

# Accessories

**Splash Guards.** Help protect the side of your VUE and other people's windshields from mud, rocks, slush and debris that are lying on the road ahead.

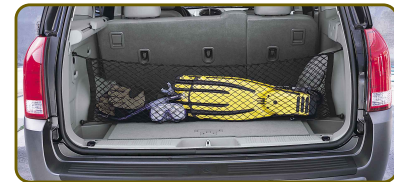

**Roof-Rack Crossbars.** They attach easily to your VUE's roof rails to help support your sports gear or luggage. Your Retailer can outfit you with the attachment you'll need to haul a bike, kayak, skis or cargo box.

**Cargo Cover.** Whether your cargo happens to be a new set of golf clubs or a week's worth of laundry, conceal it from curious eyes with this easy-to-use cargo shade.

**Cargo Net.** Here's another simple way to secure small, light items—a cargo net that holds them all in place through the turns, bumps, quick starts and stops.

**Side-Window Air Deflectors.** Breathe in the outdoors with these aerodynamic deflectors. They're designed to let fresh air in and to keep gusts and foul weather out.

**Front Grille Guard.** A good front line of defense, this brushed aluminum guard helps protect your bumper, grille and sense of style.

**Seat Cover—Neoprene Fitted.** Help keep the great outdoors from invading your great indoors with these seat covers. They shrug off dirt, clean up quickly, are water resistant and come in either black or black/red.

**Interior Trim Kit.** For stronger accents and design lines, select our brushed aluminum trim. Or you can dress things up with our carbon fibre trim.

**Side Step Bars.** While the VUE does offer a low step-in height, you can shorten the trip with these well-matched side step bars. (They can help bring the roof rack into reach too.)

**Rear Bumper Protection Pad.** If you expect a lot of traffic over the bumper, the bumper protection pad will minimize scratches and wear.

**Liftgate Air Deflector.** Redirect the wind to help reduce dust buildup on your liftgate window. Sort of like having Mother Nature do your windows.

**Interior Bike Rack.** Some people like to keep their bikes outside, while others treat them more like family. For those of you in the latter group, we offer a well-designed interior bike rack.

Additional Accessories: **Interior** — Floor mats, rubber • Cargo mat • Seat covers, slip on • Interior pet net\* • Windshield sunshade  
• **Exterior** — Front-end cover • Sunroof air deflector • Hood air deflector • Rail-to-rail deflector • Hitch-mounted bike attachment
