

The BMW 7 Series

745i/Li
760Li

A new spirit in the cockpit: Intuition.

Whether V8 or V12 –
the 7 Series is driven by the power of the mind.

There is only one alternative to the 7 Series: the 7 Series.

Being unique is the biggest luxury life has to offer.

Equipment.

■ **Multi-function steering wheel** for very comfortable and convenient operation of numerous functions without taking your eyes off of the road – and without taking your hands off the steering wheel. Telephone functions, radio adjustment, STEPTRONIC, as well as many other functions are accessible through the buttons on the steering wheel.

■ **Start/Stop button** for starting the car by remote control. First insert the remote control into the ignition starter switch. Then start and stop your BMW simply by pressing the button.

□ **Cooling box.** The electrical cooling box opening up from inside the car once you fold down the centre armrest offers space for two bottles.

■ **CD changer** fitted above the glove compartment, with a front loader system, for easy and convenient use. Accommodates up to 6 CDs.

■ **Double spoke alloy wheels, style 93,** 8 J x 18" with 245/50R-18 all-season tires at the front and rear.

□ **Multi-spoke alloy wheels, style 94,** 8 J x 18" with 245/50R-18 all-season run-flat tires at the front and rear.

■ **6-speed automatic transmission** with Steptronic offers greater fuel efficiency, improved driving dynamics, and an ergonomic design that makes it very easy to operate. The transmission is controlled by the switch on the ergonomically placed lever on the steering column or the Steptronic buttons on the steering wheel.

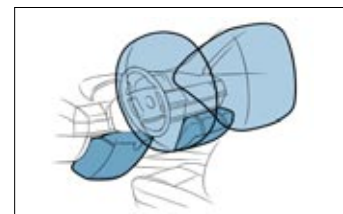

■ **Info Display** provides the driver with clear and precise information on an 6.5" display. Using the Controller in conjunction with the navigation system, information regarding on-board diagnostics, communication, climate control, and a vast array of other information can be obtained as decided upon by the driver.

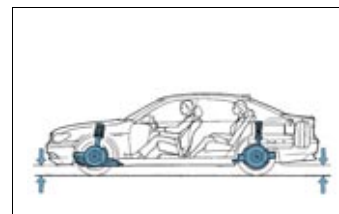

■ **Navigation System** with anti-dazzle 8.8" Control Display provides driving instructions via voice computer, additional information by directional arrows (on the information display), or a map. Destination-specific information and all driving information can also be retrieved on the Control Display.

■ **Controller** is the central input element for the driver and front passenger allowing single-handed control and operation of the Information Display. Intuitive control and operation is ensured by menu guidance following the general principle of a compass, where the menus have their fixed positions in four different directions.

■ **Active Knee Protection** is a special airbag designed to protect front-seat occupants' knees in the event of a severe impact. It also reduces the amount of dash space that would have been taken up by a knee-protection system using dash padding only.

□ **Electronic Damping Control** reduces squat movement when braking and body movement when driving over uneven road surfaces or when taking bends or accelerating. Automatically adjusts to the optimum level of damping force for road conditions.

■ **Star spoke alloy wheels, style 92,** 9 J x 19" with 245/45R-19 performance tires at the front and 10 J x 19" with 275/40R-19 performance tires at the rear. (Available only on the 760Li.)

□ **Star spoke alloy wheels, style 95,** 9 J x 19" with 245/45R-19 performance tires at the front and 10 J x 19" with 275/40R-19 performance tires at the rear.

Standard Equipment | Optional Equipment

Safety	745i	745Li
Adaptive brake light technology	■	■
Airbags:		
– Active Knee Protection System	■	■
– Driver and front passenger airbags (impact-dependent airbag system)	■	■
– Head Protection System, front and rear	■	■
– Side thorax airbags, front	■	■
– Side thorax airbags, rear	□	□
– SMART airbag deployment system	■	■
Alarm system with remote control and interior motion sensor	■	■
Anti-lock Brake System (ABS)	■	■
Battery Safety Terminal (BST)	■	■
Bi-xenon headlights for the low and high beam, incl. dynamic headlight range control	■	■
BMW ASSIST safety + security telematics service package (subscription one year-free)*	■	■
Brakes:		
– Brake wear display	■	■
– Electro-mechanical parking brake with automatic hold	■	■
– Disc brakes at the front with aluminum swing calipers, inner-vented	■	■
– Disc brakes at the rear with grey-cast iron swing calipers, inner-vented	■	■
Central locking with electronic immobilizer, crash sensor; tank filler flap integrated in central locking	■	■
Centre lock switch	■	■
Coded Driveway Protection	■	■
Crash-optimized safety steering wheel column	■	■
Dynamic Stability Control (DSC III) incl. Dynamic Traction Control (DTC) and Dynamic Brake Control (DBC)	■	■
Foglights in ellipsoid free-form technology	■	■
Headlight cleaning system	■	■
Intelligent Safety and Information System (ISIS)	■	■
Interlocking door anchoring system	■	■
Park Distance Control (PDC) front and rear, with visual message	□	□

Safety	745i	745Li
Safety body:		
– Deformation zones front and rear, door reinforcements made of aluminum, bumpers regenerating to their original shape in impacts up to 6 km/h	■	■
Seat belts:		
– Inertia-reel seat belts at the front with pyrotechnical belt latch tensioner, adaptive belt force limiter and belt restrainer	■	■
– Rear seat belt system with three-point inertia-reel seat belts and terminal position tightener	■	■
Servotronic vehicle-speed-sensitive power steering	■	■
Side impact protection and roof crossbar	■	■
Tire pressure monitoring	□	□
Windshield wipers with integrated heated wash nozzles	■	■

Engine	745i	745Li
V8 engine with four-valve technology	■	■
Cylinder-specific anti-knock control	■	■
Digital Motor Electronics	■	■
Distributor system , solid-state	■	■
Double-VANOS	■	■
Fully electronic drive-by-wire throttle system	■	■
Fully Variable Intake System	■	■
Light-alloy cylinder head	■	■
On-board diagnosis	■	■
START/STOP button with Comfort Start	■	■
Three-way catalytic converter , heated oxygen sensor, activated carbon filter, controlled tank purge	■	■
VALVETRONIC	■	■

Transmission/Suspension	745i	745Li
6-speed automatic transmission with STEPTRONIC (control buttons in the steering wheel)	■	■
Anti-roll bars , front and rear	■	■
Aluminum integral rear axle (patented multi-arm axle principle)	■	■
Dynamic Drive active suspension	■	■
Electronic Dampening Control	□	□
Lightweight double-joint spring strut front axle with aluminum track control arms	■	■
Self-levelling rear air suspension	□	□
Shift-by-wire transmission technology with Adaptive Transmission Management (ATM)	■	■

Interior Equipment	745i	745Li
Armrest at the front with storage box, temperature-controlled and lockable	■	■
Armrests in the doors with integrated closing handles	■	■
Automatic air conditioning with microfilter, solar sensor and Automatic Air Recirculation (AAR)	■	■
BMW Mobile phone system incl. telecommander	■	■
Car/Key Memory	■	■
CD changer above the glove compartment for six CDs	■	■
Centre armrest at the rear	■	■
Controller on tunnel console for operating secondary vehicle functions	■	■
Cruise control programmable for six speed settings	■	■
Cupholders at the front and rear	■	■
Emergency call "Mayday" button on front roof console	■	■
Floor of passenger compartment finished in velour, driver's footrest integrated in side lining	■	■
Glass sunroof , electrically adjustable	■	■
Glove compartment , illuminated	■	■
Headrests at the rear with manual adjustment for height at the outside	■	■
Heated windshield wiper parking area	■	■
HiFi loudspeaker system, 10 speakers (incl. 2 subwoofers)	■	■
HiFi system Professional LOGIC7, 13 speakers (incl. 2 subwoofers)	□	□
Indirect illumination of the centre console	■	■
Info display , analog instruments combined with LC display	■	■
Interior lights front and rear with "soft" on/off function	■	■
Interior rear-view mirror with automatic anti-dazzle function	■	■

Standard Equipment | Optional Equipment

Interior Equipment	745i	745Li
LIGHTS ON? warning	■	■
Multi-function leather steering wheel, heated	■	■
Navigation System , integrated in iDrive system	■	■
Nasca leather upholstery	■	■
On-board computer incl. Check Control in info display	■	■
Outside temperature display	■	■
Pockets on front-seat backrests at the rear	■	■
Radio:		
- BMW Business CD, AM/FM stereo with RDS	■	■
Reading lamps front and rear	■	■
Rear automatic air conditioning , incl. cooling box	-	□
Seats/seating comfort*		
- Seat ventilation at the front (incl. active seat function)	□	□
- Front seats, 14-way driver, 12-way passenger electrically adjustable, incl. driver memory and lumbar support	■	-
- Comfort seats for driver and front passenger, 20-way electrically adjustable, incl. active headrests, driver and passenger memory and lumbar support	□	■
- Comfort seats rear, 14-way electrically adjustable	□	□
- Comfort seats, rear, 14-way electrically adjustable (with rear seat ventilation)	□	□
- Seat heating at the rear	□	□
- Seat heating for driver's and front passenger's seats	■	■

Interior Equipment	745i	745Li
Service requirement display in info unit	■	■
Ski bag	□	□
Smoker package	■	■
Spare wheel, full-size housed in luggage compartment beneath the floor	■	■
Steering column adjustment , electric	■	■
Steering wheel, heated	■	■
Stepless door brakes	■	■
Storage spaces in the driver's storage compartment (8.5 litre capacity, temperature-controlled), and in the doors, front and rear	■	■
Sunblinds , electric rear window sunshade with electric side sunshades	□	□
Toolbox integrated in the rear hood	■	■
Vanity mirror in the roof lining rear centre, swivelling, illuminated	■	■
Vanity mirror , illuminated and with slide cover, on driver's and front passenger's side	■	■
Voice control system , inc. telephone, navigation and audio functions	■	■
Window lifts front and rear, electrical, with open/close fingertip control, trap release and comfort closing function all round	■	■
Wood trim in Ash Grain high gloss, light or dark	□	□
Wood trim in Black Cherry, matte, light or dark	■	■

Exterior Equipment	745i	745Li
All-round anti-corrosion treatment with partial hot-galvanizing, phosphate treatment and cathodic dip paintwork, preservation of hollow cavities, underfloor protection	■	■
Automatic trunk opening and closing	□	□
Bumpers and rear-view mirrors in body colour	■	■
Direction indicators , white	■	■
Door handles in body colour, with illumination of outside area	■	■
Entry lights front and rear	■	■
Heat-insulating glass all-round , green, with laminated glass windshield	■	■
Metallic or non-metallic paint	■	■
Ornamental grille at the front with chrome-plated slats, chrome surround	■	■
Rear hood with single-joint bracket hinge	■	■
Rear view mirrors , blue-tinted, electrically adjustable, heated, with automatic anti-dazzle	■	■
Remote control with automatically recharging battery	■	■
Soft Close Automatic doors	□	□
Soft Close Automatic trunk hood	■	■
Universal garage door opener , integrated	■	■
Wheels:		
- 18 x 8.0 Double spoke alloy wheels, style 93, 245/50R-18 all-season tires	■	■
- 18 x 8.0 Multi spoke alloy wheels, style 94, 245/50R-18 all-season run-flat tires inc. Tire Pressure Warning System	□	□
- 19 x 9.0 Star spoke alloy wheels, style 95, 245/45R-19 front, 275/40R-19 rear performance tires	□	□
Windshield washer nozzles , heated	■	■
Windshield with green stripe	■	■

Premium Package	745i	745Li
Comfort seats, front; Electric rear sunshade with electric side sunshades; LOGIC7 sound system; Park Distance Control	□	-
Electric rear sunshade with electric side sunshades; LOGIC7 sound system; Park Distance Control; Self-levelling rear air suspension	-	□
Convenience Package		
Automatic trunk; Soft Close Automatic doors	□	□
Multimedia Package		
6-disk DVD changer; DVD Area coding 1 (North America); Rear screen and iDrive	-	□
Executive Package		
Active seats, front; Automatic trunk; Comfort seats, front; Electric rear sunshade with electric side sunshades; Heated seats, rear; LOGIC7 sound system; Park Distance Control; Soft Close Automatic doors; Ventilated seats, front	□	-
Active seats, front; Automatic trunk; Electric rear sunshade with electric side sunshades; Heated seats, rear; LOGIC7 sound system; Park Distance Control; Self-levelling rear air suspension; Soft Close Automatic doors; Ventilated seats, front	-	□
Ventilated Active Seats Package		
Active seats, front; Ventilated seats, front; Heated seats, rear	□	□
