

The new
BMW 3 Series Sedan

325i
330i

The Ultimate
Driving Experience.™

**The most exciting performer of all
is coming to a road near you.**

The marathon sprinter.

A sporting arrangement: each axle carries an equal share of the load.

**Please get in.
You're what's missing in this winning team.**

Enjoy the view. You won't see it much when you drive.

This co-driver can do everything. Even be silent.

Equipment | Interior

■ **Xenon headlights** for low and high beam, with luminous rings, including automatic headlight range control for much better illumination of the road ahead in bad weather or poor visibility. These headlights also feature auto-levelling to adjust for varying passenger and cargo loads.

■ **Ornamental front grille** with special surround and chrome kidney grille slats. (Available only on the 330i).

■ **Rain sensor with automatic driving lights control:** once activated, the rain sensor will automatically switch on the windshield wipers when it begins to rain, adjusting the wiper frequency in line with rainfall intensity. The integrated automatic headlight activation system will switch on the low beam automatically at dusk and in tunnels.

■ **Brakeforce Display** helps vehicles travelling behind you to evaluate your braking more accurately: In the event of an emergency stop, the intensity of the brake lights is increased. So traffic travelling behind can tell in an instant the difference between a light tap on the brake pedal and a hard stop – for increased driving safety.

■ **Double Spoke alloy wheels** - Style 156, 16 x 7.0, 205/55R-16 (available only on the 325i).

■ **Star Spoke alloy wheels** - Style 159, 17 x 8.0, 225/45R-17 (available only on the 330i).

□ **Double Spoke alloy wheels** - Style 161, 17 x 8.0 front, 225/45R-17, 17 x 8.5 rear, 255/40R-17.

□ **Ellipsoid alloy wheels** - Style 162 18 x 8.0 front, 225/40R-18, 18 x 8.5 rear, 255/35R-18.

□ **Leather sports steering wheel:** three spokes, incl. handbrake lever handle finished in leather, multi-function buttons for remote control of radio/telephone (optional).

Equipment | Interior

■ **Automatic air conditioning**, (incl. Automatic Air Recirculation, micro-filter, fogging and solar sensors and residual heat button) rapidly provides the desired climatic conditions in the vehicle interior and maintains the selected temperature. With individual temperature control for left and right sides and rear air vent in the centre console.

■ **Radio BMW Professional**, with additional two-tuner reception, MP3 capability and AUX/IN connection. Sound is projected through the ten-speaker HiFi Sound System.

□ **Six-speed automatic transmission** with STEPTRONIC. The gearshift mechanism enables very fast, immaculate gear changes for truly dynamic performance.

□ **Sport seat** for driver and front passenger (shown here in optional Dakota Leather Beige). Optimum lateral support is ensured by continuously variable electric backrest width adjustment. Seat height, backrest and seat angle, as well as thigh support, are manually adjustable.

□ **Seat adjustment**, electric, for driver and front passenger, with electric adjustment of seat height, backrest, fore/aft position and seat angle, plus memory function for driver's seat and exterior mirrors. Two personalized settings can be stored for the driver's seat and the exterior mirrors. (Standard on 330i.)

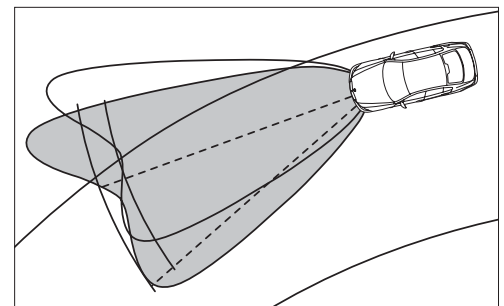

■ **Seat heating** for driver and front passenger (three settings): seat surface, sides and backrest are heated and quickly radiate comfortable warmth.

□ **Glass sliding/vent roof**, electric, with wind deflector and comfort opening function via the car's remote control unit, includes reading lights at the front and illuminated vanity mirrors (standard on the 330i.)

■ **Through-loading system** with asymmetric 60/40-split folding backrest, including rear centre armrest, two rear cup holders and ski bag.

□ The **Adaptive Headlights** system features electromechanically controlled headlights to ensure optimized road illumination as soon as the vehicle enters a bend. This enhances safety when driving at night or in bad visibility. Sensors register the steering angle, yaw rate and vehicle speed; the direction of the headlight beams are then automatically adjusted to match the calculated layout of the bend. (Standard on 330i.)

Standard Equipment | Optional Equipment

Safety	325i	330i
Adaptive Headlights	□	■
Airbags:		
– Front-to-rear head airbags, covering the entire window area	■	■
– ID (Impact-Dependent) airbags for driver and front passenger, with seat occupation detector for front passenger airbag	■	■
– Side airbags for driver and front passenger	■	■
Brakes:		
– Disc brakes at the front, vented	■	■
– Disc brakes at the rear, vented	■	■
Brakeforce Display	■	■
Central lock switch for central locking	■	■
Central locking with electronic immobilizer and crash sensor; fuel tank filler flap integrated in central locking	■	■
Dynamic Stability Control (DSC, incl. ABS, CBC and Traction Mode DTC)	■	■
Dynamic Stability Control with extended functionality	■	■
Foglights , halogen free-form	■	■
Park Distance Control (PDC), rear	□	□
Rain sensor with automatic driving lights control	■	■
Run-flat indicator	■	■
Run-flat wheels and tires	■	■
Safety bodyshell:		
– Bumper system with aluminum impact absorbers at the front and steel impact absorbers at the rear, reversible up to 4 km/h, and special deformation elements designed to absorb impacts at speeds of up to 15 km/h	■	■
– Integrated side impact protection in doors	■	■
Seatbelts:		
– Ergonomic seatbelt system at the rear, with 3-point seatbelts for all rear seats and integrated belt catches	■	■
– Inertia-reel seatbelts at the front and for the two outer rear seats, with pyrotechnic belt tensioner and belt force limiter	■	■
Xenon headlights for low and high beam , including automatic headlight range control and four parking light rings	■	■

Specifications

All dimensions in millimetres. Luggage compartment capacity (as per VDA standard): 460 litres.

1 The figure quoted includes a 90 per cent tank filling, 68 kg for the driver and 7 kg for luggage. Unladen weight applies to vehicles with standard equipment. Optional equipment may increase this figure.

2 Electronically Limited.

Values in () apply to vehicles with six-speed automatic transmission.
