- Infiniti Vehicle Immobilizer System
- Seat belt pre-tensioners with load limiters
- LATCH System for child restraint seats
- Tire pressure monitor

All illustrations, photographs and specifications are based on the latest product information. For additional information, please contact your Infiniti Dealership.

*Please keep in mind that airbags are a supplemental restraint system and must always be used in conjunction with the seat belt. Also, a rear-facing child restraint must never be placed in the front passenger's seat. In fact, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts, according to their size. Driver and front-passenger side-impact supplemental airbags and curtain side-impact supplemental airbags are designed to inflate in higher severity side collisions and inflate only on the side of the vehicle impacted. Please see your owner's manual for more details.

**Infiniti VDC system is designed to help improve driving stability but does not prevent accidents due to abrupt steering or by careless or dangerous driving techniques. Always drive safely.

Infiniti Financial Services

Driving an M45 or any of the Infiniti models is easy, thanks to Infiniti Financial Services. Our benchmark lease and retail plans offer competitive rates and flexible terms. Ask your Infiniti Dealer for complete details.

¹Factory-installed option. Never program while driving. GPS service may not function properly when satellite reception is weak (see Navigation System owner's manual for details). Mapping may not be detailed in all areas. Periodic updates to the DVD will be available.
²Intelligent Cruise Control is not a collision avoidance or warning device. For highway use only and not intended for congested areas or city driving. The system will not brake automatically to a stop. Failure to apply the brakes could result in an accident.
