

Trailblazer

Holden

Engineered for Aussie towing adventures.

It's tow time.

With 3 tonne braked towing capacity the Trailblazer has all the pulling power you'll ever need for your trailer, boat or caravan. Trailer Sway Control safely reduces excessive trailer movement caused by heavy, unbalanced loads keeping you in control no matter what you're towing.

Trailblazer is the 7-seat SUV that is built for adventure. It is ready for whatever, doesn't matter if you're fishing, camping, crossing the Nullarbor or doing the school drop-off. Locally tuned suspension and steering means you get a car-like drive, without sacrificing toughness.

Durable power with Duramax

The Trailblazer range is confident and capable with a Duramax diesel engine, producing 147kW of power and 500Nm of torque.

4x4

The Trailblazer's Shift-on-the-Fly 4x4 system lets you choose between 2WD and 4WD modes, meaning you're always prepared for any conditions, on or off the beaten track.

In Control

When active, Hill Descent Control brakes for you down steep hills, whilst Hill Start Assist gives piece of mind when taking off on a steep incline.

Tech you want. Safety you need.

You'll get more out of your adventures with the Trailblazer, because we've put more into it. The latest Apple CarPlay®* and Android® Auto~ technology pairs your smartphone to the 8-inch* colour touch-screen on your dashboard. Get directions, make calls, send and receive messages, and listen to music, all in a way that allows you to stay focused on the road ahead.

Sometimes, it's the little things, like getting into a cool car on a hot day. With remote start~, you can get the engine and climate control running before you hop in, so that when you're ready to go, there's no need to wait with the windows down.

The Trailblazer has been built with families in mind, which is why it's loaded with the latest in active safety technology, including Lane Departure Warning^, Forward Collision Alert with Head-Up Warning^, Blind Spot Alert^ and Rear Cross Traffic Alert^. For those extra eyes where you need them, there's also Front^ and Rear Park Assist and a Rear View Camera. Families come in all shapes and sizes, so easy-to-use ISOFIX Child Seat Anchorages are standard across the range, and 7 airbags offer that extra level of protection you've come to expect.

Trailblazer is the family SUV with all the safety features and technology you need to make the most of your adventures, no matter where they take you.
