

Barina

Holden
Let's go there

The stylish accessory to your life.

The new Holden Barina is more stylish than ever, with sporty good looks and a compact well-designed body shape that's the perfect fit for a busy, active lifestyle. Its appearance is fresh and modern from every angle, so you'll look good no matter where your life takes you. From weekend getaways escaping the everyday, to catching up with friends and family, the Barina takes it all in its stride. LED daytime running lamps are a sporty addition to the front and 17-inch alloy wheels¹ complete the look. What's more, with the highest possible 5-star ANCAP safety rating and 6 airbags standard across the range, you can drive with confidence, knowing you'll always be protected.

¹Barina LT only

A small car big on tech.

The new Holden Barina comes with technology designed to enhance your busy lifestyle by keeping you connected. The very latest Apple CarPlay², and Android³ Auto³, phone projection technology lets you do the things you like doing with your phone via the 7-inch touch-screen in front of you. As well as putting your favourite music, apps and contacts within easy reach, you're free to explore new places without ever having to worry about getting lost, with directions just a finger tap away through Apple CarPlay[®] or Android[®] Auto. The new Barina also has a Rear View Camera and Rear Park Assist across the range to make it easier getting in and out of tight spots when reversing. And for extra convenience, the Barina LT comes with Passive Entry and Push Button Start so you can unlock your car and start the engine without even taking the keys out of your bag.

2 Requires compatible iOS device. See apple.com.au for details.
3 Requires compatible Android[®] device. See android.com for details.
