to work – or welcome friends and family when it's time for a getaway. When you need a one-tonner that's tough all over – but with loads of technology and style – this is your truck.

Too easy

Rugged on the job but ready for the weekend. Life is easy inside the Colorado LS, with plenty of stretch-out room and a level of technology you might not expect, headlined by MyLink infotainment.

LS delivers all DX standard features plus:

- Holden MyLink* infotainment system with smartphone app integration
- 7" colour touch screen
- Cruise Control
- Multifunction steering wheel controls
- Leather wrap steering wheel
- Rear Park Assist (Pickup models only)
- Front seat Side Impact Airbags
- Hill Start Assist
- Descent Control System
- Body coloured exterior mirrors with side turn signal
- Power adjustable exterior mirrors
- Front bucket seats
- Vinyl floor (single & crew cab)
- 6-way adjustable driver seat
- 6 speakers (space & crew cab)

* Certain devices may not be compatible with the vehicle's MyLink system. See holden.co.nz/myholdenconnect for more details

Reverse Park Assist

LT

Colorado LT 4x4 Crew Cab Pickup in Oceanic

LTZ

Colorado LTZ 4x4 Crew Cab in Satin Steel Grey

Just like the Colorado, you give your all. So why wouldn't you want something with extra attitude. A can-do truck that shows your true strength of character. That's the Colorado LT.

Going beyond

This is far from a knockabout truck. Inside, the MyLink infotainment system and multi-function steering wheel, cruise control and 6-speaker sound system set the tone. Outside, the sporty 16" alloy wheels and front fog lamps show your Colorado LT is an uncompromising choice. One that goes way beyond just getting the job done.

LT delivers all DX standard features plus:

- Optional 6 speed automatic transmission with Active Select
- Holden MyLink* infotainment system with smartphone app integration
- 7" colour touch screen
- Cruise Control
- Multifunction steering wheel controls
- Leather wrap steering wheel
- 16" alloy wheels (5)
- Front fog lamps with chrome surround
- Rear Park Assist
- Front seat Side Impact Airbags
- Hill Start Assist
- Descent Control System
- Body coloured exterior mirrors with side turn signal
- Power adjustable exterior mirrors
- Front bucket seats
- Carpet floor
- 6-way adjustable driver seat
- 6 speakers

Combine Colorado toughness and towing capability with an equally attention grabbing design and fit-out – that's how we built the Colorado LTZ. Power and reliability – style and technology. It's the dream machine you can take to work.

Seriously good

You might want to keep it all for yourself – but Colorado LTZ is perfect for mates and family too. And you've got that added satisfaction of knowing that this one includes 17" alloy wheels, electronic climate control, optional leather appointed seats (front heated) and soft tonneau as standard.

LTZ delivers all LT standard features plus:

- 17" alloy wheels (5)
- Comfort ride suspension
- Projector headlamps
- Chrome exterior mirrors with side turn signal
- Power adjustable and power folding exterior mirrors
- Chrome exterior and interior door handles
- Chrome rear bumper and tailgate handle
- Sunglasses holder
- LED tail lights
- Rear view camera
- Soft tonneau cover
- Alloy sports bar
- Side steps
- Electronic climate control
- Leather appointed seats (optional on 4x4 crew cab)
- 6-way electric adjustable drivers seat
- Front heated seats (matched with leather appointed seats option)
- Leather wrap gear knob (manual)
- Chrome gear selector (auto option)
- Luxury centre-console armrest

* Certain devices may not be compatible with the vehicle's MyLink system. See holden.co.nz/myholdenconnect for more details

Z71

Colorado Z71 in Orange Rock

Colorado Z71 in Black Sapphire

Leather appointed seats

Compromise nothing and take on everything. Z71 is the pinnacle of the range. The perfect balance of class-leading 3.5 tonne towing power and design excellence. Sportier and edgier in every way the Z71 stands up and stands out. This is the one to be seen in when getting the job done.

Sporty Performer

Riding high on 18" arsenal grey metallic alloy wheels this is the complete sports package. The body coloured sailplane sports bar, integrated nudge bar, streamline soft tonneau cover and unique Z71 badging create a 'jaw dropping' presence on the road. Superbly refined, yet still rugged at heart, it is also fully loaded with the good stuff. Relaxing in your leather appointed heated seat you'll quickly appreciate the sophistication. This includes the MyLink 7" colour touchscreen with built-in apps*, Siri® Eyes Free+, rear view camera and Rear Park Assist.

Z71 delivers all LTZ standard features plus:

- Leather appointed seats (front heated)
- 18" Arsenal Grey metallic alloy wheels (5)
- Sailplane sports bar
- Dark chrome masked headlamps
- Integrated nudge bar
- Black sport decals
- Black exterior mirrors with side turn signal
- Black mirror scalps
- Black door side mouldings
- Black door handles
- Black end gate handle
- Black rear step
- Streamline soft tonneau cover
- Roof rails

* Certain devices may not be compatible with the vehicle's MyLink system.

SEAT TRIM

Certain colours may not be available from time to time. Variations between colours shown and actual paint colours/interior trim colours may occur due to the printing process. Actual vehicle colours may appear different under certain light conditions. Trim patterns are not to scale. Indicative only. Customers are encouraged to contact their Holden Dealer for current colour availability.

CAPACITY CALCULATOR

HOW TO CALCULATE YOUR SAFE DRIVING LOAD

You should read the following carefully, as the concepts explained could significantly influence the Colorado model you choose.

Safe operation of a light commercial vehicle demands careful attention to two vital aspects of loading: balance and safe operating limits. A vehicle that is overloaded or carries unbalanced loads, will experience reduced life due to the excess demands placed on its frame, transmission, axles, hubs and tyres.

CAB CHASSIS RECOMMENDED BODY LENGTHS

When fitting a custom built body, Holden recommends maximum allowable lengths* that will support the application of the Holden tow bar and ensure the rear axle capacity is not exceeded. Excess overhang must also be avoided as it can affect vehicle balance and road holding, as well as departure angles.

When fitting a body or tray to a Colorado Cab chassis model, your Holden Sales Consultant can advise whether the fitment proposed is compliant with vehicle and transport regulations in your state.

Generally speaking, your Holden Colorado must be correctly specified for its intended application. Inappropriate modifications to the standard vehicle specification may result in overloading which can affect:

- vehicle performance and safety
- your New Vehicle Warranty to the extent that Holden considers it impacts upon the specifications and quality of your vehicle

Always discuss your intentions with your Holden Sales Consultant.

FRONT AND REAR AXLE LOADS

Front and rear axle load limits ensure your Colorado's axles have sufficient strength to carry the total weight of the vehicle's body and mechanicals – along with cargo, accessories, tow ball load and passengers – and still retain a considerable capacity safety margin to cope with weight transfer as the vehicle brakes, accelerates, rolls in corners and goes over bumps.

The maximum allowable front axle load is 1450kg.

The maximum allowable rear axle load is 1850kg (LTZ and Z71 models: 1650kg).

GROSS VEHICLE MASS (GVM)

Gross Vehicle Mass or 'GVM' is the maximum laden mass of the vehicle.

It is based on design factors that include:

- strength of the vehicle frame
- suspension
- tyre rating
- axle capacities

The maximum GVM for all Colorado models is 3150kg except LTZ and Z71 models which are rated at 2950kg (which can not be exceeded).

TOWING AND GROSS COMBINED MASS (GCM)

The GCM is a maximum total mass for vehicle, payload and braked trailer combined. The maximum towing capacity may require the vehicle load to be reduced to ensure the GCM limit for the vehicle is not exceeded.

- The maximum GCM for the 2.8L Duramax Turbo Diesel is 6000kg (which cannot be exceeded)

KERB MASS

Kerb Mass is the weight of the vehicle with standard equipment when it is unoccupied, unladen and has its fuel tank and all other fluid reservoirs filled to their nominated capacity.

Optional accessories and cargo carrying devices – for example, the tray body for Colorado Cab chassis models – are excluded from the Kerb Mass calculation.

Kerb Mass figures for the various Colorado models, engine and drive variants are provided in the technical specifications section of this brochure.

PAYLOAD

Payload is the total mass the finished vehicle is permitted to carry, and is calculated by subtracting the vehicle's Kerb Mass from the Gross Vehicle Mass. Payload includes the mass of the driver, any passengers, options or accessories, including the tray or customised body as well as the cargo.

Fitted Body/Tray:	kg	135 kg	
Other:	kg		
Other:	kg		
= Remaining Load Capacity*:	kg	851 kg	335 kg

* This figure is the maximum load your vehicle is permitted to carry without exceeding its GVM/GCM rating. The load must be appropriately distributed and the maximum allowable front and rear axle load limits must not be exceeded. * Speak to your Holden Dealer for more information on recommended body lengths.

^ Two different tow bar masses shown; one for pick up box and one for cab chassis models.

HOLDEN
PROFESSIONAL
CARE

There's nothing more exciting than buying a new car. Holden provides a complete After Sales program to make sure you not only feel good about your new Holden now, but also in the years to come.

So if you are looking to add that personal touch with HoldenWise Genuine Parts & Accessories, you can rest assured that you are being looked after

by Holden trained experts that operate in one of New Zealand's largest service networks.

With 54 Authorised Holden Service Centres including 32 Holden Dealerships strategically located New Zealand-wide, Holden strives for a standard of excellence with the aim of exceeding the expectations of Holden drivers.

NO SURPRISES, NO UNCERTAINTY, NO WORRIES. JUST WHAT YOU WOULD EXPECT FROM HOLDEN.

GENUINE SERVICE

Authorised Holden Service Centres give you complete confidence, knowing that only Holden Dealership Technicians have access to regular factory training and equipment.

ACCESSORIES & PARTS

Give your Holden a personal touch by choosing from our range of Genuine Holden Parts and Accessories, exclusively at Holden Dealers.

WARRANTY

Holden's New Vehicle Warranty* applies from the day your vehicle is first registered. Holden approved and Genuine Accessories and parts are also covered.
