

BMW Z4 Roadster

Z4 3.0i  
Z4 3.0si

The Ultimate  
Driving Experience.®

Listen to your eyes.

Above you, the sun. Beneath you, a storm.

**The Z4 cockpit. The ultimate human-road interface.**

**Fresh air, with a hint of leather.**

## Equipment | Exterior

■ **Foglights** integrated into the front air dam. The foglights provide extra safety in bad weather conditions.

■ **Xenon headlights** for low and high beam with dynamic headlight range control ensure better illumination of the road ahead and to the side, in bad weather or in poor visibility. Xenon headlights with ellipsoid technology offer a very high standard of light intensity and a very smooth and consistent spread of light on the road.

■ **Manual softtop operation:** Central lock for single-handed operation.

□ **Fully automatic softtop operation:** At the touch of a button, the softtop opens/closes in approximately 10 seconds. The softtop can also be operated via remote control. (Standard on the Z4 3.0si.)

□ The **wind deflector** reduces drafts and isolated turbulence in the shoulder and neck region; consists of two panes securely fitted into the roll bars and a frame-based net spanning between them. If the net is not required, it can be stored in a special storage rack in the luggage compartment.

□ **BMW Star Spoke bolted alloy wheels** – Style 108, 18 x 8.0, front 225/40R-18, 18 x 8.5 rear, 255/35R-18. (Available only on the BMW Z4 3.0si.)

■ **BMW Star Spoke light-alloy wheels** – Style 200, 17 x 8.0, 225/45R-17. (Available only on the BMW Z4 3.0i.)

■ **BMW Star Spoke light-alloy wheels** – Style 105, 17 x 8.0 front, 225/45R-17, 17 x 8.5 rear, 245/40R-17. (Available only on the BMW Z4 3.0si.)

□ **BMW Star Spoke light-alloy wheels** – Style 203, 18 x 8.0 front, 225/40R-18, 18 x 8.5 rear, 225/35R-18. (Available only on the BMW Z4 3.0i.)

■ **Multi-function leather sport steering wheel,** control of radio and telephone (optional) via integrated buttons.

## Equipment | Interior

□ **M Sport seats** for driver and front passenger: sporty design with integrated headrests; optimum lateral support in dynamic driving situations provided by highly contoured seat sides; wide range of seat length settings; individual adjustment for seat height, thigh support and seat angle. (Optional on the Z4 3.0si only.)

□ **Electric seats with driver memory** enable the driver and passenger to precisely adjust their seats to individual preferences.

□ **Seat heating** for the driver and passenger is a welcome feature in cooler weather. With the touch of a button, you can individually select from three heat settings. (Standard on the Z4 3.0si.)

□ **Dynamic Driving Control with Sport Mode** can be activated with the touch of a button. In Sport Mode, handling is crisper and the engine responds even more vigorously. Steering assistance is also reduced for improved feel of the road, and cruise control also accelerates faster.

□ **Six-speed automatic gearbox** with Steptronic®. Steptronic enables you to select gears manually, via the steering wheel-mounted shift paddles.

■ **Six-speed manual transmission** makes for extremely dynamic driving with precise, short shift throws.

□ **6-disc CD Changer** is integrated into the storage compartment and can hold up to six CDs (shown in combination with Navigation System).

□ **HiFi Sound System**, THX-certified with Digital Sound Processing (DSP), 430 watt amplifier, seven-band equalizer, eight speakers and two subwoofers, provides an excellent sound. Carver technology produces an especially brilliant bass playback at low volumes.

□ **Auto-dimming mirrors** increase your driving safety and comfort at night. Depending on the glare intensity, the interior and exterior mirrors dim accordingly in order to minimize glare. When glare has ceased, the mirrors return to the original degree of reflection.

■ **Rain sensor with automatic headlights** uses an infrared light to measure the amount of rain. When the wipers are in the intermittent mode, the rain sensor automatically adjusts the windshield wiping interval as needed.

## Standard Equipment | Optional Equipment

Safety	Z4 3.0i	Z4 3.0si
<b>Adaptive Brakelights</b>	■	■
<b>Airbags:</b>		
– Driver and passenger Impact-Dependent (ID) airbag system; seat occupancy detector for passenger airbag	■	■
– Knee airbags for driver and passenger	■	■
– Side airbags for driver and passenger	■	■
– Supplemental Restraint System (SRS) with “smart” dual-threshold, dual-stage deployment and sensor to help prevent unnecessary passenger’s airbag deployment	■	■
<b>Anti-lock Braking System (ABS)</b>	■	■
<b>Auto-dimming interior and exterior mirrors</b>	□	□
<b>Battery Safety Terminal (BST)</b>	■	■
<b>Brakes:</b>		
– Disc brakes, front, inner vented	■	■
– Disc brakes, rear, inner vented	■	■
<b>Bumpers with aluminum impact absorbers</b> front and rear, fully regenerating from impacts of up to 4 km/h; deformation units at the front absorb impacts up to 15 km/h	■	■
<b>Central locking</b> locks doors, trunk lid, fuel filler cap, storage compartment at the back between the seats	■	■
<b>Crash sensor</b> (including fuel cutoff, lights on, door unlock)	■	■
<b>Dynamic Brake Control (DBC)</b>	■	■
<b>Dynamic Stability Control (DSC)</b> , includes Anti-lock Braking System (ABS), Dynamic Traction Control (DTC), Dynamic Brake Control (DBC), Cornering Brake Control (CBC) and extended functionality	■	■
<b>Electronic Brakeforce Distribution (EBD)</b>	■	■
<b>Emergency trunk lock release</b>	■	■
<b>Foglights</b>	■	■
<b>Indicator light in the front side panel</b> (in white), integrated into the BMW roundel	■	■
<b>Rollover safety system</b>	■	■
<b>Runflat tires with Tire Pressure Warning (TPW)</b>	■	■
<b>Seat-integrated front safety belts</b> , with automatic pre-tensioners and force limiters	■	■
<b>Side impact protection door reinforcement</b>	■	■
<b>Third brakelight</b> , integrated into trunk	■	■
<b>Xenon headlights</b> , for low and high beam, including automatic headlight range control and four parking light rings	■	■
<b>Engine</b>		
<b>3.0-litre, 215hp dual overhead cam (DOHC)</b> , 24-valve in-line six-cylinder engine	■	–
<b>3.0-litre, 255hp dual overhead cam (DOHC)</b> , 24-valve in-line six-cylinder engine	–	■
<b>Digital Motor Electronics (DME)</b>	■	■
<b>Double-VANOS</b> (steplessly variable valve timing)	■	■
<b>Fully electronic “drive by wire” throttle system</b>	■	■
<b>Light-alloy cylinder head</b>	■	■
<b>Valvetronic®</b>	■	■
