

## The 2003 Infiniti Q45

*“On the highway or at the track, the Q’s ride is smooth, stable and quiet, its full-throttle noise level among the lowest we’ve ever recorded.”*

*– Autoweek, March 11, 2002*

*Accelerating the future*

**INFINITI**

## Specifications

- Curtain side-impact supplemental airbags\*\* (front & rear)
- Front seat pre-tensioners and load limiters
- Front and rear head restraints
- Tire pressure monitor

All illustrations, photographs and specifications are based on the latest product information. For additional information, please contact your Infiniti Dealership.

\* VDC System is designed to help improve driving stability but does not prevent accidents due to abrupt steering or by careless or dangerous driving techniques. Always drive safely.

\*\* Please keep in mind that airbags are a supplemental restraint system and must always be used in conjunction with the seat belt. Also, a rear-facing child restraint must never be placed in the front passenger's seat. In fact, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Driver and front-passenger side-impact supplemental airbags and curtain side-impact supplemental airbags are designed to inflate in higher severity side collisions and inflate only on the side of the vehicle impacted. Please see your owner's manual for more details.

\*\*\*\* Intelligent Cruise Control is not a collision avoidance or warning device. For highway use only and not intended for congested areas or city driving. The system will not brake automatically to a stop. Failure to apply the brakes could result in an accident.

## Packages & Pricing

### SPORT MODEL (includes all features listed above)

**\$74,900 MSRP†**

#### Sport Model with Navigation Package adds:

- Infiniti Navigation System with 7.0" colour LCD screen, Birdview™ and DVD-ROM database (GPS based)\*\*\*
