

**Commodore VFII**

**Holden**  
*Let's go there*

\* Available on automatic models only  
# Driver remains responsible for vehicle control  
~ Maximum figures as per ECE regulations. Figure quoted using 98 RON (PULP)  
^ Not available on Evolve, standard on all other models  
+ BiModal exhaust and Mechanical Sound Enhancer available on V8 models only  
† Available on SS-V Redline and Calais V-Series  
- Standard on SV6, SS, SS-V Redline and Calais V models.

# We imagined a whole new world.

Never before has a Commodore been so aware of its surroundings; and so in tune with the driver.

The Commodore VFII is one of the most advanced vehicles to wear the Holden badge, thanks to the vast array of high technology features integrated throughout.

Now with a 6.2L LS3 V8 engine complete with BiModal exhaust and Mechanical Sound Enhancer+ all you have to do is hear it to believe it.

SS-V Redline Sedan in Heron White

## 3.0 litre SIDI V6

With proven performance, this engine is heroed on the Evolve model. The 3.0 SIDI V6 delivers a great balance of specific output, high torque over a broad rpm band, fuel economy, low emissions and first-rate noise, vibration and harshness control.

## 3.6 litre SIDI V6

An impressive engine, perfectly in tune with the SV6, Calais and Calais V-Series. The use of light weight components and enhancements adds up to improved performance, efficiency and durability.

## 6.2 litre LS3 V8

Experience the sheer adrenaline of taking a seat in the Commodore VFII sporting a 6.2L LS3 engine on V8 models, the most powerful in Holden's history. Standard with SS and SS-V Redline, and optional with the Calais V-Series, this powerful 6.2 litre V8 engine offers exceptional performance and towing capabilities churning out 304kW- of raw power and 570Nm- of torque.

## BiModal Exhaust and Mechanical Sound Enhancer (MSE)+

Commodore VFII still offers the same worldly refinement you have come to expect with the added option of activating the BiModal exhaust and unleashing its heightened aural potential to allow maximum exhilaration. The MSE enhances induction noise and supplies targeted frequencies into the driver cabin.

## Remote Vehicle Start System\*

Remote Vehicle Start gets you on your way quicker, enabling you to fire up the engine and even resume the air conditioning before entering the car.

## Passive Entry and Push-button Start^

This ultra-convenient feature offers handy push-button ignition and the ability to unlock and lock the car simply by carrying the sensor key with you.

## Automatic Park Assist

Leading from the front with Automatic Park Assist, that uses ultrasonic sensors to give you hands-free# parking. This is an intelligent feature supported by the reverse camera and Front and Rear Ultrasonic Park Assist - all included as standard across the range.

## Colour Head-Up Display~

The Head-Up Display uses technology originally developed for fighter jets to relay important information on the windscreen such as speed, turning signals and some alerts - allowing you to view it without taking your eyes off the road.

## Forward Collision Alert†

A digital camera mounted on the windscreen uses state-of-the-art image processing to observe vehicles ahead, and uses the Head-Up Display and an audible alert to warn you when you are approaching another vehicle too rapidly and a collision appears to be imminent.

# Seamless connectivity.

Never before has a car built in Australia, been so in sync with the wider world. Say hello to Holden MyLink infotainment. We've taken seamless connectivity to the forefront, from accessing apps to streaming internet radio and much more. And it's all available with minimal effort, whether selecting your media by voice control, intuitive touch-screen, or by controls on the steering wheel.

## Take your world on board:

- MyLink infotainment system\*
- 8" colour touch screen
- Built-in app technology
- Bluetooth® audio streaming\*
- iPod® connectivity
- Enhanced voice control
- Siri® Eyes Free~
- Hands-free calling
- Satellite Navigation with live traffic updates\*
- Stitcher™ SmartRadio\*\*
- Access phone contacts, calendars, reminders, playlists and more#

# Technology that protects.

With an unprecedented level of active safety technology and crash protection, the Commodore is looking out for you in every possible way.

## Advanced network of chassis control systems

The advanced network of chassis control systems can help you out of tricky situations, including Electronic Stability Control (ESC), Trailer Sway Control, Anti-lock Braking System (ABS), Traction Control, Electronic Brakeforce Distribution, and Electronic Brake Assist.

## Protect your precious cargo

Inside the Commodore VFII, your most precious cargo is protected like never before with advances such as the simple-to-use ISOFIX child seat anchorage system. Available in all three back seat positions, ISOFIX creates a rock solid connection between the child seat and vehicle body and offers a high level of side impact crash protection.

## A car with a sixth sense

Available on selected models, intelligent avoidance systems such as Forward Collision Alert, Lane Departure Warning, Blind Spot Alert and Reverse Traffic Alert help to expand your all-round vision and draw attention to potential road hazards.

## 5-star ANCAP rating

The Commodore has been awarded with the highest possible 5-Star ANCAP rating - across the Sedan and Sportwagon range. Safety features incorporated throughout the vehicle reduce the severity of certain front, side and rear impacts.

## Crash-optimised body

The crash-optimised body uses a range of advanced materials including ultra high-strength Boron steel, creating a stronger yet lighter structure.

## Trailer Sway Control

Whether pulling a trailer or caravan, this cutting-edge safety feature activates the brakes and reduces engine torque if it detects any towing instability, creating a safer towing experience for drivers.

## Six-airbag system

All models are fitted with driver and front passenger airbags, side impact airbags for driver and front passenger and side curtain airbags. The side impact protection is further enhanced with the addition of thorax/pelvis airbags as part of the six airbag system, enabling a wider area of the body to be covered in the event of a collision.

Calais V-Series in Nitrate

# Evoke.

Evoke Sedan and Sportwagon in Phantom Black

The Evoke sits proudly as the first model in the Commodore range; setting the standard with its redefined sculptured body and 'sixth-sense' technologies such as Automatic Park Assist. This high level of precision is evident throughout, from the SIDI Direct Injection V6 and Electric Power Steering, to its stunning interior with layered trim and fluid instrument panel integrating Holden's MyLink.

### Engine and Transmission

- 3.0 litre SIDI Direct Injection V6 engine and 6-speed automatic transmission with Active Select

### Smart Technologies

- Automatic Park Assist
- Rear View Camera
- Front Park Assist
- Rear Park Assist
- Electric park brake
- Smart remote engine start system

### Safety

- 5-star ANCAP rating
- Electronic Stability Control (ESC)
- 6 airbags
- ISOFIX child seat anchorage system

### Infotainment

- MyLink infotainment system with 8" touchscreen
- Built-in apps
- Bluetooth® capability\*
- Enhanced voice control
- Siri® Eyes Free+

### Comfort, Convenience and Design

- 16" alloy wheels (4)
- Cruise control
- Front and rear power windows
- Dual-zone climate control

# SV6.

SV6 Sedan and Sportwagon in Red Hot

Renowned for its sports motoring pedigree, the SV6 is a car totally in tune with the driver. Sports seats, sports tuned suspension and 18" alloy wheels deliver optimum feel and feedback on the road; matched by the equally rewarding 3.6 litre SIDI Direct Injection V6 engine.

### Engine and Transmission

- 3.6 litre SIDI Direct Injection V6 engine and 6-speed automatic transmission with Active Select

### Smart Technologies

- Head-Up Display
- Automatic Park Assist
- Rear View Camera
- Front and Rear Park Assist
- Blind Spot Alert
- Reverse Traffic Alert
- Electric park brake
- Smart remote engine start system (automatic transmission only)
- Passive Entry and Push-button Start with sensor key

### Safety

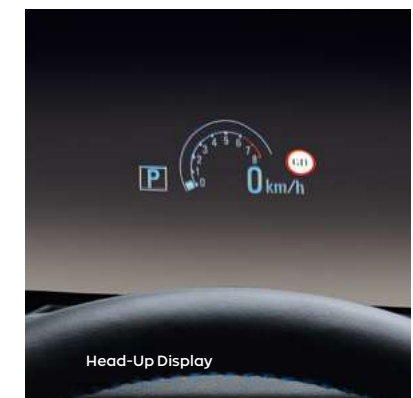

- 5-star ANCAP rating
- Electronic Stability Control (ESC)
- 6 airbags
- ISOFIX child seat anchorage system

### Infotainment

- MyLink infotainment system with 8" touchscreen
- Built-in apps
- Bluetooth® capability\*
- Enhanced voice control
- Siri® Eyes Free+
- Satellite Navigation

### Comfort, Convenience and Design

- 18" alloy wheels (5)
- Cruise control
- Front and rear power windows
- Dual-zone climate control
- 'Sportec' and Kenetic Suede sports seating
- Sports suspension
- Leather wrap steering wheel
- LED Daytime Running Lamps
- Rear lip spoiler (Sedan only)

+ Requires compatible iOS device  
 \* Certain devices may not be compatible with the vehicle's MyLink system. See holden.com.au/myholdenconnect for more details

# Calais.

Calais Sedan in Nitrate Silver

The level of refinement is instantly apparent, from the sleek exterior lines to the equally stylish interior finished in jet black and chrome accents. The Calais delivers refined power too, with the 3.6 litre SIDI Direct Injection V6 engine offering the exacting response and performance from a car to rival the world's best.

### Engine and Transmission

- 3.6 litre SIDI Direct Injection V6 engine and 6-speed automatic transmission with Active Select

### Smart Technologies

- Automatic Park Assist
- Rear View Camera
- Front and Rear Park Assist
- Blind Spot Alert
- Reverse Traffic Alert
- Electric park brake
- Smart remote engine start system
- Passive Entry and Push-button Start with sensor key

### Safety

- 5-star ANCAP rating
- Electronic Stability Control (ESC)
- 6 airbags
- ISOFIX child seat anchorage system

### Infotainment

- MyLink infotainment system with 8" touchscreen
- Built-in apps
- Bluetooth® capability-
- Enhanced voice control
- Siri® Eyes Free+
- Satellite Navigation

### Comfort, Convenience and Design

- 18" alloy wheels (5)
- Cruise control
- Front and rear power windows
- Dual-zone climate control
- Leather appointed seating
- 8-way power adjustment of driver and front passenger seats with power lumbar support
- 2 memory settings for driver seat with easy exit
- Premium heated front seats
- Leather wrap steering wheel
- LED Daytime Running Lamps
- Front foglamps
- Colour multi-function display in instrument cluster
