

Colorado

Holden
Let's go there

Rugged outside refined inside.

It's time to re-think everything you already know about trucks. Yes, Colorado gives you all the power and performance of a rugged truck, but now it's more refined than you'd ever expect. Under the bonnet, the Duramax diesel engine is tough and yet surprisingly quiet, even when working hard. Electric power steering and a new suspension tune make this truck ride and handle more like a car. A new torque converter ensures the 500Nm* of torque is delivered smoothly and efficiently. And with an impressive 3.5 tonne towing power, you know these refinements haven't compromised the Colorado's capability. It's a vehicle that will inspire you to achieve more, and not just at work. The Colorado will help you get more out of life.

More tech than you expect.

The Colorado combines high quality interior design with technology you wouldn't expect in a truck. The LTZ and Z71 models have integrated Sat Nav on the large 8-inch colour touch-screen. What's more, every Colorado comes with DAB+ digital radio, Apple CarPlay® and Android® Auto. This technology takes things you like doing on your phone and integrates them into your car. You can get directions, make calls, send and receive messages, and listen to music, all in a way that allows you to stay focused on the road ahead. Just plug in your phone and go.

Remote Start* is another unexpected feature. Now you can start your truck remotely using your keyfob; great if you want to warm things up before jumping inside on those cold winter mornings. There are rain sensing wipers[†] so you won't have to take your hands off the wheel when you get caught in an unexpected downpour, and heated mirrors[‡] that de-mist themselves[‡] during those early morning trips to work. You can also use Remote Window Activation to open or close all windows with your keyfob, which is especially useful if you've left the windows down. And if your work or weekend takes you off-road, you'll find the Colorado's tyre pressure monitoring system^{††} very handy.

A word about this brochure. We have tried to make this brochure as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this brochure may have been changed and/or is available at extra cost. Further, GM Holden Ltd ABN 84 006 893 232 (Holden), reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by Holden in its published sales literature, and Holden does not accept any liability for any such unauthorised action. Holden has authorised Dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but Holden doesn't make any promise other than that contained in the New Vehicle Warranty given by Holden that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from Holden on request. Copyright Holden. HBR2833. May 2017.
