

Cascada

Holden
Let's go there

Open to life's
finer things.

Cascada shown in Cosmic Grey

Seductive European styling at its finest. German engineering at its best.

The stunning new Cascada brings you all the sophistication and exhilaration of a genuine 4-seat convertible in a truly luxurious form.

Let life in and share the sensation of your new Cascada with the world.

holden.com.au/cars/cascada

Stylish sophistication.

The sculpted soft top design complemented by upper and lower blade body styling cuts a sleek silhouette. This is the first hint of the premium design, fit and finish within.

Treating you to a level of sophistication you'd only expect to find in high-end luxury cars.

A genuine 4-seater.

Cascada is no conventional mid-size convertible. In the roomy interior you'll find space for four adults. Making it perfect to share your sense of style with family and friends out on the open road.

Roof raising innovation.

Open the roof within 17 seconds with the remote key as you are approaching. Even more impressive is the freedom to open or close it on the move at up to 50km/h.

An air of sophistication.

Cascada is as breathtaking on the inside as it is on the outside. Open the roof and let the sunlight play on the vast array of luxury features, handcrafted finishes and flourishes of chrome.

Should the weather turn, within 19 seconds you are cocooned in a super quiet interior with extra comforts such as leather appointed heated sports seats, heated steering wheel and dual-zone climate control. The MyLink infotainment system also connects you with everything you desire from the outside world.

Living,
breathing,
driving.

Cascada shown in Cosmic Grey

Put your foot down a little and the turbo's first refined growl promises the excitement that awaits you at every turn. Cascada incorporates German performance technology perfectly attuned to the road. As you are exposed to all the sensations of open top driving, it's good to know you are also protected by a range of world-class advanced safety features.

holden.com.au/cars/cascada/safety

Lively turbo performance.

With 125kW and 260Nm of torque, the direct-injection turbo petrol engine delivers a smooth surge of power that goes way beyond conventional expectations of a 1.6 litre car.

Super smooth ride.

The sports chassis and supple suspension add to the smoothness and composure of every drive. Cascada's extra-reinforced body also enhances stability and safety on the road.

Pop-up rollover bars.

The steel bars and safety cage popup instantly in the event of a roll to help protect you and your passengers from injuries that may occur.

Advanced safety features:

- Rear View Camera with dynamic grid lines
- Daytime Running Lamps
- Front and side impact airbags for driver and front passenger
- Electronic Stability Control
- Traction Control System
- Hill Start Assist
- Electric Park Brake
- Anti-lock Braking System
