

Imagine a minivan so responsive and well-balanced that it's actually exhilarating to drive. Fact is, the Mazda MPV's uncanny attributes have inspired automotive press accolades ranging from ''more nimble" and "more fun" to "room with zoom". Propulsion comes courtesy of a potent, 200-hp V6 engine perfectly matched to an electronically-controlled 5-speed automatic transmission. Power-assisted rack-and-pinion steering provides precise control. While gas-filled struts and shocks, plus hefty front and rear stabilizer bars, promote handling that's truly confidence-inspiring. The result is a minivan equally adept at moving people, cargo and emotions.

HARNESS IMPRESSIVE POWER. With 200-hp and 200 lb.ft. of torque on tap, the Mazda MPV's advanced 24-valve V6 is a willing workhorse. Whether you're hauling people, cargo or even a trailer, MPV's got the power.

GIVE YOURSELF A BRAKE. On the GS and GT, power-assisted, ventilated 4-wheel disc brakes help to ensure fade-resistant stops. Also standard on these models is an Anti-lock Brake System (ABS) with Electronic Brake Force Distribution (EBFD).

GOOD SEATS STILL AVAILABLE FOR TODAY'S PERFORMANCE.

The Mazda MPV is that rarest of creatures: A minivan you'll actually want to drive for the sheer joy of driving. Tackle the weekday commute. Run those weekend errands. Haul everything from grown-ups and gear to kids and cargo. All with a serene smile on your face – dependability and driving exhilaration. The MPV's ingeniously engineered seats provide excellent support and remarkable versatility. They fold flat into the floor, flip back, slide together and even provide a seatback table on the GS for meals, games or work. Dual power sliding doors with remote control (standard on GT, available on GS) make loading and unloading a snap. And everywhere you turn, useful features abound. Like beverage holders for cups and bottles. An array of map lights, courtesy lights and storage compartments. Plus a deep cargo well behind the rear seat that's ideal for everything from gear to groceries. Talk about food for thought.

HAVE A SEAT. The MPV's unique Tumble-Under™ rear seat lets you easily flip the seat backwards to create "tailgate" seating that's perfect for picnics, outdoor sports and other activities.*

EXERCISE YOUR OPTIONS. With the simple pull of a strap, the MPV's versatile Tumble-Under™ rear seat also folds flat, to provide even more space for bulky gear, equipment or cargo.*

PART COMPANY. The MPV's ingenious Side-by-Slide[™] second-row seat lets you create some extra space, and luxury, by separating the middle bench into two captain's chairs, complete with fold-down armrest(s).

WHO SAYS YOU CAN'T TAKE IT WITH YOU?

With a Mazda MPV, your weekend options are wide open. Because when you add an available trailer hitch and wiring harness, you can tow up to 1,361 kg (3,000 lbs.) with Towing package. So if the family toy box includes a motorcycle or watercraft, you don't have to think twice about bringing it along. Equally important, in an MPV, you also don't have to think twice about safety. The MPV boasts an Anti-lock Brake System (ABS) with Electronic Brake Force Distribution (EBFD) (on the GS and GT) for enhanced braking control and effectiveness. "Triple H" steel structural reinforcements for extra strength and impact protection. Front and rear crumple zones to help absorb collision energy. Plus a Five-Star safety rating, the highest possible in U.S. government tests for driver and passenger protection in frontal and side impacts." When it comes to versatility, power and safety, Mazda MPV is pulling for you all the way.

MAKE YOURSELF COMFORTABLE. Mazda MPVs dual sliding doors feature power up-and-down windows (GX requires Convenience package), for added passenger comfort and convenience. How refreshingly thoughtful.

REACH FOR THE STARS. And take the show on the road with our complete rear-seat entertainment system. This available accessory plays audio CDs, MP3 CDs and even DVDs on its 7" full-colour flip-down monitor. Includes remote control and 2 sets of wireless headphones.

OPEN WIDE AND SAY "AHHH!" With its 2nd and 3rd row seats folded away, the MPV serves up a whopping 3,596.4L (without moonroof) of cargo space that's an ideal place to park other vehicles, equipment or gear.
