

# THE 2007 RONDO

**KIA MOTORS**  
The Power to Surprise™

# THE URBAN UTILITY VEHICLE

YOU CAN EXPECT MORE FROM THE FASTEST GROWING  
AUTOMAKER IN THE WORLD.

INTRODUCING  
THE NEW 2007 RONDO

You can have it all with the new 2007 Kia Rondo. As the new leader in safety, it has more standard features than the competition, including the Toyota Matrix, Chrysler PT Cruiser and Mazda5\*. It also has more horsepower than any other vehicle in its class with our powerful 182-horsepower, 2.7 L V6 engine. The original styling and utility of the Rondo is a dream come true for trend setting drivers. The bold front grill, cool projection headlights and roof-mounted antenna make this an attractive ride. You can quickly increase interior capacity from five to seven passengers by opting for the 3<sup>rd</sup> row flat folding seat. And your driving experience will be enhanced by an interior packed with comfort features. Combine this with Kia's 5-year/100,000 kilometre comprehensive Total Care Ownership Coverage and you are ready for the road ahead.

\*Based on MY07 models

PERFORMANCE

The Rondo is the only car in its class to provide a choice of advanced engines. Performance starts with the 162-horsepower, 2.4 L engine with a 4-speed Steptronic automatic transmission. For a more adventurous ride choose the 182-horsepower, 2.7 L V6 engine with a 5-speed Steptronic automatic transmission. Feel the difference with the European style gate-type shifter. The variable line pressure transmission and Continually Variable Valve Timing (CVT) technology work together to increase fuel efficiency. The CVT also combines with the Variable Intake System (VIS) to increase engine power and acceleration, making Rondo the horsepower leader in its class. And the rubber really hits the road with available 17" alloy wheels.

# POWER AND PERFORMANCE

YOU CAN NEVER HAVE TOO MUCH.

Enter your comfort zone by tilting your steering wheel and adjusting your driver's seat with lumbar support. Get started with the illuminated ignition keyhole. Feel the difference in the EX model with heated front seats, leather-wrapped steering wheel and gearshift knob. With the EX Premium options you can hit cruise control and open the power tilt and sliding sunroof. In the EX Luxury model you can monitor distance and time travelled, average fuel consumption and outside temperature on the trip computer. For a truly enjoyable ride, adjust your 6-speaker AM/FM/CD system with equalizer using the steering wheel mounted audio controls.

**WELL EQUIPPED**  
FOR THE DRIVER IN YOU.

# AN INVITING INTERIOR

STRETCHING THE LIMITS.

You have more room in the Rondo and more options to maximize your space. The standard 5-person seating capacity can be increased to 7 people with the optional 3<sup>rd</sup> row split-folding bench seat that sinks into the cargo floor. Passengers feel comfortable surrounded by air conditioning with available fully automatic climate control. Passengers can access what they need from the front and rear door pockets with bottle holders and 3<sup>rd</sup> row storage box with cup holders. Load items through the tailgate and secure supplies in the cargo under-floor storage compartment. Maximize storage space by folding down the 60:40 split 2<sup>nd</sup> row seat to easily transport bulky items. Go ahead and make room for what matters most.

# DESIGNED TO PROTECT

ALWAYS ON DUTY.

The Rondo is the class leader with the most standard safety features and the latest in safety technology. Driver and passengers are protected by dual advanced front airbags, dual front seat-mounted side impact airbags and full-length side curtain airbags. Front tilting anti-whiplash active headrests help to further reduce injuries. The standard 4-wheel disc brakes and Anti-Lock Braking System (ABS) improve control during sudden stops. Taking a cue from luxury vehicles, the Rondo also comes equipped with Electronic Stability Control (ESC) with Traction Control System (TCS) for improved traction and handling. The available fog lights, heated side mirrors and front windshield wiper de-icer improve visibility in bad weather. Finally, ease your mind with Kia's 24-hour roadside assistance. You can never be too safe.

# THE POWER TO SURPRISE

QUALITY AND VALUE ARE THE CORNERSTONES OF KIA'S SUCCESS.

THE FASTEST GROWING AUTOMAKER IN THE WORLD

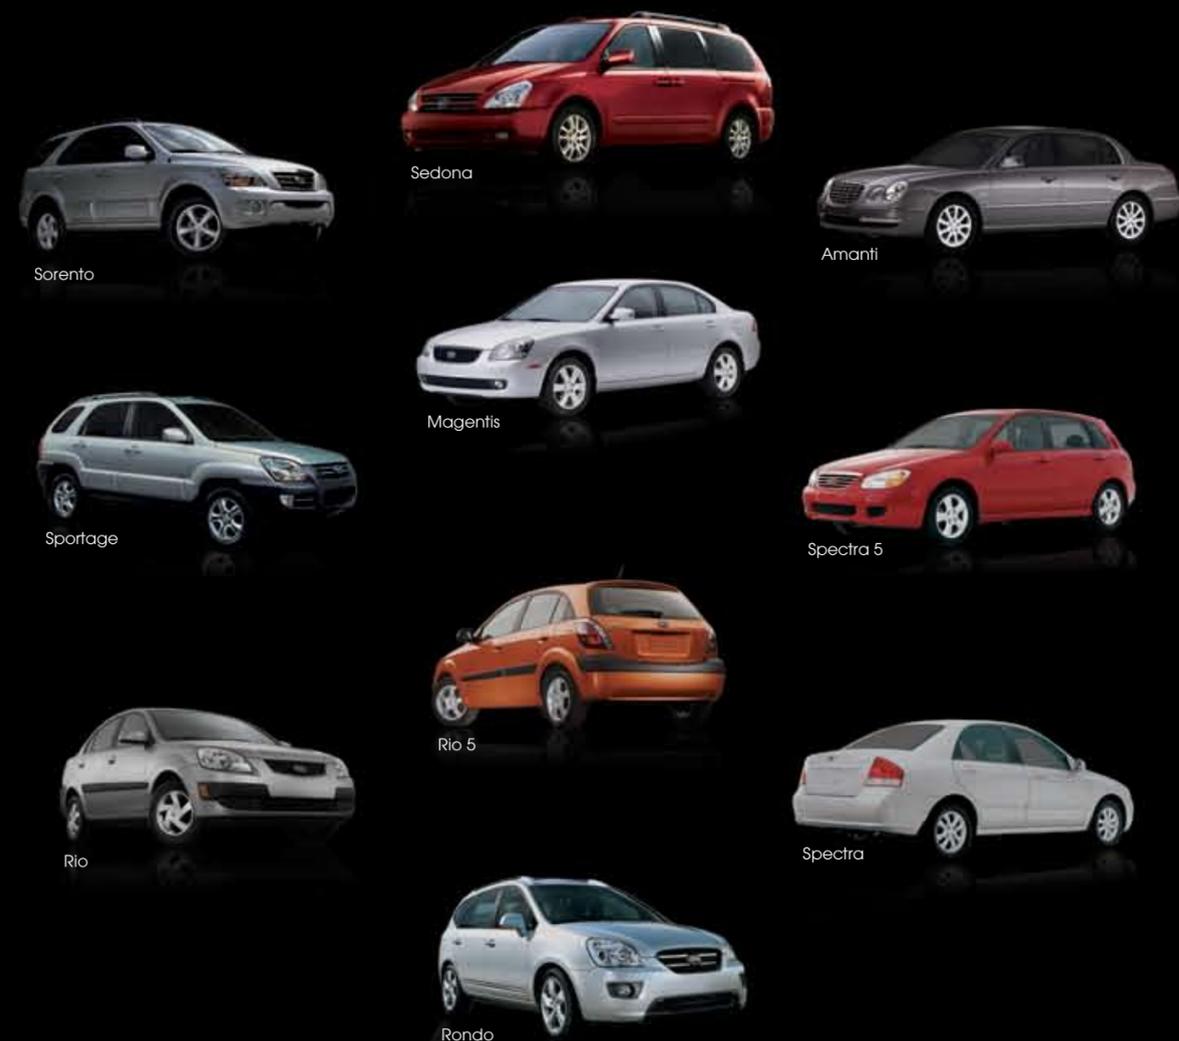

Canadian Headquarters

Kia is the fastest growing automaker in the world, with more than 1.2 million vehicles sold globally each year. After more than half a century of producing quality vehicles, Kia has distributors and dealers in over 180 countries. Kia vehicles are becoming a growing presence on Canadian roads — there are over 150,000 proud Kia owners and more than 150 dealers across Canada. North American research and design takes place at the company's state-of-the-art, 90,000 sq. ft. Design and Technical Centre in California where relentless innovation continues to fuel Kia's "Power to Surprise."

Hybrid and electric vehicles, light-weight cars and aluminum space frames are among the many innovations our engineers are aggressively researching to create lightweight, recyclable and environmentally friendly cars.

In our ongoing effort to build great cars, while respecting the planet, Kia's fuel cell vehicle development program will soon allow our customers to significantly lower their fuel costs while at the same time play a leading role in environmental protection.

Numerous advanced performance features show Kia's commitment to providing you with a safe yet exhilarating driving experience. The available Electronic Stability Program (ESP), for example, delivers enhanced directional stability for greater vehicle control.

### PEACE-OF-MIND MOTORING

Kia's Total Care Ownership coverage includes:

- 5-year/100,000 km - Worry-free comprehensive warranty covering virtually the entire vehicle.\*
- 5-year/100,000 km - Powertrain warranty covering the engine, transmission, axles, differentials and driveshafts.\*
- 5-year/100,000 km - Roadside assistance covers you in case of mechanical breakdown anywhere in North America.
- 5-year/unlimited km - Anti-perforation warranty on body sheet metal defects in material/workmanship.\*

Kia completes the "peace-of-mind" coverage with a national dealer network. So wherever you need us - from Whitehorse to Windsor and from Victoria to St. John's - we'll be there.
