

SOLUTIONS FOR THE WORLD YOU DRIVE IN.

At General Motors we are 100 percent committed to building vehicles that answer your specific needs. Because you demand more of your vehicle than ever before, we're committed to putting more of what you want into every vehicle we make.

VALUE

Value means much more than simply the price you pay for a vehicle. We are particularly proud of the value you receive for your money when you choose a General Motors vehicle – the unique combination of style, performance, safety, quality and functionality that sets GM's diverse model lineup apart from the rest.

QUALITY

If you're looking for a vehicle that's built to exceptionally high standards, look no further than GM's long list of quality and dependability awards, media accolades and consumer recommendations – as well as the fact that GM builds the most dependable, longest-lasting full-size pickups on the road.*

SAFETY

General Motors is the only automotive manufacturer committed to offering a full range of cars, trucks and SUVs that provide safety protection before, during and after a collision. In addition, GM builds 26 vehicles that have earned U.S. Government five-star frontal or side crash test ratings for 2006 models.**

FUEL ECONOMY

We know how important fuel efficiency is today. GM has it covered by offering more cars that get better than 7.0 L/100 km or 40 mpg in highway† driving than any other automaker in Canada. In addition, GM offers 15 models with Active Fuel Management™ fuel-saving technology – and 17 models that can run on E85 ethanol fuel.

INNOVATIVE DESIGNS

It required ingenuity to bring utility and dramatic style together in the Chevrolet HHR. And it required pure creativity to execute the flawless lines and purposeful design of the Pontiac Solstice open-air roadster. At GM, we break the mould to develop new designs that give you more range of selection than ever before.

FEATURES

GM keeps you ahead of the curve, by adding the features that really make a difference to your driving experience. Features like OnStar – the first comprehensive in-vehicle communications and assistance service. And XM Satellite Radio – the largest satellite radio provider in the world – that's now offered on more than 50 GM vehicles.

*Dependability based on longevity; 1988–July 2005 full-size Chevrolet and GMC light-duty pickup registrations, including chassis cabs. Sources: R.L. Polk Canada, Inc. National Vehicle Population Profile – Canadian Vehicles in Operation as of July 1, 2005. Based on % of vehicles remaining in operation, weighted on age of vehicle.

**U.S. Government ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (safercar.gov).

2007 OPTRA

2007 OPTRA

2007 OPTRA

ATTRACTED TO VERSATILITY?

It used to be if you wanted a versatile vehicle you had to accept a less than inspiring approach to design. Functional – sure, but where was the style? Then along came Optra with its sharp styling and impressive utility. In two distinct forms: Optra 5-Door and Optra Wagon. They share solid engineering, highlighted by a lively dual overhead cam engine and four-wheel disc brakes. Both offer the added enjoyment of a no-charge power sunroof on all LT models. Also shared is the comprehensive backing of the \$0-deductible 5-year/100,000 km* Extended Powertrain Warranty. A much more attractive form of versatility: Optra 5-Door and Optra Wagon.

For more information about the 2007 Optra, visit our website at optra.gmcanada.com

*Whichever comes first.

TOP: Optra LT Wagon, shown in Denim Blue.

BOTTOM: Optra LT 5-Door, shown in Cosmic Silver Metallic with available equipment.

OPTRA 5-DOOR

AN OPEN DOOR POLICY.

Optra 5-Door welcomes all – not just your buddies and family, but all the stuff they bring with them. Its functionality is the product of a standard rear liftgate – as well as the split-folding rear seatback that enables you to accommodate both passengers and cargo. Which in turn opens a lot of doors.

Go ahead and bring it with you. Optra 5-Door features a rear liftgate and a 60/40 split-folding rear seatback, creating more flexibility in handling both passengers and cargo.

The available RS Special Edition Package features 15-in. aluminum wheels, a rear spoiler, premium 8-speaker sound system, a leather-wrapped shift knob and steering wheel with sound system controls, plus an Apple iPod Nano (visit optra.gmcanada.com for details).

Optra LS 5-Door, shown in Super Red.

KEY FEATURES:

- Air conditioning, standard on LT, available on LS
- Power door locks and windows, standard on LT
- Fog lights
- Tilt adjustable steering column
- 60/40 split-folding rear seatback
- Rear liftgate
- CD player with MP3 playback and auxiliary audio input jack
- Available 8-speaker premium sound system.

OPTRA WAGON

ONE GOOD WAGON.

Sightings of affordable, good-looking wagons on today's roads are about as common as sightings of the Loch Ness monster. But all that is changing, thanks to the Optra Wagon. It takes the versatility of Optra 5-Door and adds almost 500 litres (more than 16 cu. ft.) of cargo capacity. That's a heckuva lot of space. Optra Wagon. One very good wagon indeed.

For easy loading, the rear tailgate opens up a large cargo area with a level load floor.

Optra LS Wagon, shown in Imperial Blue.

KEY FEATURES:

- Wide-opening rear tailgate
- Integrated roof rails, standard on LT
- Rear window wiper and washer
- 60/40 split-folding rear seatbacks
- 8 integrated cargo area anchors
- Cargo area floor net.

OPTRA INTERIOR

The reclining front bucket seats feature a standard lumbar support adjuster on the driver's side to enhance comfort.

Optra LT models feature the added convenience and security of a standard remote keyless entry system. In addition to Lock and Unlock functions, the key fob also includes an alarm button.

OPTRA TECHNOLOGY

READ THE SPECS.

When you turn the page and read the specs you'll find a lot to like, such as four-wheel disc brakes – instead of the common front disc/rear drum combo. They're standard, as is a heavy-duty exhaust system that resists the corrosive effects of Canadian winter roads. What did you expect? Optra is a Chevrolet, combining outstanding value with the built-in durability Chevrolet is famous for.

Optra's standard 4-wheel independent suspension system contributes to its precise handling characteristics.

Optra's 119 horsepower 2.0L dual overhead cam 4-cylinder engine is transversely mounted, making it space efficient.

EFFORTLESS INTEGRATION OF STYLE AND FUNCTIONALITY.

First you'll notice how the contours of the instrument panel flow into the area housing the sound system and climate controls. But Optra is also accomplished at integrating what you bring with you, whether by folding down the rear seat to handle a snowboard, or by creating space for

maps and magazines in the seatback storage pockets. Finally, top it off with a no-charge power sunroof in LT models.* Optra – because functionality never goes out of style.

*See your dealer for details.

KEY FEATURES:

- 119 hp 2.0L dual overhead cam I-4 engine
- 5-speed manual transmission standard; 4-speed automatic available
- Power 4-wheel disc brakes
- 4-wheel anti-lock brakes (ABS) available
- 4-wheel independent suspension

- Speed-sensitive, power rack-and-pinion steering on LT
- Dual-stage frontal air bags with Passenger Sensing System*
- Security Package with anti-lock brakes, front-seat side-impact air bags and tire pressure monitoring system available.

*A NOTE ON CHILD SAFETY: Always use safety belts and proper child restraints, even in vehicles equipped with air bags. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. Refer to the vehicle Owner's Manual and child safety seat instructions for more information.

OPTRA STANDARD & OPTIONAL FEATURES

THE GM WARRANTY:†

The New Vehicle Limited Warranty is your promise of total warranty protection. It applies to the first owner and all future owners of the vehicle, and covers repairs to correct vehicle defects related to materials or workmanship during the warranty period.

The warranty includes:

- 3-year/60,000 km* Base warranty coverage
- 6-year/160,000 km* rust-through perforation coverage
- 8-year/130,000 km* coverage on catalytic converters and powertrain control modules (PCMs).

*Conditions and limitations apply. **Whichever comes first.

EXTENDED POWERTRAIN LIMITED WARRANTY:

Every Chevrolet Optra is also covered by a special Powertrain Component Warranty with no deductible for 5 years or 100,000 km.* So you can count on your Chevrolet Optra for much more than its styling and engineering – today, and down the road.

*Whichever comes first.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:†

- **Roadside Assistance** – 24/7 service via toll-free number during the Base warranty period, anywhere in Canada or the United States
- **Courtesy Transportation** – may be offered during the Base warranty period
- **GM Protection Plan (GMPP)** – the only extended services contract backed by the resources and commitment of General Motors, GMPP may be purchased at the time of your sale or lease, or subsequently during the Base warranty period†
- **GM Goodwrench Service** – with GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.

†Conditions and limitations apply.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- **GMAC Financing** – on the spot financing at your GM dealership††
- **GMAC SMARTLEASE** – a smart alternative to traditional financing††
- **GM Student Bonus Program** – GM will cover the first two purchase finance or lease payments and the lease security deposit on eligible new GM vehicles for students and recent graduates of high school, college or university†
- **The GM Card** – eligible cardholders may be able to redeem up to \$3500 on GM Card® Earnings toward the total purchase price or lease down payment on selected vehicles! For more information on The GM Card please call 1-800-461-3279.

†Conditions and limitations apply. ††Subject to eligibility.

INFORMATION RESOURCES:

You can find more information about these programs from your GM dealer, or at these information centres:

- The GM website at gmcanada.com
- The GM Customer Communication Marketing Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users)
- For information about GMAC visit gmcanada.com or call 1-800-616-4622.

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your GM dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

TRADEMARKS

The marks appearing in this brochure including, but not limited to: General Motors, GM, the GM Canada emblem, the GM Canada website address, the GM Accessories logo, Buick, Cadillac, Chevrolet, the Chevrolet emblem, GMC, HUMMER, Pontiac, Saab, Saturn, HHR, Optra, Solstice and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as SMARTLEASE are trademarks of General Motors Corporation and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.

GMAC is a registered trademark of the General Motors Acceptance Corporation.
