DEEP INSIDE US ALL, THERE'S A UNIQUELY HUMAN EMOTION JUST WAITING FOR AN INVITATION TO "COME OUT AND PLAY". IT'S A FEELING OF PURE EXUBERANCE AND EXHILARATION — THE EMOTION OF MOTION.

# REDISCOVER THE EMOTION OF MOTION.

IT STARTS WITH A FEELING. One that children instinctively know, and grown-ups want to recapture. It calls to mind words like exhilaration, liberation and joy. But we like the way children put it better: "zoom-zoom". It's what moves us to build the kind of vehicles we do. And why you'll find the soul of a sports car engineered into everything we make — including the remarkable Mazda Tribute, the SUV with the soul of a sports car.

Freedom is a key word when you talk about Mazda Tribute. Because Tribute not only gives you the freedom to go just about anywhere, it delivers the kind of free-wheeling, never-let-it-end feeling you can only get in a Mazda. Treat yourself to the Mazda Test-Drive Experience, and you'll soon discover the responsive acceleration and steering, superb braking, and surefooted handling that set Mazda Tribute apart from ordinary SUV's.

**A. KEEN SENSE OF DIRECTION.** For confidence-inspiring control and surefooted handling, Mazda Tribute is endowed with a speed-sensing rack-and-pinion steering system, 4-wheel independent suspension, plus an Anti-lock Brake System (ABS). **B. FOUR TIMES TWO.** An electronic 4-wheel drive system (4WD) featuring Active Torque Control Coupling (ATCC) technology is available on most Tribute models for improved traction and control.

FORGOTTEN WHAT THE "S" IN SUV STANDS FOR? THEN SLIP BEHIND THE WHEEL OF A MAZDA TRIBUTE AND WATCH HOW QUICKLY ITS AGILE HANDLING PUTS THE "SPORT" BACK IN SPORT UTILITY VEHICLE.

**IT'S GOT MOVES**  
ORDINARY SUVs CAN ONLY DREAM ABOUT.

Unlike oversized, underpowered and awkward-handling competitors, Mazda Tribute is a joy to drive. Choose the economical, yet spirited, standard I4 powerplant. Or go with the available 200-hp V6. Either way, you've got a responsive performer that offers crisp, agile handling. And with available features like a 4-speed automatic transmission and electronic 4-wheel drive system (4WD), you'll discover Tribute is as versatile as it is nimble.

A. B.

**A. TWIN POWER SOURCES.** Standard in Tribute V6 models is a potent 200-hp, 3.0L, 24-valve engine, coupled with an electronically controlled 4-speed automatic transmission. A responsive, yet fuel-efficient, 153-hp, 2.3L, 16-valve 4-cylinder, mated to a 5-speed manual gearbox is standard in the Tribute GX-I4.

TRIBUTE'S 4WD SYSTEM USES ADVANCED ACTIVE TORQUE CONTROL COUPLING TECHNOLOGY WITH ELECTRONIC SENSORS TO SAFELY AND AUTOMATICALLY ADJUST TO CHANGING CONDITIONS. SO EVEN IF THE ROAD OR GOOD WEATHER ENDS, THE GOOD TIMES WON'T.

DOUBLE YOUR CHANCES OF  
**PULLING OFF**  
A GREAT WEEKEND.

Underlying Tribute's amazing agility on asphalt and sporty exterior is a solid, practical approach to utility. And when you add an inspiring option or two, you have an all-weather, can-do performer that works as hard as it plays. For enhanced traction, stability and safety, choose the available electronic 4-wheel drive system (4WD) that automatically directs just the right amount of torque needed to all four wheels. The Towing package on the GT (also available with Sport package on GS) includes a trailer wiring harness to allow the V6-powered Mazda Tribute to tow up to 1,588 kg. Raising the bar, cargo-wise, a versatile roof rack\* with adjustable crossbars is standard on the GS and GT-V6, while a luggage basket with stretch net is available as an accessory.

\*The amount and placement of cargo can significantly affect vehicle handling. Roof rack payload limited to 45 kg. See owner's manual for more information.

A high-angle, black and white photograph of a car's interior. The focus is on the front and rear seats, which are upholstered in black leather with visible stitching. The driver's seat is on the right side of the frame, and the passenger seat is on the left. The center console is visible between the front seats. The steering wheel and dashboard are partially visible on the right side. The overall lighting is dramatic, highlighting the textures of the leather and the contours of the seats.

AT SPEED, NUMEROUS VIRTUALLY UNSEEN ENGINEERING REFINEMENTS HELP TO SIGNIFICANTLY REDUCE WIND, ROAD AND POWERTRAIN NOISE AND CREATE A QUIETER, MORE COMFORTABLE TRIBUTE CABIN.

**LEATHER ISN'T JUST FOR  
ROCK STARS  
ANYMORE.**

Quality materials and thoughtful details grace the Tribute's entire cabin. From richly embossed, leather-trimmed upholstery and heated front seats available on the Tribute GT-V6 to standard features like the sporty floor console, silver-trimmed gauges and dual 12-volt outlets, all of your senses will register their approval.

TRUE TO ITS SPORTS-CAR HERITAGE, THE MAZDA TRIBUTE'S WELL-CRAFTED COCKPIT PUTS EVERYTHING YOU NEED WITHIN EASY REACH — WHILE DELIVERING EXHILARATION YOU CAN TOUCH AS WELL AS FEEL.

## INSIDE IS EVERYTHING YOU NEED TO PLAY OUTSIDE.

The Mazda Tribute's driver-centric cockpit doesn't just invite your input. It rewards it. With large gauges and intelligently placed controls that minimize driver distraction. A sporty centre console that puts the shifter, storage compartments and cup holders within easy reach. Plus a host of standard features committed to your comfort and convenience. Including a tilt steering wheel and air conditioning. Power windows, heated door mirrors and locks. Even an AM/FM/CD stereo. For more fun down the road, consider the available in-dash 6-disc CD changer or DVD entertainment system.

**A. COMFORT & CONVENIENCE.** The Tribute GT-V6 provides a 6-way power driver's seat, heated seats for both driver and front passenger, leather seating throughout, an in-dash 6-disc CD changer and more. **B. BRIGHT IDEA.** Most models include an overhead storage console for sunglasses. **C. TRUSTY SIDEKICK.** The standard multi-function floor console serves up storage for up to 17 CD cases, a built-in coin holder, plus dual cup holders in front and a pair of retractable cup holders in back.

B. C.

WITH A MAZDA TRIBUTE, YOU'RE WELL-EQUIPPED FOR LIFE'S LITTLE TRIPS, BIG ADVENTURES, AND OPEN ROADS. BEST OF ALL, YOU'RE ALSO FREE FROM THE UNINSPIRED PERFORMANCE OF AN ORDINARY SUV.

**A. OPEN & SHUT CASE.** The Tribute's rear window and liftgate open separately, allowing you to transport bulky items and even 4 x 8 sheets of plywood. **B. SPLIT PERSONALITY.** The standard 60/40 split fold-down rear seatback lets passengers share the ride with extra long cargo. **C. NO PRYING EYES.** A retractable cargo cover is available to protect your valuable cargo from prying eyes. When unneeded, it rolls up like a window shade. **D. SAFETY POINTS.** Three-point safety belts and adjustable headrests for all 5 seating positions are standard — as are dual front air bags\*. Front side air bags and dual side air curtains with rollover protection for front and rear passengers are standard on the Tribute GS and GT-V6.

\*Always wear your safety belt and secure children in the rear seat.

## WHATEVER YOU'RE INTO... IN IT GOES.

With a generous 1,892L of cargo space\*\*, Mazda Tribute can take on all kinds of stuff...from building supplies to water skis to just about anything else you please. Simply fold the Tribute's rear seatbacks forward and you've quickly created a completely flat load floor that's eager to accommodate. And thanks to Tribute's high rear liftgate clearance and low cargo area threshold, loading and unloading cargo is a safe and simple task.

\*\*Cargo and load capacity limited by weight and distribution. Please remember to properly secure all cargo.

**MAZDA WARRANTY** The basic warranty on the Mazda Tribute covers all parts found to be factory defective for 3 years or 80,000 km whichever comes first. Additional warranties cover powertrain components for a period of 3 years or 80,000 km whichever comes first, body sheet metal perforation for 5 years and unlimited mileage and specific emission control components for up to 8 years or 128,000 km. Exclusions from coverage are limited to maintenance items or adjustments (repairs not requiring parts replacement) on vehicles over 12 months old and repairs due to normal wear and tear. Ask your Mazda Dealer for additional information.

**ROADSIDE ASSISTANCE PROGRAM** As part of our commitment to your total satisfaction, 2006 Mazda Tribute owners are automatically enrolled in our Roadside Assistance Program. Roadside Assistance protects your Mazda Tribute for the duration of the 3-year basic limited warranty. Should you require assistance during this period, our service will help to get your vehicle back on the road and minimize any inconvenience. For complete details on this program, see your Mazda Dealer.

**MAZDA MOBILITY ASSISTANCE PROGRAM** Mazda Canada believes that vehicle access is vital for everyone. Under this program, physically-challenged customers who purchase or lease a new, unused Mazda vehicle may be eligible to receive assistance from Mazda Canada Inc. to aid with the cost of acquiring and installing adaptive driving aids on their vehicle. For complete details on this program, see your Mazda Dealer.

**MAZDA TEST-DRIVE EXPERIENCE** Excitement begins with the Mazda Test-Drive Experience – a uniquely designed road trip engineered to take you miles beyond the ordinary test-drive. Down local streets, on-ramps, highways, and off-ramps. Through straightaways, S-curves and corners. It's all about putting a Mazda to the test under real-world conditions. It's about discovering the superb acceleration, braking, steering, handling and ride quality that every Mazda offers. And rediscovering that fun, connected-to-the-road feeling we call "zoom-zoom."

**READY TO ROLL** Our pre-delivery commitment means every new Mazda is checked out, gassed up, and fitted with floor mats.

For peace of mind motoring, we've created the Mazda Added Protection Plan (M.A.P.). M.A.P. complements your Mazda Limited Warranty for up to 7 years or 160,000 km, and protects you from unexpected repair expenses and the rising cost of repairs. All M.A.P. plans include Personal Budget and Repair Inflation Protection. In addition, all M.A.P. plans include Premium Roadside Assistance, which extends the roadside assistance coverage offered during the new vehicle limited warranty period throughout the M.A.P. term. The Premium Roadside Assistance offers Towing, Winching, Battery Boost, Out-of-Fuel Coverage, Tire Service, Lockout Service, Emergency Travel Expense Reimbursement and Travel Planning, and Dealer Locator. Should you ever decide to sell your Mazda vehicle, M.A.P. is transferable to future owners and will enhance the resale value of your vehicle. The Mazda Added Protection Plan is fully backed and administered by Mazda Canada Inc. For more information, please contact your Mazda Dealer.

Ask your dealer about Mazda's competitive program for recent university and college graduates.
