

Holden Acadia

Holden
Let's go there

It's time to get serious.

Dealing with all the demands of a busy working day and an even busier family life is a serious business. And that's just what the Acadia is built for. This is a full-sized 7-seat SUV that's big on versatility. We're talking space, configuration, flexibility and storage - all backed up by its seriously good looks.

The Acadia is a genuine seven-seater with plenty of room for the kids and their mates, or your mates. Smart-slide second row seats allow for easy access to a spacious third row of seats, even with a child seat fitted so everyone can get comfortable. In sumptuous leather-appointed¹ style, no less.

One-touch folding second row seats also make loading your gear easier, whether you're carrying people, pets or packing boxes.

You'll also find the Acadia cabin has a well-designed premium interior. There's cleverly integrated storage throughout, with a console drawer for second row passengers and a covered underfloor bin in the back where you can stow things out of sight.

There's even a rear seat passenger reminder that tells you to double check that there are no valuables, sleeping kids or pets left in the rear before you leave the vehicle.

The Acadia is seriously equipped to handle it all.

¹LTX & LTX-V models only

Big on the little things that matter.

The Acadia is the pinnacle of the Holden SUV range, and not just by chance. Packed with all the latest advanced technology and safety features, the Acadia gives you more connectivity, more comfort and more convenience.

This advanced SUV has Traffic Sign Recognition (TSR), so if you miss a sign that changes the speed limit, TSR tells you. It'll make driving through unfamiliar territory safer.

The safety of those inside and out is this SUV's number one priority. Autonomous Emergency Braking (AEB) means the Acadia recognises when a vehicle, pedestrian or cyclist is too close, and brakes automatically to reduce the risk of a collision.

There's also Hitch Guidance with Hitch View that uses the rear view camera to help you line the vehicle up when you're connecting a trailer, and lets you check on it while driving.

Meanwhile, Lane Keep Assist with Lane Departure Warning steers you back into your lane if it detects that you're drifting, while Side Blind Zone Alert makes you aware of cars in your blind spot.

It's like the Acadia does all the thinking for you.

Built to rule the road.

Built in Spring Hill, Tennessee, then tested, tuned and refined by our team of Holden Engineers, the Acadia is the SUV specifically developed for our roads.

The Acadia's premium powertrain and great drivability will fill you with confidence the moment you get behind the wheel. With its smooth nine-speed automatic transmission and strong 3.6L V6 petrol engine with Stop/Start and Active Fuel Management, the Acadia gives you improved fuel efficiency with the power you want from a V6.

Driver Mode Control allows you to switch between various driving modes. AWD models also let you switch between 2WD and AWD driving modes, so you can choose your preferred mode and handle road conditions as they change.

Thanks to Active Noise Cancellation and the cabin's premium design, the interior is as quiet and comfortable as it can possibly be, so you'll always arrive feeling fresh even on longer journeys.

With bold, distinctive styling inside and out, the Acadia is crafted from premium materials to enhance the driving experience for you and your passengers.

It's the SUV that says you've arrived.

Acadia LT.

Cleverly designed smart-slide second row seats and outstanding safety features set the tone for this bold new flagship SUV. Autonomous Emergency Braking (AEB) with pedestrian and bicycle detection, Passive Entry Push-Button Start (PEPS), an 8-inch Holden infotainment touch-screen with Apple CarPlay and Android Auto, Sat Nav and DAB+ add even more smarts to this serious SUV.

Standard on LT:

- Traffic Sign Recognition with Intelligent Speed Assist
- 2000kg braked towing capacity
- Hitch Guidance with Hitch View
- Towing package (accessory ball mount and tow ball required)
- Passive Entry Push-Button Start (PEPS)
- Satellite navigation
- Tri zone climate control
- 18" Alloy Wheels
- Remote engine start
- LED Daytime Running Lamps
- Side Blind Zone Alert
- Rear Cross Traffic Alert
- Lane Keep Assist with Lane Departure Warning
- Autonomous Emergency Braking
- Driver Mode Control
- Forward Collision Alert with Head-Up Warning
- Following Distance Indicator
- Rear Park Assist
- Rear view camera
- AWD optional

Acadia LTZ.

Extra features such as wireless charging, front heated seats and leather-appointed trim round out the luxury and class of this stunning beast. There's also the convenience of a hands-free power tailgate and Advanced Park Assist to make getting in and out of tight spots a breeze.

Additional features to LT:

- Leather-appointed trim
- 10-way power adjustable driver's seat
- 8-way power adjustable front passenger seat
- Heated front seats
- Auto-dimming interior mirror
- Chrome door handles
- Front fog lamps
- Rain sensing wipers
- Wireless phone charging (compatible devices)
- Hands-free power tailgate
- Front Park Assist
- Advanced Park Assist
- AWD optional

Acadia LTZ-V. The ultimate highway cruiser.

Get ready to be impressed by the Acadia LTZ-V. This is a serious head-turner with powerful performance and overtaking ability on the freeway, plus plenty of torque for the passing lanes winding up a hill.

FlexRide Adaptive Suspension ensures a smoother, controlled ride to maximise comfort by using sensors that tailor the suspension to the moment.

Meanwhile, Adaptive Cruise Control is another innovative feature that automatically adapts your cruising speed to changing traffic conditions.

Critical information is displayed on the large 8-inch colour driver information display you can see at a glance as you drive. And, for a bird's eye view around the vehicle when you're parking, there's a 360 degree camera that is displayed on the 8-inch Holden infotainment touch-screen.

Additional features to LTZ:

- 10-way power adjustable front passenger seat
- Memory drivers seat
- Ventilated front seats
- 20" Alloy Wheels
- Dual-panel sunroof
- HID headlamps
- FlexRide Adaptive Suspension
- Adaptive Cruise Control with Stop/Go
- Autonomous Emergency Braking (all-speed)
- 360 degree camera
- 8-inch colour driver information display
- Bose premium audio system
- AWD optional

8" enhanced driver information display with Traffic Sign Recognition

Variations between colours shown and actual paint colours may appear different under certain light conditions. Trim patterns are not to scale. Indicative only. Customers are encouraged to contact their Holden Dealer for current availability.

Accessories.

Make Acadia really yours with accessories designed to enhance and protect it.

Designed and engineered just for the Acadia, the Holden Genuine Accessories like carpet and all weather floor mats will take care of any muddy shoes, whilst a bonnet protector will stop rocks from chipping your precious paint. There's also a choice of alloy wheels to take you anywhere in style, locking wheel nuts for peace of mind and seat covers for all seven seats keeping that clean new look for longer.

It's the little things that add up to Holden Complete Care.

At Holden, we've been caring for Australians for more than 150 years and over that time, we've learned that it's the little things we can do for you that matter most.

Learn more at holden.com.au/completecure

5 FIVE YEAR UNLIMITED KM WARRANTY

5 year unlimited km warranty.¹

Now you're better covered with a 5 year unlimited kilometre warranty standard across the range.

You've got more peace of mind from the moment your new Holden is registered, so you can get in and enjoy it without a care in the world.

Take your time test drive.²

Take up to 24 hours to see if it's the car you feel completely comfortable with. Drive it to work, show your friends, see what the family thinks. There's no pressure and no 'hard sell'.

Know your cost servicing.³

Know what a scheduled service will cost before you even drop off your car, for the life of the car. Our trained expert technicians ensure your car is getting the best possible care.

At your call roadside assistance

With Holden Roadside Assistance⁴, if the unexpected happens rest assured we'll be there to help. Flat battery, keys locked in the car, puncture.

Keep you moving rental service.

While your car's being serviced, take advantage of Holden Rental service⁵, where we give you the option of a replacement Holden. Because we believe nothing should keep you from driving.

Tailored to you finance.

With Holden Financial Services⁴ we offer competitive and flexible finance options that make it easy to get into the Holden that's right for you. You can organise the whole thing in one place, easy as that.

¹ For new and demo vehicles registered on or after 1 July 2018. 5 year unlimited km warranty from date of first registration. Private and ABN buyers only. 5 year/200,000km warranty, whichever occurs first, for fleet, government, not-for-profit, and rental vehicles. ² Subject to Take Your Time Test Drive Terms and Conditions. See Holden.com for details. ³ Subject to Know Your Cost Service terms and conditions. See Holden.com.au for details and to obtain a quote. ⁴ Holden Financial Services is a registered trademark of General Motors LLC and is used under sub licence by GMF Australia Pty Ltd ABN 52 622 566 447, Australian Credit Licence 507256. ⁵ Subject to Holden Roadside Assistance Terms and Conditions. See Holden.com for details. ⁶ Subject to Holden Rental Terms and Conditions. See Holden.com for details.
