Find My Car Function[#]

The standout styling already makes your Cruze easy to find. The Find My Car function activates your alarm mode and helps you to easily locate your Cruze within a busy carpark or down a dark street.

Sensor Key Technology[^]

This ultra-convenient feature enables you to unlock and lock your car or boot in an instant when you're on the go without the key leaving your bag or pocket. Once you're inside, starting your Cruze is as simple as pushing a button.

LED Turning Indicators

In addition to the eye-catching design, we've integrated turning signals into Cruze's front mirrors – to help you fully enjoy the road ahead by ensuring you are clearly seen by those around you.
