

# C-Class

C 230 C 280 C 350  
C 55 AMG

Mercedes-Benz 2006

Mercedes-Benz

Standing behind every C-Class is the passion, vision and experience of the world's first automobile company.

## FORGET EVERYTHING YOU KNOW ABOUT DRIVING.

Contemporary styling, timeless refinement and a driving experience that is uniquely Mercedes-Benz. The 2006 C-Class has it all. All C-Class models have new powertrains, with larger, more powerful DOHC V-6 engines. Enjoy the industry's first 7-speed automatic transmission that provides even more enthusiastic performance or a quick-shifting 6-speed manual in the C 230 models and C 350 Sport Sedan. Those who need to change personas at superhero speeds will appreciate the lightning-quick moves of the 362-hp V-8 powered C 55 AMG. Experience contemporary C-Class luxury or the energizing look and feel of an exciting Sport variant. A multilink suspension paired with our Electronic Stability Program (ESP) delivers an exceptionally smooth ride with precise control. And the added security of 4MATIC™ all-wheel drive models inspires your confidence in any season. Superb design, legendary engineering and refined detailing create outstanding value that sets the C-Class apart from the crowd - today and tomorrow. [Mercedes-Benz. You're ready.](#)

1 Shown with optional Evolution Package.

## EXHILARATION IS ALWAYS IN STYLE.

No matter how you look at it, the 2006 C 230, C 280 and C 350 Sedans are polished performers. Their athletic contours are set off by seductive lower bodywork, jewel-like clear-lens headlamps and bold 16" alloy wheels. A new powerteam that pairs DOHC V-6 engines with a driver adaptive 7-speed automatic transmission<sup>1</sup> delivers impressive acceleration on demand and plenty of passing power. You'll enjoy supple ride, quick response and confident control with the multilink suspension, while 4MATIC™ all-wheel drive models can enhance that self-assured feeling throughout every season. Dressed for success and engineered to excel, C-Class Sedans are loaded with star quality.

### Indulge your sensibilities

The roomy cabin of a C-Class Sedan is a study in engaging indulgence. Its intelligent dash design, convenient in-dash CD player, luxurious dual-zone climate control system and stylish colour palette, may be the first things to catch your eye. But look closer, and you'll discover an abundance of exquisitely refined details that add unique appeal to its inviting character. Classic luxury and contemporary charisma have never come together so seamlessly—or so elegantly—to keep you coming back for more, mile after captivating mile.

### Distinguished choices

Seductively blending impeccable appointments, outstanding craftsmanship and an inspired sense of style, the C-Class Sedans beckon you with a unique combination of form and function. The visual and tactile captivation of hand-polished wood—Olive Ash in the C 230 and C 280 Sedans, and Laurel in the C 280 *Elegance* and C 350 4MATIC models—along with supple, hand-fitted leather front seat inserts. The *Elegance* experience also includes fine leather on the steering wheel and gearshift knob, plus convenient entrance lamps in the doors. All C-Class sedans feature supportive 10-way front seats with power height and recline, with the C 350 4MATIC adding full 10-way power adjustment.

C 280 *Elegance* Sedan shown with optional Stone premium leather and power driver's seat and steering column.

**a. 16" 7-spoke wheels**

The 16" aluminium-alloy wheels add a measure of sophisticated spark to the C 230 Sedan and C 280 Sedans.

**b. Instrument cluster**

Prominent circular gauges are ringed in distinctive chrome and flank a multifunction display that—along with steering-wheel controls—puts numerous vehicle functions at your fingertips.

**c. Refined climate controls**

The standard dual-zone climate control system features multiple sensors, a dust and pollen filter, and automatic control of blower speed, airflow and temperature. Elegant, user-friendly controls add to both style and convenience.

**d. Optional digital surround sound**

The optional harman/kardon® LOGIC7® digital surround sound system is like having a concert hall on wheels. A 7.1-channel amplifier and 12 speakers deliver 320 watts of astounding music power. The system includes a single-feed 6-disc CD changer.

**e. Multifunction steering wheel**

You can adjust the volume of the audio system, program various vehicle settings, even check the standard trip computer using fingertip controls on the steering wheel and readouts in the multifunction dash display.

**f. Optional DVD-based navigation**

Available as an option on the C 350 4MATIC, the COMAND system integrates the controls for the new DVD-based GPS satellite navigation system, audio system, and optional telephone and glovebox-mounted 6-disc CD changer into one in-dash panel.

1 Optional on C 230 Sedan. Not available on 4MATIC models.

## CENTRE OF ATTENTION.

The 2006 C-Class Sport Coupe can take you to a higher state of mind with its 201-hp new-generation V-6. Its aggressive attitude is reflected by 360 degrees of intense exterior style, from brilliant clear-lens headlamps to expressive taillamps. The C-Class Sport Coupe's assertive look demands attention, with artistically contoured lower bodywork, larger front air intakes, LED turn signals in the side mirror housings, and bold aluminium-alloy wheels. The optional Chrome Package adds bright accents to the bumpers, rub strips and door handles that further highlight the shining personality of the C-Class Sport Coupe.

C230 Sport Coupe shown with optional Steel Grey metallic paint, Panorama sunroof and Evolution Package.

### C230 Sport Coupe

New-generation 201-hp 2.5-litre DOHC V-6  
Standard 6-speed manual or optional  
7-speed Touch Shift automatic  
transmission  
16" 5-spoke aluminium-alloy wheels  
10-way adjustable sport front seats

## ROAD TRIP, SPORT-COUCPE-STYLE.

Put the power windows up. Turn the Sport Coupe's powerful sound system—featuring six speakers and a standard CD player—way up. Then take a moment to just sit back and savour a bevy of sensations. The inviting interior offers 10-way adjustable sport front seats and a multifunction steering wheel that lets you change CD tracks, adjust the audio volume or even see how far you can go before a fuel stop. Charcoal-colour grooved aluminium trims the console and doors, while chrome accents encircle the gauges. The Sport Coupe also features the added functionality of a 60/40-split folding rear seat. With all this, there's still room in the Sport Coupe's spotlight for options like Bi-Xenon headlamps and a Panorama glass roof.

a.

### a. Evolution Package

The optional Evolution Package adds a whole suite of stylish touches to the Sport Coupe. It includes 17" alloy wheels, an enlarged stainless steel exhaust tip, a leather-trimmed 3-spoke sport steering wheel with raised thumbgrips and silver sport shift knob to bring this powerful experience even closer to hand.

b.

### b. Panorama roof

The optional Panorama roof is something you've got to experience to believe. Tinted glass spans from the windshield to the liftgate, so it's like driving a convertible without messing up your hair. And you can peel back the oversized sunroof when you want a rush of fresh air, or power close the mesh sunshades if you want the coziness of a coupe.

c.

### c. 60/40-split folding rear seats

Whether you're transporting people or packages, the multifaceted C230 Sport Coupe knows how to take it in stride. Its 60/40-split folding rear seat can be easily lowered without removing the head restraints to conform to your needs quickly and easily.

## INTERNATIONAL JETSETTER.

All work and no play can make for a very dull world. Fortunately the C-Class Sport Sedans were created to help keep a keen edge on your competitive spirit. The C 230 and C 350 Sport Sedans feature AMG-design lower body styling—including a muscular front apron with mesh inserts and aggressively contoured side sills—and staggered-width 17" 5-spoke aluminium-alloy wheels rolling on a lowered sport suspension with a wider wheel stance. Since living life in the fast lane demands that you look the part, we've also given the Sport Sedans extra touches such as clear-lens headlamps, cool blue-tinted glass and a stainless-steel exhaust tip. Even their paint is innovative, using nano-particle technology to help their clearcoat fend off minor damage - like swirl marks from the car wash, or that bird who stalks clean cars - and keep their deep gloss far from dull. Even if you aren't quite a jetsetter on the international level, at least you can be one on a city street near you.

C 230 Sport Sedan shown with optional Pewter metallic paint and Bi-Xenon headlamps with heated washers.

### C 230 Sport Sedan

New-generation 201-hp 2.5-litre DOHC V-6  
Standard short-throw 6-speed manual or optional  
7-speed Touch Shift automatic transmission  
17" staggered-width 5-spoke alloy wheels  
Lowered sport suspension

### C 350 Sport Sedan

Standard short-throw 6-speed manual or optional  
7-speed Touch Shift automatic transmission  
17" staggered-width 5-spoke alloy wheels  
Lowered sport suspension

Energy meets synergy inside the spacious C-Class Sport Sedans. Silver linear-patterned aluminium trim on the doors and console sets a high-spirited tone that's complemented by a multifunction sport steering wheel, hooded chrome-ringed gauges and rubber-studded aluminium pedals. Deeply bolstered sport front seats with leather seating inserts grab and hold you during hot cornering, while the dual-zone climate control helps you keep your cool. A 6-speaker AM/FM sound system with an in-dash CD player is standard, while a 320-watt 12-speaker harman/kardon® LOGIC7® 7.1-channel digital surround sound system and a 6-disc changer are options. It's time for you to feel the adrenaline rush.

C 350 Sport Sedan shown in Ash with optional Bi-Xenon headlamps with heated washers, anti-theft alarm system, power rear-window sunshade, COMAND system and heated front seats.

C 55 AMG Sport Sedan shown in Ash with optional power rear-window sunshade and antitheft alarm system.

## THE FAST AND THE LUXURIOUS.

In a world where performance-car style seems to be far more common than actual performance, the C 55 AMG Sport Sedan gives you both. No doubt, the C 55 looks the part of a true sports car—with CLK coupe-inspired front sheet metal, aggressive lower bodywork and staggered-width 18" wheels.<sup>1</sup> But the C 55 also drives the part, with a massively powerful handcrafted AMG V-8 engine churning out 362 hp and a 0–100-km/h rush of just 5.1 seconds.<sup>2</sup> A 5-speed automatic puts manual-style shifting right at your fingertips with steering wheel-mounted buttons, while AMG SpeedShift™ programming delivers 35% quicker gear changes. Huge 4-wheel AMG disc brakes bring the C 55 to an almost instant stop. Inside the C 55's high-performance cabin, highly supportive sport front seats are wrapped in luxurious Nappa leather with Alcantara upper bolsters, while the doors and console are trimmed in cool aluminium. It's all designed to move you as eagerly as the red needle on the 320-km/h speedometer.<sup>3</sup>

<sup>1</sup> AMG 18" wheels and accompanying high-speed-rated tires provide substantially increased treadwear and reduced ride comfort compared to H-rated tires. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. <sup>2</sup> Stated rates of acceleration are based upon manufacturer's track results and may vary depending upon model, environmental and road surface conditions, driving style, elevation and vehicle load. <sup>3</sup> Please obey all speed laws. Top speed electronically limited to 250 km/h.

## PREMIUM PERFORMERS.

Three new-generation DOHC V-6 engines and a driver-adaptive automatic transmission bestow the C-Class with a passion to perform. Exceptionally smooth and refined, the 2.5-litre V-6 in the C230, the 3.0-litre V-6 in the C280 and the C350's 3.5-litre engine use lightweight alloy blocks and heads to trim weight and improve overall vehicle balance. Continuously variable timing of the intake and exhaust valves, plus an advanced intake system that optimizes the engine's breathing at every rpm range, contribute to a broad, flat torque curve. Translation? Exceptional response, from idle to redline.

### **C230 2.5-litre V-6**

For outstanding responsiveness, the new 2.5-litre V-6 in the C230 models makes a robust 201 hp and 181 lb-ft of torque. Variable valve timing endows it with an exceptionally broad power band for quicker acceleration and better passing performance.

### **C280 3.0-litre V-6**

As polished as it is enthusiastic, the 3.0-litre DOHC V-6 in the C280 generates a spirited 228 hp. And with all of its 221 lb-ft of peak torque available between 2,700 and 5,000 rpm, you can be assured of rapid response whether taking off from a stop or merging onto a crowded highway.

### **C350 3.5-litre V-6**

The exhilarating character of the C350 Sedan starts with its new 3.5-litre DOHC V-6. Developing an electrifying 268 hp - and 258 lb-ft of torque from 2,400-5,000 rpm - it's simply one of the most powerful standard V-6 engines in its class.

C 280 Elegance Sedan shown with optional Granite Grey metallic paint, sunroof, and Bi-Xenon headlamps with heated washers.

**6-speed manual transmission**

Standard on C230 and C350 rear-wheel drive models is a 6-speed manual transmission with direct-acting single-rod linkage that delivers a better, more precise feel. Short shift throws help facilitate quicker changes while allowing you to maintain a more comfortable driving position.

**Driver-adaptive 5-speed automatic transmission**

Standard on all 4MATIC™ models is a driver-adaptive 5-speed automatic transmission that matches its shift points to suit your driving style. This incredibly smooth operator even has a Touch Shift feature that puts you in charge of gear changes with manual-style control.

**Driver-adaptive 7-speed automatic transmission**

All rear-wheel drive C280 Sedans feature the industry's first 7-speed automatic transmission. A smooth and seamless driving partner, it contributes to quicker acceleration and helps improve overall fuel efficiency. The 7-speed automatic transmission is available as an option on C230 and C350 rear-wheel drive models.

## CONFIDENCE AT UNCERTAIN TIMES.

### 4MATIC all-wheel drive

The 4MATIC™ system is fully automatic: It's always engaged and always sending torque to every wheel. And 4MATIC is integrated with our standard Electronic Stability Program (ESP), which maximizes the effectiveness of 4MATIC in corners.

### 4-wheel Electronic Traction System

To help ensure that the driving power translates into control, 4MATIC incorporates our 4-wheel Electronic Traction System (4-ETS). 4-ETS monitors each wheel for the first sign of wheel slip, and can individually brake a slipping wheel to maintain the balance of power or reduce excess torque. By continuously ensuring that power goes to the wheels with grip, 4MATIC can help get you going, even if only one wheel has traction.

Whether you're on a rain-slicked highway in the middle of the night or challenging a delightfully serpentine back road on a bright summer day, you'll find our all-wheel-drive C280 and C350 4MATIC models ready to provide an extra measure of handling confidence.<sup>1</sup> 4MATIC all-wheel drive can make a performance difference you'll feel, regardless of the season or the road conditions.

<sup>1</sup> No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Best performance in snow is obtained with winter tires. Please always wear your seat belt.

C 350 4MATIC Sedan shown with optional Capri Blue metallic paint.

## CREATE YOUR OWN IMAGE.

As a perfect finishing touch, you can personalize your new C-Class with factory-installed options that will let it more closely reflect your personal sense of driving style. Choose from an array of luxury, communication, information and security options and services that can make your in-car experience satisfying in ways you might never have imagined.

**a. COMAND with DVD navigation**

The COMAND<sup>1</sup> system, optional on C 350 models and the C 55 AMG, integrates the radio, CD player, GPS satellite navigation, and controls for the optional phone and 6-disc CD changer into a single in-dash unit that you can access from the standard steering-wheel controls. A large colour-LCD screen provides clear displays and crisp map readouts. And with DVD-based navigation, a single disc holds the maps of Canada and the contiguous U.S.

**b. Rain-sensing windshield wipers**

With this option, the intermittent wipers automatically adjust their frequency based on the amount of rainfall that an infrared sensor detects on the windshield glass.

**c. Power-rear window sunshade**

An optional fine-mesh power rear-window sunshade can help keep the cabin of your C 350 or C 55 AMG cooler on sunny days without obstructing the driver's rear view.

**d. Heated front seats**

Take the chill out of the coldest day or offer some relief to an aching back with optional heated front seats (standard on the C 55 AMG). Three levels of heat let you select the level of soothing warmth.

**e. Tele Aid system<sup>2</sup>**

Speak to Mercedes-Benz support personnel at a moment's notice. Just press the SOS button for emergency assistance, the wrench button for a voice link to Mercedes-Benz Roadside Assistance, and the *i*-button for information.

<sup>1</sup> While the navigation system provides directional assistance, the driver must remain focused on safe driving behaviour including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or verbal display once the vehicle has been stopped in a safe place. DVD-ROM maps do not cover all areas nor all routes within an area. <sup>2</sup> First year's monitoring provided at no cost with subscription. Subscription is required for service to be active. Tele Aid operates only where cellular and Global Positioning System coverage are available. Owner must authorize stolen vehicle tracking and file a police report. <sup>3</sup> Corner-illuminating front foglamps not included on C 230 and C 350 Sport Sedans, and C 55 AMG Sport Sedan. <sup>4</sup> Standard on C 350 models and C 55 AMG Sport Sedan.

C350 Sport Sedan shown in Black with optional heated front seats.

**f. Bi-Xenon headlamps**  
 Improve the way your C-Class looks to the world - and looks at it. Optional Bi-Xenon headlamps produce a brighter light on both high and low beams for better vision over longer distances. They also have dynamic level control to cut glare, as well as heated high-pressure washers. Also included are corner-illuminating front foglamps<sup>3</sup> that can help light your way when turning into a dark driveway.

**g. 60/40-split folding rear seat**  
 Standard on the C230 Sport Coupe and the C55 AMG and optional on all other C-Class models, the split folding rear seat adds wagon-like versatility to your vehicle. It folds flat to extend the cargo area and includes tie-down rings in the trunk floor to help you properly secure your cargo.

**h. Power driver's seat and steering column**  
 Available as an option on C230 Sport and C280 *Elegance* models<sup>4</sup>, the 10-way power driver's seat includes 3-position memory. A 4-way power steering column is included. The memory system also retains the settings for the steering column and side mirrors, and has a parking-assist tilt-down feature for the right mirror.

**i. harman/kardon sound system**  
 Raise your C-Class to a new level of sonic splendour with the incredible 320-watt, 12-speaker harman/kardon<sup>®</sup> LOGIC7<sup>®</sup> 7.1-channel digital surround sound system. This option also includes the glovebox-mounted MP3-capable 6-disc CD changer.

## FOR THE SPECIAL ONE IN YOUR LIFE.

Your dealer offers an enticing selection of accessory items, from distinctive alloy wheels to a rear spoiler for the trunk lid, to let you add even more individualized appeal to your C-Class. To ensure the highest quality, each of these components is designed, engineered and tested to the same standards as your Mercedes-Benz. Whether you're driving the sleek coupe or a luxurious sedan, there's a wide range of accessories to suit your lifestyle and protect your investment.

a.

**a.**  
**Hands-Free Communication System**

Plug one of our sleek Motorola digital phones into your C-Class and it becomes part of our optional Hands-Free Communication System.<sup>1</sup> With the phone docked in the armrest cradle, your phone book is automatically downloaded into the vehicle while the phone battery charges, and the phone is connected to the vehicle's integrated antenna system. Calls are delivered through the audio system, which automatically mutes the radio or pauses the CD. You can even control calls via the multifunction steering wheel. Your Mercedes-Benz dealer offers a selection of the latest Motorola mobile phones for most major carriers.

<sup>1</sup> For safety reasons, we encourage the driver to stop the vehicle in a safe place before answering or placing a call. Always dock the phone in the cradle for use inside the vehicle. Operating a phone or radio transmitter with its own attached or built-in antenna while the engine is running can interfere with the vehicle's electronic systems.

b.

**b.**  
**Cargo tray with dividers**

A great way to keep everything just where it belongs. This heavy-duty moulded plastic cargo tray lets you make the most of the trunk space in your C-Class. (Tray without organizer available for Sport Coupe. See dealer for details.)

c.

**c.**  
**Sheepskin seat covers**

Cool in the summer and warm in the winter, these sheepskin seat covers are tailored precisely to the seat, to ensure a perfect fit and long-term comfort. (Available in black, tan or grey).

**d.**  
**Sliding trunk drawer**

This convenient drawer is perfect for stowing small items like a flashlight or gloves. It slides under the rear window ledge of the trunk of the C-Class sedans, leaving plenty of cargo space underneath.

e.

**e.**  
**Cargo nets**

Made of high-strength nylon, these cargo nets (each sold separately) let you secure objects on the trunk floor, at the sides, or along the trunk opening.

f.

**f.**  
**Rear seat cover**

This durable seat cover is made of high-strength polyester with a vinyl backing. So whether you're carrying wet gear or your four-legged best friend, you're protected.

**g. Roof rack system and sport luggage container**

The Mercedes-Benz roof rack system starts with the basic carrier. For a great way to carry your belongings, you can add a 241-litre lockable storage container or choose from an array of other dedicated carriers for skis, snowboards, bikes or even surfboards.

**h. Bike rack system**

Each rack holds a single bike and attaches to the basic carrier (sold separately). The basic carrier can hold up to three racks.

**i. Chrome mirrors**

Distinctive chrome-plated mirror housings offer a styling accent that reflects well on you, and on your C-Class.

**j. Chrome door handle protectors**

Help protect your finish from scratches and show an added touch of style with chrome door handle protectors. Available in pairs for the Sport Coupe and in sets of four for Sedans.

**k.**

**k. 18" 5-spoke alloy wheels**

These alluring 18" multipiece alloy wheels will have your C-Class turning heads wherever you drive.

**l. UVS-100™ sunshade**

Helps to keep your C-Class cooler and to protect its interior by blocking destructive rays. Durable foam core is laminated with reflective fabric. Custom-sized for an excellent fit.

**m. Chrome headlamp rings**

These chrome accents match the C-Class grille, and add a distinctive finishing touch to the front end of your C-Class (not available for the C55 AMG).

**n. Illuminated door sills**

The show begins every time you open the door. "Mercedes-Benz" illuminates in the door sill. Available with your choice of blue, green or yellow luminous film (sold separately).

**o. Chrome wheel locks**

Chrome-plated wheel locks can provide a subtle but effective security touch to your C-Class.

Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-down hooks. Cargo nets and organizers are not intended to prevent cargo of excessive weight and bulk from sliding or rolling in the event of a collision or sudden stop. Always drive with due caution when carrying cargo.

Certain accessories may require additional components to complete the installation in your vehicle. Check with your authorized Mercedes-Benz dealer for specific information about automotive accessories.

## YOU NEVER KNOW WHO YOU MIGHT RUN INTO.

It happens when you least expect it. And even though you can't predict an accident, you can prepare for one. It's something Mercedes-Benz has been doing for 65 years now. Our integrated approach to safety starts by optimizing your ability to stay out of harm's way, with responsive handling and features such as our Electronic Stability Program (ESP) and emergency-sensing Brake Assist. When a collision is simply unavoidable, the C-Class is prepared to help protect you with a robust structure and advanced safety technologies, including six standard air bags and an advanced Occupant Classification System. You might not know what lies around the corner, but you can drive confidently knowing your C-Class is always ready for an impromptu meeting.

## Active Safety

To help you avoid an accident:

- Electronic Stability Program (ESP)
- 4-wheel multilink suspension
- Quick-ratio rack-and-pinion steering
- 4-wheel disc brakes with ABS and Brake Assist

## Passive Safety

To help protect you in certain accidents:

- Adaptive dual-stage front air bags
- Four side-impact air bags
- Head Protection Curtains
- Reinforced body structure
- Outboard seat-belt Emergency Tensioning Devices and belt force limiters
- Active front head restraints, three rear head restraints
- Optional Tele Aid system

## New active head restraints

In the event of a rear-end collision, active front head restraints reduce the distance between the head restraint and the head. As a result, rearward movement of the head is limited, thereby reducing the chances of “whiplash” type injuries to the cervical spine.

## Advanced seat belts

All four outboard seat belts feature Emergency Tensioning Devices (ETDs), which help remove seat-belt slack in a sufficiently severe front or rear impact, and belt force limiters, which can help reduce the peak deceleration forces on belted occupants.

## Eight standard air bags

Every C-Class provides the 10-way protection of eight standard air bags, including adaptive dual-stage front air bags, four side-impact air bags, and Head Protection Curtains along the side windows for all four outboard occupants.<sup>1</sup>

## Occupant Classification System

OCS automatically turns the front passenger's front air bag on or off—or helps determine its inflation rate—based on the weight category determined by weight sensor readings from the front passenger seat.<sup>2</sup>

## High-strength/low-alloy steel

HSLA steel is used in critical areas throughout the C-Class body shell, to help create an exceptionally rigid structure designed to maximize integrity and minimize chassis flex for improved handling precision.

## Side-impact protection

Reinforced doors, door sills, floorpan, roof and dashboard supports in every C-Class are part of an integrated safety structure that affords formidable side-impact protection.

## Advanced crumple zones

Front and rear crumple zones feature full-width crossmembers. The front bulkhead helps transfer some impact energy around the cabin and staggered underhood components are designed not to stack up as the front zone deforms.

## Tele Aid

The optional Tele Aid system uses GPS satellites plus a digital cellular link to provide 24-hour live assistance at the touch of any of three buttons in your C-Class. If you need help—or see someone who does—the SOS button is for summoning emergency aid. Press the *i*-button for information. And the wrench button connects you to our legendary Roadside Assistance. Tele Aid also includes Automatic Collision Notification, which engages the SOS function if an air bag or Emergency Tensioning Device (ETD) deploys, as well as stolen vehicle tracking and remote keyless unlocking service.<sup>3</sup>

**1 WARNING:** THE FORCES OF A DEPLOYING AIR BAG CAN CAUSE SERIOUS OR FATAL INJURY TO A CHILD UNDER AGE 13. THE SAFEST SEATING POSITION FOR YOUR CHILD IS IN THE REAR SEAT, BELTED INTO AN APPROPRIATE, PROPERLY INSTALLED CHILD SEAT, OR CORRECTLY WEARING A SEAT BELT IF TOO LARGE FOR A CHILD SEAT. SEE OPERATOR'S MANUAL FOR ADDITIONAL WARNINGS AND INFORMATION ON AIR BAGS, SEAT BELTS AND CHILD SEATS. **2** C 55 AMG does not include OCS and features the BabySmart system, which automatically deactivates the front passenger's front air bag when an accessory BabySmart-compatible child seat is properly installed. **OCS** IS DESIGNED TO TURN THE FRONT PASSENGER'S FRONT AIR BAG OFF WHEN THE SYSTEM SENSES THE WEIGHT OF A TYPICAL CHILD 12 MONTHS OLD OR LESS, PLUS THE WEIGHT OF A STANDARD APPROPRIATE CHILD RESTRAINT. WITH THE **BABYSMART** SYSTEM, **A CHILD UNDER 13 MUST NOT USE THE FRONT SEAT** UNLESS THE CHILD IS BELTED INTO AN APPROPRIATE, PROPERLY INSTALLED **BABYSMART-COMPATIBLE** CHILD SEAT AND THE “PASSENGER AIR BAG OFF” INDICATOR REMAINS ILLUMINATED. At time of press, the toddler seat (for children 9–18 kg) is not approved for use in Canada. SEE OPERATOR'S MANUAL TO DETERMINE WHICH SYSTEM YOUR VEHICLE HAS, FOR IMPORTANT ADDITIONAL INFORMATION ON THESE SYSTEMS, AND FOR FURTHER INFORMATION REGARDING THE TRANSPORTATION OF CHILDREN HEAVIER THAN A TYPICAL 12-MONTH-OLD. **3** First year's monitoring provided at no cost with subscription. Subscription is required for service to be active. Tele Aid operates only where cellular and Global Positioning System coverage are available. Owner must authorize stolen vehicle tracking and file a police report.

## THE FIRST NAME IN SERVICE.

The innovative spirit that drives us to create the world's finest vehicles is directly reflected in an impressive selection of owner benefits. Consider the 24-hour Mercedes-Benz Roadside Assistance Program, the first of its kind. Our Flexible Service System lets you go farther than ever between scheduled oil changes. Customer Service can provide answers to questions about your vehicle. When we invented the first car in 1886, we also created the first car owner. For 120 years, it's been our passion to ensure that driving a Mercedes-Benz remains an experience that's second to none.

### **24-hour Roadside Assistance**

During the basic warranty coverage of 48 months and the time duration of the optional Extended Limited Warranty, Mercedes-Benz Roadside Assistance will be at your service. We'll bring you some gas, replace a flat tire with your spare, or jump-start your car. In the event of a mechanical breakdown, if attempts by our Roadside Assistance technician have not made your vehicle safely operable, towing service will be provided to the nearest Mercedes-Benz dealership. Assistance is available 24 hours a day, every day, to anyone driving a Mercedes-Benz anywhere in Canada or the continental U.S.<sup>1</sup>

### **Wear and tear coverage**

For 24 months or 40,000 km (whichever comes first) many items normally considered "wear and tear," such as light bulbs, wiper blade refills, and brake pads and discs, are covered. If necessary, an authorized Mercedes-Benz dealer will replace these parts at no charge to you.

### **Customer service**

Owning a Mercedes-Benz means that when you have a question, we're here to help. Customer Service is open from 9 a.m. to 5 p.m. EST, Monday through Friday, and is staffed with knowledgeable Mercedes-Benz people who can talk you through the finer points of working your car's audio system—or even assist you in locating the nearest Mercedes-Benz dealership. Just call 1-800-387-0100. It's that simple.

### **Mercedes-Benz warranties**

The Mercedes-Benz New Car Limited Warranty covers defects in materials or workmanship for 48 months or 80,000 km, whichever occurs first. To widen your window of confidence, you can opt for a Mercedes-Benz Extended Limited Warranty as well.<sup>2</sup>

### **Time for basic maintenance?**

#### **Ask your C-Class.**

No two drivers are the same. That's why the Flexible Service System in your C-Class monitors certain indicators of oil condition, engine loads, rpm, operating temperatures and your driving habits to determine when basic maintenance is really necessary.<sup>3</sup> Then a display on the dash reminds you to contact your Mercedes-Benz dealer for an appointment. So you can spend less time servicing your C-Class and more time enjoying your life.

### **Genuine Mercedes-Benz parts**

Your dealer has access to a vast inventory of parts for both new and vintage Mercedes-Benz vehicles. And we've made a nationwide effort to encourage our dealers to keep parts and labour prices competitive with those of independent garages.

### **Trip interruption reimbursement**

If a breakdown covered by your New Car Limited Warranty occurs more than 80 km from your home, leaves your Mercedes-Benz vehicle inoperable or unsafe to drive, and requires overnight repairs, we've got you covered. You will be reimbursed up to \$500 for hotel accommodations and up to \$600 for alternate travel expenses per incident while your car is being repaired at an authorized Mercedes-Benz dealership.

### **Alternate transportation**

Your life doesn't have to get put on hold just because it's time for service or maintenance on your car. That's why your Mercedes-Benz dealer always endeavours to provide you with alternate transportation when you drop off your vehicle for service.<sup>4</sup>

## FIRSTHAND KNOWLEDGE.

Looking for more Mercedes-Benz information? Visit [mercedes-benz.ca](http://mercedes-benz.ca) to open an online window to Mercedes-Benz Canada. Get information about any model, including financing and leasing options, upcoming vehicles, or purchase Mercedes-Benz *the Collection* gifts and personal accessories. Our website also offers details about the Mercedes-Benz Extended Limited Warranty, Customer Care, and the history of Mercedes-Benz. There's a world of information, but only one address to remember: [mercedes-benz.ca](http://mercedes-benz.ca).

### Build your own

Customize your vehicle with options, choose colours, and then save it as part of your personal profile. You can even send the configuration to your local dealer.

### Pre-owned search

Instantly access and compare pre-owned Mercedes-Benz vehicles in terms of price, mileage, and year. It's the most comprehensive collection of Star Certified vehicles anywhere.

### Purchase tools

Find the Mercedes-Benz that's best for you based on performance, price and body style. Schedule a test drive, learn more about a model, and explore financing and leasing options.

### Locate a dealer and book a test drive

Find your nearest dealer - or any dealer - and book a test drive. Our handy locator features detailed maps and a city or postal code search.

Induction	<b>Dual overhead camshafts</b> with continuously <b>variable intake and exhaust timing.</b> Magnesium <b>2-stage resonance intake manifold</b> increases intake runner length at lower rpm for improved response. Electropneumatic turbulence flaps at start of intake path help increase intake airflow speed at midrange rpm for greater air-fuel mixture swirling and stronger, more complete combustion.			Magnesium 2-stage <b>resonance intake manifold</b> increases intake runner length at lower rpm for improved response.
Fuel and ignition system	ME 9.7 engine management. Integrated <b>sequential multipoint fuel injection and ignition</b> with individual cylinder control of fuel spray, spark timing and antiknock. Electronic throttle. One high-energy ignition coil and spark plug per cylinder, with 160,000-km spark-plug intervals.			ME 2.8.1 engine management. Integrated <b>sequential multipoint fuel injection and phased twin-spark ignition</b> with individual cylinder control of fuel spray, spark timing and phase, and antiknock. Electronic throttle. Two high-energy ignition coils and two spark plugs per cylinder, with 160,000-km spark-plug intervals.
Fuel requirement Fuel tank capacity	Premium unleaded gasoline, 91 pump octane. 62.0 litres (with 8.0-litre reserve)	Premium unleaded gasoline, 91 pump octane. 62.0 litres (with 8.0-litre reserve)	Premium unleaded gasoline, 91 pump octane. 62.0 litres (with 8.0-litre reserve)	Premium unleaded gasoline, 91 pump octane. 62.0 litres (with 8.0-litre reserve)
DRIVETRAIN				
<b>6-speed manual transmission</b> Type	<b>Standard.</b> Fully synchronized <b>6-speed</b> with direct-action short-throw shifter and clutch-starter interlock.	Not available.	<b>Standard</b> on C 350 Sport Sedan.	Not available.
<b>7-speed automatic transmission</b> Type	Optional. Electronically controlled <b>7-speed. Driver-adaptive programming</b> adjusts shift points to the driver's current driving style.	<b>Standard</b> (C 280 Sedans).	Optional (C 350 Sport Sedan).	Not available.
<b>5-speed automatic transmission</b> Type	Not available. Electronically controlled <b>5-speed. Driver-adaptive programming</b> adjusts shift points to the driver's current driving style.	<b>Standard</b> (C 280 4MATIC Sedans).	<b>Standard</b> (C 350 4MATIC Sedan).	<b>Standard.</b> AMG-enhanced.
Touch Shift Shift into Optimum Gear Comfort mode Display	<b>Touch Shift</b> allows driver to manually downshift and allow upshifts by nudging the shift lever left or right from the Drive position. <b>Shift into Optimum Gear</b> programming allows one-touch selection of the best gear for maximum acceleration or engine braking by holding the shift lever to the left of Drive for one second. Driver-selectable <b>Comfort mode</b> starts vehicle moving in 2nd gear or a second Reverse gear, and upshifts at lower rpm, to help improve control on slippery surfaces. Instrument-cluster readout of selected gear range and Standard/Comfort mode. (Manual mode included on C 55 AMG Sport Sedan.)			
AMG transmission enhancements	Not available. <b>AMG SpeedShift™</b> programming provides up to 35% faster gear changes, automatically downshifts during braking, prevents unwanted upshifting while cornering, offers one-touch selection of the best gear for maximum acceleration (Shift into Optimum Gear), and features torque converter lockup in all forward gears. <b>Fingertip manual mode</b> allows direct-access shifting through forward gears via buttons on back of upper steering-wheel spokes (left button downshifts, right button upshifts) or via Touch Shift feature of shift lever, and will automatically intervene only to select first gear when the vehicle stops. In Standard and Comfort modes, the steering-wheel buttons operate the Touch Shift feature.	Not available.	Not available.	<b>Standard.</b>
<b>Drive configuration</b> Rear axle ratio	<b>Rear-wheel drive (4MATIC all-wheel drive</b> on 4MATIC models).			
	3.27:1	3.07:1 (3.27:1 with 4MATIC)	2.82:1 (3.27:1 with 4MATIC)	3.06:1
TRACTION / STABILITY				
<b>Electronic Stability Program (ESP)</b>	<b>ESP</b> compares the driver's intended course, via steering and braking inputs, to the vehicle's response, via lateral acceleration, rotation (yaw) and individual wheel speeds. ESP then brakes individual front or rear wheels and/or reduces excess engine power as needed to help correct understeer (plowing) or oversteer (fishtailing). ESP also integrates all-speed traction control, which senses drive-wheel slip under acceleration and individually brakes the slipping wheel or wheels, and/or reduces excess engine power, until control is regained. <sup>1</sup>			
<b>4MATIC all-wheel drive</b> with 4-wheel Electronic Traction System (4-ETS)	<b>4MATIC</b> models feature a permanent 40/60 front/rear torque split maintained via a planetary centre differential. <b>4-ETS</b> monitors the speed of all four wheels to detect wheel slip, then applies individual brakes as needed to provide the effect of locking the front, rear and/or centre differentials, and/or reduces excess engine power. 4-ETS continually balances the torque split to ensure that power is permitted to flow to the wheel(s) with traction. 4MATIC also incorporates the functions of ESP. <sup>1</sup>			
PERFORMANCE				
<b>Acceleration</b> , 0–100 km/h <sup>2</sup>	Final data not available at time of printing. Please see your dealer.	Final data not available at time of printing. Please see your dealer.	Final data not available at time of printing. Please see your dealer.	5.1 seconds
<b>Fuel economy</b> , <sup>3</sup> city–highway estimate	Manual: 11.5–7.3 l/100 km Automatic: 11.1–7.3 l/100 km	RWD: 11.5–7.6 l/100 km 4MATIC: 12.1–8.2 l/100 km	Manual: 11.7–7.6 l/100 km Automatic: 11.8–7.5 l/100 km 4MATIC: 12.5–9.1 l/100 km	Automatic: 14.1–10.0 l/100 km

<sup>1</sup> No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Please always wear your seat belt. <sup>2</sup> Stated rates of acceleration are based upon manufacturer's track results and may vary depending upon model, environmental and road surface conditions, driving style, elevation and vehicle load. <sup>3</sup> These estimates are based on the Government of Canada's approved criteria and testing methods. The actual fuel consumption of this vehicle may vary. Refer to the *Fuel Consumption Guide*. <sup>4</sup> AMG 18" wheels and accompanying high-speed-rated tires provide substantially increased treadwear and reduced ride comfort compared to H-rated tires. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. <sup>5</sup> Z-rated tires are optimized for performance driving and may provide reduced ride comfort, increased tire noise, substantially increased treadwear and greater susceptibility to damage compared with H-rated tires. <sup>6</sup> Braking effectiveness also depends on proper brake system maintenance, and tire and road conditions. <sup>7</sup> Figures are with optional sunroof.

□ <sup>2</sup>	■	■	■	■	■	■	■	■	Colour-keyed door handles (with chrome trim on C280 Elegance and C350 4MATIC™ models).
□ <sup>2</sup>	■	■	■	■	■	■	■	■	Chrome trim on bumpers and rub strips.
-	■	■	■	■	■	■	■	■	AMG-design lower bodywork: Front air dam with mesh air intakes, side skirts and rear apron (with CLK-inspired design on C55 AMG).
■	-	-	-	■	■	■	■	■	Neutral-tinted glass.
-	■	■	■	■	■	■	■	■	Blue-tinted glass.
<b>EXTERIOR FEATURES</b>									
-	□	□	□	□	□	□	□	□	Power tilt/sliding tinted glass sunroof with one-touch express-open/close.
■	■	■	■	■	■	■	■	■	Dual power mirrors, linked to seat memory <sup>3</sup> and automatically heated.
□	□	□	-	-	□	□	□	□	Parking-assist right-side mirror can tilt down upon shifting to Reverse <sup>3</sup>
■	■	■	■	■	■	■	■	■	Electrically heated rear window with auto-shutoff based on time and outside temperature.
■	■	■	■	■	■	■	■	■	Dual aero-blade windshield wipers. Heated windshield washer nozzles, lines and reservoir.
<b>EXTERIOR LIGHTING</b>									
■	■	■	■	■	■	■	■	■	Variable-focus halogen headlamps with clear high-impact polycarbonate lenses.
■	■	■	■	■	■	■	■	■	Halogen front foglamps, in front apron. Single red rear foglamp, integrated in left taillamp cluster.
■	■	■	■	■	■	■	■	■	Driver-selectable light-sensing headlamps can be set via the Auto position of the headlamp switch to automatically illuminate in darkness, and when entering dark tunnels or parking garages.
■	■	■	■	■	■	■	■	■	Driver-programmable Daytime Running Lamps illuminate low-beam headlamps at reduced intensity (full intensity for optional Bi-Xenon lamps) in daylight, with auto-on override in darkness.
■	■	■	■	■	■	■	■	■	Automatic lamp substitution uses a nearby lamp if a critical bulb fails.
■	■	■	■	■	■	■	■	■	Touch Turn Signals flash three times with one touch of turn-signal lever, for lane-changing. Auxiliary LED turn signal indicators are integrated with side mirror housings.
<b>LOCKING / SECURITY</b>									
■	■	■	■	■	■	■	■	■	SmartKey uses an electronic code to unlock the steering column and ignition. Removing SmartKey from ignition disables engine computer to help prevent unauthorized starting.
■	■	■	■	■	■	■	■	■	SmartKey remote control integrates: Door lock/unlock buttons (including liftgate on sport coupe). Trunk opener (sedans). Removable valet key (plus optional antitheft alarm panic button, if equipped). Driver may selectively unlock only the driver's door and fuel filler, or both doors plus the trunk/liftgate and fuel filler.
■	■	■	■	■	■	■	■	■	SmartKey remote locking uses redundant infrared and radio-frequency signals for improved range, and rolling-code signal for protection from transmitter cloning.
■	■	■	■	■	■	■	■	■	SmartKey offers infrared-remote opening/closing of windows (plus optional sunroof, if equipped) from outside the car.
■	■	■	■	■	■	■	■	■	Driver-programmable user-recognition feature links each SmartKey to driver's preferences (up to three individual users per car) for: Driver's seat memory settings <sup>3</sup> (all 3 presets, including steering column and outside mirror positions). Various climate control settings. Vehicle configuration settings from multifunction display, including language and lighting modes.
■	■	■	■	■	■	■	■	■	Driver-programmable driveaway locking can automatically lock the doors when car reaches 15 km/h.
■	■	■	■	■	■	■	■	■	Night security illumination uses the car's exterior lights to help illuminate a path after parking. Driver-programmable intervals allow lights to stay on for 60, 45, 30 or 15 seconds, or not at all.
■	■	■	■	■	■	■	■	■	Locator lighting uses the car's lights to help light a return path when the car is remote-unlocked in darkness. Unlocking car activates illuminated entry system.
■	■	■	■	■	■	■	■	■	Emergency trunk release, located inside cargo area and illuminated for 60 minutes after trunk lid is closed.

■ STANDARD  
□ OPTIONAL  
- NOT AVAILABLE

<sup>1</sup> Included with optional Evolution Package. <sup>2</sup> Included with optional Chrome Package. <sup>3</sup> Included with optional 10-way power driver's seat, memory system and power steering column. <sup>4</sup> Please obey all speed laws. Top speed electronically limited to 250 km/h. <sup>5</sup> **WARNING:** THE FORCES OF A DEPLOYING AIR BAG CAN CAUSE SERIOUS OR FATAL INJURY TO A CHILD UNDER AGE 13. THE SAFEST SEATING POSITION FOR YOUR CHILD IS IN THE REAR SEAT, BELTED INTO AN APPROPRIATE, PROPERLY INSTALLED CHILD SEAT, OR CORRECTLY WEARING A SEAT BELT IF TOO LARGE FOR A CHILD SEAT. WITH THE BABYSMART SYSTEM, A CHILD UNDER 13 MUST NOT USE THE FRONT SEAT UNLESS THE CHILD IS BELTED INTO AN APPROPRIATE, PROPERLY INSTALLED BABYSMART-COMPATIBLE CHILD SEAT AND THE "PASSENGER AIR BAG OFF" INDICATOR REMAINS ILLUMINATED. At time of press, the toddler seat (for children 9–18 kg) is not approved for use in Canada. **OCCUPANT CLASSIFICATION SYSTEM (OCS)**

<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	In-dash audio system operating panel integrates controls and displays for the radio, CD player, optional glovebox-mounted 6-disc CD changer and optional portable digital telephone.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	6-speaker audio system, with automatic speed-sensitive volume adjustment.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Fibre-optic network offers precise, high-speed communication among components. Factory preparation for optional CD changer and cellular phone, using fibre-optic network.

### INSTRUMENTATION

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Electronic analogue speedometer, tachometer and gauges for fuel and coolant temperature, with chrome rings, Black faces, White markings and White nighttime backlighting.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Electronic analogue speedometer, tachometer and gauges for fuel and coolant temperature, with hooded chrome rings, Black faces, White markings and White nighttime backlighting.
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	AMG-design instrumentation: Electronic analogue 320-km/h speedometer, <sup>4</sup> tachometer and gauges for fuel and coolant temperature, with chrome rings, Silver-accented Black faces, White markings and White nighttime backlighting.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Digital display for clock and Touch Shift gear/mode selection (and manual gear selection on C55 AMG).
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Multifunction display in speedometer face can be scrolled via steering-wheel controls to operate and display various menus and vehicle features: Odometer, resettable trip meter and outside temperature indicator. Digital speedometer, Flexible Service System (see below), and engine oil-level check. Radio tuner, CD player, CD changer (optional). Navigation system route guidance (optional). Vehicle reminder and malfunction messages. Driver-programmable settings for instrument cluster, clock, lighting, vehicle and convenience features. Trip computer (elapsed time, fuel consumption, distance to empty). Mobile phone book (optional).
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Flexible Service System calculates and displays distance to next basic maintenance service based on actual driving conditions, some indicators of oil condition, engine loads, rpm and operating temperatures.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Audible reminders to fasten seat belts, release parking brake, switch off headlamps and remove key from ignition.

### RESTRAINT SYSTEMS

<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Integrated Restraint System <sup>6</sup> : Driver and front passenger are each provided with an adaptive dual-stage front air bag, side-impact air bag, and 3-point seat belt with Emergency Tensioning Device (ETD) and belt force limiter. On sedans, outboard rear passengers are each provided with a side-impact air bag and 3-point seat belt with ETD and belt force limiter. Centre rear passenger (sedans) is provided with a 3-point seat belt.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Head Protection Curtains: In a side impact exceeding a preset threshold, a multi-chamber air bag deploys along the front and rear side windows on the affected side of the car.
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	BabySmart™ system automatically deactivates the front passenger's front air bag when an accessory BabySmart-compatible child seat is properly installed. <sup>5</sup>
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Occupant Classification System (OCS) automatically turns the front passenger's front air bag on or off based on the weight category determined by weight sensor readings from the front passenger seat. <sup>5</sup>
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	ETDs are deployed in a front or rear impact exceeding a preset threshold of severity, or certain rollovers. A front ETD will not deploy if seat belt is unfastened.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Universal LATCH system (Lower Anchors and Tethers for Children) at outboard rear seating positions. Selectable passenger seat-belt retractors help secure child seats.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Pivoting front shoulder-belt handover arm positions belt for easier access when door is closed, and moves belt out of the way when door is opened for easier rear-seat access.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Height-adjustable front shoulder belts are attached to seat frames at both lower points.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Automatically height-adjusting outboard rear shoulder belts.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	4-way adjustable front head restraints. On models with power front seats, the front head restraints also power-adjust for height automatically as each seat is adjusted fore-aft.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Individually retractable rear head restraints (two on Sport Coupe and three on sedans).
<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	All three rear head restraints can be remotely retracted by the driver to help improve rearward vision when the rear seats are unoccupied.
