Spark your style.

Whether you're zipping around town, staying connected with friends or just busy fitting more into your day, the new Spark is the stylish way to enhance your life.

It has sporty good looks with alloy wheels* and every Spark is packed with the latest technology, so it's easy for you to stay connected to the things that really matter.

You'll also love the way the new Spark drives, with energetic performance and enhanced safety features to protect you even more, like Daytime Running Lamps to make sure you'll be seen wherever life takes you.

Small car for big adventures

Spark has real style, but it also gives you all the space you need for a weekend getaway or your next exciting road trip. What's more, you can pair your smartphone with Holden MyLink# to listen to your playlists, call your bestie or access your favourite apps from the 7" colour touch-screen.

Sporty style

Contemporary proportions and a sleek roofline give a planted profile. With an array of eye-catching colours and a refined interior to match, you'll find all the creature comforts to make life much easier.

Go further for less

Go further for less with all-new fuel-efficient performance thanks to a standard 1.4L petrol engine. Class-leading entry-level power gives Spark zippy acceleration combined with impressive fuel economy of just 5.2L/100km*.

Take your world on board:

Sync your life with spark.

mylink

Connect your online life with your life on the go. Spark puts you in touch with class-leading connectivity, starting with the very latest MyLink* technology featuring a large 7-inch colour touch-screen. Swipe to navigate through infotainment options, just like on your smartphone.

Spark syncs with your busy lifestyle. MyLink* makes it easy with phone projection (Apple CarPlay® and Android® Auto- functionality) so that certain smartphone apps can be accessed and controlled via your Spark's touch-screen, including Siri® for voice-to-text functionality or voice control. You can also play tunes from your Spotify** account, navigate with ease to all your favourite destinations and find new discoveries via Google® Maps-+ or Apple® Maps-+.

More power, more safety.

The new Spark has been tuned locally for Australia's unique conditions. It's perfect for city driving, nimble and easy to manoeuvre safely around busy corners.

A Rear View Camera* and Rear Park Assist* make reverse parking a breeze, even in tight spots, and a smooth CVT automatic transmission* means seamless gear changes. You'll notice real benefits in fuel economy as well.

The new Spark has also been awarded the highest possible 5-star ANCAP safety rating. You'll have real peace of mind with front, side-curtain and side-impact airbags, as well as seatbelt pretensioners, crumple zones and a passenger safety cell.

Get a more powerful drive and safer stopping with the latest technology in every new Spark.

How ESC helps you avoid accidents

Imagine you have to avoid an unexpected obstacle on the road. You end up with two wheels on the gravel verge and need to brake suddenly...
