

THE 2007 MAGENTIS

KIA MOTORS
The Power to Surprise™

*MEET THE ALL-NEW
MAGENTIS
THE FASTEST GROWING AUTOMAKER... JUST RAISED THE BAR.*

It's bold and sophisticated. It's our high-quality, high-value sedan featuring a dynamically designed exterior. It boasts an upscale interior that is both spacious and comfortable offering an abundance of features. It offers the choice between two exhilarating performance engine packages. It is committed to safety with 6 standard airbags, ABS and front anti-whiplash active headrests. And it is competitively priced and backed by one of the best warranties in the industry — Kia's 5-year / 100,000 kilometre Total Care Ownership Coverage. We present the all-new 2007 Magentis — another proud example of what you can expect from the fastest growing automaker in the world.

THE SUPERIOR PERFORMER

PERFORMANCE THAT LEAVES THE COMPETITION IN THE REAR-VIEW MIRROR.

PERFORMANCE

With the all-new Magentis you can choose between two highly advanced engines to drive your level of exhilaration. You can opt for the superior performance of the 2.4-litre, 161-horsepower, 4-cylinder. Or strap yourself into the even more -powerful 2.7-litre, 185-horsepower, aluminum-alloy V6. Either way, powerful performance is yours. With the available Steptronic automatic transmission you'll be able to turn an ordinary trip to the grocery store into a demonstration of gear-shifting mastery. McPherson strut front and multi-link rear suspensions collaborate for superior handling and undeniable riding performance. And all this doesn't come at the expense of efficiency. The Magentis boasts outstanding fuel economy. Bottom line, the four-door sedan will never be the same again.

INTERIOR COMFORT

The all-new Magentis is completely redesigned to create an open, spacious, and quiet environment. Inside you can surrender to the warmth of your heated, first-class, driver's seat; engineered for maximum support to minimize fatigue on long trips. Or you can upgrade to a leather, 8-way power adjustable driver's seat with power adjustable pedals and telescopically adjustable steering. The all-new Magentis offers the option of a "set and forget" automatic climate control system that will maintain your ideal comfort zone — while you focus on more important matters. Like taking advantage of larger leg room and head room, plus 420 litres of storage capacity that can easily fit four sets of golf clubs in the trunk.

FEATURE COMFORTS

DRIVE TO ALL OF LIFE'S DESTINATIONS IN STYLE.

IT'S WHAT'S INSIDE THAT COUNTS

THE GENIUS REALLY IS IN THE DETAILS.

THE DETAILS

The all-new Magentis boasts an outstanding ergonomically designed control layout. Key navigational, audio, and environmental systems have been placed at your fingertips. At night you'll feel more like the captain of your private jet as the display panel of your car glows pleasantly in white-blue interior lighting. A 6-speaker stereo sound system with equalizer will fill your Magentis with a symphony of sound. You have the option to have the key control instruments come to you, like the adjustable telescoping steering wheel and pedals. At the push of a button, you'll control the windows, heated side mirrors, tilt and slide sunroof and front seats with five-step temperature control. The standard remote keyless entry/alarm completes the experience.

THE STANDARD FOR PROTECTION

THE ALL-NEW MAGENTIS IS LOADED WITH SAFETY FEATURES.

SAFETY

The all-new Magentis features the latest in safety, technology and innovation. Standard features like 4-wheel anti-lock brakes with Electronic Brake Distribution, an internal trunk release, child door locks, impact sensing door unlock and an anti-pinch safety window. The advanced supplementary restraint system includes six standard airbags — dual front, dual side & dual full-length side curtains — all part of an integrated system that monitors conditions during impact and controls airbag inflation accordingly. In addition, anti-whiplash front active headrests help reduce neck injuries in the event of a rear-impact collision. Side-impact door beams and a child car-seat LATCH system make the Magentis a safe bet for your family. Optional is the Integrated Electronic Stability Control system. This state-of-the-art system will instinctively assess road conditions and driver's responses and adjust key vehicle functions, like braking and engine power, accordingly.

THE POWER TO SURPRISE

QUALITY AND VALUE ARE THE CORNERSTONES OF KIA'S SUCCESS.

THE FASTEST GROWING AUTOMAKER IN THE WORLD

Canadian Headquarters

Kia is the fastest growing automaker in the world, with more than 1.2 million vehicles sold globally each year. After more than half a century of producing quality vehicles, Kia has distributors and dealers in over 180 countries. Kia vehicles are becoming a growing presence on Canadian roads — there are over 150,000 proud Kia owners and more than 150 dealers across Canada. North American research and design takes place at the company's state-of-the-art, 90,000 sq. ft. Design and Technical Centre in California where relentless innovation continues to fuel Kia's "Power to Surprise."

Hybrid and electric vehicles, light-weight cars and aluminum space frames are among the many innovations our engineers are aggressively researching to create lightweight, recyclable and environmentally friendly cars.

In our ongoing effort to build great cars, while respecting the planet, Kia's fuel cell vehicle development program will soon allow our customers to significantly lower their fuel costs while at the same time play a leading role in environmental protection.

Numerous advanced performance features show Kia's commitment to providing you with a safe yet exhilarating driving experience. The available Electronic Stability Program (ESP), for example, delivers enhanced directional stability for greater vehicle control.

PEACE-OF-MIND MOTORING

Kia's Total Care Ownership coverage includes:

- 5-year/100,000 km - Worry-free comprehensive warranty covering virtually the entire vehicle.*
- 5-year/100,000 km - Powertrain warranty covering the engine, transmission, axles, differentials and driveshafts.*
- 5-year/100,000 km - Roadside assistance covers you in case of mechanical breakdown anywhere in North America.
- 5-year/unlimited km - Anti-perforation warranty on body sheet metal defects in material/workmanship.*

Kia completes the "peace-of-mind" coverage with a national dealer network. So wherever you need us - from Whitehorse to Windsor and from Victoria to St. John's - we'll be there.
